REPORT ON DEBATE COMPETITION

"Power to the voice is Power to the People"

Ismail Yusuf College of Arts, Science and Commerce's Self Finance (Commerce) Department conducted a **Debate competition on Theme "Cashless Economy: Are we ready for Transformation"** on 20th January, 2023 10:00 AM to 11:00 AM for the students of BMS and BAF. The event was organized under the guidance of the Coordinators of BMS and BAF and by Prof. Lydia Kalgutkar.

The aim of organizing debate competition was to enhance the public speaking skills of the students and teach them to be articulate while expressing their thoughts and opinions. The session was the kaleidoscope of opinions, thoughts and perspective that enhanced the knowledge and understanding about the cashless economy among students. There were 8-10 students in each team and a total of 32 students

To begin with, each participant spoke their mind on the rationale for, the execution of and the potential future effects of cashless economy. Unsurprisingly, this led to a wide spectrum of contrasting views – from being heralded as an inevitable future, to being poorly perceived positivity and doubtful future due to a severe lack of critical infrastructure and technology, to being an achievable dream that can lead to a more transparent economy and a possibility of less corrupt India.

Points presented were accepted by the spectators with cheers and claps. Some of the points even made us think about the facts. There was so much talent in the room. Arguments were made and roved. The competition was so interesting with the exchange of student's perspective by equally stating the merits and demerits of going for cash less economy. At the end of the heated but interesting debate which lasted over 45 minutes, finally the BMS Section was declared the winner.
