Report on Financial Independence Webinar

Introduction:

The Financial Independence Webinar took place from March 6th to March 10th, 2021, aiming to equip women with essential financial knowledge and strategies during the lockdown period.

Event Summary:

This webinar spanned five days, with each day focusing on different aspects of financial independence. Topics included financial planning, investment opportunities, overcoming financial challenges, building long-term wealth, and interactive Q&A sessions with industry experts.

Key Highlights:

- Date: March 6th to March 10th, 2021
- Time: 11:00A.M.
- Topic: Financial Independence for Women
- Platform: Zoom Meeting
- Student Participants: 73
- Faculties Present: 6

Session Overview:

- Introduction to Financial Independence
- Understanding Investment Opportunities
- Overcoming Financial Challenges
- Building Long-Term Wealth
- Q&A Session with Industry Experts

Outcome:

For students, the webinar provided a foundational understanding of personal finance, equipping them with essential skills to manage their finances effectively as they transition into adulthood.

Faculty members benefited from the webinar by gaining deeper insights into financial literacy and strategies for teaching financial concepts effectively
