The Government of Maharashtra's Ismail Yusuf College Organized a "One day MSDEED LEVEL1 Pre-registration Workshop on Modern Pedagogical Tools For Effective Teaching: MPTET: 2023" on 18/08/23. This was organized in collaboration with MSFDA and MSDEED team of IISER Pune.

The main aim of this workshop was to create awareness amongst UG and PG teachers in and around Mumbai about the efforts taken by Maharashtra State Faculty Development Academy in Collaboration with IISER, Pune to enhance the teaching skills of science teachers. This was the need of the hour due to the implementation of NEP 2020 at PG teaching in the current academic year and thereafter at UG teaching in the next year.

The program began with the formal Inaugural of the workshop at 10 am. The Co-convener of the workshop briefed the participants about the aim and objectives of this pre-registration workshop. This was followed by welcoming the resource persons and their felicitation by the Convener of the workshop. The Convener briefly introduced the college, its vision and mission statement and the very purpose of the workshop.

The Program schedule was properly designed with different sessions to meet the very purpose of this workshop. The details are given below

Theme: Introduction, Fundamentals of the Innovative-Effective Teaching Approach and Assessments as a Learning Tool

*TRAINERS Dr Rohan Gavankar (Viva College, Mumbai)

Dr Neeraja Dashaputre and Dr Asim Auti (IISER Pune)

A Plenary talk entitled “आप, मऱ, और, हऱ” was given by Asim Auti which mainly focused on briefing the entire day program and helped the participants to get familiarized with each other. He briefed the participants about the work of MSDEED team for developing educators and their efforts in enhancement of content delivery with modern pedagogical tools.

Participants were advised to move to Activity Hall.

At 11:00 am, Session I began with Effective Pedagogy: Inquiry-based Learning and Teaching Scientifically Inquiry-based pedagogical methods to foster the skills and attitudes we expect in our students and NEP alignment in curriculum designing. It was conducted by Dr Asim Auti Sir of IISER Pune.

At 12:30 pm Lunch Interactions, Sharing of views and expectations from this workshop by all the participants with the resource persons.

Session II started at 1:30 pm .

It covered Outcome-based Teaching and Assessments Assessment as part of teaching & learning, formative and summative assessment. This session was conducted Neeraja Dashaputre of IISER Pune. The entire session was made simpler by involving the teachers and assigning them small activities.

At 3:00 pm, Session 3 began.

It focused on Research Based Pedagogical Tools Exemplars. Dr Rohan Gavankar Associate Professor from VIVA college conducted this session. Many teachers volunteered themselves in the roleplays and small activities conducted by him during the session hours.

The participants actively participated in all the three sessions.

Finally, Valedictory function was conducted at 4 pm. The participants were provided a platform to voice their thoughts and the vote of thanks was proposed by Dr Sumedha Jadhav, assistant professor in Psychology subject.

Dr Shital Taware, Master Trainer from Rajaram College was the observer for this one day awareness workshop.

Number of Beneficiaries: 75 science teacher.

Outcome : All were keen to attend Level 1 workshop at MSFDA, Pune. However, the number was limited. So only 50 of them could get enrolled to next level at Pune.
