I am very happy to present our college magazine 'Palms' for the academic year 2022-2023. The Palms magazine represents the ethos and ambience of the culture at Ismail Yusuf College. I feel privileged and blessed to lead this prestigious and beautiful college.

The year marked various activities conducted by the different committees and departments. All of us have experienced a great change in our campus as well as all the facilities that have been provided to the staff and students. From this academic year we started PG in Zoology, Biotechnology, Statistics, Botany, Urdu, and History, after receiving necessary permission from government and the University of Mumbai. Our students will definitely greatly benefit from these new career opportunities.

We conducted three conferences in the field of Arts, Science and Commerce. Several papers were presented by staff and students and all the participants benefited greatly from these conferences.

Our Students won great success in all the intercollegiate cultural and sports activities that they participated in.

I congratulate all my faculty members and the students for the success which they achieved in all the academic and co-curricular activities.

I express my deep gratitude towards all the faculty, nonteaching staff and students. My warm regards and best wishes to all of you. I wish you all a very bright and successful future.

महाविद्यालयीन शिक्षणाच्या बदलत्या पर्वाची तयारी असे COVID संक्रमणाची लाट ओसरल्यानंतर आलेले शैक्षणिक वर्ष २०२२-२३ याबाबत म्हणता येईल. राष्ट्रीय शैक्षणिक धोरण-२०२० (NEP) ची अंमलबजावणी सुरु होण्याआधीचे शेवटचे वर्ष असाही याचा उल्लेख करता येईल.

COVID मुळे ऑनलाईन प्रकारच्या तंत्राची ओळख विद्यार्थी - शिक्षक यांना तसेच बहुतांशी समाजातील घटकांना करून घ्यावी लागली. पण आज COVID काळातून बाहेर पडल्यावर ऑनलाईन पद्धतीने शिक्षण पूर्ण बंद झालेले नाही, त्या तंत्राचा वापर चालू राहिला आहे. तसेच ऑफलाईन पद्धतीने पूर्वीसारखे प्रत्यक्ष शिकविणे व विविध कार्यक्रम करणे आदी जोमदारपणे नवचेतना आणि नवऊर्जा लेवून सुरु झालेले दिसत आहे.

यावर्षी आपल्या महाविद्यालयात देखील हा जोश विविध प्रकारे प्रकटला. महाविद्यालयातील अनेक विभागांनी " आझादी का अमृत महोत्सव " अनेक कार्यक्रमांद्वारे साजरा केला. तसेच सर्जनशील लिखाण (creative writing) या पाम्स महोत्सवा अंतर्गत घेण्यात आलेल्या लेखन स्पर्धेत विद्यार्थी विविध विषयांवर आपले विचार मोकळेपणाने मांडून व्यक्त झालेले दिसतात. महाविद्यालयातील खेळाडू विद्यार्थ्यांनी विविध आंतर महाविद्यालयीन, विद्यापीठ स्तरावर आणि राष्ट्रीय स्पर्धांमध्ये भाग घेऊन आणि जिंकून आपली चमक दाखवली.

एकंदरीतच COVID नंतरच्या काळात नवीन तंत्रज्ञानाचा वेग पकडून, त्याचा वापर करून, त्यावर स्वार होऊन, स्वतः मधील क्षमता ओळखून आपले कौशल्य विकसित करणे, आपली गेले २ वर्षे दरम्यान विविध कारणांनी थांबलेली किंवा मंदावलेली शैक्षणिक प्रगती पुन्हा साधणे याचे प्रयत्न विद्यार्थी आपले पालक व शिक्षक यांच्या साहाय्याने करताना दिसत आहेत. तसेच याचबरोबर आता विषय निवडीच्या संधी, शिक्षणातील खंड विचारात घेऊन रोजगार उपलब्ध होण्यासाठी मदत करणे व शिक्षण गळती थांबवून पुढील शिक्षणाची संधी मिळणे अशा विविध विद्यार्थीभिमुख आणि विद्यार्थीपूरक अशा NEP ची अंमलबजावणी होत आहे.

