**Report on Industrial Visit: BAF & BMS students SEBI visit**

**Description:**

On February 24, 2023, Ismail Yusuf College's Commerce Department facilitated a visit to the Securities and Exchange Board of India (SEBI) Bhavan for students enrolled in the Bachelor of Accounting and Finance (BAF) and Bachelor of Management Studies (BMS) programs. The visit provided students with a unique opportunity to gain firsthand insights into the regulatory framework governing the securities market in India.

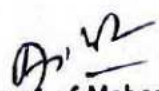

**Attendance:**

A total of 45 students, accompanied by three faculty members including Dr. Anjali Alekar Co-ordinator of BMS, participated in the SEBI visit. The enthusiastic turnout underscored the students' eagerness to enhance their understanding of regulatory mechanisms and market dynamics in the financial sector.

**Visit Highlights:**

The visit commenced with a guided tour of SEBI Bhavan, during which students were acquainted with the organizational structure and key functions of SEBI. Expert guides provided detailed explanations on the regulatory processes, enforcement mechanisms, and initiatives undertaken by SEBI to ensure transparency and investor protection in the securities market.

Students had the opportunity to interact with SEBI officials, including regulatory experts and enforcement officers, who shared valuable insights and practical experiences related to their roles and responsibilities. Interactive sessions facilitated intellectual discourse and enabled students to gain a deeper understanding of regulatory compliance, market surveillance, and investor education initiatives implemented by SEBI.

## Key Learnings:

- Enhanced understanding of regulatory frameworks governing the securities market
- Insight into the roles and responsibilities of regulatory authorities like SEBI
- Exposure to practical applications of regulatory compliance and market surveillance
- Opportunities for networking and engaging with industry professionals

## Outcome:

The visit to the Securities and Exchange Board of India (SEBI) on February 24, 2023, was highly informative and enriching for BAF and BMS students.

Through interactive sessions, presentations, and a guided tour, students gained a deeper understanding of SEBI's regulatory role in the Indian capital markets.

The visit provided practical insights into securities regulation, career guidance, and inspired students to pursue careers in finance and regulatory affairs. Overall, it was a valuable experience that enhanced students' understanding of financial regulation and its significance in maintaining market integrity.

The SEBI visit concluded with a vote of thanks extended to SEBI officials for their hospitality and invaluable contributions to the students' learning experience. The Department of Commerce acknowledges the active participation of students and faculty members, whose enthusiasm and engagement enriched the visit and made it a resounding success.

### BAF & BMS students SEBI visit.

On February 24, 2023, BAF and BMS students visited the Securities and Exchange Board of India (SEBI) to gain insights into the financial regulatory environment. The visit aimed to provide students with practical knowledge about securities regulation, market integrity, and investor protection. SEBI officials conducted an informative session, explaining their roles and responsibilities in maintaining market stability and transparency. The students had the opportunity to interact with professionals, ask questions, and understand the regulatory frameworks that govern the securities market. This visit enhanced their academic learning with real-world perspectives on financial regulation and compliance.

The session began with a comprehensive presentation on SEBI's responsibilities, including its efforts in regulating securities markets, preventing market manipulation, and ensuring transparency. The officials discussed various regulatory frameworks and compliance

measures that SEBI enforces to safeguard investor interests and ensure fair trading practices.

**Report of the Heritage Walk**

This was my first heritage walk trip and it was one of the best trips I ever visited. It was an awesome experience to see the beauty of heritage places and learn the new and surprising things about heritage places from our respected teachers. We visited all three places including 1) Jogeshwari Caves of Ismail Yusuf College 2) Mural painting wall of Ismail Yusuf College 3) Kalpana madam told us about the history of the college. Briefly she explained about building structure and who gave the contribution for it. She also told about the old map of college about courses taught in the college. She told us there were many such students in the college who went on to become great writers, actors and chief minister of Maharashtra. Which stone was used for building's structure during the British era. Even after being student of college for so many years, we did not know many things about the college, but we came to know because of Kalpana mam. After that we went to Jogeshwari Caves.

27 after that we went to Jogeshwari Caves, and Alimish Vishwasrao Sir told us very well about the history of Jogeshwari Caves they told us that who told build the caves, whose periods were made. There are statues of Lord Shiva and Parvati in that temple. Sheetal madam told us the story behind it very nicely.

37 After that we went to Jogeshwari mural painting wall. We felt very proud because there painting of our college. Ismail Yusuf College. On that wall there were also painting of social workers. After that we clicked some pictures along that wall. After that we sat rest in the nearby garden and our teachers gave us snacks.

"Thank you" Dr. Sheetal Panchikar, Prof. Kalpana Juvarkar and Alimish Vishwasrao Sir for helping us at our college's heritage walk.

**Event Report: Industrial Visit to Keshav Shristi**

**Date:** February 11, 2023

**Time:** 11:00 AM

**Venue:** Keshav Srushti- Bhayandar

Ismail Yusuf's College of Arts, Science and Commerce's Department of Commerce organized an Industrial Visit for the students of BAF and BMS Saturday-on February 11, 2023, 300 students along with 14 faculty members embarked on an industrial visit to Keshav Srushti. The visit offered participants a firsthand opportunity to observe industrial operations and management practices in action, thereby bridging the gap between theoretical knowledge and real-world applications.

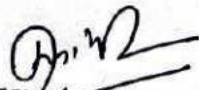

**Route:** 300 students were taken by 6 Buses from college premises at 7:30 A.M., students were accompanied with 14 faculties along with Dr. Anjali Alekar (Co-ordinator of BMS) & Prof. Dr. Arvind Luhar (Co-ordinator of BAF).

