Agenda

- Skill Development: Participants develop their recitation skills, including Tajweed (rules of Quranic recitation), voice modulation, and pronunciation, fostering a deeper understanding of the text.
- Public Speaking and Confidence Building: By performing in front of an audience, participants gain confidence in their public speaking abilities and enhance their overall communication skills.
- Community Engagement: These competitions foster a sense of community and encourage participation among different age groups, promoting unity and collaboration.
- Encouragement of Learning: Such competitions promote the study of Quranic literature and poetry, encouraging participants to deepen their knowledge and understanding.

Overall, Qirat and Naat recitation competitions are not just contests; they are educational and spiritual experiences that promote personal development, community bonding, and the propagation of Islamic values.

Report

Department of Arabic & Islamic Studies organised soft skill programme on 24 January 2020 at Bhasha Bhavan to fostering a platform where students and participants could celebrate their cultural heritage and spiritual connection through art and literature.

This competition showcased participants' skills in the recitation of the Quran, emphasizing proper pronunciation, intonation, and emotion. Students demonstrate their abilities and express their devotion through beautiful recitation.

Naat competition featured participants reciting poems in praise of the Prophet Muhammad (PBUH). This event highlighted the talents of individuals in delivering heartfelt renditions that capture the essence of love and respect for the Prophet.

Both programme become successful and students enjoyed it.
