Notice

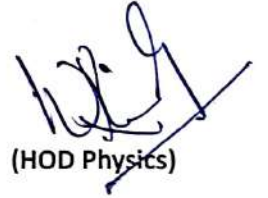

Subject: Industrial Visit to Geomagnetism Research Facility

We are pleased to inform you that the Department of physics has organized an industrial visit to the institute of Geomagnetism Research Facility on 26th February 2019. This visit aims to provide students with comprehensive understanding of geomagnetism and its practical applications. It is compulsory for all students

Details of the Visit:

- **Date:** 26th February 2019
- **Venue:** [Institute of Geomagnetism Research Facility], [Panvel]

(HOD Physics)

2.3.1 Experiential Learning

Department of physics has organized one day educational visit to the Indian Institute of Geomagnetism, Panvel on 26th February 2019.

Introduction: On 26th February 2019, Department of Physics had the opportunity to visit the Geo-Magnetism Research Institute located at Panvel, Maharashtra. The institute is renowned for its cutting-edge research in geomagnetism, focusing on understanding Earth's magnetic field and its implications for various scientific disciplines.

Purpose of the Visit: The primary objective of the visit was to gain insights into the research methodologies employed by the institute, understand the practical applications of geomagnetic research, and explore potential career paths in this field.

Activities and Observations:

1. **Welcome and Introduction:** Upon arrival, we were warmly welcomed by Dr. Gopi K. Seemala, who provided an overview of the institute's history, mission, and ongoing research projects. This introduction set the stage for understanding the significance of geomagnetism in today's scientific community.
2. **Laboratory Tour:** We were taken on a comprehensive tour of the laboratories where various experiments related to geomagnetism were conducted. The laboratories were equipped with advanced instruments such as magnetometers, fluxgate sensors, and computers for data analysis. We observed scientists and researchers engaged in activities ranging from data collection to interpretation.
3. **Research Presentations:** Several researchers gave presentations on their current projects. Topics included:
 - o "Geomagnetic Field Variations and Climate Change"
 - o "Applications of Geomagnetism in Geophysics and Archaeology"
 - o "Magnetic Anomalies and Tectonic Plate Movements"

These presentations highlighted the interdisciplinary nature of geomagnetic research and its relevance to fields beyond geophysics.

4. **Q&A Session:** A lively question-and-answer session followed the presentations, allowing visitors to engage directly with researchers. Discussions ranged from technical aspects of instrumentation to the potential impact of geomagnetic research on global navigation systems.

Key Learnings:

- **Interdisciplinary Nature:** Geomagnetism intersects with various scientific disciplines, including geology, climatology, and archaeology.
- **Technological Advancements:** Advanced technologies play a crucial role in data collection and analysis within geomagnetism.
- **Real-world Applications:** Geomagnetic research has practical applications in navigation, resource exploration, and environmental monitoring.

Conclusion: In conclusion, the study visit to the Geo-Magnetism Research Institute was enlightening and enriching. It provided a comprehensive understanding of geomagnetic research and its broader implications for science and society. The experience has not only deepened our interest in this field but also inspired students and faculty to consider future career opportunities in geomagnetism or related disciplines.

Acknowledgments: I would like to express my gratitude to Dr. Gopi K. Seemala, and the entire staff of the Geo-Magnetism Research Institute for their hospitality and for sharing their knowledge and expertise during this visit.

This visit has undoubtedly broadened our perspective on geomagnetism and its significance in the realm of scientific exploration and discovery.

Subject: Short Excursion to Aarey Colony and Chota Kashmir Park...

Respected Madam,

Department of Botany is planning a short Excursion for students of Botany Department to Aarey Colony and Chota Kashmir Park, Goregaon on 2nd March, 2019. It is mandatory for the students to attend such field visits as per the syllabus of University of Mumbai, since they are supposed to submit a Field Report during their Practical Examination. Students will be accompanied by the faculty members Amit Saraf, Dr. Archana Rangari, Nitin Shelake and non-teaching staff Ravi Kadam.

I request you to grant us permission to conduct the short excursion and sanction duty leave to the accompanying staff members for the same.

Thanking you.

Visit to Flower & Vegetable Exhibition

Visit to the Flower Exhibition and Bhau Daji Lad Museum was organised for the students of the Botany Department on 1st February 2019. Flower exhibition was organised at the Jijamata Udyan, Byculla, Mumbai by MCGM, Brihan-Mumbai Municipal Corporation. Students were accompanied by faculty members, Dr. Archana Rangari and Nitin Shelake.