**Objective:**

The industrial visit aimed to provide students from the BAF and BMS programs with practical exposure to industrial operations, fostering a deeper understanding of organizational dynamics and business processes and to see various projects undertaken by them e.g. Gram Vikas, Sustainability etc.

**Activities:**

Upon arrival at Keshav Srushti, the students and faculty were greeted by the hospitable staff, who commenced the visit with a comprehensive tour of the facility. The itinerary encompassed various departments, allowing participants to observe first hand the diverse aspects of industrial operations, including manufacturing processes, quality control measures, and supply chain management.

  
Government of Maharashtra's  
Ismail Yusuf College of  
Arts, Science & Commerce.  
Jogeshwari (East), Mumbai - 400 060.

**Factory Tour:** Students were taken on a guided tour of the manufacturing facility where they observed various stages of production, including raw material processing, assembly lines, quality control measures, and packaging.

**Q&A Session:** A question and answer session was conducted where students could clarify their doubts and seek insights from the industry professionals regarding career opportunities, industry trends, and challenges faced by the organization.

Additionally, the visit included interactive workshops and seminars, where students gained valuable insights into contemporary industrial trends, technological innovations, and sustainability practices. These sessions fostered intellectual discourse and facilitated the exchange of ideas between students, faculty, and industry experts.

**Meals:**

The organizers ensured the provision of breakfast and lunch facilities for all participants. A sumptuous breakfast was served upon arrival, providing attendees with the energy needed for the day's activities.

**Outcome:**

Students gained a deeper understanding of industrial operations and management practices through firsthand observation of manufacturing processes and interactions with management professionals. The visit provided practical insights into accounting, finance, and management studies, allowing students to witness the real-world application of theoretical concepts. Additionally, networking opportunities with industry professionals expanded students' horizons and provided valuable insights into career prospects. Overall, the visit served as both an educational and inspirational experience, motivating students to strive for excellence in their academic and professional endeavors.

**Conclusion:**

The industrial tour to Keshav Srushti was a great success all around, stimulating personal development, industry immersion, and academic enrichment. The Department of Commerce would like to thank all of the attendees, coordinators, and partners for their tremendous help in creating a wonderful and enlightening experience.

### Industrial Visit to Keshav Shruti

On February 11, 2023, BAF and BMS students participated in an industrial visit to Keshav Shruti. The visit aimed to provide students with practical insights into industry operations and enhance their understanding of real-world business environments. During the visit, students toured the facilities of Keshav Shruti, a leading organization in its sector. They observed various production processes, from initial stages to final output, and interacted with key personnel. This hands-on experience allowed them to see theoretical concepts in action and understand industry practices.

The visit included a detailed presentation on the company's operational strategies, market challenges, and innovative practices. Students also had the opportunity to ask questions and engage in discussions, gaining valuable insights into the business world.

Family Court

## Women's Commission

**Students Activity Report**  
**Topic: Field Visit to Family Court, BKC Police Station and Women's Commission.**

**2022 – 2023**

**Date: 21<sup>st</sup> December 2021**

**Introduction:**

As part of our educational curriculum, students participated in a field visit to the Family Court, BKC Police Station, and Women Commission. The visit aimed to provide students with practical insights into the functioning of these institutions and their role in society.

**Family Court Visit:**

**Objective:** To understand the legal proceedings and functioning of family courts. To learn about the types of cases handled in family courts.

**Activities:**

- **Court Proceedings:** Students observed live court proceedings involving family disputes, custody battles, and divorce cases. They were briefed on the procedural aspects and the role of family courts in resolving such disputes.
- **Interaction with Legal Professionals:** A session was organized with judges and lawyers who explained the importance of family courts, the nature of cases they handle, and the legal framework governing family law.
- **Case Studies:** Students were presented with anonymized case studies to understand the complexities involved in family disputes and the legal remedies available.

**Key Learnings:**

The significance of family courts in providing a platform for resolving family disputes. The legal processes involved in handling cases related to marriage, divorce, and child custody. The importance of mediation and counselling in resolving family issues amicably.

**BKC Police Station Visit:**

**Objective:** To gain insights into the functioning of a police station. To understand the role of police in maintaining law and order.

**Activities:**

- **Station Tour:** Students were given a guided tour of the police station, including the control room, lockup, and administrative offices.
- **Interaction with Police Officers:** Students interacted with police officers who explained their daily routines, challenges, and the importance of their work in ensuring public safety.
- **Demonstration of Equipment:** A demonstration of various equipment and tools used by the police, such as communication devices, forensic kits, and vehicles, was conducted.

**Women Commission Visit:**

**Objective:** To understand the role of the Women Commission in advocating for women's rights and addressing gender-based issues. To learn about the initiatives and programs undertaken by the commission.

**Activities:**

- **Introduction to the Commission:** Students were introduced to the Women

Commission's mission, vision, and objectives.

- **Case Discussions:** The commission staff shared real-life case studies of women who have been helped by the commission, highlighting issues like domestic violence, harassment, and discrimination.
- **Awareness Programs:** Students were informed about various awareness programs and campaigns run by the commission to promote gender equality and women's empowerment.

**Key Learnings:** The pivotal role of the Women Commission in safeguarding women's rights. The types of support and services provided to women facing issues like domestic violence and workplace harassment. The importance of raising awareness and advocating for gender equality in society.

**Conclusion:**

The field visit to the Family Court, BKC Police Station, and Women Commission provided students with a comprehensive understanding of the legal and social mechanisms in place to address family disputes, maintain law and order, and advocate for women's rights. This practical exposure complements their theoretical knowledge and encourages them to contribute positively to society.

**Acknowledgments:** We extend our gratitude to the officials at the Family Court, BKC Police Station, and Women Commission for their time and cooperation in making this
