I am very happy to present our college magazine 'Palms' for the academic year 2020-2021 and 2021-2022. The Palms magazine represents the ethos and ambience of the culture at Ismail Yusuf College. I feel privileged and blessed to lead this prestigious and beautiful college.

During these last two year we further enhanced the beauty of our campus by doing several developmental work, to name a few, compound walls were strengthened, all the internal roads in the campus were repaired, landscaping of area near canteen and Bhasha Bhavan was done, a huge mural was made on the wall of our college at the western highway, for the students of NCC, firing range and obstacles track was constructed. Besides this the 3 Miyawaki forests were created by planting thousands of trees in the campus making it more green and ecofriendly.

At Ismail Yusuf College we give the best of education and teaching learning facilities. We have more than 20 smart classrooms in the college and these facilities proved to be very useful, especially towards the end of the Covid pandemic period for blended mode of teaching, when many students were unable to attend classes in the offline mode. Using these IT facilities our faculty members could deliver to the students in both online and offline mode. During both these years of lockdown we conducted classes, examinations, several webinars and conferences in an online mode. Besides, annual day, cultural festival, sports events and competitions, Yoga sessions were also successfully conducted in an online mode thereby keeping students happily engaged in their activities. These various activities not only kept the students occupied but also fetched information and knowledge to them.

During the last 2 years we have started almost 11 new courses at the YCMOU center of our college. From the academic year 2022 we will be introducing 8 PG courses in both Science and Humanities, opening more options and opportunities of higher education for our students.

I wish and pray that all these initiatives and efforts taken work in a very positive way and our college gains more reputation and brings success to the students.

I express my deep gratitude towards all the faculty, nonteaching staff and students. My warm regards and best wishes to all of you. I wish you all a very bright and successful future.

**Dr. SWATI WAVHAL**

## संपादकीय ...

आपल्या महाविद्यालयाचा "पाम्स" वार्षिकांक यावर्षी २०२०-२१ व २०२१-२२ असा दोन वर्षांचा संयुक्त पणे प्रकाशित होत आहे.

मार्च २०२० पासून आपल्या सगळ्यांवर 'कोरोना' या जागतिक महामारीचे संकट येऊन कोसळले. साध्या सूक्ष्मदर्शक यंत्रातूनही न दिसणाऱ्या कोवीड -१९ (SARS -CoV -२) या विषाणूमुळे पसरलेल्या 'कोरोना' या साथीच्या आजाराची व्याप्ती म्हणता म्हणता स्थानिक पातळीपासून जागतिक महामारी पर्यंत पसरली. या विषाणूने अनेक प्रकारे उत्परिवर्तन केल्यामुळे, त्याची व्यापक प्रतिकारशक्ती सध्या तयार होण्यास वेळ लागत आहे. तसेच यावरील प्रतिकार शक्तीसाठी औषध कंपन्यांकडून वेगवेगळ्या लशी तयार झाल्या आणि जगभरात तसेच भारतासारख्या खंडप्राय देशात लसीकरणाची मोहीम प्रभावीपणे राबवली गेली.

परंतु या आजाराच्या आधीच्या ३ लाटा आणि आता येऊ शकणारी चौथी लाट यांनी सर्व आर्थिक व सामाजिक क्षेत्राला प्रभावित केले आहे. प्रथम २४ मार्च २०२० रोजी प्रतिबंधात्मक उपाय म्हणून देशव्यापी लॉक डाउन जाहीर झाला. त्यानंतर टप्प्या टप्प्याने अनलॉक करताना नियमांचे पालन करून परवानग्या देण्यात आल्या.

सर्व शैक्षणिक संस्था मार्च २०२० पासून तात्पुरत्या बंद करण्यात आल्या. या बंदचा लाखो विद्यार्थ्यांच्या शिक्षणा वर परिणाम झाला. प्रत्यक्ष शिकणे ते दूरस्थ पद्धतीने / ऑनलाइन शिकणे हा बदल त्यांना स्वीकारताना या शिक्षण पद्धतीतील विषमता दिसू लागली. शिक्षकांना नवीन तंत्रज्ञान आत्मसात करून ऑनलाइन पद्धतीने शिकवणे, डिजिटल तंत्रज्ञानाच्या पायाभूत सुविधा, सर्व सामान्यांपर्यंत तंत्रज्ञानाची उपलब्धता या गोष्टी विद्यार्थ्यांपर्यंत शिक्षण पोचवण्यात महत्वाच्या ठरल्या. पालकांना डिजिटल साधने घेणे न परवडणे किंवा ते पूर्ण घरात एकच उपलब्ध असणे, इंटरनेट शुल्क न परवडणे, इंटरनेट उपलब्ध नसणे किंवा त्याचा वेग कमी असणे या बाबींचा शिक्षण घेण्यासाठी अडथळा आला. ज्यांना आधीच शिक्षण घेण्यासाठी अडचणी होत्या असे उपेक्षित गट जसे कि अपंगत्व, दुर्गम ठिकाणी राहणारी मुले, स्थलांतरित मजुरांची मुले, नोकरी व निर्वाहाचे साधन गमावलेला गट यामध्ये पुढील शिक्षण जवळ जवळ थांबले किंवा मागे पडले.

शिक्षणासह विद्यार्थ्यांच्या विकासासाठी पोषक ठरणान्या गोष्टी : सहशालेय उपक्रम, खेळ, परस्पर अनौपचारिक संवाद - गप्पा तसेच शालेय माध्यान्ह भोजन व इतर उपक्रम हे देखील थांबले.

परंतु केंद्र व राज्य शासनाने कोवीड -१९ चे शिक्षण क्षेत्रावरील दुष्परिणाम कमी करण्यासाठी अनेक पावले उचलली. शासन प्रणालीने त्वरेने दूरस्थ - ऑनलाइन शिक्षण पद्धत स्वीकारली. शिक्षकांनी खूप मेहनत घेऊन हे बदल स्वीकारले, QR प्रणाली असलेली क्रमिक पुस्तके, जन संवाद माध्यमे वापरून तर कधी मिश्र पद्धतीने शिक्षण चालू ठेवले.

तंत्रज्ञान वापरून शिक्षण देणे व घेणे हे आता अपरिहार्य बनले आहे. केंद्रीय शिक्षण मंत्रालयाने शिक्षणासाठी डिजिटल पायाभूत अशा : दीक्षा (DIKSHA), E -Pathshala, नॅशनल डिजिटल लायब्ररी ऑफ इंडिया (NDLI), स्वयम पोर्टल अशा सुविधा सुरु केल्या आहेत.

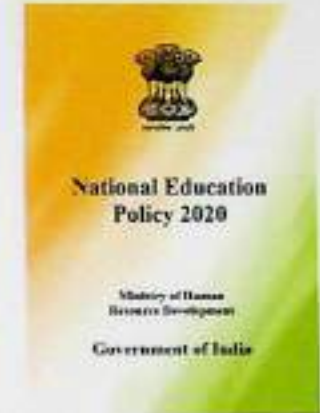

नवीन विकसित भारताचा पाया तंत्रज्ञान वापरून घडणार हे ओळखून या महामारीतून बाहेर येता येता याच वेळी नवीन राष्ट्रीय शैक्षणिक धोरण २०२० (National Education Policy -२०२०) याची अंमलबजावणी होत आहे.

हा अंक या बदलत्या काळाचा एक साक्षीदार आहे.

The college is due to purchase a few cardio machines, which include treadmills, cross-trainers, etc.

for the department, through the DPDC grant this year.

### Library report for the Palms Magazine 2020-21

Library was working during lockdown except April and May 2020 when it was completely closed due to COVID-19 outbreak in India and the world. In June 2020 it began to be unlocked in Mumbai. Since September 2020 library remained open on all working days with regulated attendance of library staff and restricted entry to sit in the reading hall started for students wearing masks and obeying social distancing norms.

Library books borrowing facility was started in September 2020. Registering students and faculty for the N-LIST database to access e-books and e-journals was done.

It also started backend work like preparing a list of library defaulters and withholding their results till the book is returned by the defaulter, doing stock verification in the Bhasha bhavan library, cleaning library cupboards and dusting library books etc. There was no library purchase of books and related library material in this year due to COVID restrictions. Also there was very limited library access and services to the students.

Librarian Smt Swati Phadke also had restricted and

variable attendance in 2020-21. From September 2020 there was 100 % attendance till March 2021 when the second wave of covid hit Mumbai. She completed one FIP, 3 FDP, 9 webinars and one MOOC and also wrote one research paper on "Institutional repositories". She also gave information and shared useful E-resources to students and staff over phone, email and whats app groups during this period.

Library conducted an online activity on "Reading Inspiration Day" that is "Wachan Prerana Divas" on 15th October 2020. It is the birthday of Ex-President of India, BharatRatna late Dr APJ Abdul Kalam who is also remembered in India for inspiring the young generation with an ignited mind! Dr Bhavita Chavan, Head, Dept of Zoology organized an online Google meet session on this occasion and some 15 faculty members including Dr Bhavita Chavan, Dr Anjali Alekar, Dr Madhuri Joshi, Dr Amit Saraf, Prof Amol Sonawane, Dr Eknath Phutane, Dr Sheetal Panchikar and more than 30 students expressed their views and shared their thoughts on the importance of reading and books in their lives.

Library staff -Shri Prakash Meher passed away on 23rd September 2020 due to heart attack.

### Library report for the Palms Magazine 2021-22

Library purchased 616 books worth Rs 124323/- in the academic year 2021-22. Also the database N-LIST was used by research students and faculty members more than 1200 times. Most frequent users among these are Shri Divyang Potdar Faculty-(Political Science) and Dr Amit Saraf(Head, Department of Botany).

Library reading room was completely opened up for the students with social distancing norms from January 2022. Library also started getting some daily newspapers after almost a COVID gap of 2 years.

Library did not subscribe to journals and magazines but the library was receiving some lagging behind journals and magazines during this period.

Library is doing stock verification of books and so far has completed stock verification of more than 138 cupboards kept in the Bhasha Bhavan section. Also we are preparing list of old and out of syllabus textbooks for withdrawal.

Librarian Smt. Swati Phadke completed UGC sponsored short term course (online) in "Gender

sensitization and social justice" from 8th to 13th November 2021 from Jawaharlal Nehru University.

Following library activities were conducted during this year.

1. **19th and 21st June 2021- Online National Reading Day celebration:** It was conducted on Reading habits and Immunity building food along

with a YouTube video list on reading day, importance of reading and of Indians who have raised their own home book collections. On 19th June Librarian Swati Phadke presented and informed about P.N.Pannicker and other educationists in India, It was followed by faculty members who spoke on development and impact of reading habit on their career and life. Few among these were Dr. Vijay Narkhede and Prof. Nitin Shelake. A COVID

related health programme was to be included as per the National Reading Day programme guidelines issued by authorities, so a very useful and interesting lecture on the topic "Immunity building food" was held online on 21st June 2021 by corporate nutritionist Ms. Sasmira Naik. It was interactive and more than 60 students and staff members participated in it. They asked queries on COVID diet, post COVID diet and on Nutritionist as a career.

2. **16th August 2021- One day eWorkshop on "Patenting system in India"**- It was jointly organized

by the dept. of library and all the departments of Sciences, I.Y.College. Dr. W. M. Dhumane, DPIIT, IPR chair professor at MNLU, Mr Sajid Shaikh, Asst.Professor at MNLU and Adv. Chirag Tanna, Regd. Patent agent and Director INK IDEE were the renowned resource persons invited for the workshop. More than 102 participants attended this online workshop on Google Meet.

3. **2nd October 2021 Gandhi Jayanti-** Book exhibit and distribution of Reading list on Mahatma Gandhi was circulated.

4. **18th October 2021- Wachan Prerana Divas-**Online programme- Chief guest- Space science writer-columnist-reporter Ms Ruchira Sawant. and 5 active participants who spoke on book they liked/influence on them. A reading list of eBooks in English, Marathi, Hindi, Persian and Urdu languages was also distributed on this occasion by the Librarian Mrs Phadke . This programme had more than 80 viewers.

### 3 MAH BN NCC BOYS UNIT ANNUAL REPORT 2021-2022

MAJOR DR. RAVINDRA KALESH  
Associate NCC Officer (ANCO)  
ISMAIL YUSUF COLLEGE

**The MOTO of NCC are:**

- (a) To develop qualities of character, courage, comradeship, discipline, leadership, secular outlook, spirit of adventure & sportsmanship and the ideals of selfless service among the youth to make them useful citizens.
- (b) To create human resource of organized, trained and motivated youth, to provide leadership in all walks of life including the armed forces and be always available for the service of the nation.
- (c) To create suitable environment to motivate the youth to take up a career in the armed forces.

The activities for the academic year 2021-22 began with the enrolment of students in first year NCC. A large number of students from Jr. and Sr. College reported for enrolment and the best of them were selected for NCC training. After completion of the enrolment, the regular training started during which the cadets were trained, in various aspects of military training such as weapon training, Map reading, firing, adventure training as well as prepare themselves for 'B' and 'C' certificate examination. The military training which the NCC cadets received was reduced and greater importance was given to other areas like social service and youth-management so that they become responsible citizens of India.

Ismail Yusuf College NCC units have maintained a tradition of celebrating the two most important national events i.e. Independence Day and Republic Day ceremony and drill respectively, keeping with the motto of NCC. Principal Smt. Dr. Swati Wavhal hoisted the National Flag on 26 January 2021 along with the teaching, non-teaching staff members and students. NCC cadets paid honor and respect to the tricolor.

In our college we have two NCC units for boys and girls. 3 MAH BN NCC Boys unit is of 52 cadets and 8 MAH BN NCC Girls Unit is of 58 cadets. Our college is oldest and first collage of 3 MAH BN NCC was started in 1950. Every year atleast one cadet from college represents Republic Day Parade at New Delhi (RDC). Different activities are carried out throughout the year for NCC Cadets like tree plantation, campus cleaning, Aids awareness rally, Adult education, and Blood donation, etc. From 3 MAH BN NCC Boys Unit around 32 cadets have joined Indian Army to serve the nation last 10 years. Our special thanks to ex minister Shree Ravindra Vaikar Sir for his continuous support in making of firing range and obstacle track at our college campus.

In this training year in our college campus, with continuous efforts and continuous follow up by honorable Principal. We could get the work of firing range and obstacles track was constructed which is useful for Thal Sena Camp (TSC) and G.V Malvankar shooting competition held every year at Amravati in month September. In firing range, NCC can fire with 0.22 rifle and 0.33 rifle with distance of 25m on "1X1" target. The obstacle range constructed in our collage college campus consist of following

1. Straight Balance
2. Clear Jump
3. Gate Vault
4. Zig Zag balance
5. High Wall
6. Double Ditch
7. Right Vault
8. Left Vault
9. Ramp
10. Straight Balance

This obstacle course competition is held at Amravati after training the cadets at various at group level. NCC cadets use both Firing range and obstacle course for improving their skill.

Conducting different types of camps in different parts (states) of the country is one of the main features of the NCC organization. Many of our cadets availed the opportunity to participate in various camps during 2021-22.

**DIFFERENT CAMPS ATTENDED BY NCC CADETS DURING THE TRAINING YEAR 2020-21**

- (1) CATC 402 conducted at KALYAN from 26 OCTOBER 2021 to 30 OCTOBER 2021  
No of cadets-11 attended the camp under the leadership of Senior - CDT OMKAR MANE
- (2) IGC RDC conducted at PUNE from 08 Aug 2021 to 18 Aug 2021  
No of cadets-01 attended the camp under the leadership of Senior - CQMS CHIRAG JADHAV
- (3) CATC 408 conducted at KALYAN from 17 OCT 2021 to 26 OCT 2021

**Report of webinar organized on the occasion of 'World water day' by DLLE and Nature Club 2021-22**

As water is an essential building block of existence, each year March 22 is celebrated as World Water Day to raise public awareness about the significance of fresh water and sustainable management of this significant resource.

To celebrate World Water Day, DLLE and Nature Club of Ismail Yusuf College had organized a webinar on Ground water conservation - Nature's gift for sustainability on March 22, 2022 at 11 a.m.

The main objective of this program was to create awareness about ground water management among the students.

Dr. Subhajit Mukherjee was the resource person for this webinar.

The program started at 11:00 am with welcome speech of Dr. Archana Rangari.

Dr. Mukherjee explained the topic through different videos.

He explained the Problems faced by people due to scarcity of water especially in rural areas.

He also elaborated about different government schemes like Jal Shakti Abhiyan for ground water conservation.

Information about water percolation device and rain harvesting technique was also given.

70 students of Ismail Yusuf College attended the webinar.

Shri. Sameer Vairagi along with student volunteers handled the technical aspect for the webinar.

The program ended at 12:10 after the question answer session followed by vote of thanks presented by Dr. Deepali Sawant.

Enthusiasm and active participation of students made the program successful.

- > **Library activities:** Students actively participated daily in library work Like arranging, cleaning, maintaining sequences of books after a corona periods and teachers also gave them lots of training of how to search reference books.

## Department Activity of English

### Screening of the movie: Salaam Bombay (1988)

As a student of literature (TYBA), I got an opportunity to watch this movie along with my fellow classmates. The movie Salaam Bombay is a Hindi language Indian drama film, directed by Mira Nair starring along Shafiq Syed, Nana Patekar, Irrfan Khan, Raghubir Yadav, Anita Karwar, Chanda Sharma

This Movie is set in the slums of Bombay.

Salaam Bombay portrays the harsh Natural Realism of an Indian society during the 1980's which is still dwelling in current times too.

Movie deals with bitter truth of the people surviving in the slum areas. The BOMBAY city which known for its

glamorous-fantastic life also has a dark, horrendous and a sickening reality.

The movie brought forward many issues of— lack of social validation, poverty, starvation,

childhood prostitution, child trafficking, exploitation, forced child labour and a possibility for leading a life on a streets.

This movie is like a mirror which revealed the city's sidelong yet neglected gaze which is still constantly breeding on it's streets.

Students who attended the movie screening:

- Hanifa Shaikh • Asthma Mansuri • S h a b a n a Shaikh • Sahista Patel • Namrata Poojari

### Activities of Department of English

- Guest lecture by Dr. Somanath Panade, assistant professor in English, Dr. N.D. Patil Mahavidyalaya, Malkapur on 18/12/2021 on the topic of Reading Literature.
- Online quiz competition on 11/12/2021 on General knowledge for the students.
- Arranged screening of movies Salam Bombay and Roshoman.

## ગુજરાતી વિભાગ

### ૨૦-૨૧, ૨૧-૨૨ નો રીપોર્ટ

છેલ્લા બે વર્ષ દરમિયાન આપણે સૌ કરોના રૂપી મહામારીમાં ખુબ ખરાબ રીતે ફસાયા હતા. શિક્ષક અને વિદ્યાર્થીઓ એક બીજાને પુરક બની Online પદ્ધતિથી ક્લાસ કર્યા હતા. આ પરિસ્થિતિમાં વિદ્યાર્થીઓનો સહકાર મળ્યો.

કલા શાખા તરફથી મહાવિદ્યાલયે Online (International Conference) આંતરરાષ્ટ્રીય પરીસંવાદ નું આયોજન તારીખ ૨૩/૨૪/૨૫ જુન ૨૦૨૦ માં કરવામાં આવ્યું હતું. અને આ પરીસંવાદના વિષય હતો 'સાહિત્ય અને સામાજિક વિજ્ઞાન'.

આ પરીસંવાદમાં ગુજરાતી વિભાગ તરફથી મુંબઈ યુનિવર્સિટીના ગુજરાતી વિભાગના અધ્યક્ષ ડૉ. ઉવશીબેન પંડ્યાને આમંત્રણ આપવામાં આવ્યું હતું. અને તેમનો વિષય 'ગુજરાતી સાહિત્યમાં તત્વજ્ઞાન-તત્વજ્ઞાની અખા ભગત', આ વિષય પર તેમને પોતાનું વક્તવ્ય Online રજૂ કર્યું. અને આ વક્તવ્યનો ઘણો પ્રતિસાદ મળ્યો. વિદ્યાર્થીઓ એ પણ આ પરીસંવાદમાં ઉત્સાહ ભરે હાજરી આપી હતી.

કરોના કાળમાં વિદ્યાર્થીઓમાં લખવાની ક્ષમતા ઘટી ગઈ હોવાથી તેઓને કવિતા અને ટુંકીવાર્તા લખવા પ્રોત્સાહિત કર્યા. ગુજરાતી ભાષાના વેબીનાર જે વિદ્યાર્થી લક્ષી હોય તેમાં તેઓને હાજર રહેવા જણાવ્યું. કોલેજના પ્રોગ્રામ જેન કે પામ ફેસ્ટીવલમાં ભાગ લેવા જણાવ્યું એવી જ રીતે પરીક્ષા લક્ષી જે જે તકલીફ હોય એમાં સમયે સમયે મદદ કરી આ ઉપરાંત એસ. એન. ડી. ટી મહિલા વિદ્યાપીઠ મુંબઈના ગુજરાતી વિભાગે અભ્યાસક્રમ લક્ષી વ્યાખ્યાન શ્રેણી નું આયોજન કર્યું હતું. એમાં શિક્ષકો અને વિદ્યાર્થીઓ જોડાયા હતા.

આમ બે વર્ષ કરોના મહામારીના Online કાર્યમાં પસાર થયા. એ શૈક્ષણિક હોય કે સાંસ્કૃતિક સર્વ ક્ષેત્રે વિદ્યાર્થીઓ કાર્યરત રહ્યા હતા.

## हिंदी विभाग और हिंदी साहित्य मंडल

कोविड १९ के कारण शैक्षिक वर्ष २०-२१ का आरंभ ऑनलाईन क्लासेस में हुआ। शैक्षिक वर्ष २०-२१ में द्वितीय वर्ष कला हिंदी विषय के लिए नवीन पाठ्यक्रम मुंबई विश्वविद्यालय ने जारी किया। १८ व १९ अगस्त २०२० को द्वि दिवसीय कार्यशाला का आयोजन सोनुभाऊ बसवंत महाविद्यालय, शहापुर द्वारा आभासी मंच पर किया गया। इस कार्यशाला में द्वितीय वर्ष कला शाखा, हिंदी के विद्यार्थी भी जुड़े। हिंदी की वरिष्ठ साहित्यकार सूर्यबाला, कवि राजेश जोशी और उपन्यासकार भगवानदास मोरवाल आदि लेखकों के व्याख्यानो का लाभ विद्यार्थी ले सके।

हिंदी विभाग के छात्रों ने इस वर्ष विभिन्न महाविद्यालयों की अंतरमहाविद्यालयीन प्रतियोगिताओं में हिस्सा लिया। रामनिरंजन झुनझुनवाला महाविद्यालय के हिंदी विभाग द्वारा आयोजित पी.आर.सिंह बक्तुत्व प्रतियोगिता २३/०१/२१ को संपन्न हुई। तृतीय वर्ष कला हिंदी का छात्र १) अर्य नक्श और द्वितीय वर्ष कला, हिंदी की छात्रा २) चेतना दूबे ने किसान आंदोलन समस्या और समाधान इस विषय पर विचार प्रस्तुत किए। भवन्स महाविद्यालय द्वारा आयोजित निबंध प्रतियोगिता के लिए तृतीय वर्ष कला, हिंदी की छात्रा अनामिका यादव ने 'भारतीय संस्कृति का अनोखा स्वरूप' विषय पर निबंध लिखा।

वर्ष २०२०-२१ हिंदी अनुसंधान केंद्र के लिए विशेष रहा। अनुसंधान केंद्र के प्रथम वंच की छात्रा नीतू तातेड ने 'भूमंडलीकरण के दौर में महिला निर्देशिकों द्वारा निर्देशित हिंदी फिल्मों में नारी सशक्तिकरण के विविध आयाम' विषय पर पीएच.डी. की उपाधि प्राप्त की।

इस्माईल युसूफ महाविद्यालय कला शाखा द्वारा आंतरविद्याशाखीय अंतरराष्ट्रीय ई संगोष्ठी का आयोजन २३, २४, २५ जून २०२० में किया गया। संगोष्ठी का विषय 'साहित्य और सामाजिक विज्ञान के पारस्परिक अंतराफलक' था। 'विशेष अतिथि' मुंबई विश्वविद्यालय, हिंदी विभाग के अध्यक्ष प्रोफेसर डॉ. करुणाशंकर उपाध्याय थे। उन्होंने साहित्य और समाजशास्त्र, दर्शन, अर्थशास्त्र, राजनीतिशास्त्र आदि के संबंधों को व्याख्यायित किया। बीजभाषण उपासला विश्वविद्यालय, स्वीडन के पी.डी.डॉक्टर हाइन्ज वेर्नर विस्लेर जी ने 'देशज आधुनिकता और दूसरी आधुनिकताएँ' समाज और साहित्य के परिप्रेक्ष्य में विषय पर PPT द्वारा दिया। मॉरिशस स्थित डॉ. सुरीति रघुनंदन जो शिक्षिका और कवयित्री हैं, साहित्य और मनोविज्ञान विषय पर आलेख प्रस्तुत किया।

शैक्षिक वर्ष २०२१-२२ से तृतीय वर्ष कला हिंदी के लिए नया पाठ्यक्रम लागू किया। ९-१० अगस्त २०२१ को सोनुभाऊ बसवंत महाविद्यालय ने ई-कार्यशाला का आयोजन किया था। रागिणी तिवारी, माक्षी विश्वकर्मा, जितेंद्र पांडेय, गुडिया चौहान, रोमी यादव और अनुज गुता - तृतीय वर्ष हिंदी के छात्रों ने

