A workshop on soft skill development was conducted by renowned motivational speaker Dr. Mehta on January 25, 2019, in the Seminar Hall specifically for the students of the Chemistry Department. Dr. Mehta focused on enhancing communication skills, leadership qualities, and teamwork among the participants. The workshop included engaging activities designed to foster practical learning experiences. Dr. Mehta actively interacted with the students, addressing their queries and providing valuable insights into the significance of these skills in their academic and professional pursuits.

**Outcome:**

**Enhanced Communication Skills:** Participants improved their ability to articulate ideas clearly and confidently, both verbally and in writing.

**Leadership Development:** The activities and discussions helped students recognize and develop their leadership qualities, preparing them for leadership roles in the future.

**Teamwork and Collaboration:** Through engaging activities, students learned the importance of teamwork, effective collaboration, and how to work harmoniously in group settings.

**Practical Learning:** The hands-on activities provided practical experiences that reinforced theoretical knowledge, making learning more engaging and memorable.

**Increased Engagement and Interaction:** Mrs. Mehta's active interaction with students fostered a more engaging learning environment, encouraging students to ask questions and participate actively.

**Insight into Professional Relevance:** Students gained valuable insights into how communication skills, leadership, and teamwork are crucial in both academic and professional settings, motivating them to further develop these skills.