या महाविद्यालयाच्या सर्वांगीण विकासासाठी सदैव प्रयत्न करणाऱ्या महाविद्यालयाच्या मा. प्राचार्य डॉ. स्वाती वाव्हळ यांच्या मार्गदर्शनाने सर्व विद्यार्थी, शिक्षक आणि शिक्षकेतर कर्मचारी NEP च्या (राष्ट्रीय शैक्षणिक धोरणाच्या) अनुषंगाने होणाऱ्या पुढील बदलांची सज्जता नक्कीच करू शकतील असा विश्वास सर्वांना वाटतो.

Programmes conducted for the Academic Year 2022-23 Eco-Friendly Ganesh Utsav

Date: 29 & 30 August 2022

Venue: College Campus

Eco friendly modaks made of soil were made which had a seed enclosed in it.

Each modak had anyone of the following type of seed: Pumpkin, beans, okra, spiny Gourd.

Around 7280 eco friendly modaks were made using the modak DIYs

The modak moulding was done under the guidance of the extension teachers. The modaks were left to be dried for one complete night.

The next day modak distribution was to be held before a vessel made of leaf was prepared in which eco-friendly modak was to be given. Beginning with the madam principal of our college, Dr. Swati D Wavhal, eco friendly Modak was given. She believed this as an innovative step and accepted it with elegance. Next week continued with the teachers of various departments along with their heads. Each one of the arts science and commerce sections accepted with grace.

Tree plantation program

Date: 08 December 2022

Venue: College Campus

A free tree plantation drive was held in order to understand and learn soil conservation. The students and extension teachers went to Ashok Kamte garden which is situated at Andheri East to understand and learn about soil conservation under the Save soil scheme with 14 student member volunteers and the extension teacher Dr. Archana Rangari. We reached sharp at 2:00 p.m. and were welcomed by Subhajt Mukherjee. There were already few members of the NSS where along with them sir guided the students about the garden and also about the preparation of compost needed for the tree plantation.

Further students started with the composed preparation for which we were given the soil in which we added some gram flour and we cleaned the lawn and gathered all the dry leaves which then they had infused into the soil and had then mixed all of them thoroughly.

They had also invited Mahindra & Mahindra logistics members for the tree plantation. We started planting different species of plants provided by them with the

support of stick and rope. Then they added the compost and water to each of the plants.

Furthermore they provided snacks which all the students had enjoyed. Also they provided the participants with participation certificates of appreciation.

Mithi Nadi Swachh Abhiyan

Date: 18 December 2022

Reporting time: 1430 Hrs IST

Venue: Mahim causeway

Students of DLLE participated in Mithi Nadi Swachh Abhiyan on behalf of Ismail Yusuf college. This campaign was organized by R.D. National college, Bandra. Many college students participated in this campaign. Students realized how much pollution has increased and caused harm to nature, animals and birds and humans. Performing the tasks the students realized that we as humans are polluting nature and it is our duty to clean it, and while cleaning the dirt, garbage, plastics, etc. near the river we wore masks and hand gloves and took all our safety precautions. It took almost four to five hours to clean it, and the students accumulated the garbage and trash separately.

It was a great experience for them and it felt good to do something for our nature. I thank DLLE and also madam principal of Ismail Yusuf college.

KHADYA JATRA (Anna Poorna Yojana - APY)

Date: 06 January 2023

Venue: College Campus

Khadya Jatra under annapurna Yojana scheme was celebrated at the opposite side of the college's main building. The program begins with the inauguration by the principal, Dr. Swati Wavhal. She had encouraged all the student groups as being the first customer.

Maharashtra traditional food steamed Modak, coconut Wadi, Gujarati french fries, dabeli, litti chokha, appams, fruit custard, Russian cutlet, matar kachori, aloo chana chaat and many more stalls were put up and all were sold at a subsidized rate to all the collegians.

professors, lecturers, the non teaching staff and others.

It was appreciated as a successful great initiative by the DLLE team of our college.

Annual Udaan Festival

Date: 10 February 2023

Venue: College Campus

The annual UDAAN festival was held at Thakur College situated in Kandivali East. Different events like Powada, elocution, poster making competition, creative writing and many other such events were organised by the host college. Students from various colleges participated in different events and so did our college also. Members of the DLLE and our extension teacher Dr. Archana Rangari also accompanied.