उपस्थिति दर्ज करके ई-प्रमाणपत्र प्राप्त किए। ई-कार्यशाला में सहभागी होने से विद्यार्थियों को विभिन्न महाविद्यालयों के प्राध्यापकों के व्याख्यान सुनने का मौका मिला।

२१ फरवरी २०२२ को हिंदी साहित्य अकादमी और सोनुभाऊ बसवंत कॉलेज की तरफ से 'वैश्विक परिदृश्य और हिंदी' विषय पर आंतरराष्ट्रीय हिंदी वेबिनार का आयोजन किया था। तृतीय वर्ष हिंदी के छात्र जितेंद्र पांडेय, गुडिया चौहान, रोमी यादव आदि ने उपस्थित रहकर ई-प्रमाणपत्र प्राप्त किए। ऑनलाईन संगोष्ठियों के कारण छात्रों के सोच के दायरे व्यापक हुए हैं।

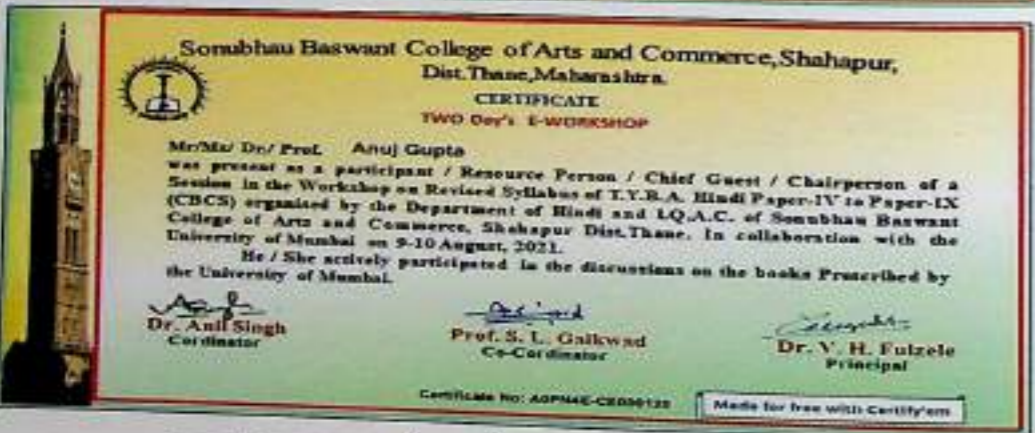

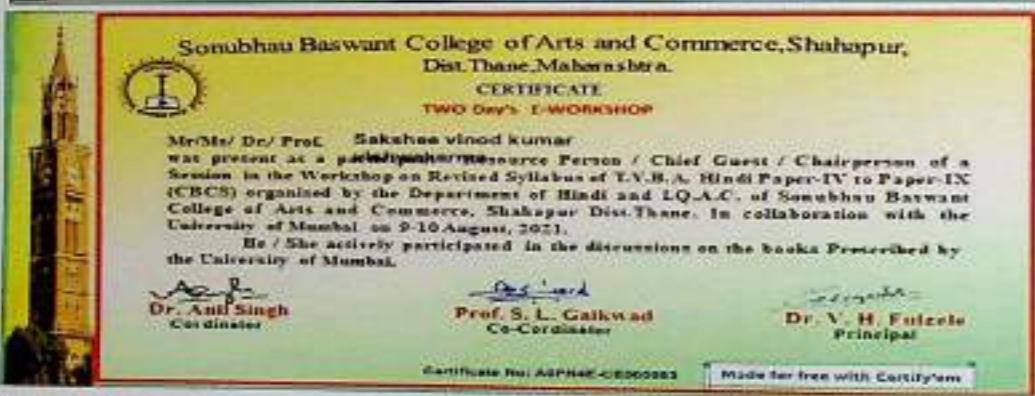

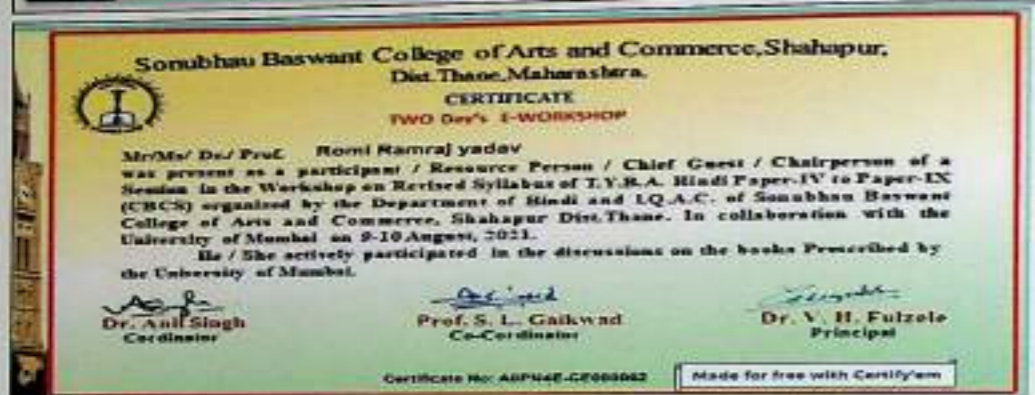

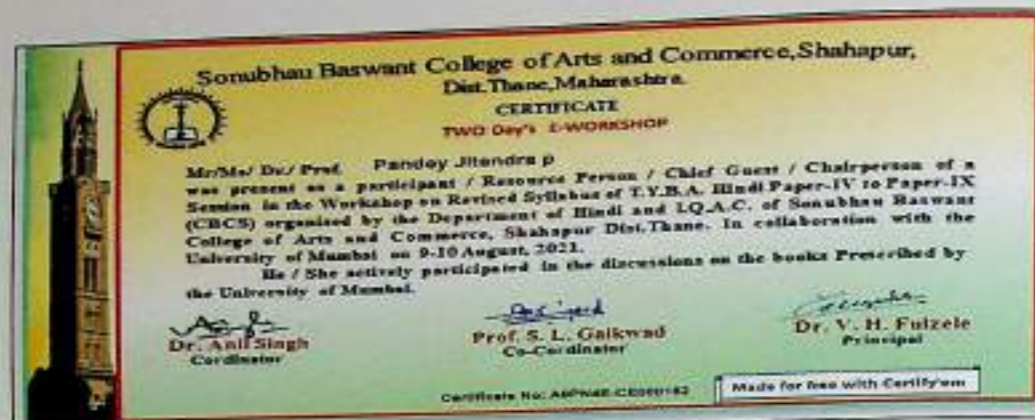

विभागप्रमुख  
माधुरी जोशी

On 26th February 2022 Arts Faculty had organised a lecture series for department development....

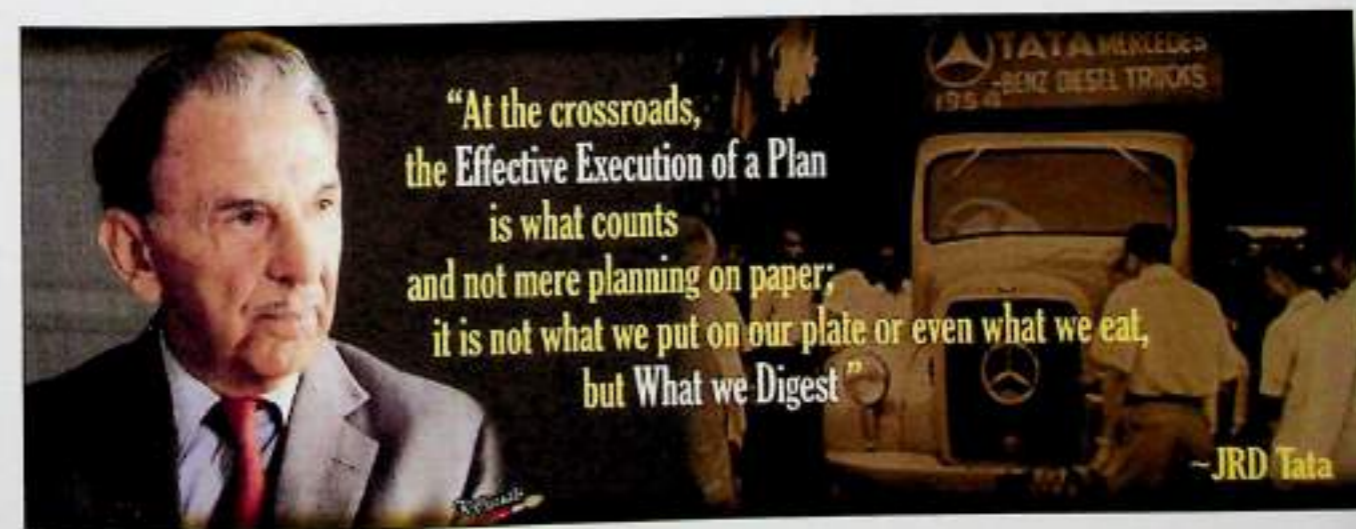

Dr.Gandhi.H.Dejury delivered the lecture as topic "Benefits of Yoga" TYBA, SYBA, FYBA students had participated in the program. Different faculty members and HODs of departments had attended the program :-

Dr.Maduri Joshi (HOD of Hindi department), Shri.Yuvraj.Shinde (HOD of English department), Dr.J.S Sawant (Assistant professor in department of Philosophy) etc . This program was a grand success .

Dr. Gandhi .H. Dejury, HOD, Philosophy, attended and secured 'A' Grade in the online Refresher Course conducted by Jawaharlal Nehru University, New Dehli-110067 in January 2022.

Dr.Jayashing.B. Sawant ,attended and secured 'A' Grade in the online Refresher Course conducted by Lucknow university, Lucknow in December 2021

Dr.Gandhi.H.Dejury  
HOD and Asstt.Professor .  
Dept of Philosophy

### Political Science Departmental Activity 2020-21

#### International e-Conference

A highly renowned scholar and Professor at Shivaji University, Kolhapur, Dr. Prakash Pawar, elucidated the conference on 'Concepts and Ideas reflections on literature in Humanities'. Dr. Pawar highlighted the relation between thinkers and their concepts in the context of politics, history, sociology, and other social science disciplines that are advanced as per the needs of society.

Date	Activity	Student's attendance
5/10/2020	Reading of Mukta Salve's essay on the Caste System	10
28/10/2001	Web-series Screening of 'Hutatma' on Samyukta Maharashtra Movement	12
17/10/2020	Documentary Screening of 'Samvidhan' by Shyam Benegal- Episode - Fundamental Rights	20
23/10/2020	Debate on CAA and NRC	3
17/11/2020	Film Screening of '12 years Slave' by Steve McQueen	14
23/11/2020	Discussion on Tribal participation in Electoral Politics	11
18/2/2021	Online Guest Lecture on Tribal Movement by Milind Thatte from Vayam Movement attended by students	6
4/12/2021	Web-series Screening of 'Pradhan Mantri'- Episode -1989 General Election	19
17/2/2021	Documentary Screening of 'Social Dilemma'	12
23/3/2021	Online Guest Lecture on Electoral System by Mr. Chintan Thorat attended by students	7
28/3/2021	Online Guest Lecture on Psephology by Ravindra Swamy, I-PAC attended by students	8
6/4/2021	Documentary screening of 'Hiware Bazar'	12

#### • Participation of faculty in Seminar/Workshops

- Certificate of Participation to Neha Sayyed for participation in a session on 'Simplifying US Presidential Election'
- Certificate of Participation to Neha Sayyed for participation in a webinar on 'Legal Aid Service Authority: A Crusader for Rights of Individual'
- Certificate of Participation to Neha Sayyed for participation in a webinar on 'Indo-China Relations in present context'

#### • Course completed by faculty in the academic year

- Mr. Divyang Potdar completed Post-Graduate Diploma in 'Dr. Babasaheb Ambedkar Thoughts' with distinction

### Department Of Psychology

Hopeful but resilient best describes the batch of 2020-2021. Convergence of students with varied backgrounds, interests, research orientations, made this batch diverse in its truest sense, and a lot more fun for professors to work with. They showed enthusiastic participation in college festivals and events. Coming to the academic life of students, they went through rigorous experimental procedures and lectures to give them a strong hold over their subject. The students discussed research ideas and collaborated amongst themselves, making it a highly effective learning environment. On the 16st of January 2022, the department organized its Peer Guidance meeting called "Stand on the shoulder of giants" where various topics such as organization of the career planning, online education and virtual mental health issues were discussed. All the Teachers gave their valuable knowledge and alsoguided parents towards right direction and focus towards student development.

This year marked a special day on which students and teachers we finally able to come back to in person learning and education with the first in person lecture being conducted in Feb 2021

### Department Activity

#### Excursion to Nargol, Gujrat

Department of Botany had organised a one-day short excursion on 25th February 2022 at Nargol, Gujrat to observe successful implementation of MiyawakiPlantation at 03 different locations. All faculty members from Botany Department along with 104 students attended the excursion. Dr. RK Nair and Mr Hussain Punjwani from an NGO Forest Creators have carried out large scale afforestation based on Miyawaki Dense Forest technique.

#### PulwamaShahid Van, GrampanyatKalai

As homage to 40 Jawans of the Indian Army martyred in the Pulwama terror attack, 40,000 trees were planted in memory of each jawan. Within PulwamaShahid van, they have created a Tulsi van which comprises 4-5 varieties of Tulsi. While moving through the Miyawaki jungle we came across termite mounds and pugmarks of wild boar, this was an exciting experience for the students to see the live example of how the Miyawaki forest method can show effects on the biodiversity of the area.

#### Project Harit, Manekpur Gram panchayat

In collaboration with SamajikVanikaranVibhag,

Gujrat and L&T, Forest creators have undertaken this project which includes more than 57,000 trees of 90 plus plant varieties. The staff of the Botany department along with 104 students participated in the plantation carried out at this site, everyone planted saplings of their own as per the, Everyone plant one, motto.

#### Forest by the Sea, Nargol

At present Nargol is facing sand erosion due to increasing sea level to tackle this issue Gram panchayat along with Forest Creators have Undertaken the project " Forest by the Sea" or Darya-Kinara, with 1,20,000 trees. This project proved to be the main highlight of our visit.

### Ismail Yusuf College Campus Tour

Campus of Ismail Yusuf College has diverse flora which attracts Botany students from various colleges in Mumbai. It is a treat for Botany students to explore the flora of campus in various seasons. Campus Tour is very often carried out to make students study plant morphology and diversity in its natural habitat. Students are also encouraged to conduct activities like Tree Plantation.

### Miyawaki Forest

After the successful execution of First Miyawaki Urban Dense Forest on 22nd August 2019 in association with HDFC Life & Keshavshrustion 2000 sqft area with 1250 plants, second Miyawaki Urban Dense Forest was developed on 16th February 2022 in

association with Forest Creators on 3000 sqft area with 1550 plants.

### Online Courses by IIRS-ISRO

Ismail Yusuf College is a Nodal Centre for conducting various Online Courses by Indian Institute of Remote Sensing and Indian Space Research Organization (IIRS-ISRO). Dr. Amit Saraf, Head, Department of Botany is the Coordinator, Nodal Centre, Ismail Yusuf College for conducting Online Courses by IIRS-ISRO. In the academic year 2021-22 following outreach programs were conducted.

90-IIRS Outreach Program on RS & GIS Applications in Natural Resource Management conducted by this institute during November 08, 2021 to November 26, 2021. 9 students registered for the course.

93-IIRS Outreach Program on Geo-informatics for Biodiversity Conservation Planning conducted by this institute during December 06, 2021 to December 17, 2021. 15 participants registered for the course.

### Guest lecture by Dr. Gautam Talukdar, Wildlife Institute of India, Dehradun

Dr. Gautam Talukdar, Scientist E & Head, Protected Area Networks Wildlife Institute of India, Dehradun visited Ismail Yusuf College Campus and addressed

Botany Students on 7th March 2022. The interactive session involving SY & TY students was thoroughly enjoyed by students. 34 students were present for the lecture. Dr. Talukdar gave suggestion to create Mini Biodiversity Park representing major forest types in India and to explore a possibility of having a small water bodies in the campus.

### Webinar on Higher Education opportunities in Foreign Universities

Department of Botany & IDP Education India Pvt. Ltd, Mumbai organised a webinar on opportunities for Higher Education in Foreign Universities on 3rd August 2021. Mr. Ajoy Sengupta conducted the webinar on Discounted Degree Program in Universities located in Australia, New Zealand & Canada. He also focused on how to get an inexpensive International Degree by targeting Science Programs suitable for BSc students. 72 Students attended the webinars.

### Seminar on "Career Opportunities in Health Care Industry"

Department of Botany organised a seminar to guide students on their career options in paramedical area in association with iTransform Paramedic Centre, Kokilaben Dhirubhai Ambani Hospital, Mumbai on 16th March 2022. Students responded in large numbers so the seminar was conducted in two sessions. Mr. Sameer Joshi, MD, iTransform Paramedic Centre was the resource person for the program. 138 students attended the program.

### Ongoing Research Projects

Dr. Amit Saraf has received financial assistance of Rs.40,000/- from Mumbai University for his Minor Research Project entitled "Structural elucidation and profiling of phytosterols from *Costus igneus* (Nak.) by HPTLC and LC-MS/MS". (Project No 713).

Shri Nitin Shelake has received financial assistance of Rs. 35,000/- from Mumbai University for his Minor Research Project entitled "Development of validated method of HPTLC fingerprinting and profiling of Flavanoids in *Helicteres isora* Linn." (Project No 716)

Species of Mushroom found in Ismail Yusuf College

Campus: Siddiqui Imtiyaz Ahmed and Rangari Archana. The International e-Conference on "Emerging Methodologies in Pharma, Environmental and Life Sciences, Ismail Yusuf College of Arts, Science and Commerce, Mumbai 18th and 19th June, 2020.

**Achievements**

Invited as a resource person on World Environment Day National Webinar on Climate Change and Environment Status after Covid-19 by G. K. S. College of Arts, Commerce and Science, Khadavali, Kaylan, Dist. Thane 5th June 2020.

Worked as an Organizing Secretary for the International e-Conference on "Emerging Methodologies in Pharma, Environmental and Life Sciences," Organized by Ismail Yusuf College of Arts, Science and Commerce, Mumbai 18th and 19th June, 2020.

Appointed as a Judge for Poster Presentation for the International e-Conference on "Emerging Methodologies in Pharma, Environmental and Life Sciences," Organized by Ismail Yusuf College of Arts, Science and Commerce, Mumbai 18th and 19th June, 2020.

Invited as a Panelist on World Environment Day Programme on Environment and Religion 5th June 2020 at 6:00-7:30PM.

Secured 1st Prize in the Staff 1 Minute Video- Asana event held by the Dept. of Physical education and sports on 13th and 14th March 2021. Virtual Annual Sports Festival Ismail Yusuf College, Jogeshwari (E) Mumbai 60

Attended a Refresher Course in Life Sciences (Online Mode) from 28-10-2020 to 10-11-2020 by UGC-HRDC Devi Ahilya Vishwavidyala, Indore.

Appointed as an Editor of International Journal of Applied Chemical and Biological Sciences on 22nd November 2020.

Attended National Workshop on "ICT Tools for

Online Learning" April 20-28, 2020, SNTD Women's University, Teaching Learning Centre, Dept. of Educational Technology, Pandit Madan Mohan Malviya National Mission On Teachers and Teaching.

Attended Two Weeks Faculty Development Programme on "Managing Online Classes and Co-creating MOOCs:2.0" from May 18 - June 03, 2020, by Teaching Learning Centre, Ramanujan College University of Delhi.

Appointed as a Subject Expert in the interview dt. 10th June 2021 for the post of Assistant Professor at St. Arnold's Degree College, Andheri.

Appointed as an examiner from 14th to 17th August 2021 for Deputy Collector Examination of Madhya Pradesh Service Commission.

**Paper publications**

Importance of DNA Profiling and Botanical examination to fix the Offence and Offence Place. International Journal of Current Advanced Research. Mahajan, Rangari and Kulkarni et-al. January 28th 2020. ISSN: O: 2319-6475, Volume 9; Issue 01(B), Page No. 20974-20978. Impact Factor 6.614.

**Nitin Shelake**

**Papers presented at the conference**

Ethnomedicinal Herbaceous Plant Diversity of Surgana and Kalwan Tehshils of District Nashik, Maharashtra: Nitin Shelake, P.B. Cholke & S.B. Deshmukh. International Conference (Online) on Environment, Development and Sustainability (ICEDS 2022) organized by Devrukh Shikshan Prasarak Mandal, NYA Tatyasaheb Athalye Arts, VEDS.R.SAPRE Commerce and VID.Dadasaheb Pitre Science College (Autonomous), Devrukh, (MS), India on 29th -30th March 2022.

Herbaceous Plant Diversity of Surgana and Kalwan Tehshils of Nashik District. Nitin Shelake and P.B. Cholke. National E-Conference on Environment and Biodiversity: Present Status and Future Challenges

organized by Sonpat Dandekar Shikshan Mandal's Sonpat Dandekar Apte Commerce and M.H. Mehta Science College, Palghar on 15th January 2022.

**Achievements**

Completed an Online Course in Remote Sensing & GIS Technology and Application for University Teachers & Government Officials, organised by Government of India, Indian Institute of Remote Sensing and Indian Space Research Organization (IIRS-ISRO) Dehradun from 13th June to 1st July 2020.

Attended "Tools for Online Teaching Learning and Evaluation: Pedagogical Training for Teachers School of

Mathematical Science", Swami Ramanad Tirth Marathwada University Nanded from 1st -6th July 2020.

Successfully completed Two Week FDP on "Managing Online Classes and Co-Creating MOOCs:2.0" organized by HRDC Teaching Learning Centre, Ramanujan College, University of Delhi from 18th May to 3rd June 2020.

Successfully completed Seven Day National Online Workshop on Research Methods and Techniques, organized by Ramanad Arya D.A.V. College, Bhandup from 25th April to 1st May 2020. ■

### Hand's On Training on GCMS (Gas Chromatography and Mass Spectroscopy)

Department of Chemistry arranged on day Hands-on training on TGDTA (Thermo Gravimetric Analysis) on Tuesday 8th February 2022. In which Aniket sir from Regaku and

Lab India gave the training to M.Sc. Part I and M.Sc. Part II student (Physical, Inorganic and Organic branch) and CHB staff of Chemistry Department. Training program were conducted by taking all precautions of COVID-19

### Hand's On Training on GCMS (Gas Chromatography and Mass Spectroscopy)

Department of Chemistry arranged on day Hands-on training on TGDTA (Thermo Gravimetric Analysis) on Tuesday 8th February 2022. In which Aniket sir from Regaku and Lab India

gave the training to M.Sc. Part I and M.Sc. Part II student (Physical, Inorganic and Organic branch) and CHB staff of Chemistry Department. Training program were conducted by taking all precautions of COVID-19

### Department of Mathematics

2021-22

Mathematics Training and Talent Search Programme (MTTS) is a very popular training programme in Mathematics running in India. The students are selected from the national level depending on their academic performance. Every year, the Mathematics Department encourages students to apply for the course. In the academic year 2020-21, the student of TYBSc Mathematics, Ms. Amin Chaitanya Sadananda got selected from our college. This time the programme was organized by aegis of MTTS Trust funded by the National Board for Higher Mathematics held online from 11th June to 05th July, 2021.

## Mathematics Training and Talent Search Programme (MTTS 2021)

Organized under the aegis of MTTS Trust  
Funded by National Board for Higher Mathematics

### Participation Certificate

This is to certify that *Ms. Amin Chaithanya Sadananda of Ismail Yusuf College, Mumbai Suburban, Maharashtra*, participated in *Level 1 of the Mathematics Training and Talent Search Programme* held online from *11/06/2021 to 05/07/2021*.

G. Santhanam  
President, MTTS Trust

S. Kumaresan  
Director, MTTS Programme

### Departmental Activity- Physics

#### Workshop on XRD (X-Ray Diffraction)

The year 2019-20 & 2020-21 were affected due to pandemic Corona Virus. But during this academic year 2021-22 well organized workshop was conducted by The Department of Physics, ISMAIL YUSUF COLLEGE for teaching staff and M.Sc. Students on "XRD and its use as characterization Technique". All physics M.Sc. students, teaching and non-teaching staff of the Physics Department were a present for this workshop programme which held on 14th October 2021 in the M.Sc Research Laboratory. The workshop started with an introductory speech of Dr. Ravindra Kalesh (HOD, Physics Department) where he acquainted the students with the aim of the workshop that how the XRD can be useful as a characterization technique in the research field. The program was then followed by felicitation of chief guest speaker Shri Pravin Tirmalli (Engineer, IRTECH). The Speaker explained the use of (XRD) X-Ray diffraction is a non destructive technique that provides the detailed information about the crystallographic

structure, chemical composition and physical properties of materials. X- Ray diffraction is based on constructive interference of Monochromatic X-Rays and crystalline sample. In the XRD peak intensity tells about the position of atoms within a lattice structure and peak width tells about the crystallite size. This workshop as a whole has given the mind of students a curiosity to think over and give a scientific approach

XRD Instruments

toward the research and how the XRD can be useful as a characterization technique. The students were very much excited to join the research after their completion of M.Sc Degree.

Online Examination

The Department of Physics conducted online examination for M.Sc. semester-III Students in the M.Sc. laboratory in the Covid Pandemic Situation.

Working Project Presentation During Science week (28 Feb 2022 – 3 March 2022)

The Department of Physics also organized working project presentation for M.Sc. physics Students during the Science week. The students have taken part in the

Project on Water Level Indicator using Microcontroller was presented by Miss. Sheetal Mahaptra

Project on Home Automated System using Bluetooth was presented by Shri Viraj Thukurul

Project on Smart Dustbin using arduino was presented by Shri Monish Yellumohanti

Project on Data Transfer using LIFI was presented by Shri Rahul Gupta

project presentation and the projects were judged by our college professors Miss. Archana Rangari, Dr. Bhangare, Shri Parkhe and all the judges appreciated the student's participation as well as presentation and were happy to see the projects done by students.