Exhibition showcased a large number of varieties of fruit, flowering, garden, medicinal, vegetables bearing plants, etc. Students were given information on various aspects of growth & development of plants like nutritional aspects, medicinal importance, cultivation practices, etc. Garden implements, Bio fertilizers, Vermicompost, seeds, corms etc were also exhibited.

विषय - मुंबई विद्यापीठ कविका प्रोद्युक्त पुरातत्त्वविद्य
 प्रदर्शनास भेट देणेची परवानगी मिळवणेबाबत.

महोदया,
 दि. 9 व 10 डिसेंबर रवळ जोषी मुंबई विद्यापीठाच्या
 पुरातत्त्वविद्य केंद्रा The Centre for Extra-Mural Study
 यांच्यावतीने प्रदर्शन आयोजित केले आहे. या प्रदर्शनात
 Mock excavation, Pottery Workshop, Scripts व अशा इतर
 गोष्टींचा समावेश आहे. विषय असल्याच्या दृष्टीने प्रत्यक्ष
 अनुभव विद्यार्थ्यांना मिळणार आहे.

दि. 10 डिसेंबर जोषी तृतीय वर्ष व द्वितीय वर्ष इतिहास
 विषयाच्या विद्यार्थ्यांना या प्रदर्शनास भेट देणेसाठी येऊन
 पाठ्याची परवानगी मिळावी ही अत्र विनंती. अफाळच्या
 तासिका वेळाने 11.00 वाजता विद्यार्थ्यांना प्रदर्शनासाठी
 नेण्याचे योजिले आहे, अदर गेटेस परवानगी मिळणे ही
 विनंती.

Feedback. Visite Exhibition 11-12-18

I am SyBA student. We visited the
 Kalena University for History Exhibition
 on 10. Dec. 2018. In this exhibition we
 saw many thing about the Ancient time.
 First we saw Ancient game like Dadu
 and many other Ancient game. Then
 we make the pottery it is a very
 good experience. Before pottery making . we
 experiment how to cut the rock. Then
 we saw the Brahmi manuscript. In
 this exhibition we knowledge about ancient
 coins, ancient people lifestyle, Ancient god
 and Goddess, . Today's currency and many
 other things.

We Thankfull to my Teacher
 Because she told me this exhibition. It
 is very good oppostunity to us. so
 Thank you Teacher.

Students Activity Report

Topic: Field Visit on Election Commission 2018 – 2019

Date: 30th August 2018

Location: Election Commission Office [Jogeshwari]

Participants: 20 students from the Political Science Department

Faculty: Mr. Mandar Chaudhary, Mr. Divyang Potdar, Mrs.Neha Shaikh

Summary of Activities -

Welcome and Introduction: The visit began with a welcome speech by Mr. Mandar Chaudhary. He provided an overview of the Election Commission's history, structure, and key functions.

Presentation on Electoral Process: A detailed presentation was given on the electoral process, covering topics such as:

- Voter registration
 - Candidate nomination
 - Election campaigning regulations
 - Voting procedures
 - Vote counting and result declaration
- The use of Electronic Voting Machines (EVMs) and Voter Verified Paper Audit Trail (VVPAT) was explained.

Interactive Session: Students participated in a Q&A session with Election Commission officials. **Demonstration of EVMs and VVPATs:** A hands-on demonstration of EVMs and VVPATs was conducted. Students were allowed to operate the machines to understand their functionality.

Feedback from Students -

Students appreciated the opportunity to witness the inner workings of the Election Commission. Many found the interactive sessions particularly enlightening and expressed a greater understanding of electoral integrity.

Industrial visit to Rammandir Soap Factory

Ismail Yusuf College of Arts, Science and Commerce is going to organise an industrial visit to Rammandir Soap Factory on 11th April, 2018. Students are hereby strictly instructed to report in the morning at sharp 7:00 a.m. at the college main gate.

Students have to meet their bus incharge teachers at the main gate at 7:00 a.m. tomorrow.

Important instructions:

- 1) Students are hereby strictly instructed to report in the morning at sharp 7.00am at the college main gate.
- 2) ID Card is Mandatory to all students.
- 3) Students reporting late will be responsible for missing the Visit.
- 4) All the students are instructed to wear formal clothes.
- 5) Carry your own water bottle.
- 6) Undertaking forms have to be submitted compulsory.

