Flexibility of Curriculum

Credit Based Semester and Grading System (CBGS):

The University of Mumbai has introduced the Credit Based Semester and Grading Credit (CBSG) System since the Academic Year 2011-2012 in a phased manner beginning with First Year Level for Bachelor's Programmes and Master's Programme and then implementing it for the next level in the subsequent years.

Name of the Programme	Year of Introduction
First Year Bachelor's Degree	2011-2012
Second Year Bachelor's Degree	2012-2013
Third Year Bachelor's Degree	2013-2014
First Year Master's Degree	2011-2012
First Year Master's Degree	2012-2013

This new system is based on the continuous evaluation, whereby each student is continuously evaluated and monitored with regard to his/her comprehension and performance. The system is based on Semester pattern and students are evaluated internally as under for each subject:

- Class test 20 marks.
- Class Participation 5 marks

Total Internal Assessment Marks: 25 marks.

External Semester Examination Marks: 75 marks.

This new system has substantially increased the number of interaction points between teachers and students. The teachers analyse the performance of each student and guide them accordingly for better performance. The system also helps teacher to identify slow learners and advanced learners and train them accordingly.