Project on Motion detector using IR Sensor was presented by Shri Pawan Tiwari

The Chief Secretary of Higher Education Shri Vikas Rastogi along with honorable principal Dr. Swati Wavhal visited on 12th March 2022 to the senior Physics Laboratory where FYBSc students performing there Physics Practical. He interacted with the students and asked questioned related to the experiments they were performing and he was happy with responses given by students.

Departmental Achievements

➤ Dr. Ravindra R Kalesh (HOD, Physics Department)

have received recognition as a teacher to guide student for Ph.D degree in the subjects of Physics of the Mumbai University with effect from 23rd February 2022.

➤ Dr. Ravindra R Kalesh (HOD, Physics Department) have successfully completed the short term course from 1st December to 7th December 2021 conducted by University of Mumbai on " Data Science and Data Analytics"

“Children must be taught how to think, not what to think,”  
Margaret Mead

### Annual report of the department of statistics For the academic years 2020-21 and 2021-22

The years 2020 and 2021 were marked by the global pandemic casting its gloomy shadow over all fields of human endeavor. The field of academics was no different but thanks to the technological advances in this field in recent times, the educational process, by adapting to the online mode of teaching, was not disrupted in a major way.

The Department of Statistics also conducted its lectures, practicals and activities via the online mode for the major part of these two academic years 2020-21 and 2021-22 only switching over to the offline mode towards the end of academic year 2021-22 when students could be allowed to attend classes physically. At last, teachers and students could have some semblance of campus life which was sorely missed during that miserable interval.

Some notable activities by the department during the period are worth mentioning.

On 19th March 2021, the department organized a guest lecture by Dr.Rita Abbi, Professor and Head, Department of Biostatistics, MGM Institute of Health Sciences, Navi Mumbai, on 'Role of a Biostatistician and Job Opportunities'. The lecture was very well received by the students. The session widened their career scope and many felt that job opportunities were better for Biostatisticians, in the evolving global scenario, than with traditional courses.

Being technology savvy is the way to go in the new age scenario. Anyone who wishes to have a successful career needs that cutting edge advantage over others

by being equipped with good presentation skills using state of the art technology. With this end in view, the college has provided most departments, the 'Smart Classroom', one of the latest innovations to have revolutionized classroom teaching. It incorporates all features that enable both offline and online teaching and to give presentations effortlessly and effectively.

After classroom teaching resumed after a hiatus of nearly two years, our teachers quickly adapted to teaching using the smart classroom turning boring lectures to engaging sessions. In the month of March 2022, we had presentation sessions wherein the students gave ten minute presentations on their favourite topic from the prescribed syllabus.

Also a workshop on Data Analysis using Excel was conducted for the benefit of the students by Ms.Sonali Thik, former faculty and expert data analyst as the resource person.

One commendable achievement worth mentioning is that Ms. Sonali Thik, teaching faculty in the department in December 2020, cleared the State Eligibility Test(SET) giving us a proud moment amid the gloom of the pandemic.

As we gradually return to normal from a difficult period, we hope to flourish again so that coming generations of students can hope to get as much as is possible from their institution in order to become smart, confident, responsible and contributing members of the society, community, nation and the world at large.

### Departmental Activity- Zoology

As the academic year 2020-21 commenced in the month of June it continued in the lockdown with online mode for teaching and conducting student programs.

On 18th and 19th June 2020, International e-Conference on "Emerging Trends in Pharma, Environmental and Life Sciences," EMETHPELS-2020 was jointly organized by Department of Botany, Zoology and Biotechnology in which the Zoology Department participated actively. The online conference was free and a great success with an overwhelming response of 2000 registrations. Deliberations by eminent speakers and sessions on Instrumentation were the highlights of the Conference.

On 15th October, 2020 Vachan Prerna Din on the eve of Dr. APJ Abdul Kalam birthday was jointly organized by Library and Department of Zoology conducted on Google

### Field Visit to Sanjay Gandhi National Park and Shilonda Trail

A field visit was conducted by the Department of Zoology for F.Y.B.Sc. and S.Y.B.Sc. students to Sanjay Gandhi National Park on 25th March 2022. There were 40 students from F.Y.B.Sc. and 27 students from S.Y.B.Sc. along with 3 teaching and 4 non-teaching staff members.

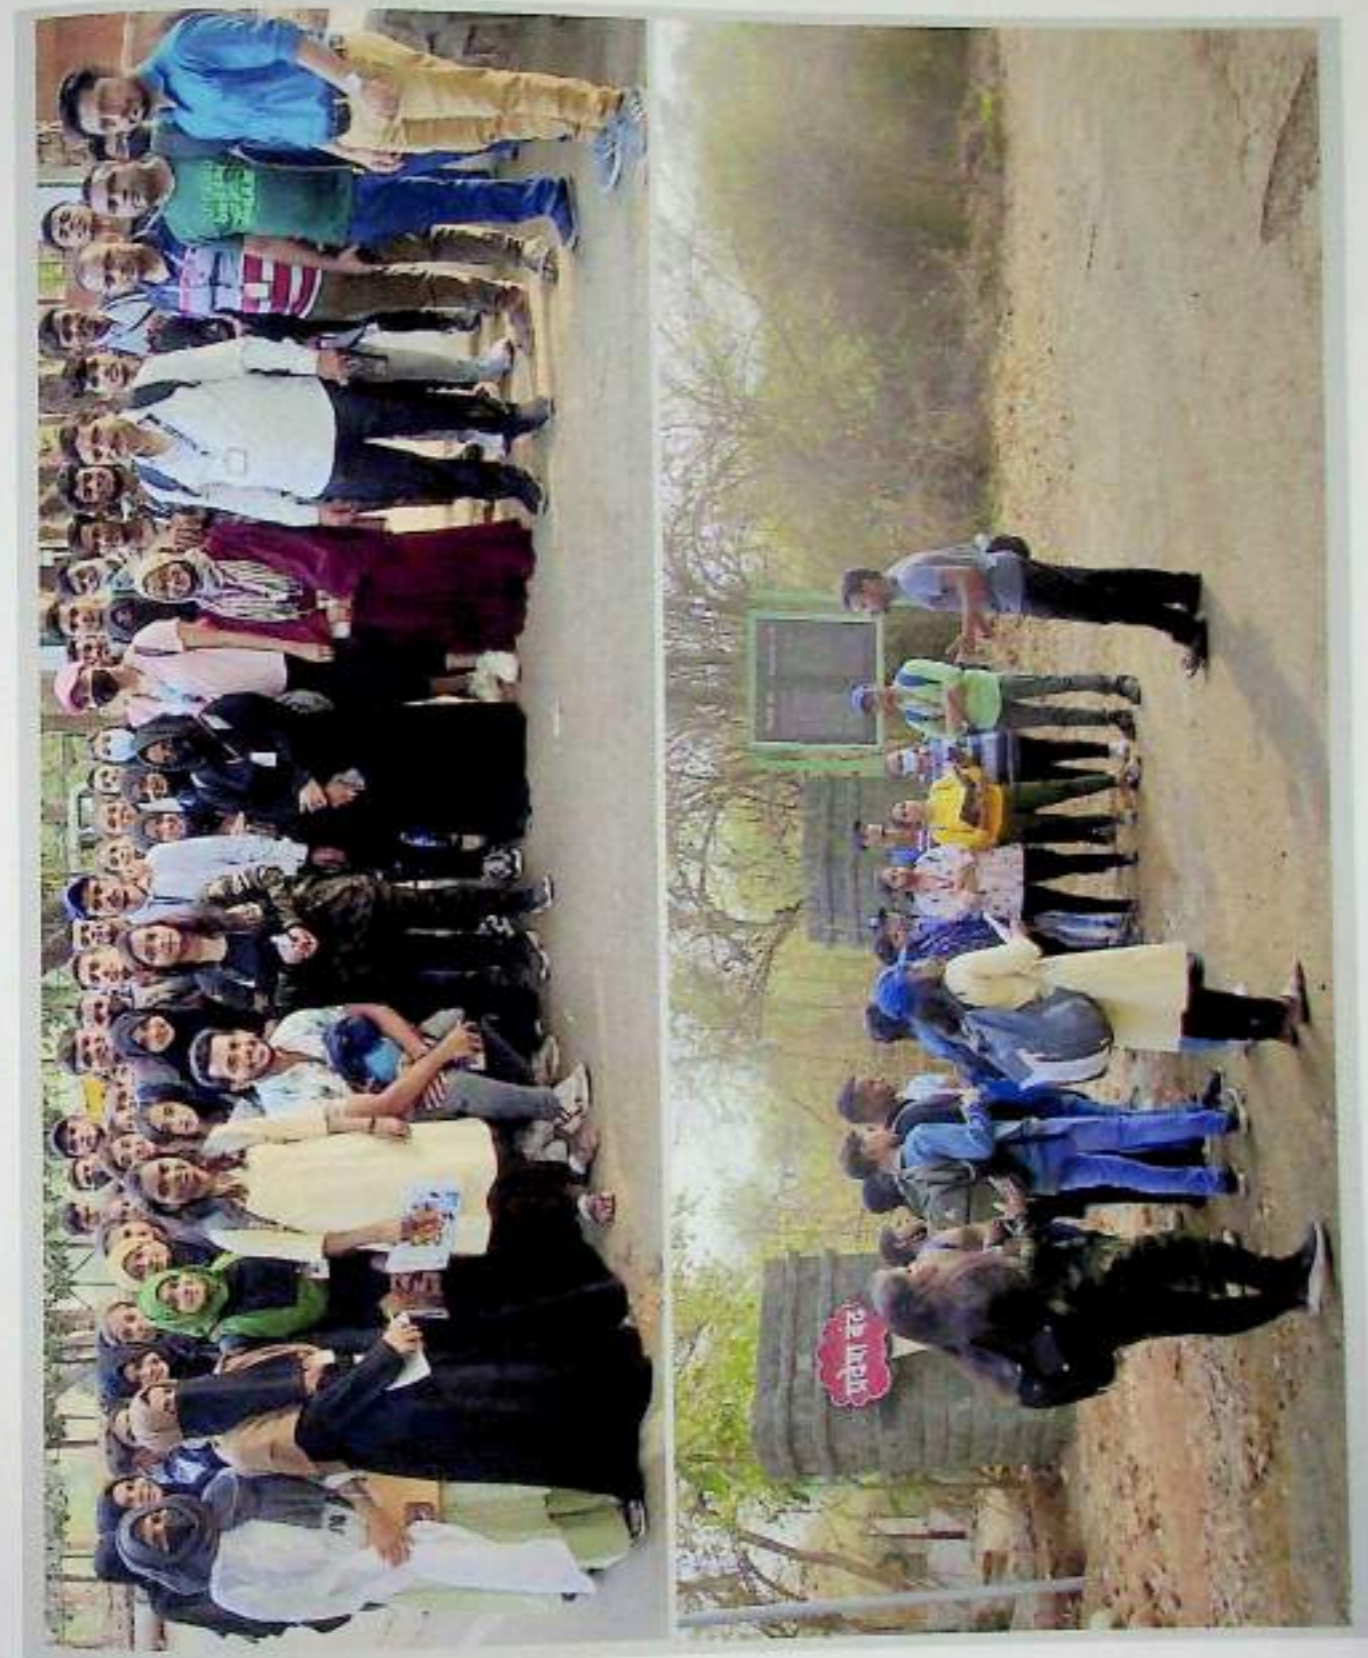

Further the Shilonda Trail was conducted

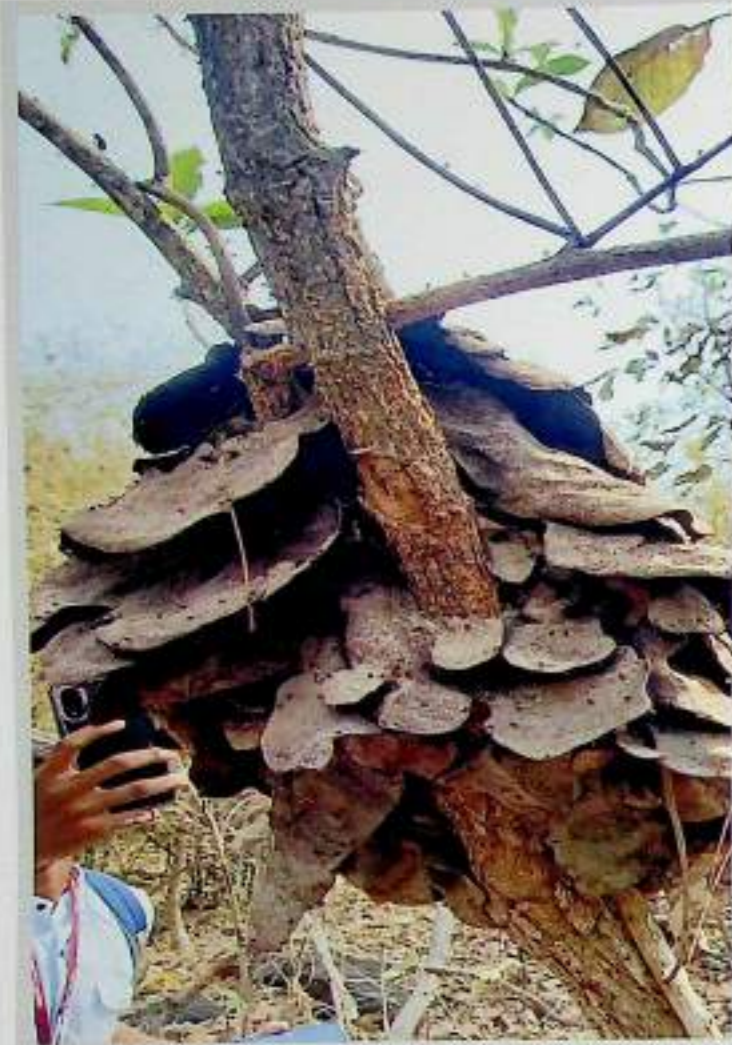

meet. Importance of reading and encouraging students to read books was emphasized. Links of many ebooks and periodicals were shared by Librarian Swati Phadke to the delight of students who actively participated. Shri. Sandesh Dubey, TYBSc. (Zoology) student presented his poem on Dr. APJ Abdul Kalam's Biography.

On the occasion of Science Day 28th February 2020 various online events were conducted like Quiz, On spot slogan writing, debate and poster competitions. Nearly 110 students from Arts, Science and Commerce stream of the college participated in different events.

Prior to exams the students were trained to give online exams by conducting mock test. It is noteworthy to mention that many of our TYBSc. students worked as Covid warriors.

with the help of three guides and groups of students who made the trail interesting and exciting for the students with information about the flora and fauna, animal behavior, bird spotting, ecology and some rules and regulations about nature conservation of National Park. The animals which were spotted included the Garden Lizard, Racket Tailed Drongo, Common Grass Yellow butterfly, Orange tip butterfly, Lesser Cormorant, Common Kingfisher.

Territory marking of Leopard

### Marine Science Visit

Students of Marine Science visited the Versova Jetty Fish Landing Centre. The visit was conducted by

Dr. Venkatesh Hegde and students studied the different types of fish and shellfish and also learned how the fish catch is auctioned for good price.

### Field visit to Karnala Bird Sanctuary

A field visit was conducted by the Department of Zoology for T.Y.B.Sc. students to Karnala Bird Sanctuary on 6th May 2022. There were 27 students along with 3 teaching staff and 1 non-teaching staff member.

The students had a different experience of being in the wild forest and studied the flora and fauna, ecosystem and spotted different birds which included the Cicadas, Common Bee Eater, Peacock, Indian vulture, Parakeets, Eagle, Chocolate Pancy, Common Tiger butterfly, Stripped tiger Butterfly along with many nasty monkeys around.

# Report on One Day e-Workshop on Patenting System In India

Science departments and Library jointly organized One day e-Workshop on "Patent System India" on 16th August 2021 between 11 am to 5 pm, with the objective to make students and faculty aware of Intellectual Property Rights including the Patents System .

It was attended online on Google Meet by 102 participants comprising of students, librarians and faculty from other colleges as well.

The e-workshop was divided into four sessions as follows:

Session	Timing	Topic
Session1	11:00 AM to 12:00 PM	Introduction to IPR by Mr. Sajid Shaikh
Session2	12:00 PM to 01:30 PM	Introduction to Patents and Patentability Criteria by Dr. W. M. Dhumane
Session3	02:00 PM to 03:15 PM	Patent Filing and Processing by Dr. W. M. Dhumane
Session4	03:15 PM to 04:30 PM	Patent Drafting and Search by Mr. Chirag Tanna
Session5	04:30 PM to 05:00 PM	Questions and Answers, Vote of thanks

### Session-1:

First session was conducted by Prof. Sajid Shaikh, Assistant Professor from MNLU, Mumbai spoke on 'Introduction to Intellectual Property Rights'. and was introduced by Librarian Swati Phadke.

Prof.Sajid Shaikh introduced the Basics of IPR, various types of IPR which includes copyright, trademark, geographical indications, industrial design, semiconductor integrated circuits layout design, patents and trade secrets. He elaborated the need for IPR, monopoly Vs Competition, theories related to IPR including social planning theory, international treaties, validity of the work, who governs the IPR, how multiple IPs can be applicable to the same product. He gave many illustrative examples making the topic simple and easy to understand.

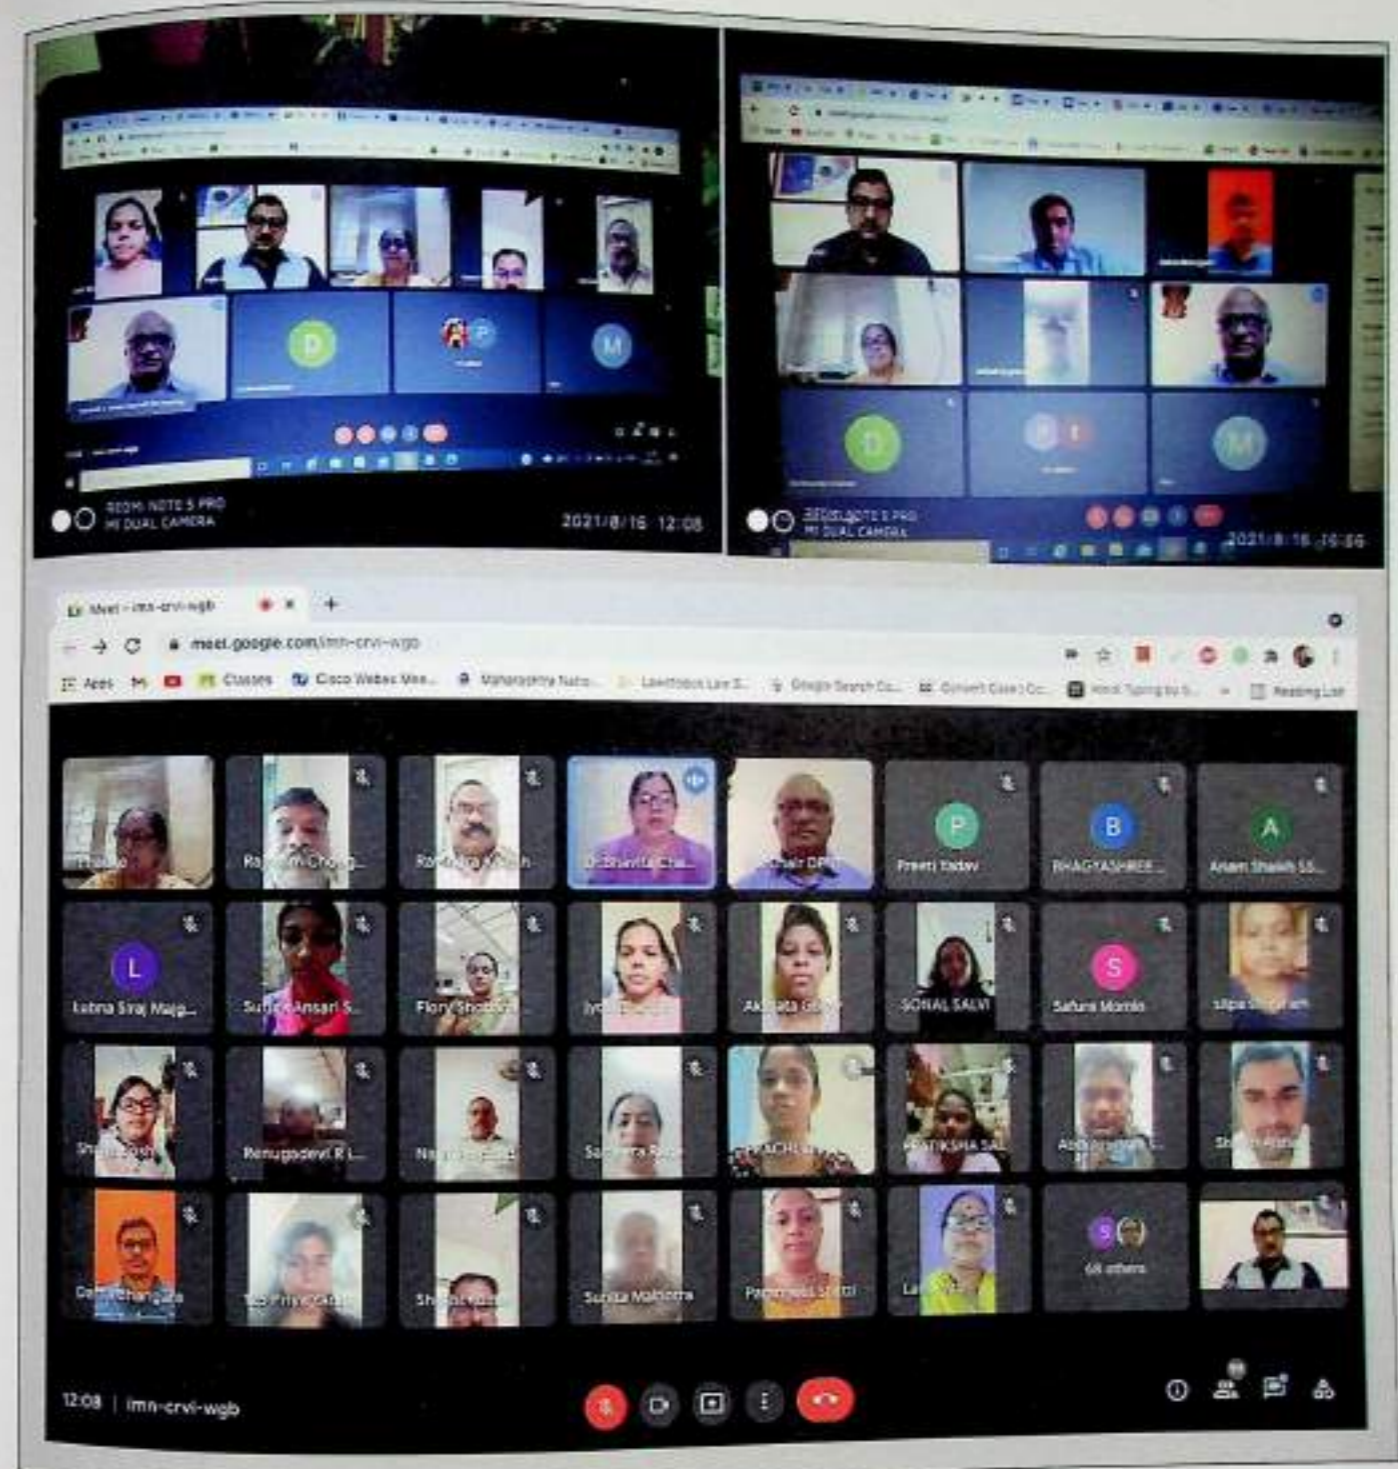

### Session-2:

Dr. W. M. Dhumane, DPIIT, IPR Chair Professor, MNLU Mumbai spoke on 'Introduction to Patents and Patentability Criteria' and was introduced by Dr Ravindra Kalesh, Head, Dept. of Physics

Dr Dhumane explained all terminologies related to IPR like what is patent, novelty, inventions which are patentable and non-patentable etc. trade related aspects of IPR including TRIPS in 1994 , offices in India dealing with patent applications and processing. He gave many examples and explained its importance in his lecture.

### Session-3:

In the post lunch session Dr Dhumane Sir delivered the topic 'Patent Filing and Processing'.

It included types of patent applications including ordinary applications, convention applications, divisional applications with natural phase application under PCT, PCT system, patents of addition (under section 54), incentives for startup, finding appropriate office to file patent, documents required for filing, sections related to filing, provisional specification, secrecy direction, complete specifications in Form 2, and also about claim in patent, pre-grant opposition, Publication of Patent application, effect of publication, withdrawal of application, examination of patent application with formality checks and substantive examination, pre-grant opposition, grant of patent, expedited examination with exhaustive and detailed information on this topic giving many examples.

**Session-4:**

Fourth session was conducted by Mr. Chirag Tanna, Regd. Patent Agent Director, INK IDEE ( at India and Singapore); Patent and TradeMark Attorney, Mumbai spoke on 'Patent Drafting and Search'. He was introduced by Dr Amit Saraf, Head, Department of Botany

Mr. Chirag Tanna discussed terms used in patent searching like Prior art. He informed about the databases used for patent searching like WIPO database named as patentscope.wipo.int, US patent and trademark Patent Specification, espacenet.com and ipindiaonline.gov.in (IPAIRS), patent specifications. He explained that an invention should have non-patentable subject matter like novelty, utility and it should be non-obvious, Concept Vs enablement with eg of Uber and Ola, and tests of Patentability, rights of the patentee, field of invention, patent drafting etc.

