2.12 How does IQAC Contribute/Monitor/Evaluate the Teaching & Learning processes:

IQAC monitors and evaluates the teaching and learning process with the help of various committees in the College in the following ways:

Contribution of IQAC to Teaching and Learning Process:

IQAC holds meetings with the departmental heads and prepares Academic calendar for the Year according to which lectures, examinations, co-curricular and extra-curricular activities of the institution are conducted.

Monitoring of Teaching and Learning Process:

IQAC closely monitors the teaching, learning and evaluation processes of various departments and cocurricular and extra-curricular activities and ensures that and each activity progresses as per the Academic Calendar and rules and regulations laid down by the University and the Government of Maharashtra from time to time. Deviations, if any, are identified and corrective measures are suggested to ensure effective implementation of the teaching learning process in the Institution.

The lecture plans and daily diaries of the teachers are authenticated by the Departmental Heads and checked by the IQAC Committee on regular basis to ensure effective implementation of the teaching learning processes.

The Heads of the Departments also monitor the lectures of teachers in their departments and give them feedback about improvement in teaching learning processes.

Evaluation of Teaching and Learning Process:

Before the end of the each Academic Year, the IQAC Committee takes feedback from students on the following aspects:

- (1) Teaching Quality of Teachers
- (2) Course Contents of Newly Revised Subjects

The feedback received from students on teachers' teaching quality are kept in strict confidence and are forwarded to the Departmental Heads who identify the areas of improvement in teaching-learning process of each teacher and give him feedback and suggestions on individual basis.

Regular feedbacks are also sought from students through suggestion boxes installed in the library and outside the college office.

Informal feedback is also taken from various stakeholders such as parents, alumni and members of society in the surrounding.

The College has functional Grievance Cell for resolving the grievances of students, non-teaching staff and teaching staff. There were no major grievances during the year.

Criterion - VI Governance, Leadership and Management

6.1 State the Vision and Mission of the institution.

Vision:

"We at Ismail Yusuf endevour to nurture young minds with new vision, clarity of thoughts and goals of life by imparting quality and value-based education for the purpose of rendering unique products to serve and then lead the society and bring perfection in entirety which projects our vision."

Mission:

- (1) To adhere and further the educational goals enshrined in the Maharashtra Universities Act, 1994.
- (2) To cater to the educational needs of all classes of society, especially the economically and socially underprivileged classes and students with special needs.
- (3) To preserve and promote the rich heritage of variety of Indian and foreign languages and the vast Indian literature.
- (4) To develop the Centres of Research and Extension activities in all disciplines and to contribute towards the nation's development.
- (5) To elevate the educational, ethical and moral standards of students and teachers to create a centre of excellence in higher education in the nation.

6.2 Does the Institution have a management Information System (MIS)?

The College has a Central Management Information System which is housed in the Server Room on the Ground Floor of the Main Building and is administered by the Committee head by the Principal.

Administrative Procedures including Finance:

All administrative functions are computerized and stored in the MIS Centre.

Students Admission:

 Admissions of students have been partially computerized and data pertaining to admissions are stored in MIS Centre.

Students Record:

• Students' records are stored in MIS centre.

Evaluation and Examination Procedure:

• The College has its own software for processing and storage of examination data.

Others:

• The College makes extensive use of computers and Central Data storage facility in its administrative and financial activities.

6.3 Quality improvement strategies adopted by the institution for each of the following:

6.3.1 Curriculum Development:

The College strictly follows the curriculum developed by the Board of Studies of respective subjects at the University of Mumbai. The College faculties take active part in curriculum development in the following ways:

- (1) A number of members of the teaching staff of the College are the members of the Board of Studies (BoS) and Faculties not only in the University of Mumbai but also many other universities across the State.
- (2) The members of teaching staff have also worked as Chairpersons and Members of Syllabus Framing and Revisions Committee of a number of Subjects at the University of Mumbai and other universities in the State.
- (3) The members of teaching faculty also take active part in the workshops organised by the Board of Studies in respective subjects prior to the introduction of the New Syllabus or Examination Reforms and also after their implementations.