The festival had begun with the felicitation of the judges which was followed by the events organised by them.

Mr Vighnesh Shah has participated in the elocution, Mr Siddhesh Kamble and Ms. Netra Narvekar had participated in the poster making competition and Mr. Naved Khan and Mr. Prashant Ohal had participated in the creative writing competition. The college had provided us with coupons for breakfast and lunch.

Lastly the prizes were distributed for all the various events that had been conducted by the host college. And the festival had come to an end.

DLLE FIESTA 2023

Date: 20 February 2023

Venue: College Auditorium

A well-organised intra-collegiate competition was held in the College Auditorium, Main building, Ismail Yusuf College of Arts Science and Commerce. All the students enrolled in various courses offered by the college were cordially invited for the very occasion.

The program began with the felicitation of Chief guest Dr. Arvind Luhar by Dr. Archana Rangari (extension teacher). The chief guest speaker enlightened the students about the importance of the Department of Life-Long Learning and Extension (DLLE) and its extension and activities and perks and benefits in the coming years not only to us but for society.

Quite a few students had taken part in various competitions including elocution, Solo/duet singing, debate, happy moments, poster presentation, and many more. To manage all such events DLLE fellows were appointed as Event leaders for the smooth functioning of the program.

31 participated in Happy moments and the winners were Shankar Badiger (TYBSc), Sanchet Dhanawade, (TYBA). Winners for poster competition were Siddhesh Kamble (TYBA) and Akisha (TYBSc) and Alisha (FYBCom) Winners for Elocution are Prashant Ohal (TYBA), Shirin Sayyed (FYBA) and others.

The students were quite appreciative of the organisation of such events where they got an opportunity to showcase their dexterity and present it on an open forum which would in turn help boost their self-esteem, leadership qualities and eliminate stage apprehension.

Lastly, a vote of thanks was given by Mr. Vighnesh Shah, the student manager, DLLE and the programme came to an end.

NSS (National Service Scheme Report) 2022-23

The following report provides a comprehensive overview of the National Service Scheme activities carried out at Ismail Yusuf College of Arts, Science and Commerce over the course of academic year 2022-23. The NSS program at Ismail Yusuf College aims to engage students in various community service initiatives, promoting social responsibility, leadership and personal development.

NSS Registration and Volunteer Recruitment: At the beginning of the academic year, an orientation session was organized by Dr. Shahina Khan to familiarize students with the NSS program and its objectives. Following the session, interested students registered as NSS volunteers, forming a dedicated team.

Awareness Campaigns:

Throughout the year, the NSS team organized several awareness campaigns on diverse social issues. The NSS team actively engaged in community outreach initiatives, addressing the needs of marginalized sections of society.

a) Health and Hygiene: Workshops and seminars on Yoga and Polio Drive were conducted on 19th June 2022 to educate the community on preventive measures.

b) Environmental Conservation: On 25th October 2022 Solar Eclipse Observation was done by the

NSS Volunteers. On 19th December 2022 Tree Plantation was carried out in Ismail Yusuf Campus. A Cleanliness Drive was organized on 23rd December 2022 to make the students aware about importance of cleanliness.

- c) **Road Safety:** On Ganpati Visarjan Day the NSS volunteers with the help of traffic police to create awareness about road safety regulations, traffic rules and responsible driving habits among general public.

- d) **Community Outreach Programmes:** On 13th August 2022 a rally was organized for Azadi Mahotstav. The various community outreach initiatives like Blood Donation, Eye Check Up, CBC were undertaken on 20th December and 21st December 2022.

- e) **Skill Development and Recognition of talent:** On 10th August Essay Writing Competition was conducted in order to foster writing skills among the NSS volunteers. On 11th August 2022 Painting Competition was organized in order to inculcate artistic abilities among the NSS volunteers. On 12th August 2022 Rangoli Competition was organized to foster individual talent and art.

Social Initiatives

The NSS program also took part in social initiatives to foster inclusivity, unity and harmony among individuals.

