Report on Cultural and Sports Department Online Programmes for Degree College Students

Reference: Notice and Agenda dated 28.10.2020

Organized by: Cultural and Sports Department

Platform: Zoom (Online)

Time: 4:00 PM to 5:30 PM

Overview:

As part of the agenda for the academic year 2020-2021, the Cultural and Sports Department of the Degree College organized a series of online programmes aimed at fostering the overall development of students and sensitizing them to the current developments in the country. Two key programmes were conducted during this period, focusing on cultural and technological advancements, which provided an enriching experience to the participants.

1. Funtakshari - 2020

- **Date:** 13th July 2021
- **Resource Person:** Mr. Suryakant Patole
- **Number of Students Benefited:** 10
- **Programme Description:** Funtakshari-2020 was a fun-filled and interactive online session focused on music and creativity, promoting cultural engagement among students. It involved a quiz-based format on music trivia, encouraging students to participate actively in teams. The session fostered team spirit, communication skills, and cultural awareness.
- **Outcome:** The students developed a better understanding of Indian musical culture, enhanced their teamwork skills, and gained confidence in participating in online interactive sessions.

2. Technova - Fitment Apps

- **Date:** 24th July 2021
- **Resource Person:** Dr. Ashwin Mehta
- **Number of Students Benefited:** 16
- **Programme Description:** Technova - Fitment Apps was a technical session focused on introducing students to the latest applications designed for fitness and health monitoring. Dr. Mehta explained how these apps are developed and their potential use in daily life for maintaining health and well-being.
- **Outcome:** The students gained awareness of cutting-edge technological solutions for fitness, enhancing their knowledge of mobile applications and their practical application in day-to-day life. This session encouraged the adoption of a healthy lifestyle through the use of technology.

Conclusion:

Both programmes were highly beneficial for the students, helping them engage with both cultural and technological aspects of modern developments. The interactive format and expert guidance contributed to the overall development of students, aligned with the objectives of the Cultural and Sports Department.