6.3.2 Teaching and Learning

The Teaching Learning process is well planned, implemented and monitored throughout the year by the Principal, Departmental Heads, IQAC Heads and the Management in the following manner:

- (1) **Opening Meeting:** The Principle convenes a Staff Meeting on the first working day to outline the Curricular and Extra Curricular Activities of the College. He/she also instructs the Academic Heads to prepare an Academic Calendar.
- (2) **Departmental Meetings:** The Head of the Department hold a meeting of the faculty members to discuss the contents of the Syllabus and formulate the Action plan for its effective implementation.
- (3) **Lecture Plans:** The individual teachers from each Department frame Lecture Plans for each topic in consultation with each other and submit it to the Head of the Department for approval.
- (4) **Planning for Innovative Teachings Techniques:** The teachers plan various innovative techniques at their individual levels to supplement class room teaching in the following ways:
 - Use of LCD Projector
 - Use of ICT in Teaching
 - Lecture Plan and Daily Diary
 - Use of Library

- Educational Tours and Industrial Visits
- Expert Lecture Series
- Exhibition
- Writing and Communication Skills in Languages
- (5) **Continuous Monitoring the Progress of Students:** The progress of the students is continuously monitored through attendance in class, class participation, class tests and home assignments.
- (6) **Monitoring of Lectures by Head:** The lectures of the individual teachers are closely monitored by the respective Heads of the Departments and accordingly a feedback is given to teacher for the improvement.
- (7) **Completion Report and Question Bank:** On completion of the Syllabus, teachers submit a completion report to the Head of the Department along with a question bank. A departmental meeting is convened to discuss question paper pattern.
- (8) **Discussion of Question Bank and Guidelines for Question Paper:** The teachers discuss the question banks in the class rooms and give necessary guidelines to students regarding how to answer questions.

6.3.3 Examination and Evaluation

The University of Mumbai introduced the Credit-based Semester and Grading System (CBSGS) from the Academic Year 2011-2012 which was revised in the A.Y. 2012-2013. Under CBSGS, the performance of the learners is evaluated in two components:

- Internal Assessment with 25% marks by way of continuous evaluation, and
- Semester End Examination with 75% marks.

The University has adopted the following quality improvement initiatives in examinations and evaluation:

- (1) Continuous evaluation under CBSGS.
- (2) Online Transmission of Question Papers.
- (3) Bar Coding of Answer Books.
- (4) Decentralised CAP Centres.
- (5) Double Valuation.

6.3.4 Research and Development

The College has constituted a Research Committee which undertakes the following activities:

(1) To hold workshops and seminars for the promotion of research activities.

- (2) To encourage teachers to register for Ph.D.
- (3) To assist teachers in securing Faculty Improvement Programme (FIP).
- (4) To provide information on major research and minor research projects of the UGC.
- (5) To provide information on minor research projects of the University of Mumbai.
- (6) To provide all types of assistance to teachers in submitting the proposals for MRPs.
- (7) To help teachers in submitting the accounts of MRP.
- (8) To encourage teachers to write research papers and help them to publish in journals.

The institution has taken the following measures for the smooth progress and implementation of research schemes/projects:

- (1) Autonomy to the Principal Investigator.
- (2) Timely availability or release of financial resources.
- (3) Provision of physical infrastructure and human resource for research.
- (4) Provision of computers, statistical tools and internet facility.
- (5) Provision of library, books and journals.
- (6) Time-off, reduced teaching workload and special study leave.
- (7) Facilitating timely audit and submission of utilisation certificate.

6.3.5 Library, ICT and physical infrastructure/instrumentation:

The College library has a good store of books, journals, audio-visuals and reference books. The library area is spread over 7500 sq. feet, which includes reading room for boys and girls, library stack room and computer resource centre for students.

The whole college campus is connected to internet through optic fibre network. All computers in the college have been provided with internet facility.

The Chemistry lab, Botany lab and Physics lab provide instruments required for conducting research and therefore have approved research centres for Ph.D.

6.3.6 Human Resource Management:

All appointments to the teaching posts are made by the Government of Maharashtra only on the recommendation of the Maharashtra Public Services Commission (MPSC). The MPSC is an autonomous government body that recommends names of candidates for teaching posts who qualify a written examination and interview.

The Government of Maharashtra has formulated State Training Programmes which makes it mandatory for each Teacher to undergo rigorous training as under:

- Orientation Training (42 days) for new appointees.
- Refresher Training (5 days at an interval of 7 years of services, maximum 4 times).
- Induction training (As per need)

All teachers are subject to Self-appraisal System laid down by the Government of Maharashtra. The Head of the Institution gives his/her remarks on appraisals and forwards them to the Director, Higher Education, MS, Pune. The remarks of the Head of the Institution are confidential in nature. The Director, Higher Education, MS, Pune, further puts his/her remarks on the Self-appraisal of the teacher and forwards them to the Government of Maharashtra for record. These reports are taken into consideration for all purposes such as transfers, placement, career advancement, promotion, giving additional charge, etc. In order to bring about transparency in the process of self-appraisal, the teachers are given a copy of the Self-appraisal report along with the remarks of the Head of the Institution and the Director, Higher Education, Pune, after the whole process of the appraisal is completed and reports are filed with the Government of Maharashtra.

