Subscribed Online E-Resources (E-Journals and E-Books):

N-List:

The N-List platform made available vast amount of electronic information and knowledge in the form of e-books, e-journals and database of various subjects regarding pure science, humanities, social science, languages and Arts. The N-LIST project provides access to e-resources to students, researchers and faculty from colleges and other beneficiary institutions through server(s) installed at the INFLIBNET Centre. The authorized users from colleges can now access e-resources and download articles required by them directly from the publisher's website once they are duly authenticated as authorized users through servers deployed at the INFLIBNET Centre.

Some open access e-resources which help to student teachers and researchers:

- **NDLI** : (*National Digital Library of India – Your Library in Your pocket*)
- National Digital Library of India (NDLI) is a virtual repository of learning resources. It is not just a repository with search/browse facilities but also provides a host of other services for the learner community. It is sponsored and mentored by Ministry of Education, Government of India, as part of its National Mission on Education through Information and Communication Technology (NMEICT). Filtered and federated searching is employed to facilitate focused searching. This enables learners to find the right resource with least effort and in minimum time.
- **e-PG Pathshala** : e-content in 70 subjects across all disciplines of social sciences, arts, fine arts and humanities, natural & mathematical sciences, linguistics and languages have been developed by the subject experts working in Indian universities and other R & D institutes across the country.
- **eGyanKosh** : GyanKosh- a National Digital Repository to store, index, preserve, distribute and share the digital learning resources developed by the Open and Distance Learning Institutions in the country.
- **Google Scholar** :
- **Commons Open Educational Resources** : OER Commons is a public digital library of open educational resources.