- a) On 17th September 2022 the NSS volunteers conducted Street Play Activity. On 2nd October 2022, Bhajan Sandhya was undertaken by NSS volunteers. A Rally against Dowry was organized on 26th November 2022.

On 31st October A lecture was delivered by the Programme Officer Dr. Shahina Khan to encourage the

NSS

Youngsters in Nation Building. A Street Play was performed to make the people aware about cleanliness in College Campus on 22nd December 2022.

NSS Camp

The NSS team actively collaborated and organized a NSS special camp at Shiravali village, Thane District for 27 students and 6 teachers from 11th February 2023 to 17th February 2023 to expand the impact of their activities. This special camp facilitated resource sharing, knowledge exchange and the implementation of joint initiatives for the betterment of society.

The NSS activities throughout the year at Ismail

Yusuf College of Arts, Science and Commerce have been instrumental in promoting social responsibility, fostering a spirit of volunteerism and nurturing holistic development among the student community. The dedication and commitment of the NSS volunteers have positively impacted the lives of many individuals and communities. The ongoing efforts of the NSS program align with the College's vision of producing socially conscious and responsible citizens.

Department of Psychology

June 2022 was an Overwhelming beginning for the department of Psychology as the Covid 19 restriction were almost removed. After resuming our respective duties, we the Professors also felt a bit challenging to restart with the routine. With the new batch of students joining who have not been to college and studying online from past two years seem to be bit nervous but excited also. Bringing this students to do their task was also something which we knew was going to be tough. Apart from making the students to attending Lectures and studying we needed them to get more involved hence we thought of doing different activities with them. So we decided to chalk out few class wise activities.

So firstly we picked 5yba students to do an activity on 'Self Awareness'. To our surprise the students participated with full enthusiasm and showed their skills. It was a good beginning for the department. After this the department did many class wise activities like poster making competition on different themes, debate etc...

showed her willingness to host and enlighten the entire event. The theme was to decode one's mind from all the negativity which a person holds. How to charge one's self with positivity and bring others also in the same Positive Aura. "Mental wellbeing is the main essence for every Human being today" was the assertiveness of the event.

शैक्षणिक वर्ष - २२-२३

महाविद्यालयीन कला शाखा इंग्रजी, मराठी, हिंदी, उर्दू, गुजराती, अरेबिक, पर्शियन ह्या सात भाषा व इतिहास, राज्यशास्त्र, अर्थशास्त्र, मानसशास्त्र, तत्त्वज्ञान ह्या समाजशास्त्रांनी समृद्ध आहे. ह्यातील बहुतेक विभागांनी आपले अहवाल पाम्स मासिकात सादर केलेले आहे. वर्षभरात काही कार्यक्रम संपूर्ण कला शाखे साठी आयोजित केले गेले. त्यांचा गोषवारा खालीलप्रमाणे :

दिनांक १५ जुलै २०२२ रोजी 'Flyhigh Aviation Academy' मार्फत द्वितीय व तृतीय वर्षांच्या विद्यार्थ्यांसाठी हवाई सेवे संदर्भातील विविध कोर्सेसची माहिती देण्यात आली. विविध करियर व त्यातील संधीची माहिती विद्यार्थ्यांना प्राप्त झाली.

प्रथम वर्ष कला प्रवेश समितीच्या पुढाकाराने नवीन प्रवेशित विद्यार्थ्यांसाठी उदबोधन सत्राचे आयोजन दि. १९/०७/२२ रोजी केले गेले. श्री. समीर वैरागी यांनी विषय निवडी संदर्भात मार्गदर्शन केले. डॉ. शीतल पंचीकर यांनी सांस्कृतिक समिती, राष्ट्रीय सेवा योजना, राष्ट्रीय छात्र सेनेची व परीक्षे संदर्भातील माहिती दिली. प्रो. अत्तार रवानी व डॉ. माधुरी जोशी यांनी महाविद्यालयातील ग्रंथालय, इतर उपक्रमांबद्दल, शिस्त पालनाच्या नियमांबद्दल माहिती दिली. कला शाखेतील सर्व प्राध्यापकांचे सहकार्य व उपस्थिती लाभल्या मुळे प्रथम वर्ष विद्यार्थी उदबोधनाचा कार्यक्रम यशस्वी झाला.

