**(5) Examination Reforms Implemented:**

Being affiliated college, the modus operandi of all examinations is decided by the University of Mumbai.

As per the present system:

- (1) F.Y.B.A/B.Com/B.Sc. and S.Y.B.A./B.Com./B.Sc. Examinations are conducted by the College on behalf of the University of Mumbai.
- (2) T.Y.B.A/B.Com/B.Sc. and M.A./M.Com./M.Sc. Examinations are conducted by the University of Mumbai.

The College follows all norms and rules pertaining to examinations as laid down by the University of Mumbai from time to time.

The College takes all the **steps to minimize the cases of unfair means at examinations** through orientation of students about importance of hard work and consequences of adopting unfair means at the examinations.

The College introduced the system of **Masking the students' details on answer sheet and Coding** them to ensure **transparency and objectivity** in the assessment process. The entries in the mark sheet are rechecked by the members of the Central Assessment Committee to ensure accuracy in marks entered in the mark sheet.

The College takes every step to ensure that candidates appear their examinations in a very comfortable manner. Some of these initiatives are – One Student One Desk policy, provision of Re-examinations for medical cases and sports persons, installation of closed-circuit cameras in all classrooms to keep a centralized watch over students appearing for examination, etc.

The College outsources the processing of results of the students from a well known private agency which processes the results of a number of Colleges from Mumbai since many years.

**(23) Courses in which student assessment of teachers is introduced and the action taken on student feedback**

Feedback from students is taken for all courses/programmes in the faculties of Arts, Science and Commerce. The Heads of the Departments administer the questionnaires to the randomly selected students from each class. A care is taken to select only those students who are regular in class. Generally, a sample of 20% of the total strength or a minimum of 20 students, whichever is higher is selected, for the purpose of feedback. The feedbacks sought are discussed at the departmental meeting and the respective heads guide and counsel teacher on deficiency areas and means to improve the same.

**(24) Feedback from stakeholders**

The major stakeholders for the affiliated colleges are:

- (1) Students.
- (2) Parents.
- (3) Management.
- (4) University.
- (5) General public.

The College seeks feedback from students on teachers' quality and syllabus on annual basis. The general facilities and infrastructure of the College is evaluated by students once in three years.

The Principal and other faculty members interact with the parents on the occasions of PTA meetings, annual gathering and prize distribution functions of the College. This interaction gives them an opportunity to seek oral feedback from parents about teaching learning and infrastructural developments in the College. The PTA of the College was held on 21<sup>st</sup> December 2010.

The College seeks feedback from the University of Mumbai through the report of the Local Inquiry Committee (LIC) which visits the College when the College applies for affiliation of new courses. The Local Inquiry Committee determines the fitness of college for the grant of new courses and submits report to the University. Such report serves as a feedback to the college on various issues. The LIC of the University of Mumbai visited the College in the year 2004-05, 2006-07 and 2007-08 and submitted a favorable report to the University for the grant of affiliation of new courses.

**(26) Computerization of Administration and the Process of Admissions and Examination Results, Issue of Certificates:**

Admissions to all courses are granted strictly as per the norms laid down by the Government of Maharashtra and the University of Mumbai from time to time. The process of admissions is partially computerized. All data about admissions are collected and fed in the computer for the preparation of General List and Merit List of students. The College makes extensive use of computers for compilation of data of students admitted and preparation of roll calls.

Being a multi-faculty institution, the College outsources the work of compilation of results of all classes and printing of mark sheets from a reputed private firm which is involved in the work since a number of years and provides its service to a number of well-known colleges in Mumbai.

- The college offers Computer Systems and Applications as an optional subject to the students of T.Y.B.Com. to give them training in computer systems and applications and computer programming. A large number of students at T.Y.B.Com. level opt for this subject.
- Considering the increasing demand for computer education, the College proposed a B.Sc. programme in Computer Science which was sanctioned by the University of Mumbai and the Government of Maharashtra from the A.Y. 2007-2008 on self-finance basis with an intake capacity of 24 students. The College receives more applications than the intake capacity of the course and students are strictly selected on the basis of their merit for the said course.
- Two fully air-conditioned labs have been constructed in the New Science Building for the Computer Science Students. These laboratories have 53 computers connected to the printer and Internet through networking. The students of Computer Science can access these computers and internet during college hours. The labs are also open to other students after the completion of lectures of the students of Computer Science.
- Both these computer labs have ceiling mounted Over-head projectors. All lecturers make use of power-point presentations for imparting instructions to the students of Computer Science programme.
- A separate fully air-conditioned computer lab was constructed in the Main Building for T.Y.B.Com. Computer Systems and Applications students. The Commerce computer lab has 35 computers with internet and printing facility. The lab also provides a facility of colour printer. The students of Computer Systems and Applications can access this lab during their lectures. The lab is open for access to all students after lectures hours.
- The Computer lab has a ceiling mounted Over-head Projector which is used for imparting instructions to the students of Computer Systems and Applications at T.Y.B.Com. level.
- An independent State-of-art Fully Air-conditioned Computer Resource Centre was constructed in library with a facility 12 computers and internet facility for students. The students of all classes can access these computers during library hours.
