Family Court

Women's Commission

Students Activity Report
Topic: Field Visit to Family Court, BKC Police Station and Women's Commission.

2022 – 2023

Date: 21st December 2021

Introduction:

As part of our educational curriculum, students participated in a field visit to the Family Court, BKC Police Station, and Women Commission. The visit aimed to provide students with practical insights into the functioning of these institutions and their role in society.

Family Court Visit:

Objective: To understand the legal proceedings and functioning of family courts. To learn about the types of cases handled in family courts.

Activities:

- **Court Proceedings:** Students observed live court proceedings involving family disputes, custody battles, and divorce cases. They were briefed on the procedural aspects and the role of family courts in resolving such disputes.
- **Interaction with Legal Professionals:** A session was organized with judges and lawyers who explained the importance of family courts, the nature of cases they handle, and the legal framework governing family law.
- **Case Studies:** Students were presented with anonymized case studies to understand the complexities involved in family disputes and the legal remedies available.

Key Learnings:

The significance of family courts in providing a platform for resolving family disputes. The legal processes involved in handling cases related to marriage, divorce, and child custody. The importance of mediation and counselling in resolving family issues amicably.

BKC Police Station Visit:

Objective: To gain insights into the functioning of a police station. To understand the role of police in maintaining law and order.

Activities:

- **Station Tour:** Students were given a guided tour of the police station, including the control room, lockup, and administrative offices.
- **Interaction with Police Officers:** Students interacted with police officers who explained their daily routines, challenges, and the importance of their work in ensuring public safety.
- **Demonstration of Equipment:** A demonstration of various equipment and tools used by the police, such as communication devices, forensic kits, and vehicles, was conducted.

Women Commission Visit:

Objective: To understand the role of the Women Commission in advocating for women's rights and addressing gender-based issues. To learn about the initiatives and programs undertaken by the commission.

Activities:

- **Introduction to the Commission:** Students were introduced to the Women

Commission's mission, vision, and objectives.

- **Case Discussions:** The commission staff shared real-life case studies of women who have been helped by the commission, highlighting issues like domestic violence, harassment, and discrimination.
- **Awareness Programs:** Students were informed about various awareness programs and campaigns run by the commission to promote gender equality and women's empowerment.

Key Learnings: The pivotal role of the Women Commission in safeguarding women's rights. The types of support and services provided to women facing issues like domestic violence and workplace harassment. The importance of raising awareness and advocating for gender equality in society.

Conclusion:

The field visit to the Family Court, BKC Police Station, and Women Commission provided students with a comprehensive understanding of the legal and social mechanisms in place to address family disputes, maintain law and order, and advocate for women's rights. This practical exposure complements their theoretical knowledge and encourages them to contribute positively to society.

Acknowledgments: We extend our gratitude to the officials at the Family Court, BKC Police Station, and Women Commission for their time and cooperation in making this
