CELEBRATION OF DAYS

Our college is alive with a vibrant array of celebrations that enrich both academic and social life. **Fresher's Day** and **Orientation Day** mark the beginning of each academic year, offering a warm welcome to new students and teachers through engaging activities and informative sessions. These events lay the foundation for a supportive and inclusive community.

Environment Day underscores our commitment to sustainability with eco-friendly initiatives and awareness programs, while **Sports Days** encourage physical fitness and team spirit through a variety of athletic competitions. **Cultural Days** celebrate the rich diversity of our college through performances, art, and culinary experiences, fostering a sense of unity and appreciation for different traditions.

Palm Festival brings a unique charm with themed days such as **Twins Day**, **Mismatch Day**, **Rose Day** and so many other days where creativity and fun take center stage. These playful events promote camaraderie and self-expression among students. Additionally, our college honors the **Jayanti's** of great Indian souls, including leaders like Mahatma Gandhi and Subhash Chandra Bose and so on. These commemorations include lectures, discussions, and cultural tributes, ensuring that the legacy of these remarkable figures continues to inspire and educate. Each celebration reflects our commitment to holistic development and cultural enrichment.
