---

**Number of books and chapters in edited volumes/books published and papers published in national/ international conference proceedings per teacher during last five years**

*3.3.2.1. Total number of books and chapters in edited volumes/books published and papers in national/ international conference proceedings year wise during last five years*

### **DVV Query**

1. Provide the cover page with highlighted ISBN no table of contents, and the first page of the chosen publication, along with a web link for books. In case if documents are in regional language please provide translated copy in English. Google drive links are not accepted.

### **HEI Response**

1. We are providing the cover pages of the selected publications with the ISBN numbers highlighted, along with the table of contents and the first pages of each book. We have also included direct web links for the books. If any documents were in a regional language, we have provided English translations. All files are direct links and do not use Google Drive, as per your guidelines.

**3.3.2.1 Total number of books and chapters in edited volumes/books published and papers in national / international conference proceedings year wise during last 5 years**