**Session-5:**

It was a Question and Answer session. Many teachers and students asked questions on patents and copyright which were answered by all the three resource persons. It was conducted by Dr Datta Bhangare, Head, Department of Chemistry.

Feedback form link was put in the chat box and all participants were requested to fill and submit.

Vote of Thanks was proposed by Dr. Bhavita Chavan, Science Coordinator, Head, Department of Zoology.

Organization of the workshop was planned and executed by Dr. Bhavita Chavan with the online platform Google Meet. The workshop was a great success with active participation of organizing members -Science Coordinator, Librarian Swati Phadke, Dr. Ravindra Kalesh, Dr Amit Saraf, Dr Datta Bhangre, Sybal Dias and Amita Vakil. All the sessions were full of exhaustive and useful information on IPR which benefited the students and faculty.

Certificate of Participation and Certificate of Appreciation were sent by email to participants and the organizing team respectively.

**Department of Biotechnology  
(Guest Lecture report)**

**R**eport on Guest lecture on 'Opportunities in Health Care and Pharma Sector' by Mr. Sameer Joshi (Founder and Chairperson, i-Transform) on 16th March, 2022.

Department of Biotechnology organised guest lecture on 'opportunities in Health Care and Pharma Sector' on 16th March, 2022 for FY, SY and TY Biotechnology students with total strength of 85, accompanied with department teachers, respected co-ordinator sir and lab attendant.

students and staff. Mr. Sameer Joshi gave nice introduction about paramedical and Health Care field. He explained about different courses, course durations and job opportunities in a very cheerful way. Students also asked about information and doubts regarding the same field. Their team also interacted with students and shared their experience of working at Kokilaben Hospital, Andheri (West).

We hope that students surely get benefited from same. They have encouraged and motivated our students for exploring paramedical fields.

We started our Guest lecture at 12:30pm with all

“Winners are not those who never fail but those who never quit.”

## Report of the farewell to TYBSc and MSc 2021-22 batches of students

The farewell function for TYBSc and MSc students was organized by Science Coordinator Dr.Bhavita Chavan, Head, Department of Zoology, Dr.Darakshan Shaikh , Head, Department of Statistics, Dr.Ravindra Kalesh, Head, Department of Physics, Dr. Amit Saraf, Head, Department of Botany, Dr.Dattaray Bangare, Head, Departments of Chemistry and

Biotechnology, Shri.Nitin Shelke, Head, Department, Computer Science, Shri.Manoj Kaurav, Head, Department of Mathematics.

The students were overwhelmed and thanked all teachers. It was followed by group photos of each Department.

### Department of Commerce (B.Com, BMS, BAF, M.Com)

#### Report of activities in academic year 2020-2021

1. Mr. Rajesh Mandlik conducted an online session on Entrepreneurship in Small and Medium Enterprises on 28th June, 2020 for the students of commerce. This session had a special importance because entrepreneurship has seen a huge wave in the modern era and thus it helped our students to develop and boost their entrepreneurship skills.
2. Mr. Sameer Joshi conducted a Webinar on Skill Development in Paramedics to make the students job ready for healthcare industry on 13th August, 2020. This has helped the students to understand the procedure of paramedics and its role in the healthcare industry.

#### Report of activities in academic year 2021-2022

1. A three days' online workshop, from 9th December to 11th December, 2021 was conducted by Mr. Kumar Raju on personality development and confidence building for the students of commerce. This helped students to understand the importance of magnetic personality and the ways by which they can be confident in professional as well as personal lives.
2. Ms. Shwetlana from TISS-NUSSD conducted an online session on Business Accounts and Taxation on 15th December, 2021, for third year commerce students. Accounts and Taxation are the base for a Commerce fresher and this session has helped the students to improve their basic knowledge in taxation and added valuable practical knowledge in accountancy.

3. A three days' online workshop, from 20th December to 22nd December, 2021 was conducted by Mr. Abhay Pathak on Students Development Programme Cell for helping students in overall development.
4. Mr. Tanuj Potdar conducted an online session on Investor Awareness Session On Behalf Of National Stock Exchange Organized by Blue Online Services for commerce students. This helped students to understand the importance of savings and investment. It also helped students to gain knowledge about Stock exchange and the calculations required for investing in shares.
5. A three days' online workshop, from 25th December to 27th December, 2021 was conducted on the Pradhan Project Flight, helping the students to gain knowledge about it.
6. A Webinar on Life Insurance Companies and Sales Excellence, Monster.Com + HDFC Life was conducted on 4th January, 2022 for the commerce students. It helped the students to understand the prerequisites required to be a part of sales force in insurance companies.
7. Dr. Hema Mehta conducted an online session on Prevention of Sexual Harassment of Women at Workplace on 5th January, 2022 for the commerce students. As the cases of sexual harassment at workplace are increasing day-by-day, it has become really necessary to make the students aware about the same.
8. Dr. Sheetal Pachpande conducted a webinar on World Wet Land Day on 5th February, 2022 to explain the students about environmental importance of the wet lands and the ways to protect it.

9. Dr. ArvindLuhar conducted an offline workshop on Project Writing for third year And M.Com Students on 12th February, 2022 to explain the brief introduction on research, research methodology, data collection and analysis. This has helped commerce students to gain in-depth knowledge about the process of research and its growing importance in practical life.
10. Dr. Arti Agrawal conducted an offline workshop on 15th February, 2022 for Vocational Skill Development and GIG Economy to make the students understand the importance of vocational skills in professional life as well as gig economy i.e., freelancer economy.
11. Mrs. AditiChipkar conducted a Webinar Voc Skill On Financial Literacy Awareness Programme for

the commerce students on 16th February, 2022 to make the students aware about the importance of financial literacy in not only their professional lives but also for their private budgeting and finance.

12. Ms. Nilophar Lakhani from AMIGO Academy - NSDC conducted an offline session on Career Opportunities in Aviation, Hospitality, and Travel& Tourism on 22nd February, 2022 to make the students aware about the budding opportunities in aviation and hospitality sectors.

13. Dr. NuneSrinivasa Rao conducted a Webinar KVIC - as an Engine for Growth and Development of MSME on 26th February, 2022 to make the students understand about the importance of Khadi and Village Industries Commission for the growth of MSME sector in India.

### Cultural Committee Report 2020-2021

At the backdrop of the unprecedented crisis due to the pandemic of Covid-19 all the celebrations of Annual Day of schools and colleges across the globe are going online. Cultural Committee of Ismail Yusuf College organized an Online Annual college festival, PALMS FESTIVAL for two days from 26th Feb 2021 to 27th Feb 2021. Ismail Yusuf College had organized several Extra-Curricular events in the Academic Year of 2021-22. The signature event of the college is PALMS FESTIVAL.

Posters, Thought Provoking Essays, Amazing Hairstyle, Spontaneous Just A Minute, Lovely Heartfelt Poetry, Precise Picto Writing, Funky Nail Art, Beautiful Songs Sung and Sizzling Dance Performances that showed us the belief in the goodness and betterment.

259 students registered and participated in different events. There was an excellent coordination among the Judges and the event In Charge teachers throughout the program. We have many hard working volunteers

Ismail Yusuf College Palms Festival 2021 commenced with the INAUGURATION PROGRAMME ONLINE at 9:00am on 26th February 2021.

The Festival started with the Welcome speech given by Dr. Archana Rangari, followed by Lighting of the Lamp and Saraswati Vandana was sung. Dr. Sheetal Panchikar gave the Introduction speech. Our Principal Dr. Swati Wavhal Madam enlightened the students present through her inaugural speech. The event went smoothly and concluded with the Vote of Thanks given by Dr. Archana Rangari.

Although there was utter fear, grief, struggle for life everywhere in the world, our students still participated in various events such as Artistic Mehendi, Innovative

who have given their 100% efforts. Volunteers were disciplined and well organized with proper time management in every event, well coordinated with the participants present, made the event a great success. The winners of each event were given E-Certificates. The Competitions were conducted on an online platform of Zoom and Google Meet respectively.

Palm Festival prizes and Annual Sports Prizes Distribution Ceremony was organized on 22nd December 2021 as college reopened. Dr. Arvind Luhar (Head Department of Accountancy) was the Chief Guest. He guided and inspired the students with motivational speech. Other teachers Dr. Anjali Alekar, Smt Pratiksha Phadnis, Dr. Pralhad Harinkhede and Smt. Swati Phadke were also present for the program.

Chairperson, Cultural Committee

## Cultural Committee Report 2021-2022

Although the period of pandemic was challenging for everyone, our students persevered through the trying time and flaunted their talent at Palms Festival and in various intercollegiate competitions. 8th and 9th February, 2022 marked as two day celebration of Annual Cultural Festival of Ismail Yusuf College named 'PALMS FESTIVAL 2021-2022' organized by Cultural Committee. 'PALMS FESTIVAL' is deemed to be very prestigious and colorful event which includes Fine Arts, Literary Arts & Performing Arts.

Mehndi, Rangoli, Poster Making, Hair Styling these Fine Arts events held on 8th February. Picto Writing, Essay Writing, Poetry reading, Just A Minute these Literary Arts events and Performing Arts events like Solo Singing, Solo Dance were held on 9th February. Students enthusiastically participated in all events.

The events were conducted online but the Judges, Teachers and Volunteers were in offline and working hard to make the event grand. The competitions were

Ismail Yusuf College, PALMS FESTIVAL 2022 initiated with the INAUGURATION PROGRAMME ONLINE at 9.00 am on 8th Feb, 2022. The Festival embarked with the Welcome Speech by Dr. Archana Rangari madam, followed by the Lighting of Lamp and Saraswati Vandana. Dr. Sheetal Panchikar delivered a cheerful Introduction Speech. Our Principal Dr. Swati Wavhal madam heartened & enlightened the students present in her Inaugural Speech.

conducted on an online platform of Zoom & Google Meet, respectively.

Behind every successful event, there is a very passionate and hardworking team. We have a hardworking Technical Team and many Volunteers such as Aasif Khan( TYBA), Shafique Khan( TYBCOM), Aman Ansari ( TYBA) Sejal Arya( SYBA), Isha Singh ( SYBA), and many more who have worked hard under the guidance of Event In-Charge teachers. All the

events Judges enjoyed their respective events and unanimously prepare the result. A big thank you to all the event In Charge teachers and Judges and Volunteers.

The Fine Arts Events held on 8th Feb, 2022 which went smoothly and end up with the Vote of Thanks given by Student Volunteer Head Aasif Khan( TYBA). The Literary Arts and Performing Arts were held on 9th Feb, 2022 which went successfully and end up with the Vote of Thanks given by Student Volunteer Head Sejal Arya( SYBA).

Smt. Darksha Shaikh Madam and her team of Certificates and Prizes who selected excellent prizes for students. Thank you to Smt. Sybal Dias Madam of Computer Science for timely work of sending E certificates to winner students.

### Achievements by Students in Inter-Collegiate Competitions

Cultural Committee encouraged and guide the students to participate in many intercollegiate events. Our college won the BEST COLLEGE TROPHY at "

### Prize Distribution Ceremony-

Prize distribution ceremony of PALMS FESTIVAL held on 25th April 2022. Respected Principal Dr. Swati Wavhal madam was the Chief Guest. Hon. Principal Madam, in her speech told students that she is very happy to interact with students after a very long period of two years. She congratulated and encouraged the prize winners and volunteers to participate and won prizes in more competitions. Shri Nilesh Pathak sir did the Anchoring of the program, Vote of thanks were given by Dr. Sheetal Panchikar ,Chairperson, Cultural Committee. Prizes were given to winners and to Volunteers too. Big thank you to

PARIVARTAN" organized by JES College Jogeshwari. CL Shafique Khan (TYBCOM) and ACL-Shraddha dubey (FYBSC) Pratej Mandal (FYBA) lead the participants

team very well. There were 120 participants who took part in various events at Parivartan. Fardeen Shaikh( SYBMS) and Akshay Chougule (SYBAF) won the 2ND prize in PPT Presentation. Sajjan Taak (FYBA) and Rajat

Singh (FYBA) won 2ND prize in Best out of Waste.

Given below is the list of achievements by Students in Inter-Collegiate Competitions

### EMETHPELS-2020 online conference report

The International e-Conference on "Emerging Methodologies in Pharma, Environmental and Life Sciences" (EMETHPELS-2020) was held on 18th and 19th June, 2020. The e-Conference was jointly organized by the Zoology, Botany and Biotechnology Departments on the occasion of the Government of Maharashtra Ismail Yusuf College celebrating its 90th Foundation Year. The College encourages interdisciplinary research and hands on training is imparted to undergraduate and post-graduate students, research scholars and faculty. The College is well equipped with various sophisticated high-end instruments and to further propagate and provide an informative platform of new methodologies in experimentation for the benefit of researchers, academicians and students the e-Conference was organized. It is heartening to know that nearly 1500 participants registered from different countries for the e-Conference in spite of the global Covid-19 pandemic. Nearly hundred Abstracts were received along with 60 full length papers. Dr. Sawti Wavhal Principal welcomed all the distinguished speakers and participants to the 2 Days International e-Conference inaugurated by Former State Minister Higher Education

Hon. Shri. Ravindra Waikar. In his speech he congratulated the College for encouraging researchers and academicians by using online ICT tools in the period of social distancing due to COVID-19 pandemic across the globe to remain connected for learning and teaching. Dr. V.N. Magare Pro-Vice Chancellor SNDT Womens University, Mumbai appreciated the IY College Principal and organizers for providing information on various instruments, tools and techniques to the scientific world for more precision and accuracy in research findings accompanied by talks delivered from eminent experts in their fields. The Keynote speaker Dr. Rakesh Kumar, Director, CSIR-NEERI, Nagpur, India addressed the delegates and the participants

On the importance of instruments and techniques which help in the analysis and find solutions to overcome major global environmental crisis. The e-Conference included 8 sessions along with oral and poster presentations. Day 1 began with Speaker Dr. Madhuri Sharon, Director, Walchand Centre of Research in Nanotechnology and Biotechnology, India spoke on "Entry of Nanotechnology in Diagnostic arena"

## Faculty of Arts International e-Conference "Reciprocal Interfaces of Literature & Social Sciences" Report

On the occasion of ninetieth year of the foundation of Ismail Yusuf College, a series of conference was organized by the faculties of the college. The faculty of Arts has conducted three Days International e-Conference entitled "Reciprocal Interfaces of the Literature and the Social Sciences" on 23rd, 24th and 25th June 2020.

This e-conference was graced by the Guest of Honour, esteemed Professor *Dr. Karunashankar Upadhyay*, Head, Department of Hindi, University of Mumbai, Honourable Chief Guest *Dr. Shankar Modak*, Former Principal, Sydenham College, Mumbai, Keynote speaker *PD. Dr. Heinz Werner Wessler*, Institute for Linguistics and Philosophy, University of Uppsala, Sweden. Convener and Principal respected *Dr. Swati Wavhal* and Co-convener *Dr. Vijay Narkhede*. The dignitaries were welcomed by *Dr. Sheetal Panchikar*, organizing committee and Head of the Department of History.

*Dr. Trupti Sapakale-Tamhane*, organizing secretary introduced the dignitaries. About the concept and theme of International e-Conference "Reciprocal Interfaces of the literature and social sciences" was intricate by *Smt. Kalpana Pawaskar*, coordinator of the conference.

The Convener and Principal respected *Dr. Swati Wavhal*, in her welcome address briefed about journey of Ismail Yusuf college. The announcing souvenir and the abstract book for the conference are inaugurated, and wish for great success of the conference.

Honourable Guest of Honour, Professor *Dr. Karunashankar Upadhyay*, Head, Department of Hindi, University of Mumbai addressed the virtual gathering signifying the relations of literature with other branches of knowledge since ancient times, not

having any barriers or difference between science, philosophy and literature.

Chief Guest of the conference honourable *Dr. Shankar Modak*, Former Principal, Sydenham College, Mumbai, in his inaugural address, congratulates the think tank of the Ismail Yusuf College for very thoughtfully selecting an innovative theme. Sir, has focused on as we know that our today's educational system is likely to undergo a great change in the near future. All languages and Social Sciences would have to adapt these changes and have to recast in a new mould or in a new framework. Sir announced that this E-conference is now inaugurated and let us all look forward to deliberation which will prove definitely fruitful.

*Shri. Yuvaraj Shinde*, the member of editorial committee and head of the department of English has conveyed thanks to all the dignitaries, for their contemplation, directing for future challenges, needs for the survival of the languages and social science and assure them this conference will definitely rescription to it.

*Dr. Madhuri Joshi*, coordinator and Head of the department of Hindi, briefed us about the key note speaker *PD. Dr. Heinz Werner Wessler*, Institute for Linguistics and Philosophy, University of Uppsala, Sweden who highlighted the *relations between Hindi Literature and social sciences* emphasizing on the reciprocal interfaces of native and modern languages, the history of Hindi language and history, redesigning meanings of modernization, westernization, culture in different countries of interrelated globally by exemplifying thinkers, writers. The COVID-19 Pandemic situation will offer an historical look into it and may lead to create a new modern sovereign structure of society.

*Dr. Suriti Raghunandan*, a poet and teacher in Hindi from Maritius enlightened on *Literature and Psychology*. Madam has elaborated deep insight of human mind, life, relations, loneliness, selfishness based on facts of life by the examples of Mannu Bhandari, Susham Bedi and other litterateurs stories, While showing human psyche through literature, encourages positivism and faith among the readers and people.

*Shri. Dnyaneshwar Bhosale*, Assistant Professor, PL Shroff College of Arts and Commerce, Chinchani was the resource person in the subject of Marathi, through his presentation detailed about development and *correlations between Marathi Literature and Philosophy* since ancient to modern periods emphasizing on philosophical aspect in Varkari, saint literature, literature during British period and post independence era. The session was full of contemplation, interesting and interactive.

In the afternoon session of the day one begin with welcome of the participants, dignitaries and resource persons. *Dr. Sheetal Panchikar*, Head of the department of History, introduced our Resource Person *Dr. Kishor Gaikwad*, Professor and Director of Dr. Ambedkar Chair in Social Justice and Empowerment of Tribal Population, Indira Gandhi National Tribal University, Amarkantak, MP. Prof. Gaikwad presented his *Investigation on tribe Gond-Baiga* of Madhya Pradesh. He also revealed *Tribal Memory & Folk Literary Worldview of Gond Baiga Compositions*. Tribes and Tribal history has been neglected for a long period and has great scope in research and can attract researcher to do research in this direction and could preserve our great tribal culture and justice to the tribes in the country.

*Dr. Sandesh Wagh*, Professor and Head, department of History, Mumbai University, analyzed *contribution of Dr. Babasaheb Ambedkar writings in the development of Social Sciences* and a guiding torch for generations.

Both the speakers have provided new avenues in

interdisciplinary research and knowledge, with mind blowing influence on the August gathering.

On the second day of the conference i.e. 24 June 2020, *Dr. Shahina Khan*, Head of the Arabic department welcomed and introduced *Speaker Dr. Mohammad Shibli*, Assistant Professor, Dept. of Arabic, University of Mumbai who talked on a general overview of the *relations between Arabic Literature and History*. Arabic literature has deep relationship with history and clarifies relations with the historical events from the Pre-Islamic period to present day. The session created curiosity among the students about the Arabic language, learning history through Arabic prose and poetry and vice-versa. Participant's response was great.

*Prof. Rafatunnisa Begum*, Dept. of Studies in Urdu, University of Mysore, Karnataka, focused on *Literature in Urdu and Psychiatry*. Madam has vividly described psychology, mindset of humans, having impact on society through the Urdu literature.

It was interactive, thoughtful and encouraging students and participants to read, experimentation and can contribute in the field.

*Smt. Meena Thakar*, Head of the department of Gujarati, welcomed *Speaker Dr. Urvashi M. Pandya*, Prof and Head of the department of Gujarati, University of Mumbai. *Dr. Urvashi Pandya* spoke on *Literature and Philosophy*, based on comparison of famous poet Akha Bhagat with Saint Kabir, exposing the philosophy of life current scenario. Indeed, it is applicable even today. It was a very lucid and informative and could be well understood by all the participants and lead to a strong foundation between literature and philosophy in 21st century.

The afternoon session of the day two began with *Dr. Suchitra Nalk*, Associate Dean Humanities, University of Mumbai and Principal, Joshi-Bedekar college, Thane who gave a very lively presentation on *Culture: A Quilt of Archetypes Art and Arete*. Madam has excellently correlated Philosophy, Psychology with Art and Architecture with the examples of Marathi

literature. The psychological impact expressing through art and arte, was highly appreciable, as we all pass through this Covid-19 Pandemic, infusing spirit of optimistic in this crisis.

**Dr. Prakash Pawar**, Professor, Dept. of Political Science, Shivaji University, Kolhapur made his critical evaluation through the paper entitled **Concept and ideas reflection on literature in Humanities**. The modern concept of democracy is reflected in ancient Indian literature of Kalidas and others. The right to live, right to livelihood and other ideas are reflecting in the literature of Humanities and later reflected in the public policy in a form of Millennium Development Goal and Sustainable Development Goal. Sir, has pointed out the evolution of concept and ideas of democratic state in India with precedent literary giants leading the participants and others to explore more and more, which is applicable even today's world.

On 25 June 2020 the third day of conference started with the presentation of **Dr. Sarawade Audumbar**, Associate Professor,

Dept. of English, Shivaji University, Kolhapur, delivered a thought provoking lecture **Interdisciplinarity of Literature**. Sir, in his lecture, meticulously explained the co-relations between literature and other branches of knowledge and brought into light various approaches and scope for interdisciplinary research

Shri. Yuvraj Shinde, Head of the department of English introduced **Dr. Rajesh Nair**, Assistant Professor of English Schools of Letters, Mahatma Gandhi University, Kottayam, spoke on Recent trends in Literary Research and his lecture simplified the complex process of research. Both the lectures have been appreciated by participants, delegates, faculty members and students.

**Dr. Suresh Namdev Maind** Professor and Director, AAC, Mumbai School of Economics & Public Policy, University of Mumbai was welcomed and introduced by Dr. Eknath Phutane, Head department of Economics spoke on **Literature and Socio-Economic**

**Development**. He briefed us on, literature and socioeconomic progression where economic is base and literature is superstructure of the society by exemplar of literary laurels in the Marathi. The presentation was deliberate, interactive and inspiring participants, students, researchers to find new path and ways in the integrative studies and research.

Dr. Jaisingh Sawant, department of Philosophy, introduced **Dr. Anirban Dash**, Associate professor, Central University of Tibetan Studies, Saranath, Varanasi, made his presentation on **Buddhist Philosophy and Literature**. He has enlightened us with his deep knowledge, on co-relations of Buddha's teachings, Sanskrit and also Pali language. This brainstorming presentation was cherished by all, motivating similar work to undertake to infuse new life in philosophy.

The **Best wishes Messages** of Former Principal **Dr. Devayani Dave**, **Dr. Aravind Ganchari**-Former Head Department of History, Ismail Yusuf College and retired as Head department of History, University of Mumbai and **Dr. Flory D'souza** - Former Head Department of History, Ismail Yusuf College Video-clips were played after the sessions and congratulatory message of the **Smt. Saraswati Dube**, former Faculty Member of the department of Philosophy.

The participant Mr. Kevin Salve, Assistant Teacher, R. B. Harris Junior College of Arts, Commerce and Science, Nalasopara west, Mumbai and Reshmi Jaiswal, Assistant professor, Department of Hindi, Ismail Yusuf College shared their views and experience about the conference.

The co-convenor of the conference respected Dr. Vijay Narkhede welcomed and introduced the dignitaries of the valedictory function. The valedictory function was presided over by Guest of Honour Dr. Kalim Zia, Former Head, department of Urdu, Ismail Yusuf College, over viewed the close relationship between languages and social sciences. The honourable Chief Guest Dr. Santosh Jadhav, Former Head, department of Psychology, Ismail Yusuf College.

Former In charge Joint Director, Higher education, Mumbai and Principal Oriental college, Mumbai, critically analyzed the proceedings of the conference. The convenor of the conference and Principal respected Dr. Swati Wavhal expressed her gratitude towards all participants, Guests, and her colleagues.

This conference was an egalitarian endeavor to deconstruct the discourse of positivism and ushered

the new approach to enhance and empower the process of research and pedagogy. The expertise of this conference were renowned personalities intellectualized deeper insight into the past, present and future prospect of the disciplines. The conference was grand success in providing a unique platform to ignite research, bringing various disciplines under one umbrella and has perennial impact.

### Faculty of Arts: Lecture Series

#### 1. Orientation programme for Std.XII -Arts students

The Faculty of Arts organized the orientation programme for the students of 12 th arts on 10 th August 2021. The aim of this programme was to introduce students to the career opportunities in the emerging trends in humanities.

them aware about the interconnection between different branches of humanities

The first lecture of the series was delivered by Dr. Madhuri Joshi on 17/02/2022 on the topic of "Literature and society". She highlighted the relation between literature and society. She also explained the dynamic of text and context. Students enjoyed the lecture and had interaction with Dr. Joshi.

#### 2. Lecture series: The faculty of Arts had organized weekly lecture series for the benefits of students

The aim of this series is to develop an interdisciplinary approach among students and make

The second lecture in the series was delivered by Dr. Gandhi Dehuri, head of the department of Philosophy, he spoke on the topic of benefits of Yoga on 26/02/2022. He explained the benefits of yoga to students. He discussed the different types of yoga and stressed the unique nature of Yoga.

## Annual Report of Jayanti Committee Academic Year 2021-2022

The Jayanti Committee of the college celebrated the birth anniversary of all great personalities as well as marks all important events as a respect for their contribution in the history of our nation in the academic years 2020-2021 & 2021-2022.

