Dear Sir/Madam,

The World's Number 1 Deodorant brand, Rexona is bridging the gap between the academic and professional journeys of young women in India by launching the Rexona Confidence Academy.

ABOUT

First jobs and interviews are a nerve wrecking experience. At such critical moments, young girls look for a reliable mentor, a need gap that the Rexona Confidence Academy services by educating and empowering young women with soft skills required to ace interviews ahead of their upcoming placements.

Developed in association with Suman Agarwal (Image Consultant and Life Coach), this Academy provides a robust platform for young girls. Various modules educate participants on how to conduct themselves confidently during interviews, via the right body language, grooming and hygiene habits.

All information given through Rexona Confidence Academy has been developed by experts to ensure that girls get correct and relevant information suited to their needs. The session also offers inspiring tales of women achievers and their experiences, thus introducing the participants to strong female role models