दिनांक ३० जुलै २०२२ रोजी जोगेश्वरी (पूर्व) येथील पोलिस स्टेशन मधील पी.एस. आय. श्रीमती भोसले व त्यांच्या सहकाऱ्यांनी 'सायबर क्राईम' ह्या विषयावर कला शाखेच्या विद्यार्थ्यां मध्ये जागरूकता निर्माण करण्यासाठी व्याख्यान दिले. मोबाईल वरून आर्थिक व्यवहार करताना घ्यावयाची काळजी, अनोळखी व्यक्ती कडून पाठविली गेलेली लिंक न उघडण्याची खबरदारी घेण्यास सांगितले. सदर उदबोधना नंतर विद्यार्थ्यांनी विचारलेल्या प्रश्नांना पी.एस.आय. श्रीमती भोसले यांनी उत्तरे दिली. कार्यक्रमाच्या शेवटी डॉ. शीतल पंचीकर यांनी आभार मानून अशा कार्यक्रमाची उपयुक्तता विशद केली.

श्रीमती मीना ठाकर, विभाग प्रमुख गुजराती ह्या ३० सप्टेंबर २०२२ रोजी ३६ वर्षांच्या प्रदीर्घ सेवे नंतर निवृत्त झाल्या. कला शाखेच्या सभे मध्ये त्यांना भावपूर्ण निरोप देण्यात आला.

मुंबई विद्यापीठ व गरवारे इन्स्टिट्यूट ऑफ करियर एज्युकेशन व डेव्हलपमेंट मार्फत विद्यार्थ्यांसाठी 'Career Guidance and Enhancement of Employability skills' ह्या विषयावर २० ते २३ जानेवारी असे तीन दिवसीय कार्यशाळेचे आयोजन महाविद्यालयालयीन स्तरावर केले होते. कला शाखेतील विद्यार्थिनींनी त्याचा लाभ घेतला.

विद्यार्थ्यांच्या जीवनात परीक्षेचे महत्त्व अनन्य साधारण असते. २७/०१/२३ रोजी माननीय पंतप्रधान नरेंद्र मोदी यांच्या 'परीक्षा पर चर्चा' ह्या प्रसिद्ध व विद्यार्थी प्रिय कार्यक्रमाचे यू ट्यूव वरील लाईव्ह प्रसारण कला शाखेतील विद्यार्थ्यांनी मोठ्या संख्येने उपस्थित राहून अनुभवले. सर्व प्राध्यापकांनी विद्यार्थ्यां समवेत उपस्थित राहून त्यांच्या मनातील परीक्षे संदर्भातील भीती दूर होण्यास असे कार्यक्रम निश्चित मदत करतील असे मत नोंदविले.

कला शाखे द्वारा १८ जानेवारी २०२३ रोजी आंतरविद्याशाखीय ई-परिषदेचे आयोजन करण्यात आले. भारताच्या स्वातंत्र्याला ७५ वर्षे पूर्ण झाली त्याला अनुसरून 'स्वातंत्र्योत्तर राष्ट्रनिर्मितीत महाराष्ट्राचे योगदान' परिषदेचा विषय निश्चित करण्यात आला. सदर विषयावरील शोध निबंध 'रिसर्च जर्नी' Peer Reviewed Referred and Indexed Journal च्या ३१० ह्या विशेष अंकात (Impact factor SJIF, ISSN २३४८-७१४३) प्रकाशित करण्यात आले. कला शाखेतील सर्व प्राध्यापकांच्या एकत्रित प्रयासांमुळे व प्राचार्यांच्या सहकार्याने हे साध्य होऊ शकले. ह्या प्रकाशनाने सर्वांचाच आत्मविश्वास वृद्धिंगत झाला.

धन्यवाद.