Report on Industrial Visit.

Report on Industrial Visit to Rammandir Soap Factory, Mumbai

Date: April 11th, 2018

Participants:

Faculty: 7

Students: 100

Introduction:

On April 11th, 2018, a group of 100 students along with 7 faculty members from [College Name] embarked on an industrial visit to Rammandir Soap Factory located in Mumbai. This visit aimed to provide students with practical insights into the soap manufacturing industry, allowing them to witness real-world applications of theoretical knowledge gained in their academic curriculum.

Purpose of the Visit:

The primary objectives of the industrial visit to Rammandir Soap Factory were as follows:

To gain a comprehensive understanding of the soap manufacturing process.

To observe the various stages involved in the production of soap products.

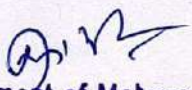

To learn about the quality control measures implemented in the manufacturing process.

To understand the significance of hygiene and safety standards in the soap industry.

To interact with industry professionals and gain insights into career prospects in the soap manufacturing sector.

Activities and Observations:

The industrial visit commenced at 7:00 AM, with students and faculty members gathering at the college premises. A chartered bus was arranged for transportation to Rammandir Soap Factory in Mumbai. Upon arrival at the factory, the group was greeted by the factory manager, who provided an overview of the company's history, operations, and product portfolio.

Government of Maharashtra's
Ismail Yusuf College of
Arts, Science & Commerce.
Jogeshwari (East), Mumbai - 400 060.

The visit included guided tours of the various sections of the factory, where students had the opportunity to observe the soap manufacturing process firsthand. They witnessed the mixing of raw materials, saponification, molding, curing, and packaging stages. Students were able to appreciate the mechanized and automated processes employed in large-scale soap production.

Throughout the tour, faculty members facilitated discussions and encouraged students to ask questions, enabling them to clarify doubts and deepen their understanding of the manufacturing processes and technologies used in the soap industry. Additionally, students were briefed on the importance of adherence to quality standards and regulatory requirements in ensuring the safety and efficacy of soap products.

Furthermore, interactive sessions were conducted with industry experts and engineers, who shared insights into the latest advancements in soap manufacturing techniques, sustainable practices, and emerging trends in consumer preferences. Students also gained valuable information regarding career opportunities and skill requirements for employment in the soap manufacturing sector.

Outcome:

The industrial visit to Rammandir Soap Factory proved to be highly beneficial for both students and faculty members. The following outcomes were observed:

Enhanced Understanding: Students gained a deeper insight into the soap manufacturing process, from raw material procurement to product distribution.

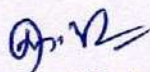

Practical Exposure: The visit provided students with practical exposure to industrial operations, complementing their theoretical knowledge.

Industry Interaction: Interactions with industry professionals facilitated networking opportunities and offered valuable career guidance to students.

Appreciation of Standards: Students developed an appreciation for quality standards, safety protocols, and regulatory compliance in the soap manufacturing industry.

Motivation: The visit served as a source of motivation for students, inspiring them to explore career prospects in the manufacturing sector and pursue further education or training in relevant fields.

Overall, the industrial visit to Rammandir Soap Factory was a resounding success, contributing to the holistic development of students and reinforcing the importance of experiential learning in their educational journey.

Government of Maharashtra's
Ismail Yusuf College of
Arts, Science & Commerce.
Jogeshwari (East), Mumbai - 400 060.

Conclusion:

The industrial visit to Rammandir Soap Factory was an enriching and educational experience for the students and faculty members of Ismail Yusuf College. It provided valuable insights into the soap manufacturing industry, fostering a deeper appreciation for the complexities and challenges inherent in industrial production processes. The visit underscored the significance of bridging the gap between academia and industry through practical exposure and experiential learning opportunities. Such initiatives play a crucial role in preparing students for the demands of the workforce and equipping them with the skills and knowledge necessary for professional success in their chosen fields. We express our sincere gratitude to Rammandir Soap Factory for their hospitality and cooperation in organizing this insightful visit.

A Visit to Ram mandir Soap Factory, Jogeshwari (W), Mumbai

On 11 April, 2018 Students from the Department of Bachelor of Management Studies (BMS) and Bachelor of Accounting and Finance (BAF) undertook a visit to the Ram Mandir Soap Factory located in Jogeshwari (W), Mumbai. This excursion aimed to provide practical insights into the soap manufacturing industry and to complement academic learning with real-world exposure.
