ENVIRONMENTAL POLICY

Government of Maharashtra Ismail Yusuf College is dedicated to integrating environmental sustainability into our academic and operational framework. We pledge to lessen our negative environmental effect and promote an environmentally conscious culture in our community through the implementation of this policy. With proactive initiatives and a responsible culture, the Government of Maharashtra Ismail Yusuf College is dedicated to promoting environmental sustainability. Our commitment to reducing our negative environmental effects and raising the bar for environmental stewardship excellence is reflected in this policy.

- 1) **Promote Sustainability:** Integrate environmental education into the curriculum and encourage research on sustainability.
- 2) **Resource Efficiency:** Optimize the use of energy, water, and other resources to minimize environmental impact.
- 3) **Waste Management:** Implement comprehensive waste management strategies to reduce, reuse, and recycle.
- 4) **Campus Infrastructure:** Develop and maintain green campus facilities that adhere to environmental best practices.
- 5) **Awareness and Participation:** Foster a culture of environmental responsibility through awareness programs and active participation.
- 6) **Energy Management:** Adopt energy-efficient technologies, including solar energy lighting and energy-saving appliances. Promote the use of renewable energy sources and reduce overall energy consumption.
- 7) **Water Conservation:** Implement water-saving measures, such as water harvesting and water-efficient landscaping. Monitor and manage water usage to prevent wastage.
- 8) **Green Campus Initiatives:** Encourage tree plantation activities to increase & maintain the green cover in the campus to improve air quality and bio diversity.