FACULTY OF ARTS REPORT

Conference Report: Faculty of Arts

The Faculty of Arts organized One Day National E-conference 'Exploring Maharashtra's Contribution in Nation Building since Independence' to commemorate 75 Years of Indian Independence on 18th January 2023. The conference was inaugurated by Principal Dr. Swati Wavhal with Deeprajvalan and followed by the greetings of Shri. Chandrakant(Dada) Patil, Higher and Technical Education Minister, Shri. Vikas Chandra Rastogj, Principal Secretary, Dr. Shailendra Deolankar, Directorate of Higher Education. The conference had explored, at length, Maharashtra's contribution to national development since independence. It emphasised State's contribution to Industrial, financial, political and social development. The conference refreshed State's preponderance in nation's progress. The conference was a part of celebrations on the occasion of 75th years of independence.

Dr. Swati Wavhal, Principal, in her introductory speech enlightened participants about the College and assured that Ismail Yusuf College will continue to contribute in the field of education. The Principal also expressed her views about significance of multidisciplinary E- conference in today's education system. The college had brought together a diverse group of resource persons, including Dr. Sadanand More, Dr. Asmita Vaidya, Dr. Nandu Mulmule so as to enlighten young generation on State's contribution to national development.

The key note address – Dr. Sadanand More, former Head of the Department of Philosophy, University of Pune.

Dr. More's key note speech laid out an overarching context of State's formation in the context of freedom movement. He explained Maharashtra's pre-eminence with regard to freedom movement. Also, he illuminated the role Maharashtra played in formation of national

consciousness and its subsequent growth. He effectively analysed Maharashtra's unique contribution to nation building, pre-independence as well as after independence. He specifically spotlighted contribution of Smt. Saviti Bai Phule, Shi. Shahu Maharaj, and Dr. B.R. Ambedkar.

The Chief Guest - Dr. Asmita Vaidya, Principal, Government Law College, Mumbai.

The Chief Guest, Dr. Vaidha provided a review of laws for women's rights, empowerment and their participation in national development from 1950s to 1990 and thereafter. She also characterised Maharashtra contribution as an embodiment of 'state of ethics' for others to follow. She also enumerated challenges before women - dowry, domestic violence and harassment at work place - and the legal remedies available.

With Chief Guests' address the inauguration session of the conference got concluded.

The first guest speaker - Dr. Jaswandi Wamburkar, Head of the Department of History, SNDT University, Mumbai.

Dr. Jaswandi narrated at length, Maharashtra Women's contribution to nation-building. She elucidated Smt. Iravati Karve's anthropological, pedagogical and Indic studies and Smt. Durgatai Bhagvat's role in literary studies. She, furthermore, stipulated Maharashtra women's contribution to Classical Music, cinema and theatre and highlighted the role of numerous periodicals in women's empowerment.

The second guest speaker - CA Avinash Ghare

CA. Avinash Ghare, explained growing financialization of economy and Maharashtra's contribution to it. He

predicted that Maharashtra is likely to be a five trillion economy by 2035. He said the State is on the verge of becoming an important part of global value chain and a leading industrial, commercial and entertainment hub. Mumbai, Mr. Ghare believed, will retain its eminence not just in the country but in the region, given Mumbai's sustained growth - vertical as well as horizontal.

The third guest speaker - Dr. Sajaudeen Chapparban, Assistant Professor, Centre for Diaspora Studies, Central University of Gujarat

Dr. Sajaudeen's talk on 'the Global Marathi: An Overview of Marathi Community in Israel and their contribution to India' explored human migration besides defining meaning of diaspora. He elucidated contribution of Marathi people abroad. He illustrated economic remittances of Marathi people by showcasing it through developments in cultural landmarks. His presentation was based on extensive and meticulous use of statistical data, maps and graphs.

The fourth guest speaker - Mr. Mahendra Inge, Head HR, Serum Institute of India Ltd. Pune.

Mr. Inge explained contribution of Serum Institute in manufacturing and distribution of various vaccines for containing outbreaks of viruses than endanger human lives like, cholera, malaria, Ebola, tuberculosis and Covid - 19. He showed a video of Serum Institute and its manufacturing processes. His presentation was an outline of vaccine development and Maharashtra's contribution to it. Also, it was one of the succinct but powerful presentations.

