Students Activity Report

Topic: Screening of 'Newton' (Documentary)

2019 – 2020

Purpose of the Event:

The screening of the documentary "Newton" was organized to provide students with a deeper understanding of [specific theme or topic, e.g., the electoral process in India, the challenges of democracy, the role of bureaucracy]. The event aimed to encourage critical thinking, promote awareness of societal issues, and foster a spirit of inquiry among the students.

Summary of the Documentary:

"Newton" is a thought-provoking documentary that highlights the complexities of the electoral process in India through the eyes of a government clerk, Newton Kumar. Tasked with conducting elections in a conflict-ridden area, Newton's journey sheds light on the challenges and ethical dilemmas faced by individuals in the pursuit of free and fair elections.

Introduction:

- The event commenced with a brief introduction by [Facilitator's Name], who provided context about the documentary and its significance.
- The students were informed about the objectives of the screening and what they should focus on while watching.

Outcomes and Reflections:

The screening of "Newton" was well-received, with students expressing appreciation for the opportunity to engage with real-world issues through the medium of film. The documentary sparked meaningful discussions and prompted students to think critically about the electoral process and the importance of democratic integrity. The event successfully met its objectives of promoting awareness, encouraging critical thinking, and fostering a spirit of inquiry.