The teachers are given all other benefits such as promotion and placement and other financial benefits as per the UGC norms. In addition to that, the teachers are also eligible for loans at concessional rates for purchasing computers, vehicles and house.

6.3.7 Faculty and Staff recruitment:

All appointments to the teaching posts are made by the Government of Maharashtra only on the recommendation of the Maharashtra Public Services Commission (MPSC). The teaching staff of the Degree College enjoys the status of Class – I Gazetted Officers. The recruitment of the non-teaching staff is done by the Joint Director, Higher Education, through entrance test followed by interview.

6.3.8 Industry Interaction/Collaboration:

The Departments of Zoology and Botany organize nature trails and industrial visits to the places of interest to enhance learning experience of the students.

The Counseling and Placement Cell of the College organizes lectures on career guidance whereby experts from industry are invited to guide students about various employments opportunities in their respective industry and the requisite skills and qualifications for it.

6.3.9 Admission of Students:

Admissions for all courses in the College are purely done as per the guidelines issued by the University of Mumbai and the Government of Maharashtra from time to time.

The college receives at least three to four times more applications than its intake capacity for the Commerce and Science stream.

The College practices a fair means of admissions and does not deprive any student from getting admission to the course based on religion, caste, community, gender etc. No seats are reserved for management quota. All admissions are done on the merit basis. The college does not offer seats to any programme on the basis of donations/ recommendations.

The college has an inclusive admission policy catering to diverse students' groups with the following reservation as stipulated by the Act:

- (1) 13% for SC,
- (2) 10% for ST,
- (3) 26% for OBC (non-creamy layer), and
- (4) 3% for special category that includes Persons with Disabilities (PwDs), children of parents who have been transferred from other places, students from cultural background or sports background, etc.

Since the Academic Year 2014-15, the College has introduced the system of Online Admission whereby the students can fill up admission forms 24X7 from anywhere and the data base so created helps in speedy and smooth implementation of the admission process.

6.4 Welfare schemes for:

Teaching Staff:	(1) Interest free loan for buying computers/laptops and printers.
	(2) Housing loan and vehicle loans at a concessional rate of interest.
	(3) Government residential quarters at Bandra, Worli and Churchgate.
	(4) Leave travel allowance, group insurance benefits, maternity leave,
	reimbursement of medical bills for family, etc.
	(5) Grants for visiting foreign universities for paper presentation in

Students:	(1) All students are eligible for the Group Insurance Scheme.
	(2) There are special cells for the welfare of underprivileged students and
	students with special needs.
	(3) All eligible students are given freeships and scholarships as per the
	Government norms.
	(4) The institutions has well-equipped gymnasium and indoor and outdoor
	sports facilities for their physical developments.
	(5) Economically weaker students are given a facility of paying fess in
	instalments.
	(6) Slow learners are given special attention through Remedial coaching
	and Mentoring system.
	(7) Students suggestions are tapped through suggestions box scheme and
	their grievances are redressed through grievances redressal mechanism.

6.5 Total Corpus Fund Generated:

Being a government institution, there is no provision of corpus funds. The Principal of the College has Principal's Ledger Account (PLA) at his/her disposal which is the main source of funding for the College. Apart from it, the College receives grants from the District Planning and Development Councils (DPDC), University Grants Commission (UGC) and the State Government under the State Plans. The grants received by College during the A.Y. 2013-14 are:

Grants received from DPDC	Rs. 3,55,98,917	
Grants received under State Plan	NIL	
Grants received from UGC	Rs. 15,29,500	

6.6 Whether annual financial audit has been done:

The University has adopted the following quality improvement initiatives in examinations and evaluation:

- (1) Continuous evaluation under CBSGS.
- (2) Online Transmission of Question Papers.
- (3) Bar Coding of Answer Books.
- (4) Decentralised CAP Centres.
- (5) Double Valuation.

6.10 What efforts are made by the University to promote autonomy in the affiliated/constituent colleges?

The University encourages college to apply for autonomy. As a step in this direction, the College has applied for Cluster College status under Rashtriya Ucchattar Shikshan Abhiyan (RUSA).

