Number of research papers published per teacher in the Journals notified on UGC care list during the last five years

3.3.1.1. Number of research papers in the Journals notified on UGC CARE list year wise during the last five years

DVV Query

1. Provide a direct link to the research paper, the journal's website, and the URL of the content page and UGC CARE list with ISSN number if it's a print journal. In case if documents are in regional language please provide translated copy in English. Google drive links are not accepted.

HEI Response

1. We are providing the direct links to the research papers, the respective journal websites, the URLs of the content pages, and the UGC CARE list with ISSN numbers for print journals. Where applicable, documents originally in a regional language have been translated into English. The links provided are direct and fully adhere to your guidelines, avoiding the use of Google Drive.
