

## Notice

Date: 01th September 2019

We are pleased to announce an Essay Writing Competition organized by the NSS Unit of Ismail Yusuf College, Maharashtra, under the guidance of Program Officer Prof. Dr. Shahina Khan. Details of the competition are as follows:

**Date:** 29th September 2019

**Venue:** Ismail Yusuf College, Maharashtra

**Participants:** NSS volunteer students from various disciplines

The competition aims to provide a platform for students to showcase their writing skills on a given topic. Participants are encouraged to bring forth their creativity and critical thinking abilities through their essays.

Interested students are requested to register their names with the NSS Unit office by 20th September 2019. Guidelines regarding the essay topic and submission format will be provided upon registration.

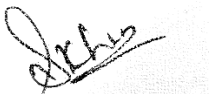

Prizes will be awarded to the winners, and all participants will receive certificates of participation.

For further details, please contact:

## **Report on Essay Writing Competition on Environment and Empowerment of Women**

**Date:** September 29, 2019

**Organizer:** National Service Scheme Unit (NSS), Ismail Yusuf College

**Event:** Essay Writing Competition on Environment and Empowerment of Women

**Participants:** NSS Volunteers

**Volunteers:** 13

**Program Officer:** Prof. Dr. Shahina Khan

### **Introduction:**

On September 29, 2019, Ismail Yusuf College organized an Essay Writing Competition with a dual focus on environmental conservation and the empowerment of women. The competition aimed to raise awareness about these critical issues and encourage students to express their views and ideas through written discourse.

### **Key Highlights:**

**1. Essay Topics:** Participants were given the opportunity to choose from a range of topics related to the environment and women's empowerment. Topics included the role of women in sustainable development, the impact of climate change on women, strategies for gender-inclusive environmental policies, among others.

**2. Promoting Awareness:** The competition served as a platform for promoting awareness and dialogue on the interconnectedness of environmental sustainability and women's empowerment. Participants explored the linkages between gender equality, access to resources, and environmental stewardship in their essays.

**3. Empowering Voices:** The competition provided a platform for students to voice their opinions, perspectives, and solutions to environmental and gender-related challenges. By encouraging critical thinking and research-based writing, the competition empowered students to become advocates for positive change in their communities.

**4. Evaluation and Recognition:** Essays were evaluated based on criteria such as originality, clarity of expression, depth of analysis, and relevance to the theme. Winners were recognized

and awarded prizes to acknowledge their efforts in addressing pressing societal issues through their writing.

### **Volunteer Support:**

Under the guidance of Program Officer Prof. Dr. Shahina Khan, 13 student volunteers played vital roles in organizing and facilitating the Essay Writing Competition. Their responsibilities included logistical arrangements, participant coordination, judging assistance, and ensuring the smooth conduct of the event.

### **Conclusion:**

The Essay Writing Competition on Environment and Empowerment of Women organized by Ismail Yusuf College provided a platform for students to engage with and reflect on two critical issues facing society. By harnessing the power of written expression, the competition fostered awareness, dialogue, and advocacy for environmental sustainability and gender equality.

### **Acknowledgment:**

Ismail Yusuf College extends its gratitude to all participants, volunteers, judges, and organizers for their enthusiastic participation and contributions towards making the Essay Writing Competition a success.