Our committee marked the following events:-

### Birth anniversary

- Swami Vivekanand - 12th January
- Netaji Subhash Chandra Bose - 23rd January
- Chhatrapati Shivaji Maharaj - 19th February
- Bharat Ratna Dr. Babasaheb Ambedkar - 14th April

### Mahaparinirvan Diwas

- Bharat Ratna Dr. Babasaheb Ambedkar - 6th December

All events were solemnly marked by garlanding their portraits and by recounting their roles and contributions.

### Committee members

1. Dr. Gandhi H. Dehury
2. Dr. Jayshing B. Sawant

*Thinking should become your capital asset,  
no matter whatever ups  
and downs you come across in your life.*

*- Bharat Ratna Dr APJ Kalam*

## Women Development Cell Report: 2021-22

The following programs were conducted by the Women Development Cell:

### An online guest lecture [January 05, 2022]

As part of the lecture series on 'Laws to Empower Women Today', Dr. Hema Mehta, Assistant Professor, Business Law and Secretarial Practice, Tolani College was invited to speak on 'Prevention of Sexual Harassment at the Workplace'. The event, organised jointly by the Women Development Cell and the Women's Grievances Redressal Committee of our College, received an excellent response from the students and staff. The lecture included the following points:

- Sexual harassment at the workplace and its effects on the physical and mental well-being of the woman.
- The laws enacted and committees appointed by the government at the workplace, and their working. Incidents and videos of sexual harassment and ways of handling them
- Gender discrimination at the workplace and ways of addressing it
- Importance of reporting such incidents to the higher authorities and fearlessly taking legal action to ensure the accused are suitably punished

The program was compered by Dr. Madhuri Joshi, in charge of the Women's Grievances Redressal Cell.

Dr. Mehta was introduced by Ms. Phadnis, in charge of the Women Development Cell, while a vote of thanks was proposed by Dr. Archana Rangari, Women Development Cell member

A link was provided in the chat box for the participants to give their feedback regarding the program, and to raise questions, if any, related to the topic.

### A slogan writing competition [January 24, 2022]

The Women Development Cell and the DLLE Unit of Ismail Yusuf College organized an online college level slogan writing competition on the occasion of 'National Girl Child Day', on the topic 'The Girl Child'. A word limit of 30 words was set, and the students had the option of writing in Hindi, English or Marathi. A total 68 students participated and the results are as follows:

- 1st prize- Nisha Ansari [FYBA]
- Joint 2nd prize- Aditi Bharsing [FYBCom] and Samreen Khan [SYBCom]

### Fitness workshop [March 8, 2022]

The Women Development Cell, in association with the Department of Physical Education and Sports, conducted a fitness workshop titled, 'I Too Can' for girl students and teachers on the occasion of International Women's Day. A total of 109 students and 7 teachers participated in the workshop, wherein they were introduced to the different kinds of gymnasium equipment and their role in improving muscle strength and taught a variety of core strengthening exercises

## An interactive webinar [March 8, 2022]

The Women Development Cell organised an interactive webinar on 'Motivation through self-introduction', presented by Ms. Geeta Castelino, Educationist, Consulting Psychologist, Advisor Strategic Planning and Development with Corporates and Universities, on the occasion of International Women's Day

In conclusion, it can be surmised that the Women Development Cell successfully conducted a slew of programmes for girl students in spite of the prevailing pandemic.

**Pratiksha Phadnis**  
Chairperson, Women Development Cell

## स्टाफ क्लब समिती अहवाल 2020-2022

इस्माईल युसूफ महाविद्यालयाच्या स्टाफ क्लबतर्फे दिनांक १ एप्रिल २०२२ रोजी सत्कार, अभिनंदन व स्नेहभोजनाचा कार्यक्रम घेण्यात आला. या कार्यक्रमात शैक्षणिक क्षेत्रात, वैयक्तिक जीवनात यश संपादन केलेल्या प्राध्यापकांचा, कॉन्ट्रॅक्ट व घड्याळी तासिका तत्वावरील व्याख्यात्यांचा माननीय प्राचार्य डॉ. स्वाती वाव्हळ यांच्या हस्ते सत्कार व अभिनंदन करण्यात आले.

श्रीमती मीना ठाकर  
स्टाफ क्लब समिती प्रमुख

## यशवंतराव चव्हाण महाराष्ट्र मुक्त विद्यापीठ अभ्यास केंद्र क्रमांक 31399

आपले शिक्षण अर्धवट राहिलेल्या किंवा नोकरी व्यवसाय करून शिकण्याची इच्छा असलेल्या तसेच विविध स्पर्धा परीक्षा देऊ इच्छिणाऱ्या विद्यार्थी आणि परीसारतील नागरिकांसाठी इस्माईल यूसुफ महाविद्यालयात, केंद्र प्रमुख माननीय प्राचार्य डॉ स्वाती वाव्हळ यांच्या मार्गदर्शनाखाली [य.च.म.मू.विद्यापीठाचे] अभ्यास केंद्र चालविले जाते. त्या अंतर्गत B.A., B.Com सारखे पदवी अभ्यासक्रम चालविले जातात.

य.च.म.मू.विद्यापीठाने या वर्षी कला शाखेतील स्नातकोत्तर पदवी (Master of Arts) हा अभ्यासक्रम नव्याने चालू केला. त्या अंतर्गत या अभ्यास केंद्रात 1) मराठी 2) उर्दू 3) अर्थशास्त्र (Economics) आणि 4) लोक प्रशासन (Public Administration) या विषयांचे M.A. अभ्यासक्रम चालू करण्यात आले. तसेच M.B.A., M.Com., पर्यावरणशास्त्रातील M.Sc. (EVS) आणि Diploma अभ्यासक्रमसुरू करण्यात आले. माननीय प्राचार्यांनी अभ्यास केंद्र कार्यालयासाठी महाविद्यालय आवारात नवीन वास्तु तसेच कार्यालयात अद्ययावत सुविधा उपलब्ध करून दिल्या. त्यामुळे विद्यार्थ्यांचे प्रवेश, अभ्यास साहित्य ठेवणे तसेच विद्यार्थी संपर्कासाठी खूप सोयीचे झाले.

माननीय प्राचार्यांच्या पाठिंब्यामुळे आणि मार्गदर्शनाखाली, इस्माईल यूसुफ महाविद्यालयातील, य.च.म.मू.विद्यापीठाचे अभ्यासकेंद्र हे, संपूर्ण मुंबईत, 1) M.A. अर्थशास्त्र, 2) M.A. लोकप्रशासन, 3) M.Sc पर्यावरणशास्त्र, 4) Diploma पर्यावरणशास्त्र 5) Diploma संख्याशास्त्र आणि 6) स्वयं सहाय्यता (बचत गट) प्रेरक प्रेरिका प्रमाणपत्र अभ्यासक्रम चालविणारे एकमेव अभ्यास केंद्र आहे. या अभ्यासक्रमांचा उपयोग अनेक प्रशासकीय सेवांच्या परीक्षा देणाऱ्या विद्यार्थ्यांना ही होत आहे. हे अभ्यासक्रम सुरू करण्यासाठी विद्यापीठाचे मुंबई विभागाचे संचालक डॉ वामनराव नाखले यांनी मोलाचे मार्गदर्शन केले आणि वेळोवेळी प्रोत्साहन दिले.

कोविडचे काळात, मुंबई विभागातून सर्वात जास्त ऑनलाइन मार्गदर्शन सत्रे इस्माईल यूसुफ अभ्यास केंद्रातिल शिक्षकानि घेऊन, तंत्रज्ञान वापरतील आपले कसब सिद्ध केले. शैक्षणिक वर्ष २०२१-२२ या वर्षात सुरवातीला ऑनलाइन पद्धतीने आणि कोविड नियंत्रणात आल्यानंतर प्रत्यक्ष वर्गात मार्गदर्शन तासीका घेतल्या जातात.

५ जुन २०२१ रोजी जागतिक पर्यावरण दिना निमित्त राष्ट्रीय वेबिनारचे एन्विरोन्मेंटल Environmetal sustainability for urban areas विषयावर संयुक्तपणे आयोजन YCMOU अभ्यासकेंद्र ३१३९९ आणि प्राणिशास्त्र यांनी केले. या विषयावर डॉ अवकाश कुमार-(पी एच डी -IIT मुंबई ), CEO & Founder, SAGE यांचे व्याख्यान आयोजित केले.

या पुढील काळात विद्यार्थ्यांमध्ये नोकरी व्यवसायासाठी कौशल्य विकास अभ्यास क्रम आणि सामाजिक भान विकसित करण्यासाठी व्यक्तिमत्व विकास कार्यक्रम, पर्यावरण विषयक उपक्रम सुरु करण्यासाठी प्रयत्न केले जातील.

- श्री. प्रकाश पारखे ( समन्वयक )

मी अविवेकाची काजळी।।  
फेडूनी विवेकदीप उजळी।।

## Report of Campus cleaning drive organized by Nature Club 2021-22

Ismail Yusuf College is one of the oldest colleges in Mumbai having a beautiful campus covering around 54 acres of land.

Nature Club of Ismail Yusuf College had organized Campus Cleaning Drive on December 18, 2021.

The main objective of this program was to spread awareness among the students about the significance of cleanliness and its benefits.

Under this activity 25 students of Nature Club from degree as well as junior college took part under the guidance of Dr. Archana Rangari and Dr. Deepali Sawant.

The students gathered at 09:00 am in the college. They were provided with sanitizers, hand gloves and all of them were wearing masks. The house keeping staff of the college helped in providing big dustbins and bags for collecting the waste.

Different type of wastes like plastic bottles, wrappers, glassware, chemicals were segregated by students. Major areas of campus like area outside science buildings 1 and 2, Bhasha Bhavan, Canteen, Girls Common Room, Garden, Main Building were covered by students.

Although many more students showed interest in participating for this activity, only 25 students were allowed taking into consideration the Covid- 19 condition. The work ended at 12 noon as the students had to attend their lectures and practicals.

Enthusiasm and active participation of students made the program successful.

**Dr. Archana Rangari**  
In charge Nature Club  
Ismail Yusuf College

## ARABIC as an international language

Arabic (العربية) is a simitic language that first emerged in the 1st to 4th centuries. Arabic is widely taught in schools and universities around the world and is used to varying degrees in workplaces, governments and the media. Arabic, in its Modern Standard Arabic form, is an official language of 26 states and 1 disputed territory, the third most after English and French; it is also the liturgical language of the religion of Islam, since the Quran and the Hadiths were written in Classical Arabic.

Arabic has influenced many other languages around the globe throughout its history especially languages of Muslim cultures and countries that were conquered by Muslims. Some of the most influenced languages are Persian, Turkish, Hindustani (Hindi and Urdu), Kashmiri, Kurdish, Bosnian, Kazakh, Bengali, Malay (Indonesian and Malaysian), Maldivian, Pashto, Punjabi, Albanian, Armenian, Azerbaijani, Sicilian, Spanish, Greek, Bulgarian, Tagalog, Sindhi, Odia, Hebrew and Hausa and some languages in parts of Africa.

Arabic is one of the most widely spoken languages in the world, used daily by more than 400 million people. World Arabic Language Day is observed on 18 December. The day has been celebrated since 2012 to mark the adoption of Arabic as the sixth official language of the United Nations by the UN General Assembly on 18 December, 1973.

-By Nida Sagwekar (FYBA)

**“All of us do not have equal talent. But, all of us have an equal opportunity to develop our talents.”**

**- Bharat Ratna Dr APJ Kalam**

The Best quotes of Jibran khalil Jibran

بين منطوقه لم يقصد و مقصود لم ينطق تضيق الكثير من المحبة  
Between what is said and not meant And what is meant and not said Most of love is lost.

ما حاجتى بك في النور... اذالم اجدل - - في العتمة

Why do I need you in the light If I do not find you in the dark

مهما تعطيك الحياة، حتى إن كان مؤلماً، كن قوياً وتصرف وكأن كل شيء على ما يرام. تذكر: الجدران القوية قد تهتز ولكنها لا تسقط أبداً.

Whatever life gives you, even if it hurts, just be strong & act like you're okay. Strong walls shake, but never collapse

“ القارئ الجيد هو ذلك الذي يشعر بالخدر في العظام، وهو يقرأ عملاً أدبياً.”

The good reader is the one that feels numb in the bone, reading a literary work.

في تعاملك مع الناس كن كالمصور يتجاهل المناطق الفبيحة في المكان وينتقط الجميلة

when you deal with people; be like the photographer, he ignores all ugly spots in the place, and take shots of the beautiful ones instead.

### Art of calligraphy

calligraphy, the art of beautiful handwriting. The term may derive from the Greek words for "beauty"

It is the design and execution of lettering with a , ink, pen brush, or other writing instrument. A contemporary calligraphic practice can be defined as "the art of giving form to signs in an expressive, harmonious, and skillful manner". In the Middle East and East Asia, calligraphy by long and exacting tradition is considered a major art, equal to sculpture or painting. There are three main types of calligraphy: western, eastern, and Arabic. Each type reflects the language and handwriting of a different region of the world. Whereas western calligraphy demonstrates English handwriting, eastern calligraphy encompasses most Asian alphabets.

### Arabic calligraphy

Arabic calligraphy is the artistic practice of handwriting and calligraphy based on the Arabic alphabet. It is known in Arabic as khatt (Arabic: خط), derived from the word 'line', 'design', or 'construction'. Kufic is the oldest form of the Arabic script.

The "Golden Age" of Arabic calligraphy is typically mapped along a succession of three great calligraphers: Ibn Muqla (886-940), Ibn al-Bawwab (believed to have lived from 961-1022), and Yakut al-Musta'simi of Amasya (d. 1298)

### Calligraphy as career and profession

Calligraphy is an expensive profession that offers a chance to unleash one's artistic potential. It shows a unique career option for those who have an artistic mind with a creative bend and passion for lettering. Most calligraphers are self-employed or work as freelancers. However, some may work for a calligraphy studio or for the following employers: Graphic design firm: At a graphic design firm, calligraphers create ornamental writing for various clients.

DYNAMIC TYPING, BUILT-IN DATA STRUCTURES, POWERFUL LIBRARIES, FRAMEWORKS, COMMUNITY SUPPORT ARE JUST SOME OF THE REASONS WHICH MAKE PYTHON AN ATTRACTIVE LANGUAGE FOR RAPIDLY DEVELOPING ANY SORT OF APPLICATION. IN THIS ARTICLE, WE WILL SEE SOME OF THE AREAS WHERE PYTHON EXCELS IN APPLICATION DEVELOPMENT.

- PYTHON APPLICATIONS
- ❖ WEB DEVELOPMENT
- ❖ GAME DEVELOPMENT
- ❖ MACHINE LEARNING AND ARTIFICIAL INTELLIGENCE
- ❖ DATA SCIENCE AND DATA VISUALIZATION
- ❖ DESKTOP GUI
- ❖ WEB SCRAPING APPLICATIONS
- ❖ BUSINESS APPLICATIONS
- ❖ AUDIO AND VIDEO APPLICATIONS
- ❖ CAD APPLICATIONS
- ❖ EMBEDDED APPLICATIONS

PYTHON IS FREE AND SIMPLE TO LEARN. ITS PRIMARY FEATURES ARE THAT IT IS HIGH-LEVEL, DYNAMICALLY TYPED AND INTERPRETED. THIS MAKES DEBUGGING OF ERRORS EASY AND ENCOURAGES THE RAPID DEVELOPMENT OF APPLICATION PROTOTYPES, MARKING ITSELF AS THE LANGUAGE TO CODE WITH. PYTHON WAS DEVELOPED IN 1989 BY GUIDO VAN ROSSUM AND EMPHASIZES ON THE DRY (DON'T REPEAT YOURSELF) PRINCIPLE AND READABILITY.

### BEST PYTHON FRAMEWORKS FOR WEB DEVELOPMENT AND DATA SCIENCE

Python is one of the most popular languages used by data scientists and software developers alike for data science and web development tasks. It can be used to predict outcomes, automate tasks, streamline processes, and offer business intelligence (information) insights. This may help fresh level, middle level and senior level software managers and other management people to take rational decisions.

Below is a list of some of the most popular Python frameworks and tools, split into its two main applications: web development, and AI, machine learning, data science.

### Python for Web Development

#### 1. Django

Django is a full-stack, high-level Python web framework that allows developers to create complex applications quickly and efficiently. Some of its key features are its authentication mechanism, URL routing, template engine, object-relational mapper (ORM), and database schema migrations.

Django is written entirely from scratch and does not rely on other Python libraries. Its design philosophy is based on loose coupling between the various layers of the framework, as little code as possible, quick development, and as little redundancy as possible.

#### 2. Pyramid

Pyramid is a lightweight (consuming less computer resources), Python framework that wants to make small web apps into big web apps (scaling). Apart from scaling web apps, Pyramid is also great for prototyping your ideas and for developers who are working on API projects. The framework has been used by tech giants such as Mozilla, SurveyMonkey, Yelp, and Dropbox.

Because it's so lightweight (requiring lesser amount of computer resources), Pyramid is a great framework if you're starting out. But its configuration, extension, and add-on system allow the framework to scale seamlessly with your app.

#### 3. TurboGears

TurboGears is a Python web app framework built to improve upon the limitations of other web app frameworks such as Django and Rails. It can start as a single file app and scale to a full-stack solution for more complex apps. TurboGears uses an ORM (Object Relation Mapping) with multi-database support, support for horizontal data partitioning (sharding), a new widget system that makes building AJAX apps easier, and designer-friendly template system.

#### 4. Web2py

Web2py is a full-stack web framework for database-driven apps. It comes with its own web-based IDE that includes a code editor, a debugger and one-click deployment.

Web2py works cross-platform. You can run it on Windows, Mac, Linux/Unix, Amazon EC2, and Google App Engine. It has support for internationalization and a ticketing framework that issues a ticket when a mistake occurs.

#### 5. Bottle

Bottle is a fast and lightweight WSGI (Web Server Gateway Interface), Python micro-framework. It implements everything in a single source file and has no dependencies apart from the Python Standard Library.

Bottle's default features include a basic abstraction over the WSGI standard, utilities, templating, and routing. Netflix uses the framework to build its web interfaces.

#### 6. Flask

Bottle is a good initial web framework. Flask is as simple to use as Bottle, in addition it supports many extensions that are useful in professional web development. For example it includes Facebook authentication and database integration.

Flask is a Python micro-framework based on Werkzeug WSGI library Jinja2 template library. It comes with a built-in development server and debugger, integrated unit testing support, RESTful request dispatching, and more. Flask is 100% WSGI 1.0 compliant and Unicode-based. It's used by big companies such as LinkedIn and Pinterest.

#### 7. CherryPy

CherryPy is an object-oriented web app framework. It allows developers to build web apps as they would any other object-oriented Python program. The framework was first released in 2002 and has remained fast and stable.

A CherryPy-powered web app is a standalone Python app with its own multi-threaded web server. It can run on any OS that supports Python.

## Data Mining

### 8. Scrapy

One of the most popular Python data science libraries, Scrapy helps to build crawling programs (spider bots) that can retrieve structured data from the web – for example, URLs or contact info. It's a great tool for scraping data used in, for example, Python machine learning models.

Developers use it for gathering data from APIs. This full-fledged framework follows the Don't Repeat Yourself principle in the design of its interface. As a result, the tool inspires users to write universal code that can be reused for building and scaling large crawlers.

### 9. BeautifulSoup

BeautifulSoup is another really popular library for web crawling and data scraping. If you want to collect data that's available on some website but not via a proper CSV or API, BeautifulSoup can help you scrape it and arrange it into the format you need.

## Data Processing and Modeling

### 10. NumPy

NumPy (Numerical Python) is a perfect tool for scientific computing and performing basic and advanced array operations.

The library offers many handy features performing operations on n-arrays and matrices in Python. It helps to process arrays that store values of the same data type and makes performing math operations on arrays (and their vectorization) easier. In fact, the vectorization of mathematical operations on the NumPy array type increases performance and accelerates the execution time.

### 11. SciPy

This useful library includes modules for linear algebra, integration, optimization, and statistics. Its main functionality was built upon NumPy, so its arrays make use of this library. SciPy works great for all kinds of scientific programming projects (science, mathematics, and engineering). It offers efficient numerical routines such as numerical optimization, integration, and others in submodules. The extensive documentation makes working with this library really easy.

### 12. Pandas

Pandas is a library created to help developers work with "labeled" and "relational" data intuitively. It's based on two main data structures: "Series" (one-dimensional, like a list of items) and "Data Frames" (two-dimensional, like a table with multiple columns). Pandas allows converting data structures to DataFrame objects, handling missing data, and adding/deleting columns from DataFrame, imputing missing files, and plotting data with histogram or plot box. It's a must-have for data wrangling, manipulation, and visualization.

### 13. Keras

Keras is a great library for building neural networks (deep learning) and modeling. It's very straightforward to use and provides developers with a good degree of extensibility. The library takes advantage of other packages, (Theano or TensorFlow) as its backends. Moreover, Microsoft integrated CNTK (Microsoft Cognitive Toolkit) to serve as another backend. It's a great pick if you want to experiment quickly using compact systems – the minimalist approach to design really pays off!

### 14. SciKit-Learn

This is an industry-standard for data science projects based in Python. Scikits is a group of packages in the SciPy Stack that were created for specific functionalities – for example, image processing. Scikit-learn uses the math operations of SciPy to expose a concise interface to the most common machine learning algorithms and other data science algorithms.

Data scientists use it for handling standard machine learning and data mining tasks such as clustering, regression, model selection, dimensionality reduction, and classification. Another advantage, it comes with quality documentation and offers high performance.

### 15. PyTorch

PyTorch is a framework that is perfect for data scientists who want to perform deep learning tasks easily. The tool allows performing tensor computations with GPU acceleration. It's also used for other tasks – for example, for creating dynamic computational graphs and calculating gradients automatically. PyTorch is based on Torch, which is an open-source deep learning library implemented in C, with a wrapper in Lua.

### 16. TensorFlow

TensorFlow is a popular Python framework for machine learning and deep learning, which was developed at Google Brain. It's the best tool for tasks like object identification, speech recognition, and many others. It helps in working with artificial neural networks that need to handle multiple data sets. The library includes various layer-helpers (tflearn, tf-slim, skflow), which make it even more functional. TensorFlow is constantly expanded with its new releases – including fixes in potential security vulnerabilities or improvements in the integration of TensorFlow and GPU.

### 17. XGBoost

Use this library to implement machine learning algorithms under the Gradient Boosting framework. XGBoost is portable, flexible, and efficient. It offers parallel tree boosting that helps teams to resolve many data science problems. Another advantage is that developers can run the same code on major distributed environments such as Hadoop, SGE, and MPI.

## Data Visualization

### 18. Matplotlib

This is a standard data science library that helps to generate data visualizations such as two-dimensional diagrams and graphs (histograms, scatterplots, non-Cartesian coordinates graphs). Matplotlib is one of those plotting libraries that are really useful in data science projects – it provides an object-oriented API for embedding plots into applications.

It's thanks to this library that Python can compete with scientific tools like MatLab or Mathematica. However, developers need to write more code than usual while using this library for generating advanced visualizations. Note that popular plotting libraries work seamlessly with Matplotlib.

### 19. Seaborn

Seaborn is based on Matplotlib and serves as a useful Python machine learning tool for visualizing statistical models - heatmaps and other types of visualizations that summarize data and depict the overall distributions. When using this library, you get to benefit from an extensive gallery of visualizations (including complex ones like time series, joint plots, and violin diagrams).

### 20. Bokeh

This library is a great tool for creating interactive and scalable visualizations inside browsers using JavaScript widgets. Bokeh is fully independent of Matplotlib. It focuses on interactivity and presents visualizations through modern browsers - similarly to Data-Driven Documents (d3.js). It offers a set of graphs, interaction abilities (like linking plots or adding JavaScript widgets), and styling.

### 21. Plotly

This web-based tool for data visualization that offers many useful out-of-box graphics - you can find them on the Plot.ly website. The library works very well in interactive web applications. Its creators are busy expanding the library with new graphics and features for supporting multiple linked views, animation, and crosstalk integration.

### 22. pydot

This library helps to generate oriented and non-oriented graphs. It serves as an interface to Graphviz (written in pure Python). You can easily show the structure of graphs with the help of this library. That comes in handy when you're developing algorithms based on neural networks and decision trees.

