## **Report of the science week**

**Date:** 28-02-2022 to 03-03-2022

**Time:** 10.00 onwards

**Venue:** New Science building

### **Introduction:**

Science Week 2022, organized collaboratively by all departments of science at Ismail Yusuf College, was held from February 28th to March 3rd, 2022. This annual event aimed to celebrate the spirit of scientific inquiry, promote academic excellence, and foster interdisciplinary collaboration among students, faculty, and staff.

### **Agenda:**

The Science Week featured a diverse range of activities, workshops, and competitions, designed to engage participants in various scientific disciplines and stimulate intellectual curiosity.

### **Highlight of the event:**

- The Slogan Writing Competition encouraged participants to express their creativity and enthusiasm for science through thought-provoking slogans.
- The Science Quiz provided a platform for students to demonstrate their knowledge and problem-solving skills in various scientific disciplines.
- The Poster Making Contest showcased the artistic talents of students while conveying complex scientific concepts through visual media.
- The Debate Competition fostered critical thinking and communication skills, as participants engaged in lively discussions on contemporary scientific issues.
- The Model Making Showcase exhibited innovative models that demonstrated scientific principles and phenomena, inspiring admiration and awe.

Science Week 2022 was a tremendous success, thanks to the active participation of students, the dedication of faculty members, and the support of the college administration. The event not only promoted academic excellence but also encouraged creativity, collaboration, and lifelong learning among all participants.