6.11 Activities and support from the Alumni Association:

The College has an active Past Students' Forum (PSF) which is registered under the Society's Registration Act as well as the Trust Registration Act.

- The Society Registration No. of the PSF is 1086/94.
- The Trust Registration Number of the PSF is F18910/97.

The PSF organizes get together of its members on the occasion of 15th August and 26th January every year in the College premises. The members take active part in the Flag hoisting ceremony and Republic Day Parade. The members of the PSF actively participate in the meetings of IQAC and college day celebration. Being a government institute, the College does not avail any financial assistance from the PSF.

Date	Events	No. of Alumni Participated
15 th August 2014	PSF Meet	122
26 th January 2015	PSF Meet	98

The PSF Meet is organised in the College Auditorium after the conclusion of Flag Hoisting Ceremony. The members of the PSF share their experiences and provide suggestions for the improvement of functioning of the College. Some of them also conduct special lectures for Students as per their convenience.

6.12 Activities and support from the Parent – Teacher Association (PTA):

The College has active Parents-Teacher Association (PTA) which meets regularly on the occasions like:

- (1) PTA Meetings (twice in a year)
- (2) Annual Prize Distribution Function.

The Parents-teachers Meets are organised once during each Semester to improve attendance in the class and understand the problems faced by students. On the occasion of PTA Meets, the parents are given an opportunity to share their views and opinions and make suggestions for bringing about improvements in the teaching-learning process and infrastructure in the College.

Parents of students who secure highest marks in different subjects or who secure place in the Merit List of the University are invited on the occasion of the Annual Prize Distribution function. The occasion provides an opportunity to parents to interact with teachers and the Principal on various issues pertaining to the progress of the students.

6.13 Development programmes for support staff:

- (1) All the members of the Support Staff have qualified Maharashtra State Certificate Course in Information Technology (MSCIT).
- (2) The Support Staff has to undergo periodical training programmes organised by the Maharashtra State Council for Educational Research and Training (MSCERT).

6.14 Initiatives taken by the institution to make the campus eco-friendly

- (1) The College campus is situated over an area of 54 acres of land with the College main building situated on a hillock.
- (2) The College campus houses varieties of flora and fauna as the green patch of I. Y. College is situated in the heart of the city.
- (3) The NSS, NCC and Women Development Cell of the College jointly undertake Tree Plantation Drive every year in the College campus.
- (4) The NSS and NCC units jointly conduct Cleanliness Drive in the College campus to keep campus clean and green.
- (5) Solar lamps have been installed in the campus to save consumption of electricity. The College hostel is provided with solar water heater.

Criterion – VII Innovations and Best Practices

7.1 Innovations introduced during this academic year which have created a positive impact on the functioning of the institution. Give details.

The progress and forward march of great civilizations down the ages has largely been as a result of Innovations, put into practice to satisfy needs that arose from time to time. Ismail Yusuf College, having realized this early on, has been encouraging innovative practices at all levels of the institution so as to have an all round and balanced growth on all fronts. The College has introduced the following innovations which have positive impact on the functioning of the institution:

- (1) **Teaching-Learning:** The institution practices Mentoring System, Remedial Coaching and ICT based Teaching in selected course to promote quality in teaching-learning process.
- (2) **Evaluation Process:** The institution practices Masking and Coding of Answer Books to promote transparency in evaluation process. The College has its own Software for internal processing of results.
- (3) **Admission Process:** The admission process of the College is fully computerised and is processed through its self-developed module "e-Pravesh".
- (4) **Vermi-composting:** The Department of Botany has initiated vermin-composting project at the college level to promote use of organic manure for environmental conservation.
- (5) **Solar Lamp Posts:** The college has installed solar lamp posts to reduce energy consumption and promote environmental conciousness.
- (6) **Research Committee:** The College has set up a Research Committee to promote research culutre among teachers and students.
- (7) Digital Notice Boards: The College has installed Digital Notice Boards in the Main Building, Science Building and Gymkhana to reduce use of papers and effective transmission of notices to the students.

7.2 Provide the Action Taken Report (ATR) based on the plan of action decided upon at the beginning of the year.

- (4) In-house processing of results, masking and coding of answer books, etc.
- (5) Process of developing online software for admission began.
- (6) Teachers were encouraged to complete Ph.D. and apply for MRP.

