Students Activity Report
Topic: Power Point Presentation
2022 – 2023

Date: 3rd October 2022

Introduction:

Creating a student's activity report on a PowerPoint presentation involves organizing and presenting the data in a clear and engaging manner.

Identify Objectives:

Define the purpose of the report (e.g., progress tracking, project summaries, participation records).

Structure Your Presentation:

- Title Slide:
- Title of the presentation
- Subtitle (e.g., school name, date, presenter's name)
- Introduction Slide:
- Brief overview of the report's purpose
- Key points to be covered

Activity Overview Slides:

- Summarize each activity
- Include details such as objectives, dates, and participants

Detailed Activity Slides:

- For each activity, include:
- Description, Goals, Participation,

Conclusion:

Summarize key findings. Highlight the overall impact of the activities. Future recommendations
