The students must note that

- 1- The **Spirit of sportsmanship** should be maintained throughout the sports festival.
- 2- There is no need register the names in advance for the **individual games**. But for team games the students must take the signature of the teacher in charge on the list one day prior to the event at 12 noon. So that in case there are more than one team the teacher in charge can decide about who will play. The decision taken by the teacher in charge will be final. **Those who report to the teacher concerned later than 12 noon one day prior will not be considered for the team game competition.**
- 3- The students must come in sports attire. The sports equipment will be provided by the college except for Cricket bat. The students are required to bring their own bats.
- 4- The students must remember that they should choose their games. It is practically not possible to participate in each game. As the schedule is to be fitted in 3 days. Once the student's name is announced the match should begin in 2 minutes. If the student fails to report then the opponent will be given a walk over. **If a student is participating in Carom and his Badminton round is clashing then he had to let one of it go, as it is impossible to wait for him so the students must cooperate and avoid creation of unsavoury conditions.**
- 5- The students must note that **each class is represented by one team**, i.e. TYBCom is represented by only one team for Box Cricket/Volleyball/Rink Football. The students own their own must decide a class team and submit the final list to the teacher in charge of the game one day prior to the tournament date. Under no circumstances any class will be allowed to play more than one team. The classes which will come with more than one team will be disqualified.
- 6- The rules of the Cricket tournament will be displayed separately. Each team is to get a neutral umpire for Box Cricket, scorer and neutral referee for Rink Football, Volleyball, or Throw ball. **The names of these three should be submitted to the teacher who is in charge of the game one day in advance at 12 noon.**

Wish you all the best for the tournament.

The students must note that

- 1- The **Spirit of sportsmanship** should be maintained throughout the sports festival.
- 2- There is no need register the names in advance for the **individual games**. But for team games the students must take the signature of the teacher in charge on the list one day prior to the event at 12 noon. So that in case there are more than one team the teacher in charge can decide about who will play. The decision taken by the teacher in charge will be final. Those who report to the teacher concerned later than 12 noon one day prior will not be considered for the team game competition.
- 3- The students must come in sports attire. The sports equipment will be provided by the college except for Cricket bat. The students are required to bring their own bats.
- 4- The students must remember that they should choose their games. It is practically not possible to participate in each game. As the schedule is to be fitted in 3 days. Once the student's name is announced the match should begin in 2 minutes. If the student fails to report then the opponent will be given a walk over. If a student is participating in Carom and his Badminton round is clashing then he had to let one of it go, as it is impossible to wait for him so the students must cooperate and avoid creation of unsavoury conditions.
- 5- The students must note that each class is represented by one team, i.e. TYBCom is represented by only one team for Box Cricket/Volleyball/Rink Football. The students own their own must decide a class team and submit the final list to the teacher in charge of the game one day prior to the tournament date. Under no circumstances any class will be allowed to play more than one team. The classes which will come with more than one team will be disqualified.
- 6- The rules of the Cricket tournament will be displayed separately. Each team is to get a neutral umpire for Box Cricket, scorer and neutral referee for Rink Football, Volleyball, or Throw ball. The names of these three should be submitted to the teacher who is in charge of the game one day in advance at 12 noon.

Wish you all the best for the tournament.
