Report on Online Session on "Skill Development and Gig Economy"

The online session on "Skill Development and Gig Economy" was successfully conducted on 15th February 2022. The session, organized by Department of Commerce aimed to highlight the importance of skill development in the context of the gig economy, featuring speaker Ms. Aarti Agarwal.

Key Details:

Date: 15th February 2022

Time: 3:00 PM - 4:00 PM

Speaker: Ms. Aarti Agarwal

Participation:

Number of Student Participants: 107

Number of Faculty Participants: 5

Highlights:

- 1. Expert Insights:** Ms. Aarti Agarwal provided expert insights into the gig economy and the role of skill development in succeeding in this dynamic employment landscape. She shared practical strategies for identifying and developing in-demand skills relevant to gig work.
- 2. Interactive Discussion:** The session included an interactive discussion where participants had the opportunity to engage with the speaker, ask questions, and share their experiences and perspectives on skill development and gig economy trends.
- 3. Awareness Building:** The session effectively raised awareness among participants about the opportunities and challenges associated with the gig economy, as well as the importance of continuous skill development for career advancement and adaptability.
- 4. Practical Guidance:** Ms. Agarwal offered practical guidance on how participants can enhance their skills, leverage online platforms and resources for skill development, and effectively market themselves in the gig economy.
