Plastic Collection Drive at Keshav Shrushti Green Society

This is to inform all the enthusiastic members of Ismail Yusuf College's NSS Unit about an upcoming Plastic Collection Drive scheduled for February 25, 2020. The drive is being organized under the guidance of our esteemed Program Officer, Prof. Dr. Shahina Khan.

Plastic pollution poses a significant threat to our environment, and this initiative aims to contribute towards its reduction through responsible waste management.

Details of the Collection Drive:

Date: February 25, 2020 (Tuesday)

Time: 10.00 am

Venue: Keshav Shrushti Green Society

Activities Planned:

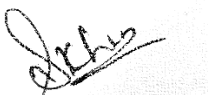

- Collection of plastic waste from designated areas within the society.
- Sorting and categorizing the collected plastic for recycling purposes.
- Awareness sessions on the importance of reducing plastic usage and proper disposal methods.

We invite all interested students and volunteers to participate actively in this noble cause. Your efforts will contribute to creating a cleaner and healthier environment.

For further details and to confirm your participation, please contact the NSS Unit office or Prof. Dr. Shahina Khan.

Thank you for your commitment towards environmental sustainability.

Sincerely,

Dr. Shahina Khan, Program Officer
NSS Unit, Ismail Yusuf College

Report on Plastic Collection Drive at Keshav Shrushti Green Society

Date: February 25, 2020

Organizer: National Service Scheme Unit (NSS), Ismail Yusuf College

Event: Plastic Collection Drive

Location: Keshav Shrushti Green Society

Participants: Students and community members

Volunteers: 27

Program Officer: Prof. Dr. Shahina Khan

Introduction:

On February 25, 2020, the National Service Scheme Unit (NSS) at Ismail Yusuf College organized a Plastic Collection Drive in collaboration with Keshav Shrushti Green Society. The drive aimed to promote environmental sustainability by collecting and recycling plastic waste, thereby mitigating its harmful impact on the environment.

Key Highlights:

- 1. Community Engagement:** Volunteers engaged with residents of Keshav Shrushti Green Society to raise awareness about the importance of plastic waste management and environmental conservation. They educated community members about the adverse effects of plastic pollution on ecosystems and encouraged them to participate in the collection drive.
- 2. Plastic Collection Points:** Designated collection points were set up within the society premises where residents could deposit their plastic waste. Volunteers provided guidance on segregating different types of plastic materials and ensured that the collected waste was properly sorted for recycling purposes.
- 3. Educational Workshops:** Informative workshops were conducted to educate participants about the significance of recycling and the benefits of reducing single-use plastics. Participants learned about sustainable alternatives to plastic products and were encouraged to adopt eco-friendly practices in their daily lives.

4. Collaborative Efforts: The Plastic Collection Drive fostered collaboration between the NSS Unit, Ismail Yusuf College, and Keshav Shrushti Green Society. Through joint efforts, volunteers and community members worked together to promote environmental stewardship and address the challenge of plastic pollution at the grassroots level.

Volunteer Support:

Under the guidance of Program Officer Prof. Dr. Shahina Khan, 20 student volunteers from Ismail Yusuf College actively participated in organizing and executing the Plastic Collection Drive. Their dedication and enthusiasm were instrumental in mobilizing community participation and ensuring the success of the initiative.

Conclusion:

The Plastic Collection Drive organized by the NSS Unit at Ismail Yusuf College and Keshav Shrushti Green Society exemplified the spirit of community collaboration and environmental responsibility. By engaging residents in plastic waste management efforts, the drive contributed to fostering a cleaner, greener, and more sustainable environment.

Acknowledgment:

Ismail Yusuf College extends its appreciation to all participants, volunteers, community members, and organizers for their commitment to promoting environmental conservation and sustainable living through the Plastic Collection Drive.
