REPORT

Study Tour to Sardar Patel University, Anand, Gujarat, Ac. Yr. 2022-23

A One-Day Study Tour to the Statistics Department of Sardar Patel University, Anand, Gujarat, was organized by the Department of Statistics of Ismail Yusuf College for the students of First, Second and Third Year B.Sc.(Statistics) on 21st January 2023. The aim of this study tour was to know about the various Post Graduate Degree and Diploma courses in Statistics taught at the University and the innovative and advanced methods of Teaching-Learning employed by the Professors so as to help the students in career-planning and the staff to adopt the teaching practices back home.

A total of 8 students and 4 staff members participated in the tour.

We boarded the 12901 Dadar- Ahmedabad SF Gujarat Mail at 9.40 p.m. at Dadar Western Railway Station and reached Anand Junction at 4.00 a.m. From the station, we boarded autorickshaws to reach the Campus of Sardar Patel University.

After a little rest and freshening up at the University hostels, we had a light breakfast and proceeded to the Statistics Department at around 11.00 a.m. At the University we were greeted by Prof. Dr. DharmeshRaykundaliya, Senior faculty of the Department. Dr. Raykundaliya took us around the department in a guided tour, showing us the department library, the computer laboratories, lecture halls, faculty cabins, research room, auditorium, and a room for meditation as well. At every step, Raykundaliya Sir explained the various aspects involved in the infrastructural set up and their importance and significance in the study of Statistics. We also got an opportunity to interact with the PG students who also presented physical models and games developed by them for easy understanding of the concepts of Statistics. Raykundaliya Sir also delivered a lecture on how knowledge of statistics is required in every field and how statisticians are the most sought after professionals in today's job markets. We also interacted with the Head of Department of Statistics, Dr. Jyoti Divecha and other faculty as well as a few research scholars.

The visit winded up around 3.00 p.m. after which we had lunch and proceeded for some local sightseeing.

At 9.25 p.m. we boarded the EktanagarDadar Superfast Express and arrived at Dadar Railway Station at 5.30 a.m. on 22nd January 2023.

All in all, the visit was very fruitful from the point of view of knowing various post-graduation study options for students, teaching- learning methodologies for staff and career opportunities in the field of Statistics. The tour was enjoyable as well.

Report

On 30.08.2022, the Department of Arabic, Urdu, Persian & Islamic Studies organized a one-day educational tour to Malshej Ghat for the T.Y.B.A students. The trip aimed to provide students with a practical learning experience outside the classroom and to immerse them in the cultural and natural beauty of the region.

The tour included visits to nature, as well as opportunities for students to engage in interactive learning activities related to their academic disciplines. Students had the chance to interact with local people.

Overall, the educational tour to Malshej Ghat was a success, with students expressing gratitude for the opportunity to learn in such a unique and immersive environment. The Department looks forward to organizing more educational tours and experiential learning opportunities for students in the future.