7.3 Give two Best Practices of the institution (please see the format in the NAAC Self-study Manuals) *Provide the details in annexure (annexure need to be numbered as i, ii,iii)

- (1) Tree Plantation.
- (2) Students Empowerment Programme.

7.4 Contribution to environmental awareness/protection.

- (1) The NSS, NCC and Women Development Cell of the College jointly undertake Tree Plantation Drive every year in the College campus.
- (2) The NSS and NCC units jointly conduct cleanliness drive in the College campus to keep campus clean and green.
- (3) Solar lamps have been installed in the campus to save consumption of electricity. The College hostel is provided with solar water heater.
- (4) The Department of Botany undertakes Vermi Composting projects at the College level to promote usage of organic manure.

7.5 Whether environmental audit was conducted?

Yes, the Environmental Audit of the College has been conducted jointly by the Heads of the Department of Botany and Department of Zoology.

7.6 Any other relevant information the institution wishes to add. (For example SWOT Analysis)

STRENGHTS (S):

 The biggest strength of the College is a huge 54 acres of land area which is a rare asset for any institution in a city like Mumbai. The lush-green and serene environment, its biodiversity and rare flora and fauna provide a large natural environment for scientific research.

- 2. Courses in all streams Arts, Science and Commerce at all three levels, undergraduate, post-graduate and research level provide tremendous potential for academic development.
- 3. Well-equipped laboratories for experimentation and research in all disciplines *viz.*, Chemistry, Physics, Zoology, Botany, Bio-technology, Mathematics and Statistics offer an ideal opportunity for further extension.
- 4. One of the very few institutes in Mumbai that provide facility of learning a number of Indian and international languages like Hindi, Marathi, Gujarati, English, Urdu, Persian and Arabic under one roof.
- 5. Two well-equipped computer laboratories for Science and Commerce students and an independent Computer Resource Centre in library providing free access to all students to Computer and the Internet facility.

WEAKNESSES (W):

- 1. Being government institution, many teaching posts are awaited to be filled by the Maharashtra Public Services Commission (MPSC) and Government of Maharashtra.
- A number of posts of non-teaching staff are also vacant which puts a heavy burden on the
 existing staff and results in dependence on the contractual employees or daily wage earners
 for office work.
- There is no provision of appointing permanent staff in various self-financed courses such as Computer Science and Bio-technology, which affects the quality of teaching and other office work.
- 4. The natural growth of some courses like Commerce with limited staff sanctioned as per the old staffing pattern and heavy reliance on clock hour teachers poses a challenge to providing quality teaching facilities.
- 5. Non-availability of qualified CHB teachers due to meager pay hampers the quality of teaching. Also, these teachers do not take active interest in other activities, which put heavy burden on permanent staff.
- 6. Lack of adequate staff also poses a serious threat to the security of such huge premises, allowing access to many unauthorized entrants and encroachment along the boundary walls.
- 7. A few government offices housed in the premises make it difficult to stop unauthorized entrants in the premises.
- 8. Transfer of teaching and non-teaching staff from one government institution to the other in the State/Region destabilizes the smooth functioning of the College.

OPPORTUNITIES (O):

1. The large campus area provides a scope for further expansion of undergraduate and post

graduate courses in all disciplines and also research activities.

2. The institution has a potential to flourish into a University as per the provisions of the

Rashtriya Uchchatar Shiksha Abhiyan (RUSA) due to its large expanse, qualified faculty and

well developed infrastructure.

3. The institution has the needed facility as well as well qualified and highly research oriented

staff whose capabilities can be harnessed to establish research centers in all disciplines.

4. The institution has the potential to house a number of self-financed courses in collaboration

with industries, if the Government grants it academic autonomy.

5. Hostel facility in campus provides an opportunity for the College to admit outstation and

foreign students, thereby providing them ease to pursue their higher studies and research

activity.

THREATS (T):

1. The College faces major threats from autonomous institutions to be established in future

under the Rashtriya Uchattar Shikshan Abhiyan (RUSA) due to government control and slow

policy decisions.

2. The institution faces major threats from a number of private institution and colleges in the

surrounding area due to their fast growth and expansion.

8. Plans of institution for next year

(1) To strengthen mentoring, attendance and results.

(2) To strengthen career guidance and counselling.

(3) To conduct academic audit.

(4) To enter into MOU with industries and foreign institutions.

(5) To contribute to society through social activities.

(6) To introduce online admission system.

(7) To organise seminars and conferences.

(8) To complete NAAC reaccreditation process.
