Report on Fire and Safety Seminar at College Campus

Date:28/08/2019

Organizer: National Service Scheme Unit (NSS), Ismail Yusuf College

Event: Fire and Safety Seminar

Location: Ismail Yusuf College Campus

Participants: Students and faculty members

Volunteers: 34

Program Officer: Prof. Dr. Shahina Khan

Introduction:

On August 28, 2019, the National Service Scheme Unit (NSS) at Ismail Yusuf College organized a Fire and Safety Seminar on the college campus. The seminar aimed to raise awareness about fire safety measures and equip participants with the knowledge and skills to prevent and respond to fire emergencies effectively.

Key Highlights:

- 1. Expert Presentations:** Experienced professionals from the field of fire safety delivered informative presentations on various aspects of fire prevention, detection, and suppression. They covered topics such as fire hazards, emergency evacuation procedures, fire extinguisher usage, and first aid for fire-related injuries.
- 2. Demonstrations:** Practical demonstrations were conducted to illustrate fire safety techniques and equipment. Participants had the opportunity to observe live demonstrations of fire extinguisher usage, fire drill procedures, and emergency evacuation protocols, enhancing their understanding of fire safety practices.
- 3. Interactive Sessions:** The seminar included interactive sessions where participants could ask questions, share experiences, and engage in discussions with the speakers. This interactive format facilitated knowledge-sharing and allowed participants to clarify doubts and seek practical advice on fire safety.

4. **Mock Drills:** Mock fire drills were conducted to simulate real-life fire scenarios and test the preparedness of participants in responding to emergencies. These drills provided hands-on experience in evacuating buildings safely, identifying emergency exits, and following designated evacuation routes.

Volunteer Support:

Under the guidance of Program Officer Prof. Dr. Shahina Khan, 51 student volunteers from Ismail Yusuf College actively contributed to organizing and facilitating the Fire and Safety Seminar. Their assistance in logistical arrangements, participant coordination, and event management ensured the smooth conduct of the seminar.

Conclusion:

The Fire and Safety Seminar organized by the NSS Unit at Ismail Yusuf College served as a valuable opportunity for students and faculty members to enhance their knowledge and skills in fire safety. By providing expert insights, practical demonstrations, and interactive sessions, the seminar contributed to promoting a culture of safety and preparedness on the college campus.

Acknowledgment:

Ismail Yusuf College extends its appreciation to all participants, volunteers, speakers, and organizers for their commitment to promoting fire safety awareness and preparedness in the college community.