## भारतीय संस्कृति का अनोखा स्वरूप

जब तक संस्कृति है तब तक आस है

बिना संस्कृति मानवता का विनाश है।

संस्कृति जीवन जीने की एक पद्धति है जिससे समाज के सदस्यों में साझेपन का भाव विकसित होता है। वे वेश-भूषा, आचार-विचार, उत्सव, भाषा, कला इत्यादि मिलकर संस्कृति का निर्माण करते हैं। यह एक गतिशील धारणा है, जो पीढ़ियों के माध्यम से आगे बढ़ती है। इनमें स्थान और समय के आधार पर भिन्नता पाई जाती है।

अगर भारत के संदर्भ में बात की जाए तो भारत एक विविध संस्कृति वाला देश है, एक तथ्य कि यहाँ यह बात इसके लोगों, संस्कृति और मौसम में भी प्रमुखता से दिखाई देती है। हिमालय की अलकनन्दा बर्फ से लेकर दक्षिण के दूर दर्राज में खेतों तक, पश्चिम के रेगिस्तान से पूर्व के नम डेल्टा तक, सुखी गर्मी से लेकर पहाड़ियों की तराई के मध्य पठार की ठंडक तक, भारतीय जीवनशैलियों इसके भूगोल की भव्यता स्पष्ट रूप से दर्शाती है। एक भारतीय के परिधान, योजना और आदतें इसके उद्भव के स्थान के अनुसार अलग-अलग होते हैं।

भारतीय संस्कृति अपनी विशाल भौगोलिक स्थिति के समान अलग-अलग है। यहाँ के लोग अलग-अलग तरह के कपड़े पहनते हैं, भिन्न-भिन्न धर्मों का पालन करते हैं, अलग-अलग भोजन करते हैं किंतु उनका स्वभाव एक जैसा होता है। चाहे कोई खुशी का अवसर हो या कोई दुख का क्षण, लोग पुरे दिल से इसमें भाग लेते हैं, एक साथ खुशी या दर्द का अनुभव करते हैं। एक त्यौहार या आयोजन किसी घर या परिवार के लिए सिमित नहीं है। पूरा समुदाय या आस-पड़ोस एक अवसर पर खुशियाँ मनाने में शामिल होता है, इसी प्रकार एक भारतीय विवाह मेल-जोल का आयोजन है, जिसमें न केवल वर और वधु बल्कि दो परिवारों का भी संगम होता है। चाहे उनकी संस्कृति या फिर धर्म का अलग क्यों न हो। इसी प्रकार दुख में भी पड़ोसी और मित्र उस दर्द को कम करने में एक महत्वपूर्ण भूमिका निभाते हैं।

भारतीय संस्कृति के बारे में पं. मदनमोहन मालवीय का कहना है कि "भारतीय सभ्यता और संस्कृति की विशालता और उसकी महत्ता तो संपूर्ण मानव के साथ तादात्म्य संबंध स्थापित करने अर्थात् 'वसुधैव कुटुम्बकम्' की पवित्र भावना में निहित है।"

भारत का इतिहास और संस्कृति गतिशील है और यह मानव सभ्यता की शुरुआत तक जाती है। यह सिंधु घाटी की रहस्यमयी संस्कृति से शुरू होती है और भारत के दक्षिणी इलाकों में किसान समुदाय तक जाती है। भारत के इतिहास में भारत के आस-पास स्थित अनेक संस्कृतियों से लोगों का निरंतर समेकन होता रहा है।

उपलब्ध साक्ष्यों के अनुसार लोहे, ताँबे और अन्य धातुओं के उपयोग काफी शुरुआती समय में भी भारतीय उप-महाद्वीप में प्रचलित था, जो दुनिया के इस हिस्से द्वारा की गई प्रगति का संकेत है। चौथी सहस्राब्दि बी.सी. के अंत तक भारत एक अत्यंत विकसित सभ्यता के क्षेत्र के रूप में उभर चुका था।

संस्कृति के शाब्दिक अर्थ की बात की जाए तो संस्कृति किसी भी देश, जाति और समुदाय की आत्मा होती है। संस्कृति से ही देश, जाति या समुदाय के उन समस्त संस्कारों का बोध होता है जिनके सहारे वह अपने आदर्शों

जीवन मूल्यों आदि का निर्धारण करता है। अतः संस्कृति का साधारण अर्थ होता है-संस्कार, सुधार, परिष्कार, शुद्धि, सजावट आदि। वर्तमान समय में सभ्यता और संस्कृति को एक-दूसरे का पर्याय माना जाने लगा है लेकिन वास्तव में संस्कृति और सभ्यता अलग-अलग होती हैं। सभ्यता में मनुष्य के राजनीतिक, प्रशासनिक, आर्थिक, प्रौद्योगिकीय व दृश्य कला रूपों का प्रदर्शन होता है जो जीवन को सुखमय बनाने में महत्वपूर्ण भूमिका निभाते हैं जबकि संस्कृति में कला, विज्ञान, संगीत, नृत्य और मानव जीवन की उच्चतम उपलब्धियाँ सम्मिलित हैं।

भारतीय संस्कृति विश्व की प्राचीनतम संस्कृतियों में से एक है। यह माना जाता है कि भारतीय संस्कृति यूनान, रोम, मिस्र, सुमेर और चीन की संस्कृतियों के समान ही प्राचीन है। भारत विश्व की सबसे पुरानी सभ्यताओं में से एक है जिसमें बहुरंगी विविधता और समृद्ध सांस्कृतिक विरासत है। इसके साथ ही यह अपने-आप को बदलते समय के ढालती भी आई है।

**"यूनान-ओ-मिस्र-ओ-रोमां, सब गिर गए जहाँ से अब तक मगर हैं बाकी नाम-ओ-निशाँ हमारा,**

**कुछ बात है कि हस्ती मिटती नहीं हमारी, सदियों रहा है दुश्मन दौर -ये -जहाँ हमारा।"**

जब से मानव का जीवन अस्तित्व में है तब से वह निरंतर उन मूल्यों की तरफ अग्रसर है, जिनके प्राप्त कर लेने पर उसका जीवन व्यवस्थित होने के साथ-साथ 'आत्मिक सौंदर्य' से भी परिचित हो सके। उसकी यह प्रवृत्ति वास्तव में संस्कृति की ओर ही इशारा करती है। भारतीय संस्कृति समस्त मानव जाति का कल्याण चाहती है। भारतीय संस्कृति में प्राचीन गौरवशाली मान्यताओं एवं परंपराओं के साथ ही नवीनता का समावेश भी दिखाई देता है। भारतीय संस्कृति विभिन्न सांस्कृतिक धाराओं का महासंगम है, जिसमें सनातन संस्कृति से लेकर आदिवासी, तिब्बत मंगोल, द्रविड, हड़प्पाई और यूरोपीय धाराएं समाहित हैं। भारतीय संस्कृति को इंद्रधनुषीय संस्कृति या गंगा-जमुनी तहजीब में परिवर्तित करती है।

अगर भारतीय संस्कृति के समन्वित रूप पर विचार करें तो इसमें विभिन्न विशेषताएँ देखने को मिलती हैं। भारतीय संस्कृति में अध्यात्म एवं भौतिकता में समन्वय नजर आता है। भारतीय संस्कृति में प्राचीनकाल में मनुष्य के चार पुरुषार्थ धर्म, अर्थ, काम, मोक्ष एवं चार आश्रमों-ब्रह्मचर्य, गृहस्थ, वानप्रस्थ एवं संन्यास का उल्लेख है, जो आध्यात्मिकता एवं भौतिक पक्ष में समन्वय करने का प्रयास है। उल्लेखनीय है कि भारतीय संस्कृति ने अनेक जातियों के श्रेष्ठ विचारों को अपने में समेट लिया है। भारतीय संस्कृति में यहाँ के मूल निवासियों के समन्वय की प्रक्रिया के साथ ही बाहर से आने वाले शक, हुण, यूनानी एवं कुषाण भी यहाँ की संस्कृति में घुल-मिल गए हैं। अरबों, तुर्कों और मुगलों के माध्यम से यहाँ इस्लामी संस्कृति का आगमन हुआ। इसके बावजूद भारतीय संस्कृति ने अपना पृथक अस्तित्व बनाए रखा और नवागत संस्कृतियों की अच्छी बातों को उदारतापूर्वक ग्रहण किया।

आज हम भाषा, खानपान, पहनावे, कला, संगीत आदि हर तरह से गंगा-जमुनी तहजीब या यूँ कहें कि वैश्विक संस्कृति नमूने हैं कौन कहेगा कि सलवार-सूट ईरानी पहनावा है या हलवा, कबाब, परांठे, शुद्ध भारतीय व्यंजन नहीं हैं। इस बिंदु पर विचार करना जरूरी है कि हड़प्पाकालीन सभ्यता की परंपराएँ एवं प्रथाएँ आज भी भारतीय संस्कृति में देखने को मिल जाती हैं, यथा-मातृदेवी, पशुपतिनाथ की उपासना, योग-आसन की परंपरा इत्यादि। इसके अलावा भारतीय संस्कृति में 'प्रकृति मानव सहसंबंध' पर बल दिया गया है। हमारी संस्कृति मानव, प्रकृति और

पर्यावरण के अटूट एवं साहचर्य संबंधों को लेकर चलती है। भारतीय उपनिषदों में 'ईशावास्यइंद सर्वम' अर्थात् जगत के कण-कण में ईश्वर की व्याप्तता को स्वीकार किया गया है।

यहाँ के विभिन्न विचारकों एवं महापुरुषों ने भारतीय संस्कृति को समन्वित रूप प्रदान करने वाले विचार प्रस्तुत किये हैं। फिर चाहे बुद्ध, तुलसीदास हो या गांधी जी, इन सभी को भारतीय संस्कृति के नायक के रूप में प्रस्तुत किया गया है तथा ये सभी चरित्र संस्कृति को समन्वित स्वरूप देते हैं। भारत की विभिन्न कलाओं, जैसे मूर्तिकला, नृत्यकला, चित्रकला, लोकसंस्कृति इत्यादि में भारतीय संस्कृति के समन्वित स्वरूप को देखा जा सकता है। विभिन्न धर्म, पंथों एवं वर्गों के लोगों का नेतृत्व इन कलाओं में इष्टिगोचर होता है, भारतीय संस्कृति का समन्वित रूप केवल भौगोलिक-राजनितिक सीमाओं में नहीं है बल्कि उसके बाहर भी है। भारत के अंदर बौद्ध, जैन, हिन्दू, सिख, मुस्लिम, ईसाई आदि धर्मों के लोग एवं उनके पूज्य-स्थल हैं, जो 'शांतिपूर्ण' सहअस्तित्व को दर्शाते हैं। विदित हो कि संस्कृति का स्वरूप 'साहित्य' में सबसे अधिक समर्थपूर्ण तरीके से अभिव्यंजित होता है। संस्कृति साहित्य का प्राण है। साहित्य की विभिन्न विधाओं में संस्कृति के प्रभाव को देखा जा सकता है। यहाँ की संस्कृति के आधारभूत मूल्य दया, करुणा, प्रेम, शांति, सहिष्णुता, लचीलापन, क्षमाशीलता इत्यादि को भारतीय साहित्य में समुचित तरीके से अभिव्यक्ति दी गयी है। भारतीय संस्कृति का यह समन्वित रूप संस्कृति भाषा के माध्यम से रामायण, महाभारत, गीता, कालिदास-भवभूति-भास के काव्यों और नाटकों के माध्यम से बार-बार व्यक्त हुआ है।

भारतीयों ने गणित व खगोल विज्ञान पर प्रामाणिक व आधारभूत खोज की। शून्य का अविष्कार, पाई का शुद्धतम मान, सौरमंडल पर सटीक विवरण आदि का आधार भारत में ही तैयार हुआ। तात्कालिक कुछ नकारात्मक घटनाओं व प्रभावों ने जो धुंध हमारी सांस्कृतिक जीवन-शैली पर आरोपित की है, उसे सावधानी पूर्वक हटाना होगा। आज आवश्यकता है कि हम अतीत की सांस्कृतिक धरोहर को सहेजें और सवारें तथा उसकी मजबूत आधारशिला पर खड़े होकर नए मूल्यों व नई संस्कृति को निर्मित एवं विकसित करें।

### संस्कृति मन और आत्मा का विस्तार है

अतः यह स्पष्ट रूप से उल्लेखनीय है कि भारत में कभी भी एक ही संस्कृति पूर्ण रूप से व्याप्त नहीं रही और न ही शायद किसी भी बड़े प्रदेश में कभी एक ही संस्कृति रही है। इस देश में आध्यात्मिक संस्कृति की प्रमुखता रही है। अतः संस्कृति में बदलाव निरंतर रहेगा।

यादव अनामिका राजेश

## किसान आंदोलन समस्या और समाधान

भारत विश्व का दूसरे नंबर का कृषि प्रधान देश है। क्योंकि भारत में आज भी ६८% जनसंख्या कृषि क्षेत्र में रोजगार प्राप्त कर रही है। कृषि भारत की सकल घरेलू उत्पाद में १७% का योगदान करती है। भारत की आर्थिक स्थिति में कृषि का एवं इसे सशक्त बनाने में किसानों का महत्वपूर्ण योगदान रहा है। जो किसान अन्नदाता के रूप में हमारे भोजन की आवश्यकता की पूर्ति करता है, उसी की आवश्यकता का खयाल हमारी सरकार क्यों नहीं रख पा रही है? भारत सरकार द्वारा पारित ३ कृषि बिल क्या है? किसान क्यों इन बिल के खिलाफ आंदोलन कर रहे हैं? क्यों बड़ी संख्या में किसान भारत की राजधानी दिल्ली में आंदोलन कर रहे हैं? आइए इसके बारे में जाने।

पहला कानून जिसका नाम 'कृषक उपज व्यापार और वाणिज्य' (संवर्धन और सरलीकरण) विधेयक 2020 है। यह कानून निकट भविष्य में सरकारी कृषि मंडियों की प्रासंगिकता को शून्य कर देगा, सरकार निजी क्षेत्रों को बिना किसी पंजीकरण और बिना किसी जवाबदेही के कृषि उपज के क्रय विक्रय की खुली छूट दे रही है। अनाज वितरण का अधिकार निजी कंपनी को सौंप रही है। सोचिए कि अगर निकट भविष्य में कभी कोरोना से ही विषम परिस्थिति का सामना करना पड़ा तो उस दौरान सरकार खुद लोगों को बुनियादी खाद्य सामग्री उपलब्ध कराने के लिए निजी क्षेत्र से खरीदारी करेगी। वही, आज वह इसे अपने बड़े एफसीआई गोदामों से लोगों को मुफ्त में उपलब्ध करा रही है। साथ ही सरकारी कृषि मंडियों के समानांतर आसान शर्तों पर खड़ा किए जाने वाला नया बाजार इन की प्रासंगिकता को खत्म कर देगा और जैसे ही सरकारी मंडियों की प्रासंगिकता खत्म होगी, क्योंकि मंडिया एमएसपी को सुनिश्चित करती है।

दूसरा कानून 'कृषि (सशक्तिकरण और संरक्षण) कीमत आश्वासन और कृषि सेवा करार विधेयक 2020 है। जिसकी अधिक चर्चा कॉन्ट्रैक्ट फोरम के विवाद में समाधान के मौजूदा प्रावधानों के संदर्भ में की जा रही है। कॉन्ट्रैक्ट फार्मिंग के इस कानून की वजह से देश में भूमिहीन किसानों के एक बहुत बड़े वर्ग के जीवन पर गहरा संकट आने वाला है। 2011 की जनगणना के अनुसार देश में कुल 26.3 करोड़ परिवार खेती किसानों के कार्य में लगे हुए हैं। इसमें से महज 11.9 करोड़ किसानों के पास खुद की जमीन है। जबकि 14.४३ करोड़ किसान भूमिहीन हैं। भूमिहीन किसानों की एक बड़ी संख्या 'बंटाई' पर खेती करती है। भूमि के मालिक से कुल पैदावार की आधी फसल पर बंटाई बोई जाती है। ग्रामीण इलाकों का यह अपना एक प्रचलित खेती करने का तरीका है। इस नए कानून के जरिए पूंजी पतियों को कॉन्ट्रैक्ट फार्मिंग के लिए खुली छूट दी जा रही है। अब सोचने का विषय यह है कि गांव का कोई भूमिहीन किसान इन बड़े निजी क्षेत्र की फॉर्म से मुकाबला कैसे करेगा? एक बड़ी कंपनी बड़ी आसानी से किसी किसान से उसकी भूमि 5 साल की अवधि के लिए एकमुश्त एडवांस पर ले सकती है। लेकिन गांव का एक भूमिहीन किसान यह करने में असमर्थ रहेगा। ऊपर से भारत के किसानों का एक बड़ा हिस्सा आरक्षित है जो कि कानूनी अनुबंध करने में खुद को असहज पाएगा, ऐसी परिस्थितियों में भूमिहीन किसानों का पूरा जीवन खत्म हो जाएगा। ऊपर से बड़ी कंपनियां मशीनों के लिए खेती का कार्य करेंगे ना कि मजदूर के जरिए। इसलिए बहुत अधिक रोजगार भी उत्पन्न नहीं होने जा रहे हैं। यह कानून देश के 14 करोड़ भूमिहीन किसानों के भविष्य को प्रभावित करने जा रहा है।

तीसरा कानून 'आवश्यक वस्तु संशोधन विधेयक २०२०' है। यह कानून आने वाले निकट भविष्य में खाद्य पदार्थों की महंगाई का दस्तावेज है। इस कानून के जरिए निजी क्षेत्र को असीमित भंडारण की छूट दी जा रही है। खेती उपज जमा करने के लिए निजी निवेश को छूट होगी। सरकार को पता नहीं चलेगा कि किसके पास कितना स्टॉक है और कहां है? यह जमाखोरी और कालाबाजारी को कानूनी मान्यता देने जैसा है। वही, इस कानून में स्पष्ट लिखा है कि राज्य सरकार और सीमित भंडारण के प्रति तभी कार्यवाही कर सकती है जब वस्तुओं की मूल्य वृद्धि बाजार में दोगुनी होगी। एक तरह से देखें तो यह कानून महंगाई बढ़ाने की भी खुली छूट दे रहा है। जो कि मध्यम और निम्न वर्ग के लिए एक नुकसान दायक कानून है। समय रहते सरकार को चाहिए कि इन तीनों कानूनों का उचित हल निकाल लिया जाए। वजह है कि यह आंदोलन भूमिहीन किसानों के रास्ते होते हुए मध्य एवं निम्न आय वर्ग को भी जोड़ेगा। आने वाले भविष्य में जब यह दोनों वर्ग भी खुद को इन कानून के जरिए ठगा महसूस करेंगे तो आंदोलन की रफ्तार और तेज हो जाएगी। तीनों ही कृषि कानून किसान और आम लोगों को बहुत फायदा पहुंचाने नहीं जा रहे हैं, ना तो कोई सामान्य किसान इतना आर्थिक समृद्धि है कि वह बड़े गोदाम बना कर अपनी फसलों का भंडारण करेगा और ना ही भूमिहीन किसान इतने मजबूत हैं कि वह एक लंबी अवधि के लिए खेतों का कानूनी अनुबंध कर पाएंगे। तो फिर यह सब कौन कर सकेगा? उत्तर है पूंजी से भरे पड़े लोग। सरकार को तीनों कानून वापस लेने पर पड़े हैं ये किसानों की जीत है या परिवर्तन का विरोध यह समय तय करेगा।

## युद्ध

ये युद्ध की काली और भयावह आँधियाँ  
ये दुःशासन की अजीब-सी कुटनीतियाँ

क्या अपने स्वार्थ से परे हटकर कभी  
मासूम, नन्हें परिंदों की पुकार सुनेगी?

काश, काशा! ऐसा हो जाए तो अनगिन  
मासूम जानों को अभयदान मिल जाए

उनका क्या यही दोष है कि वे मूक हैं  
या शांत बने रहना ही उनकी चूक है!

क्या शांति दूत बनकर कोई आएगा ?  
खोज खबर लेकर उन्हें बचा पाएगा ?

या मरते रहेंगे यूँ ही ये निर्दोष बेचारे  
और एक दिन की खबर बनेंगे ये सारे

बुद्ध, महावीर की वाणी कहाँ खो गई?  
क्या भाषणों और किताबों में बस गई?

करना होगा अब विचार हर एक जन को  
अमन व शांति ही बचा पाएगी विश्व को

युद्ध किसी भी मुद्दे का क्या हल बना है?  
इतिहास उठाकर देखो! इसने सिर्फ छला है!

डॉ नीतू भूषण तातेड

## आजाद बचपन

बहुत कुछ खो जाता है,

वक्त के साथ,

जैसे, बचपन खो गया

बढ़ती उम्र के साथ,

बचपन में सोचते थे की जवानी में आजाद होंगे हम

अब जो जवान हुए सो सोचते है

और अब कितना परेशान होंगे हम

सच कहो,

तुम भी तलाशते हो ना सूकून हर जगह हर पल वहीं बचपन वाला

मैं बताता हूँ तुम्हें वह जगह जहाँ मिलेगा सूकून वहीं बचपन वाला,

मान कर देखो मेरी बात

रख कर देखो सिर माँ की गोद में एक बार

यकीनन तुम्हें उस ममता भरे पल में सूकून का एहसास होगा,

और ना मिले तो जरूर तुम्हारे मन में अभी भी कोई और सवाल

होगा.. एक बार कह के देख लेना माँ को उसका भी उसके पास

जवाब होगा,

अब तो तुम्हें जरूर ही सूकून मिला होगा और वहीं बचपन वाला

प्यार माँ की आँख में दिखा होगा,

अब कहोगे खुशी से तुम खुदी से हों बचपन ही आजाद था

माँ की ममता भरी गोद और दुलार था,

पापा का मस्ती के लिए कंधा था,

भाई के साथ मर पीट वाले लम्हे थे,

बहन का प्यार था,

दोस्तों के साथ मीठी सी नोक-झोंक थी,

हाँ सहाब... सच कहता हूँ मैं मानों मेरी बात,

बचपन ही आजाद था.... बचपन ही आजाद था।।

- बृजेश यादव

## जिंदगी एक संघर्ष

मेहनत की आग में थोड़ा और जलना तो पड़ेगा थोड़ा और तपना तो पड़ेगा,  
यह जिन्दगी है मेरे दोस्त यहा लड़ना तो पड़ेगा,  
हर रोज़ करेगी कोशिशें ये जिन्दगी तुझे हराने को  
हर रोज़ तुझे जिन्दगी को नये दावों से चीत करना पड़ेगा,  
यह जिन्दगी है जनाब, थोड़ी ज़िदी है...  
अगले ही रोज़ फिर ये उठेगी एक और बड़ी चुनौति के साथ  
फिर तुझे एक योद्धा की तरह इसका पलटवार कर इस पर विजयी प्राप्त करना  
पड़ेगा,  
यह जिन्दगी है मेरे दोस्त यहा लड़ना तो पड़ेगा,  
दिन में तो करना ही है जीत की कोशिश  
और, जीत की खातिर रातों को भी अब जागना पड़ेगा,  
हार के बाद फिर उठने का सलीका... सूरज से सीखना है  
हर शाम डुबाने के बाद... अगले ही सुबह फिर नए किरणों के साथ उगना है,  
जीत की तलाश में थोड़ा और चलना तो पड़ेगा  
ये जिन्दगी है मेरे दोस्त यहा लड़ना तो पड़ेगा,  
लोगों और समाज, की चिन्ता को रख कर परे  
तुझे अपने ही पथ पर आँख मूँदे चलना पड़ेगा,  
कर के नजरअंदाज जिन्दगी के पर-परेशानीयो को  
तुझे संघर्ष की नदी पार कर अपने मजिल तक पहुँचना पड़ेगा  
हाँ इसी को कस्ते जिन्दगी है बृजेश यहा लड़ना तो पड़ेगा,  
रख हीसला और हिम्मत को बुलंद,  
खुदा तेरा भी है देख तेरी मेहनत तुझे भी कामयाब करेगा  
बशर्ते संघर्ष की नदी तूझे अकेले ही पार करना पड़ेगा,  
घबरा कर मत बैठ जाना तू जिन्दगी के चुनौतियों से  
मेहनत की आग में थोड़ा और जल थोड़ा और तप,  
खुदा को खुद तेरा सवेरा लाना पड़ेगा  
देख तेरा संघर्ष तुझे कामयाबी का ताज पहनाना पड़ेगा  
विजय होने के खातिर थोड़ा और चलना पड़ेगा  
यह जिन्दगी है मेरे दोस्त यहा थोड़ा और लड़ना पड़ेगा... यहा थोड़ा और लड़ना  
पड़ेगा!

-बृजेश यादव

## शांताराम जन्मशताब्दी

केशव जगन्नाथ पुरोहित तथा शांताराम

जीवन : १५ जून १९२३ ते १७ ऑक्टोबर २०१८

शिक्षण : एम.ए. (इंग्रजी)

शैक्षणिक कारकीर्द : शासनाच्या महाविद्यालयांमध्ये १९४६ ते १९७२ या काळात नागपूर आणि अमरावती येथे इंग्रजीचे अध्यापन, १९७२ ते १९८१ या काळात इस्माईल युसूफ महाविद्यालय येथे इंग्रजीचे अध्यापन, १९८१ मध्ये इस्माईल युसूफ महाविद्यालयाचे प्राचार्य म्हणून सेवानिवृत्त.

साहित्यिक कार्य : मराठीत 'शांताराम' ह्या टोपण नावाने आधुनिक कथांचे लेखन

प्रसिद्ध पुस्तके : १. कथासंग्रह : संन्याचा वाग, मनमोर, शिरवा, जमिनीवरची माणसं, लाटा, चंद्र माझा सखा, अंधारवाट, चेटूक, संध्याराग

२. अनेक कथांचे गुजराती, बंगाली भाषेत अनुवाद

३. 'शेक्सपिअरच्या' रोमिओ अँड ज्युलियट' नाटकाचा मराठी कथारूप स्वर अनुवाद

४. लघुनिबंधसंग्रह : सावळाचि रंग तुझा

५. आत्मचिंतनपर लेखन : वात्यस्तोम

पुरस्कार :

१. न्यूयॉर्क हेरॉल्ड ट्रिब्यूनचे आंतरराष्ट्रीय पारितोषिक

२. महाराष्ट्र शासनाचा 'विदा करंदीकर जीवनगौरव पुरस्कार'

मानसन्मान : अमरावती येथे १९८९ मध्ये भरलेल्या अखिल भारतीय मराठी साहित्य संमेलनाचे अध्यक्षस्थान.

