**Event Report:** Career Development and Employment Programme by Koak Foundation (MOU Signing)

**Date:** 6th February 2024

**Venue:** Principal Room

**Time:** 01:00 PM

**Number of Faculty:** 4

**Introduction:**

On the 6th of February 2024, an auspicious event, the Career Development and Employment Programme, organized by the Koak Foundation, took place in the Principal Room. The event aimed to foster collaborations between educational institutions and the industry to enhance career prospects for students.

**Objective:**

The primary objective of the event was to sign a Memorandum of Understanding (MOU) between Koak Foundation and the educational institution, paving the way for future collaborations in career development and employment initiatives.

**Event Highlights:**

**MOU Signing Ceremony:** The highlight of the event was the signing of the MOU between Koak Foundation and the educational institution. This MOU signifies a commitment to work together towards enhancing career development opportunities for students.

**Keynote Address:** A keynote address was delivered by Dr. Anjali Alekar, representing Koak Foundation, emphasizing the importance of collaboration between academia and industry for the holistic development of students and the overall growth of the economy.

**Panel Discussion:** Following the keynote address, a panel discussion was held comprising representatives from Koak Foundation, faculty members, and industry professionals. The discussion focused on current trends in the job market, skill requirements, and strategies to bridge the gap between academia and industry.

**Interactive Sessions:** Interactive sessions were conducted where students had the opportunity to interact directly with industry professionals, gain insights into various career paths, and receive guidance on skill development and job readiness.

**Networking:** The event provided a platform for networking between faculty members, industry professionals, and students, fostering meaningful connections and potential opportunities for internships and employment.

**Conclusion:**

The Career Development and Employment Programme by Koak Foundation was a resounding success, marked by the signing of the MOU and insightful discussions aimed at enhancing career prospects for students. It served as a catalyst for future collaborations between academia and industry, ultimately benefiting the student community and contributing to their professional growth and success.

This event stands as a testament to the importance of partnership and collaboration in preparing students for the dynamic demands of the modern workforce.