जन्मशताब्दी वर्ष : २०२२-२३ (१५ जून २०२२पासून)

इस्माईल युसूफ महाविद्यालयाचे माजी प्राचार्य तसेच मराठी नवकथाकार केशव जगन्नाथ

पुरोहित तथा शांताराम यांना जन्मशताब्दी वर्षानिमित्त विनम्र अभिवादन

## माय मराठी

इंग्रजी इंग्रजी किती हा इंग्रजीचा ध्यास  
आणि माय मराठीचा होतोय न्हास

का कुणास ठाऊक विदेशी भाषा बोलताना मौज वाटते  
पण मराठी भाषा बोलताना लाजच वाटते

मराठी आमुच्या नसानसात भिनली  
महाराष्ट्राची प्रतिष्ठा मराठ्यांमुळे कळली

गाऊ किती मी मराठीचे गुणगान  
तिच्यामुळेच झाली आज मी भाग्यवान

माझी मराठी आहे अमृताहुनहि गोढ  
म्हणून आता मोडायची परकीय भाषांची खोढ.

करीना भालचंद्र अडबल

प्रथम वर्ष कला

## माझा मराठीची बोलू कौतुके.....

- ❖ मराठी भाषेचा उदय संस्कृतच्या प्रभावाखाली निर्माण झालेल्या प्राकृत भाषेच्या 'महाराष्ट्री' या बोलीभाषेपासून झाला.
- ❖ पैठण (प्रतिष्ठान) येथील सातवाहन साम्राज्याने महाराष्ट्री भाषेचा प्रशासनात वापर सर्वप्रथम केला.
- ❖ मराठी भाषा भारताच्या प्राचीन भाषांपैकी एक असून महाराष्ट्री प्राकृतचे आधुनिक रूप आहे.
- ❖ 'महाराष्ट्र' शब्दाचा पहिला उल्लेख इ.स.५०० च्या दरम्यान 'महावंश' या ग्रंथात आढळतो.
- ❖ देवगिरीच्या यादवांच्या काळात मराठी भाषा व संस्कृतीची भरभराट झाली.
- ❖ आज मराठी ही भाषा देवनागरी लिपी वापरून लिहिली जाते. मध्ययुगात मराठी मोडी लिपीत लिहिली जात असे.
- ❖ मराठीचे व्याकरण संस्कृताधारित आहे. मराठीत तत्सम, तद्भव, आणि परभाषीय शब्द आहेत.
- ❖ मराठी लिखिताची आद्यरूपे ताम्रपट, कोरीव शिलालेख, कागदपत्रे अशा रूपांत दिसून येतात. राजा केसिदेवरायच्या कारकिर्दीत कोरलेला अक्षी शिलालेख हा आजवर सापडलेला मराठी भाषेतील पुराणतम शिलालेख आहे. कर्नाटकातील 'श्रवणबेळगोळ' येथील गोमटेश्वर मूर्तीच्या पायथ्याशी कोरलेला 'श्री चामुण्डराये करवियेले' हा मराठी शिलालेख इसवी सनाच्या दहाव्या शतकातील (इ.स.९८३) आहे.
- ❖ देवनागरी मराठीतील आज उपलब्ध असलेला पहिला दिवेआगर ताम्रपट इ.स.१०६० (शके ९८२) चा आहे.
- ❖ मराठी भाषेचे वय हे साधारणपणे १५०० वर्ष मानले जाते.
- ❖ इसवी सनापूर्वी २०७ या वर्षी ब्राह्मी लिपीत परंतु महाराष्ट्री भाषेत लिहिलेले शिलालेख सापडले आहेत.
- ❖ महाराष्ट्र शासनाच्या 'अभिजात भाषा समिती' अहवालानुसार 'गाथा सप्तशती' हा ७०० श्लोकांचा मराठी ग्रंथ इसवी सनाच्या पहिल्या शतकात लिहिला गेला. त्याचा अर्थ असा की ही भाषा त्या लिखाणाअगोदर किमान ३०० वर्षे अस्तित्वात असली पाहिजे. ग्रंथातील वर्णन

- ❖ आजही मराठी लोकांच्या आचार-विचारांशी आणि त्यांच्या सध्याच्या संस्कृतीशी जुळणारे आहे. ग्रंथात वापरलेले गेलेले काही शब्द मराठीखेरीज अन्य भारतीय भाषेत नाहीत.
- ❖ भांडारकर पुरातत्व संशोधन संस्थेमध्ये मराठी भाषेचे प्राचीनत्व सिद्ध करणारी किमान ८० हस्तलिखिते उपलब्ध आहेत.
- ❖ मराठी भाषा ही इंडो-युरोपीय भाषाकुळातील एक भाषा आहे. मराठी ही भारताच्या २२ अधिकृत भाषांपैकी एक आहे.
- ❖ मराठीच्या अनेक बोली प्रचलित असून, त्यात प्रामुख्याने मालवणी, वऱ्हाडी, खानदेशीचा समावेश होतो. नव्या संशोधनाच्या आधारे मराठी बोलींची संख्या पन्नासच्या घरात जाते.
- ❖ मराठी महाराष्ट्र राज्याची अधिकृत तर गोवा राज्याची सहअधिकृत भाषा आहे.
- ❖ २०११ च्या जनगणनेनुसार, भारत देशात मराठी भाषकांची एकूण लोकसंख्या सुमारे १० कोटी आहे. मराठी मातृभाषा असणाऱ्या लोकांच्या संख्येनुसार मराठी ही जगातील दहावी व भारतातील तृतीय क्रमांकाची भाषा आहे.
- ❖ मराठी भाषा भारतासह, फिजी, मॉरिशस व इझ्रायल या देशांतही बोलली जाते.
- ❖ महाराष्ट्रातील सर्व विद्यापीठांत मराठीच्या उच्च शिक्षणाची सोय आहे. महाराष्ट्राबाहेरील एकूण १५ विद्यापीठांमध्ये मराठी शिकविली जाते.
- ❖ कवी कुसुमाग्रज यांचा जन्म दिवस (२७ फेब्रुवारी) मराठी भाषा गौरव दिन म्हणून साजरा केला जातो.
- ❖ मराठीत दरवर्षी दोन हजार नवीन पुस्तके प्रकाशित होतात व सुमारे ५०० दिवाळी अंक प्रसिद्ध होतात.
- ❖ भारतातील सर्वाधिक खपाचे मासिक 'लोकराज्य' हे मराठी भाषेतच प्रकाशित होते.
- ❖ मराठी पुस्तकांची एकत्रित बाजारपेठेतील वार्षिक उलाढाल सुमारे २५० कोटींची आहे. देशभरातील एकूण ग्रंथालयातील २५ टक्के ग्रंथालये एकट्या महाराष्ट्रात आहेत.
- ❖ कोशवाङ्मयाच्या संख्येच्या बाबतीत मराठी भाषेचा जगात दुसरा क्रमांक लागतो. 'मराठी विश्वकोश' हा भारतीय भाषांतील सर्वश्रेष्ठ कोश म्हणून गणला जातो.
- ❖ मराठी साहित्याचा प्रारंभ इसवी सनाच्या अकराव्या-बाराव्या शतकापासून झालेला दिसतो.

- ❖ मराठी आद्यग्रंथ म्हणून ज्योतिषरत्नमाला(अकरावे शतक), विवेकसिंधु (इ.स.११८८), लीळाचरित्र(इ.स.१२७८) या ग्रंथांची चर्चा इतिहासात आढळते.
- ❖ महानुभाव साहित्य, संत साहित्य, पंडिती काव्य, शाहिरी काव्य इत्यादी प्राचीन साहित्यातून आधुनिक मराठी साहित्य विकसित झाले आहे.
- ❖ मराठी प्राचीन काव्यात भक्तिकाव्य आणि भक्ती आंदोलने यांची मोठी भूमिका दिसून येते.
- ❖ महात्मा फुले, डॉ. आंबेडकर इत्यादी समाजसुधारकांचे कार्य आणि लेखनाची दीर्घ परंपरा यांचे फलित म्हणजे साठोत्तरी मराठी दलित, ग्रामीण, स्त्री-साहित्य होय.
- ❖ वि.स. खांडेकर, कुसुमाग्रज, विंदा करंदीकर आणि भालचंद्र नेमाडे अशा चार मराठी साहित्यिकांना आजवर ज्ञानपीठ पुरस्कार मिळाले आहेत.
- ❖ भारतीय ज्ञानपीठाचा 'मूर्तिदेवी पुरस्कार' शिवाजी सावंत यांना 'मृत्युंजय' या कादंबरीसाठी मिळाला आहे.
- ❖ विजय तेंडुलकर, महेश एलकुंजवार आणि शरणकुमार लिंबाळे या लेखकांना 'सरस्वती सन्मान' मिळाले आहेत.
- ❖ संगणकीय क्षेत्रात मराठी संकेतस्थळे, मराठी भाषिक संसाधने विकसित होत असून, मराठी ज्ञानभाषा बनते आहे.
- ❖ सर्वोत्तम चित्रपटाचे पहिले राष्ट्रपती सुवर्णकमळ आचार्य अत्रे यांच्या 'श्यामची आई' चित्रपटास मिळाले होते. आजपर्यंत 'श्यामची आई', 'श्वास', 'देऊळ', 'कोर्ट', 'कासव' अशा एकूण पाच मराठी चित्रपटांना सर्वोत्कृष्ट चित्रपटाचा सुवर्णकमळ पुरस्कार मिळालेला आहे.
- ❖ डॉ. बाबासाहेब आंबेडकर, धोंडो केशव कर्वे, महामहोपाध्याय पां.वा. काणे, भीमसेन जोशी, जे.आर.डी. टाटा, सचिन तेंडुलकर, विनोबा भावे, लता मंगेशकर आणि नानाजी देशमुख हे आजवरचे भारतरत्न पुरस्कार मिळविणारे महाराष्ट्रीय आहेत.

# मराठी म्हाळी

यश  
अवघड आहे,  
थांबू नकोस  
खडतर आहे,  
विसरू नकोस  
सोपे ही आहे,  
तर कठीण ही आहे पण...  
यशाची पायरी सोडू नकोस.

चढ आहे तर,  
उतार आहे  
वेळ आहे म्हणुन,  
काळ आहे  
सुख येईल तर,  
दुःख ही येईल पण...  
यशाची पायरी सोडू नकोस.

मार्ग आहे,  
म्हणुनच वाट आहे  
कधी विरळ तर,  
कधी सरळ आहे  
अंधार झाला तर,  
प्रकाश ही येईल पण...  
यशाची पायरी सोडू नकोस.

कधी हार आहे,  
कधी जीत आहे  
वाईट आहे म्हणुनच,  
चांगले ही आहे  
आज अपयश आले,  
तर उद्या यश येईल पण...  
यशाची पायरी सोडू नकोस

नेहमी प्रयत्न करत रहा,  
यशाचे शिखर चढत रहा  
चिंतन असुदे ध्यानी,  
खचून कधी जाऊ नकोस,  
हिम्मत कधी सोडू नकोस  
फळ मिळेल नक्की  
ही वार्ता आहे पक्की पण...  
धीर धर थोडा  
यश मिळेल नक्की

राकेश नारायण मोरे  
माजी विद्यार्थी

चाय

डोके दुखी आणि टॅशन,  
यावर औषध काय,  
एक कप गरमागरम चाय..

झोप असो वा आळस,  
यावर एकच उपाय,  
ते म्हणजे पिऊन घ्या चाय...

सकाळ, दुपार आणि रात्रच काय,  
एक नाय, दोन नाय,  
पण, पुन्हा पुन्हा हवी चाय...

लहान काय मोठेच काय,  
नाय बोलणार नाय,  
सगळ्यांनाच आवडते ही चाय...

हिवाळा किंवा पावसाळाच काय,  
गरमागरम भजी आणि  
सोबत फक्त चाय...

मित्रांची गट्टी आणि  
टपरी आठवते काय  
एकदा नक्की प्या एक कटिंग चाय...

आलं आणि इलायचीचा  
दरवळ आलाच काय,  
एकदा तरी प्याविशी वाटतेच चाय...

कविता वाचून,  
आठवले काय  
मग बघताय काय,  
पिऊन घ्या चाय...  
आणि बोला  
वाह चाय!! वाह चाय!!

राकेश नारायण मोरे  
माजी विद्यार्थी

## माझे मन

मन कधी कोणाला बोलत नाही  
मन एक ठिकाणी राहत नाही  
मन रडत असते अंतर भागातून  
भावना मात्र वाहत नाही  
स्वभाव शांत असला तरी  
आत्मा मात्र शांत नाही  
जीवन जणू पुस्तकासमान  
घड्याची सुरुवात आहे  
पण शब्दांचा अंत नाही

सुंदर किती आयुष्य आहे  
मातीचा बनलेला मनुष्य आहे  
स्वतः स्वतःला घडवत  
स्वतःच्या हातात स्वतःचे भविष्य आहे  
जीवनामध्ये लक्ष आहे तर  
जीवनाचे अस्तित्व आहे

मन कधी कोणाला बोलत नाही  
मन एक ठिकाणी राहत नाही

येते कधी कधी मनात माझ्या  
कधी तरी असेही घडावे  
निघून गेलेले सुखाचे क्षण  
आयुष्यात पुन्हा परत यावे  
सोडून गेलेल्या व्यक्तींनी  
पुन्हा एकदा भेटावे

मन कधी कोणाला बोलत नाही  
मन एक ठिकाणी राहत नाही

## निसर्गाची व्यथा

कोणे एके काळी देवाने सुंदर पृथ्वी निर्माण केली,  
पण या आधुनिक मानवाने तिला विध्वंसाकडे नेली  
अफाट वृक्षतोड करून जंगले सपाट झाली,  
म्हणून आज ऑक्सिजनसाठी तडफडायची वेळ आली  
हिमालय वितळतो आहे वाढत चाललीय गरमी,  
तरी नाही उतरली मानवातली गुर्मी  
तुझ्या मोबाईल टॉवर मुळे पक्षांची झाली दैना,  
कशी दाखवणार पुढच्या पिढीला राघु आणि मैना  
तुझ्या दुधासाठी मानवा गाय आली धावून,  
तुझ्यामुळे ती मरते आहे प्लास्टिक पिशव्या खाऊन  
तुझ्या या अघोरी कृत्याला निसर्ग चाललाय कंटाळून,  
म्हणून आज तुला नेतोय  
प्लास्टिक मधेच गुंडाळून

स्वरूप इंगळे  
इयत्ता अकरावी(शास्त्र)

बाबा....

घराचा भक्कम पाया म्हणजे बाबा  
कुटुंबाची हिमंत म्हणजे बाबा  
जेवण शिजवणारी म्हणजे प्रेमळ आई, पण लक्षात ठेवा शिदोरी म्हणजे बाबा  
देवकी-यशोधेचं प्रेम म्हणजे आई  
टोपलीतून बाळाला नेणारा वासुदेव म्हणजे बाबा  
रामासाठी कौशल्यच दुःख आठवा, पण पुत्र वियोगाने मरण पावणारे दशरथ म्हणजे बाबा  
आपल्या अंगाला घामाचा वास मारू नये म्हणून स्वतः घामाने भिजणारे म्हणजे बाबा  
स्वतः च्या बनियांची भोकं विसरून मुलांना नवीन कपडे घेणारे म्हणजे बाबा  
स्वतःच्या इच्छा-आकांशा विसरून कुटुंबासाठी झगडणारे म्हणजे बाबा  
स्वतःची स्वप्न मुलांच्या डोळ्यात बघणारे म्हणजे बाबा  
आई स्वर्ग आहे, तर स्वर्गातला देव म्हणजे बाबा  
आई घरातलं भाग्य आहे, तर घरातले सौभाग्य म्हणजे बाबा  
आई वात्सल्याची मूर्ती आहे, तर त्यागाची मूर्ती म्हणजे बाबा  
पूर्ण आयुष्य अखंड दिव्यासारखे इतरांना प्रकाश देणारे म्हणजे बाबा....!

वैष्णवी जयेश शिर्के  
इयत्ता बारावी(वाणिज्य)

मुलगीच असते

जन्म झाल्यावर लक्ष्मीचे स्वरूप मुलगीच असते.  
घरात आनंदाची लाट पसरविणारी मुलगीच असते।  
कामात आई-बाबांची मदत कणारी मुलगीच असते.  
बाबांना हवं नको ते बघणारी मुलगीच असते.  
भवांच आतुट नात जपणारी मुलगीच असते.  
सासर आणि माहेर यांना प्रेमानी जोडणारी मुलगीच असते.  
महतरपणी आई बाबांची काळजी करणारी मुलगीच असते.  
आणि शेवटच्या क्षणी बाबा..... म्हणून आर्त किंकाळी फोडणारी मुलगीच असते....!

इयत्ता बारावी(वाणिज्य)

मराठी 'सर्वप्रथम'

- ❖ 'महाराष्ट्र' या शब्दाचा पहिला उल्लेख : एरण स्तंभालेख (इ.स.३६५)
- ❖ 'महाराष्ट्र' या शब्दाचा पहिला ग्रंथ उल्लेख : बृहदसंहिता ; ले.वराहमिहिर (इ.स.५०५)
- ❖ मराठी माणूस व भाषा यांच्या स्वरूप वैशिष्ट्यांचा उल्लेख असलेला ग्रंथ : कुवलयमाला; ले.उद्योतनसूरी (इ.स.७७९)
- ❖ पहिला मराठी शिलालेख : अक्षी शिलालेख, रायगड (इ.स.१०२०)
- ❖ पहिला मराठी ताम्रपट : दिवेआगरचा ताम्रपट (इ.स.१०६०)
- ❖ पहिला मराठी ग्रंथ : ज्योतिषरत्नमाला ; ले.श्रीपतीभट्ट (इ.स.अकरावे शतक)
- ❖ मराठी आद्य गद्य चरित्र ग्रंथ : लीळाचरित्र ; ले.म्हाईभट (इ.स.१२७८)
- ❖ मराठीतील आद्य आयुर्वेदिक ग्रंथ : रसरजलक्ष्मी ; ले.विठ्ठल गलंड (शके १२२२)
- ❖ मराठी आद्य कीर्तनकार : संत नामदेव
- ❖ मराठीतील आद्य पद्य चरित्रकार : संत नामदेव
- ❖ पहिला मराठी काव्यग्रंथ : विवेकसिंधु ; आद्यकवी मुकुंदराज (शके १११०)
- ❖ मराठी आद्य कवयित्री : महदंबा ; काव्य - धवळे (इ.स.१२८७)
- ❖ मराठीतील पहिली गीताटीका : ज्ञानेश्वरी (भावार्थदीपिका) (इ.स.१२९०)
- ❖ पहिला मराठी व्याकरण ग्रंथ : पंचवार्तिक; ले. भीष्माचार्य (इ.स.पंधरावे शतक)
- ❖ मराठीतील पहिली बखर : महिकावतीची बखर (इ.स.१४४८-१६००)
- ❖ मराठीतील पहिला पोवाडा : अफजलखानवधाचा पोवाडा ; शाहीर अग्निदास (इ.स.१६५९)
- ❖ मराठीतील पहिला लावणीकार : सातप्पा शिलारखाने
- ❖ पहिला मराठी मुद्रित ग्रंथ : मराठी भाषेचे व्याकरण (इ.स.१८०५)
- ❖ महाराष्ट्र भाषेचे पाणिनी : दादोबा पांडुरंग तर्खडकर
- ❖ आधुनिक मराठी व्याकरण ग्रंथ : महाराष्ट्र भाषेचे व्याकरण (इ.स.१८३६)
- ❖ पहिला मराठी शब्दकोश : मोल्सवर्थ इंग्रजी-मराठी शब्दकोश (इ.स.१८३१)
- ❖ मराठी ग्रंथांचा देवनागरी लिपीतील आद्य मुद्रक : विल्यम कॅरी
- ❖ पहिली स्वतंत्र सामाजिक मराठी कादंबरी : यमुनापर्यटन ; ले.बाबा पदमनजी (इ.स.१८५७)
- ❖ पहिले मराठी नियतकालिक : मुंबापूर वर्तमान (इ.स.१८२८), दर्पण ; संपा.बाळशास्त्री जांभेकर (६ जाने.१८३२)
- ❖ पहिले मराठी मासिक : दिग्दर्शन ; संपा.बाळशास्त्री जांभेकर (इ.स.१८४०)
- ❖ मराठी भाषेतील पहिले दैनिक : ज्ञानप्रकाश (इ.स.१८४९ ते १९५१)
- ❖ पहिले मराठी नाटक : सीताकल्याण ; नाटककार - शहाजी राजे दुसरे (इ.स.सतरावे शतक)

- ❖ पहिले स्वतंत्र सामाजिक मराठी नाटक : तृतीय रत्न ; नाटककार - महात्मा जोतिबा फुले (इ.स.१८५५)
- ❖ पहिली मराठी रूपांतरित कादंबरी : यात्रिकक्रमण ; ले. हरी केशव पाठारे (इ.स.१८४१)
- ❖ पहिली स्वतंत्र ऐतिहासिक मराठी कादंबरी : मोचनगड ; ले. रा.भि.गुंजीकर (इ.स.१८६५)
- ❖ पहिली स्वतंत्र रंजनात्मक मराठी कादंबरी : मुक्तामाला ; ले.लक्ष्मणशास्त्री हळबे (इ.स.१८६२)
- ❖ पहिली मराठी ग्रामीण कादंबरी : बळीबा पाटील ; ले.कृष्णराव भालेकर (इ.स.१८८८)
- ❖ पहिले मराठी नवनाट्य : आंधळ्याची शाळा ; नाटककार - श्री.वि.वर्तक (इ.स.१९३६)
- ❖ पहिल्या मराठी स्त्री कादंबरीकार : साळूबाई तांबवेकर ; कादंबरी - चंद्रकलाविरहवर्णन
- ❖ पहिल्या मराठी स्त्री चरित्रकार : काशिबाई कानिटकर ; चरित्र - डॉ. आंनदीबाई जोशी यांचे चरित्र
- ❖ पहिल्या मराठी स्त्री निबंधकार : मिसेस फेरार (निबंध - कुटुंबप्रवर्तननीती)
- ❖ पहिल्या मराठी स्त्री आत्मचरित्रकार : रमाबाई रानडे (आत्मचरित्र - आमच्या आयुष्यातील काही आठवणी)
- ❖ पहिल्या मराठी स्त्री नाटककार : गिरिजाबाई केळकर (नाटक - पुरुषांचे बंड)
- ❖ पहिला मराठी विषयातील विद्यावाचस्पती व्यक्ती : पु.ग.सहस्रबुद्धे
- ❖ पहिला मराठी विषयातील डि.लिट.पदवी प्राप्त व्यक्ती : माधव ज्युलियन (छंदोरचना)
- ❖ पहिला साहित्य अकादमी प्राप्त मराठी ग्रंथ : वैदिक संस्कृतीचा विकास (ले. लक्ष्मणशास्त्री जोशी)
- ❖ पहिला ज्ञानपीठ पुरस्कार विजेता मराठी लेखक : वि.स.खांडेकर (कादंबरी - ययाती)
- ❖ पहिला सरस्वती पुरस्कार विजेता मराठी लेखक : विजय तेंडुलकर (नाटक - कन्यादान)
- ❖ पहिला भारतीय ज्ञानपीठाचा मूर्तीदेवी पुरस्कार विजेता मराठी लेखक : शिवाजी सावंत (कादंबरी-मृत्युंजय)
- ❖ पहिले मराठी ज्ञानकोशकार : श्रीधर व्यंकटेश केतकर
- ❖ आधुनिक मराठी कवितेचे जनक : कवी केशवसुत (कृष्णाजी केशव दामले)
- ❖ मराठी नवकवितेचे जनक : बाळ सीताराम मर्ढेकर
- ❖ मराठी आधुनिक कादंबरीचे जनक : हरी नारायण आपटे
- ❖ मराठीतील पहिले प्रवासवर्णन : माझा प्रवास (ले.विष्णुपंत गोडसे भटजी)
- ❖ मराठीतील पहिले आत्मचरित्र : अरुणोदय (ले.बाबा पदमनजी)
- ❖ मराठीतील पहिले प्रकाशित दलित आत्मकथन : बलुतं (ले.दया पवार)
- ❖ मराठीतील पहिले प्रकाशित स्त्री-दलित आत्मकथन : जिणं आमूचं (ले.बेबी कांबळे)
- ❖ मराठीतील पहिला बोलपट : अयोध्येचा राजा (६ फेब्रुवारी १९३२)
- ❖ मराठीतील पहिला राष्ट्रपती सुवर्णकमळ पुरस्कार विजेता चित्रपट : श्यामची आई (दिग्दर्शक-आचार्य अत्रे)

संकलन

मराठी विभाग

### मराठी भाषा संवर्धक महात्मा जोतिबा फुले

महाराष्ट्रातील वैचारिक प्रबोधनाचे अध्वर्यू, शूद्रातिशूद्र उद्धारक आणि बहुजन लोकनायक महात्मा उपाख्य जोतिबा गोविंदराव फुले यांचे महाराष्ट्रातील सामाजिक क्षेत्रातील योगदान मोलाचे आहे. अव्वल इंग्रजी कालखंडाच्या महाराष्ट्राच्या इतिहासात महात्मा फुले यांचे स्थान सर्वोच्च असेच आहे. मराठी भाषेच्या अभ्युदयासाठी महात्मा फुले यांनी अमूल्य योगदान दिले आहे.

### महात्मा फुले यांची साहित्य निर्मिती

महात्मा फुले यांनी अव्वल इंग्रजी कालखंडात मराठी भाषेत समृद्ध साहित्य निर्मिती केली. गुलामगिरी या वैचारिक गद्यनिबंधात महात्मा फुले यांनी भारतीय पुराणकथांचा नवीन अर्थ लावण्याचा यशस्वी प्रयत्न केला. भारतीय वर्णव्यवस्था, जातिव्यवस्था, उच्चवर्णीयांचा नकारात्मक दृष्टिकोण यावर त्यांनी 'गुलामगिरी'तून भाष्य केले आहे. दलित साहित्य प्रवाहात हे पुस्तक महत्त्वाचे मानले जाते. डॉ. बाबासाहेब आंबेडकर हे महात्मा फुले यांना स्वतःचे गुरु मानत. 'अस्पृश्य कोण होते?' या डॉ. आंबेडकर यांच्या पुस्तकावर 'गुलामगिरी' या महात्मा फुले यांच्या पुस्तकाचा प्रभाव स्पष्ट जाणवतो. महात्मा फुले यांनी लिहिलेला 'शेतकऱ्याचा आसूड' हा वैचारिक गद्यग्रंथ मराठी साहित्यात महत्त्वाचा मानला जातो. महात्मा फुले यांच्या 'अखंडादी' कविता आणि 'शेतकऱ्याचा आसूड' यांचे मराठी ग्रामीण साहित्यात महत्त्वाचे स्थान आहे. अव्वल इंग्रजी कालखंडातील शेतकऱ्याच्या परिस्थितीचे वास्तववादी चित्रण महात्मा फुले यांनी 'शेतकऱ्याचा आसूड' या वैचारिक गद्यात केले आहे. 'कामापुरती लंगोटी । फिरी नांगराचे पाठी ॥' असे शेतकऱ्याच्या विदारक दारिद्र्याचे चित्र महात्मा फुले आपल्या एका अखंडात करतात.

विद्येविना मती गेली ।

मतीविना नीती गेली ।

नीतीविना गती गेली ।

गतीविना वित्त गेले ।

वित्ताविना शूद्र खचले ।

इतके अनर्थ एका अविद्येने केले ॥

या अखंडात महात्मा फुले यांनी शिक्षणाचे महत्त्व पटवून दिले आहे. मराठी साहित्यातील साठोत्तरी साहित्य प्रवाहातील महत्त्वाच्या अशा दलित साहित्य व ग्रामीण साहित्य प्रवाहात महात्मा फुले यांना प्रेरणास्थानी मानले जाते. १८५५ मध्ये महात्मा फुले यांनी लिहिलेल्या 'तृतीय रत्न' या नाटकाला मराठीतील पहिले सामाजिक नाटक मानले जाते.

### महात्मा फुले यांचे मराठी भाषेला योगदान

महात्मा फुले यांनी मराठी भाषेच्या अभ्युदयासाठी अमोल योगदान दिले आहे. महात्मा फुले यांनी मराठीत 'सत्सार' हे नियतकालिक सुरू केले. अन्वळ इंग्रजी कालखंडात ईस्ट इंडिया कंपनी सरकारने पेशव्यांची श्रावणात रमणा वाटण्याची प्रथा चालू ठेवली, पण त्यासाठी संस्कृत भाषेतील ग्रंथाबद्दल ही दक्षिणा दिली जाईल अशी अट होती, परंतु स्थानिक बहुजनांच्या मराठी भाषेतील ग्रंथांना ही दक्षिणा दिली जात नसे. याविरोधात महात्मा फुले यांनी आवाज उठविला. महात्मा फुले यांच्या आंदोलनामुळे कंपनी सरकारने मराठी भाषेला देखील या योजनेत समाविष्ट केले. 'मराठी' ही सामान्य रयतेची बहुजनांची भाषा आहे, मराठीला यथोचित सन्मान प्राप्त झाला पाहिजे, असा महात्मा फुले यांचा आग्रह होता.

अशाप्रकारे महात्मा फुले यांचे मराठी भाषा संवर्धन व विकासासाठी अमूल्य योगदान आहे, तसेच महात्मा जोतिबा फुले यांचे मराठी साहित्यातील स्थान देखील अढळ आहे.

### मराठीचे मोडीवैभव

मराठी भाषा बाळबोध देवनागरी लिपीत लिहिली जाते, परंतु मराठी मोडी लिपीत देखील लिहिली जात असे. मध्ययुगीन कालखंडात मराठी लिहिण्यासाठी देवनागरी तसेच मोडी लिपीचे उपयोजन केले जात असे. मराठीतील मध्ययुगीन ऐतिहासिक दस्तऐवज मोडीतच आहेत. मध्ययुगीन कालखंडात मराठी धार्मिक ग्रंथ लेखन करण्यासाठी देवनागरी लिपी वापरले जात असे, तर मराठी प्रशासकीय कामे, पत्रव्यवहार यांमध्ये मोडी लिपीचा वापर केला जात असे. मोडी लिपी इसवी सनाच्या १२ व्या शतकाच्या उत्तरार्धात यादव राजवटीत अस्तित्वात आली. यादव राजसभेतील मुख्य प्रधान किंवा करणाधिप हेमाद्री पंडित उपाख्य हेमाडपंत याच्या पुढाकाराने मोडी लिपीला राज्यव्यवहार स्थान मिळाले, म्हणून हेमाद्री पंडिताला 'मोडी लिपीचे जनक' मानले जाते. मोडी ही मराठी भाषेची दुसरी व जलद लिपी मानली जाते. इ.स. बारावे शतक ते इ.स. विसावे शतक या शतकांपर्यंत मराठी भाषा देवनागरी बरोबर मोडी लिपी देखील लिहिली जात असे. इतका प्रदीर्घ काळ मोडी लिपी मराठी लेखनव्यवहारात उपयोजली जात होती. १९४७ ला भारताला स्वातंत्र्य मिळाल्यानंतर मोडी लिपीला उतरती कळा लागली आणि मोडी अज्ञातवासात गेली. आज मराठी लेखन व्यवहारात मोडी लिपी वापरात नसली, तरी महाराष्ट्राच्या इतिहास संशोधनाचे कार्य मोडी लिपीविना पूर्ण होणे अशक्य आहे. यासाठीच मोडीचे जतन संवर्धन होणे, अत्यावश्यक आहे.

### ❖ मोडी लिपीची वैशिष्ट्ये

१. मोडी लिपी मराठी भाषेची दुसरी जलद लिपी आहे.
२. मोडी लिपी देवनागरी लिपीतूनच निर्माण झाली आहे.
३. मोडी लिपीत सर्व इकार दीर्घच असतात.
४. मोडी लिपीत सर्व उकार न्हस्वच असतात.
५. मोडी लिपीतील एकूण दहा अक्षरे देवनागरीसारखी असून, काही अक्षरे स्वतंत्र स्वरूपाची आहेत.

१९५० नंतर सरकारी आदेशाने मोडी लिपी शालेय शिक्षणातून काढून टाकण्यात आली. आज उपलब्ध असलेला सर्वात जुना मोडी लिपीतील मराठी लेख इ.स. १३८९ चा आहे, तो भारत इतिहास संशोधन मंडळात उपलब्ध आहे. मोडी हा शब्द फारसी 'शिकस्ता' या शब्दाचे हुवेहुव

मराठी भाषांतर आहे.इ.स.१२६० ते इ.स.१३०९ पर्यंत राज्य करणाऱ्या महादेव यादव व रामदेव यादव यांच्या कारकिर्दीत मोडी लिपी हेमाडपंतांनी सुरू केली, असे इतिहासाचार्य वि.का.राजवाडे म्हणतात.आर्य लिपी(१९२९) या पुस्तकात लेखक गो.का.चांदोरकर मोडी लिपी हेमाडपंतांनी लंकेतून आणली अशी दंतकथा सांगतात, परंतु ही दंतकथा खरी मानता येत नाही. मुद्रण युगामुळे मोडी लिपी मागे पडली. मोडी लिपी ही इसवी सनाच्या तेराव्या शतकापासून विसाव्या शतकाच्या मध्यापर्यंत मराठी भाषा लेखनाची प्रमुख लिपी होती. हेमाद्री पंडिताने मोडी लिपीचा विकास केला. उर्दूच्या शिकस्ता लिपीप्रमाणे मोडी लिपी देखील हात न उचलता जलद लिहिता येते. मोडी लिपीत चिटणीसी, महादजीपंती, बिबलकरी, रानडी अशी वळणे प्रसिद्ध आहेत.मोडी लिपी महाराष्ट्रात कमीत-कमी ९०० वर्षे वापरात आहे. मोडी लिपी पेशवाई काळात अत्यंत उत्कर्षावस्थेत होती. मराठी मोडी लेखनाबद्दल ज्ञानेश्वरीतील उल्लेख

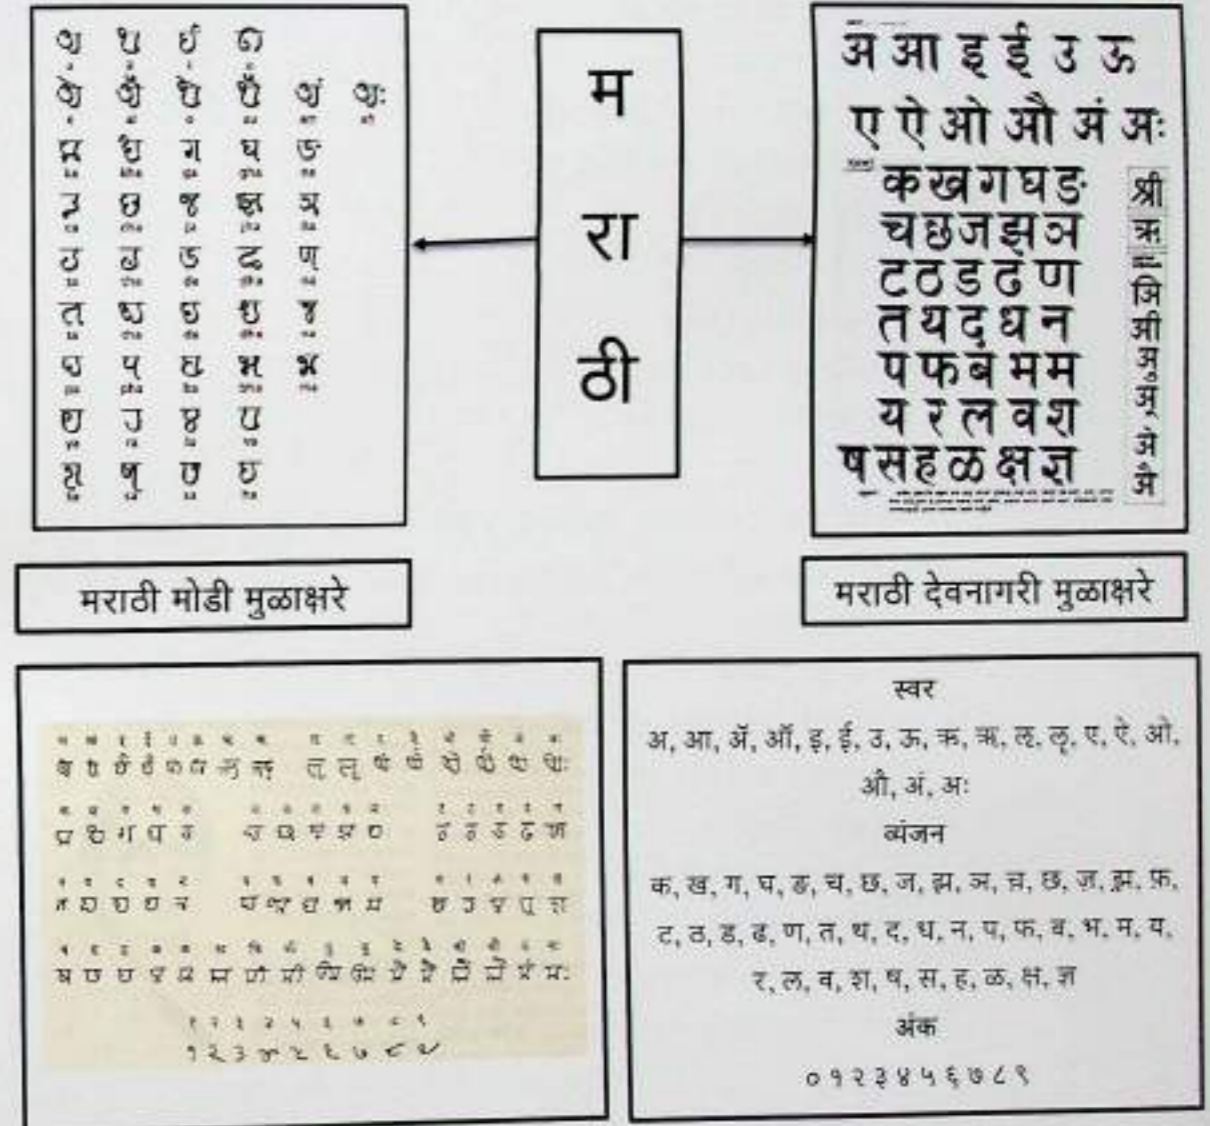

- हे बहु असो पंडितु ! धरुणु बालकाचा हातु !!  
वोळी लेहे वेगवंतु ! आपणाची !! (ज्ञानेश्वरी, अध्याय क्र. १३: ओवी क्र. ३०७)
- सुखाची लिपी पुसिली !! (ज्ञानेश्वरी, अध्याय क्र. ०३: ओवी क्र. ३४६)
- दोषांची लिहिली फाडी !! (ज्ञानेश्वरी, अध्याय क्र. ०४: ओवी क्र. ५३)
- आखरे पुसलिया ना पुसे ! अर्थ जैसा !! (ज्ञानेश्वरी, अध्याय क्र. ०८: ओवी क्र. १७४)

मोडी लिपीचे यादवकालीन, शिवकालीन पेशवेकालीन, आंग्लकालीन हे चार कालखंड आहेत. डेव्हिड डिरिंजरच्या 'अल्फाबेट' मध्ये मोडी लिपी शिवाजी महाराजांचा चिटणीस बाळाजी आवजी यांनी शोधली.अशी दंतकथा दिली आहे, पण ती चुकीची आहे. मोडी लिपीला तिरकस वळण, अधिक वर्तुळाकार आणि सुटसुटीत अक्षरे लिहिण्याचा उपक्रम छत्रपती शिवाजी महाराजांचे चिटणीस बाळाजी आवजी यांनी सुरू केला. शिवकाळापर्यंत मोडी टाकाने लिहिली जात असे. पेशवेकाळात मराठी मोडी लेखन बोरुने होत असे. एकोणिसाव्या शतकाच्या उत्तरार्धात इंग्रज राजवटीत मराठी मोडी लेखनासाठी फाउंटन पेनचा वापर सुरू झाला. कर्नाटकात इसवी सनाच्या नवव्या शतकातील शिलालेख मोडी लिपीतील आढळले आहेत. मोडी लिपीचे देवनागरी, गुर्जरी (महाजनी), पूर्व नागरी (बंगाली) या लिप्यांशी साधर्म्य आहे.पूर्वी गुजराती आणि बंगाली भाषा देवनागरी लिपीतच लिहिल्या जात असत, परंतु तेथील भाषाभिमान्यांनी हट्टाने वेगळ्या लिपीची उभारणी करून ती वापरण्यास सुरुवात केली. मराठीने

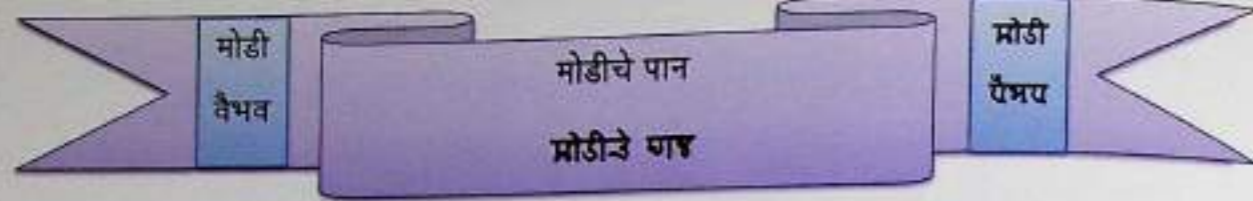

मात्र मोडी लिपीचा त्याग केला. विसाव्या शतकाच्या मध्यापर्यंत देवनागरी लिपीबरोबर मोडी लिपीचा वापर मराठी लेखनासाठी केला जात असे. मराठी भाषेची मूळ असलेली मोडी लिपी पुन्हा लेखनव्यवहारात वापरात आणली, तर मराठी भाषेचा प्रभाव वाढेल असे मराठी भाषाभिमान्यांना वाटते.

## प्राथमिक

विपत्तीसमवेत तू माझे जखण मज

ही माझी प्राथमिका होती,

विपत्तीसमवेत मी प्रथमीन होणं वरुं

शेवटीज माझी शेवटीज

शु:शितापाचं पठणित व्हावेव्हा माझा मजावे

तू जाणवचं प्रजापेठ वही माझी शेवटीज होती.

शु:शितापाचं वरुं शिकवणा ठापा

शेवटीज माझी शेवटीज

वगण माझे वृत्तताच व्हावे

प्रथमक अठपवृत्त पाठ्याचा पठ,

तज माझे मज शेवटीज पठणे

शेवटीज माझी शेवटीज

माझे गाण तू प्रजापेठ व मजा गाणपेठ ही माझी प्राथमिका होती.

तरुच व्हाणवेतां जाणवेतां माझाण शेवटीज

शेवटीज माझी शेवटीज

माझे पळे व्हावे प्रथम

तू माझे जाणवचं प्रथम वही माझी मजाव होती

ते पळे जाणवचं वही माझ माझाण शेवटीज

शेवटीज माझी शेवटीज

शु:शितापाचं पठणित व्हावेव्हा माझा मजावे

मी तुझा वरुं शिकवणा ठापा

शु:शितापाचं वरुं शिकवणा ठापा, तज माझे मज शेवटीज पठणे

तेवण तुझाविवेतां माझा मजाव वगण माझी मजाव वही माझी मजाव होती, शेवटीज माझी शेवटीज

प्राथमिक गण

(वगण प्रथमिकेचे मजाव वही मजाव वही मजाव)

!!मजाव वही मजाव वही मजाव!!

## تلاش زندگی

اک معصہ ہے سمجھنے کا نہ سمجھانے کا  
زندگی کا ہے کو ہے خواب ہے دیوانے کا  
ہر نفس عمر گوشہ کی مہلت فانی  
زندگی نام ہے ہر مر کے جسے جانے کا

جس نے خود کی شناخت کر لی وہ خدا کو بھی پائے گا اپنے آپ کی تلاش کیجیے اپنی پوشیدہ صلاحیتوں کا اندازہ حاصل کرنا اور انہیں کام میں لانا  
ہی زندگی ہے امکانات پر مسلسل توجہ اور ان کا زیادہ سے زیادہ استعمال آپ کو کامیابی سے ہمکنار کر دیں گے۔ اپنے احساس کمتری پر قابو پا کر  
خود اعتمادی کے ساتھ کام کرنا آپ کے اندرون کی ضرورت ہے۔ یہی تلاش ذات اور معرفت حیات ہے۔

محنت، مشقت، مختلف نوعیت کے کام اور مشغلے زندگی کو خوشیوں سے لبریز کرتے ہیں اس کے بالمقابل کاہلی، سلی مالال کو بڑھاتی اور زندگی  
پر سلی اثرات ڈالتی ہے صحت و تندرستی ورزش کھیل کر د سیر و تفریح اور دوستوں کی محفل میں بیٹھنا آپ اپنی پریشانی کو سرور میں غم کو خوشی  
میں تبدیل کرنے کے ہنر سے واقف ہو گئے تو پھر ناامیدی و مایوسی آپ کے قریب بھی نہ آئے گی۔

زندگی زندگی دلی کا نام ہے  
مردہ دل کیا خاک جیا کرتے ہیں

اساتذہ کے بغیر تعلیم کے حصوں کا تصور بھی نہیں کیا جا سکتا۔ وہی طلباء کو تعلیم کی راہ میں مدد فراہم کرتے ہیں ان کی تربیت کرتے ہیں۔ "استاد وہ نہیں جو صرف چار کتابیں پڑھا کر ٹیوشن وغیرہ لے کر اپنا کام مکمل کر لیں بلکہ استاد وہ ہے جو طلباء کی ترقی کے لیے ان کی خفیہ صلاحیتوں کا اجاگر کرے اور انہیں سیدھی راہ دکھائیں۔"

آن لائن تعلیم تو شروع ہوئی، مگر اکثر طلبہ موبائل سے محروم ہیں۔ اکثر زوم کلاس کے وقت موبائل والد کے پاس ہوتا ہے جو اپنے کام پر ہوتے ہیں۔ جس کی وجہ سے طلبہ کو تعلیم میں پریشانی ہوتی ہے۔

طلبہ گھر پر تعلیم میں توجہ نہیں دے پاتے۔ تعلیمی ادارے کا ایک الگ ہی سکون ہوتا ہے۔ گھر پر کچھ بچے آن لائن تعلیم کے دوران اساتذہ کی بات نہیں مانتے، مگر! اسکول میں ان کی بات ماننی ہی پڑتی ہے۔ تعلیمی اداروں میں خود سامنے ہوتے ہیں اور طلباء کو آمنے سامنے پڑھاتے ہیں اور بورڈ وغیرہ پر لکھ کر سمجھاتے ہیں جس کی وجہ وہ جلدی سمجھ جاتے ہیں۔ کھیل وغیرہ بھی کھیلا جاتا ہے جس کی وجہ سے ذہن کو آرام ملتا ہے۔ اسکول میں کھلے دروازے کھڑکیوں کے بیچ طلباء تعلیم حاصل کرتے ہیں اور اسکول میں دوست وغیرہ بھی موجود ہوتے ہیں۔ جو ایک دوسرے سے پڑھائی میں مقابلہ بھی کرتے ہیں جس

## کرونا وبا اور تعلیم کا نقصان

آج کے اس تیز رفتار زمانے میں تعلیم کی ضرورت و اہمیت سے کسے انکار ہو سکتا ہے؟ آج دنیا کی تمام تر ترقیاں تعلیم کی وجہ سے ہے۔ آج کمپیوٹر کا دور ہے۔ اسکولوں میں بنیادی تعلیم، ٹیکنیکل تعلیم، سائنسی تعلیم وغیرہ تعلیم حاصل کرنے والے ہی کامیاب ہوتے ہیں۔

تعلیم کی وجہ سے آج لوگوں کی پہچان ہے۔ اسی تعلیم کی وجہ سے بڑے بڑے مشکلوں پر قابو پایا جاتا ہے اور ہم بڑی آفتوں کا سامنا کر پاتے ہیں۔

تعلیمی اداروں میں تعلیم جاری تھی کہ کووڈ-19 نامی وبا نے پوری دنیا میں ہلچل مچادی۔ اس بیماری کی وجہ سے پوری دنیا میں لاک ڈاؤن لگادیا گیا اور جس کی وجہ سے تعلیمی ادارے بند ہو گئے۔ طلبہ کے ساتھ ساتھ اساتذہ بھی پریشان تھے۔ سوچا کہ کچھ دنوں میں یہ وبا ختم ہو جائے گی اور تعلیمی ادارے پھر سے کھل جائیں گے مگر اس وبا نے 2020 اور 2021 کا پورا سال لے لیا اور 2022 اس کے لپیٹ میں ہے۔ تعلیمی ادارے بند ہونے کی وجہ سے بچے غلط عادتوں کا شکار ہو رہے ہیں۔ کچھ بچے گھر کی خراب حالت کے سبب کام پر لگ گئے، جس کی وجہ سے طلباء کا بہت زیادہ تعلیمی نقصان ہو رہا ہے۔

سے بڑا مزہ آتا ہے۔ جتنا طلباء کو گھر میں تعلیم حاصل کرنے کا سکون نہیں ملتا اتنا تعلیمی اداروں میں ملتا ہے۔

منتخب اشعار فی اللغة العربية.

تسا لني حبيبتى

ما الفرق ما بينى وما بين السماء

الفرق ما بينكما

أنتك ان ضحكت يا حبيبتى

أنسى السماء

My lover asks me

"What is the difference between me and the sky?"

The difference, my love,

Is that when you laugh,

I forget about the sky

"الجمال،

لا يكون لا متلاكك وجهها جميلاً؛

بل يكون يا متلاكك عقلاً جميلاً؛

قلبا جميلاً ودوحاً جميلةً"

Beauty,

Isn't about having a pretty face,

It's about having a pretty mind,

A pretty heart and a pretty soul,

أنا عنك ما كنتم لئتم فرأوك في حيرى وفي أوراقي...

الحب رائحة وليس بسعير أنل لاتفوح... مزارع الرواق

I havont spoken about you to them but they road you in my

Ink and papers ... For love has an essence..

And it cannot be smelt in farms that grow peaches

ما كان مقدر الك سياتيك ولو بين جبلين

What is meant for you, Will reach you even if it is beneath two mountain

وما لم يكن مقدر الك لن يأتيك ولو كان بين شفتيك

And what isn't ment for you, won't reach you even if it is between your two lip

### Photography as my hobby

Photography is a vast subject, there are so many subjects to choose from on which to master and which one would enjoy. I love to click mostly the natural ones or the ones that gives me a perfect satisfaction of where I am in. To get good shots, one need to understand a few concepts of photography like lighting techniques, backgrounds, arrangements and so on, so that when the outcome is done, I get a wonderful shot.

Photography develops me like a part of an active process to become a more compelling and emotional person, and requires a proactive approach to living. They develop a more passionate attitude by doing fun and exciting things, focusing on creativity and using my imagination, and by interacting passionately with others.

My photography Instruments Include: REDMI NOTE 8 SMART PHONE With 48MP Quad Camera Array that combines a powerful 48MP primary sensor, 8MP ultra-wide angle lens, 2MP depth sensor and 2MP macro lens, which allows you to capture a wide range of different pictures

Methodology of My Photography is based on parameters like: Requirement, Planning, Testing, Location and Capturing etc.