The fifth guest speaker - Mr. Sandeep Jogdand, Assistant Professor of Public Administration, Govt. College, Aurangabad

Mr. Jogdand elaborated, at length, contribution of

social, literary and renaissance movements from Maharashtra to the formation and rise of national consciousness. He analysed the process of political awareness, its spread and consolidation among subalterns and subsequent demand for equal rights, equal opportunity and social justice. He illuminated the rise and role of Dalit movement in raising awareness on socioeconomic and political conditions of Bahujans and reiterated importance of struggle for their emancipation. Mr. Jogdand also analysed ideas of Shri. Shahu Maharaj and Dr. B. R. Ambedkar.

With this presentation, the second session was concluded.

The Valedictory Session - Dr. Nandu Mulmule, M. D. (Psychiatric), Author, Presenter and Stress Management Expert

Dr. Mulmule explained, in effective fashion, how to organise our priorities in life and how to get maximum happiness from them. He insisted on significance of simple life as against the life full of inconsequential activities. He illustrated these and other simple facts of real happiness and their profound impact on our lives by citing example of Saint Dnyaneshwar, Saint Tukaram and others.

Simultaneous with second session, we had presentations from other invited researchers who also highlighted Maharashtra's contribution to nation-building. In total, fourteen (14) research papers were presented during the session.

All the papers are published in a referred journal 'Research Journey'. Our faculty members, research scholars, and students had hugely benefited the knowledge engendered during the conference. The conference had reiterated, reinforced ascendancy of the State of Maharashtra in India and beyond.

Department of Botany Activities Report: 2022-2023

"Azadikaamrutmahotsav"

AzadiKaAmritMahotsav is a pan-India celebration of the 75 years of India's independence. This campaign is being manifested through organisation of cultural events across the country, each being organized with the objective of AzadiKaAmritMahotsav in mind—to ensure maximum "Jan Bhagidari".

Department of Botany also celebrated "AzadiKaAmritMahotsav" to commemorate 75 years of independence by organising and conducting following events.

1) Floral Rangoli

Department of Botany has organised Floral Rangoli Competition on the theme of "Azadikaamrutmahotsav" on 13th August 2023. 68 students participated in the event and 30 floral rangoli were displayed for the competition. Dr. Amit Saraf, Dr. Archana Rangari and Shri. Nitin Shelake played a major role in organizing the event. Dr. Kiran Taksande and Dr. Dattatray Bhangare were invited as a Judge for the Floral Rangoli Competition. Ruchi Rane and Naved Khan (TYBSc Botany) secured first prize in the event.

3) National Anthem

As a part of the ongoing 75th Independence Day celebrations, Maharashtra Government has appealed all the citizen to collectively recite the National Anthem at 11:00 am on 17th August 2022. Students and staff from Department of Botany has participated in "SwarajMahotsav" along with local citizens.

4) Excursion: Chandigarh Shimla

Department of Botany has organised a long excursion to Chandigarh & Shimla from 29th January 2023 to 4th February 2023. 46 students, 7 faculty members and 01 non-teaching staff accompanied the excursion. Students visited Central Potato Research Institute (CPRI), Shimla (H.P.) and Directorate of Mushroom Research (DRM), Solan (H.P.) during the visit. Dr. Amit Saraf, Shri. Nitin Shelake, Ms. Shatabdi Sawant & Ms. Shruti Chipkar accompanied the excursion along with Shri. Arvind Narvekar (Non-teaching staff). They also studied the local flora comprising of members from Gymnosperms, Pteridophytes and Bryophytes which are only observed in temperate and alpine conditions.

6) Short Excursion to MNP

06 Students from TYBSc Botany accompanied with alumnus Dr.RiteshKhandekar for Plants, Flowers and Medicinal Plants Show-2023 organised by MMRDA at

Mahim Nature Park (MNP) on 26th February 2023. Students had the opportunity to see a wide collection of medicinal plants which were put up for display.

DEPARTMENTAL REPORT - BOTANY

7) Millet Festival

Botany Department organised Millet Festival to commemorate "International Year of Millets" being observed by United Nation as a part of Science Day celebration at the college on 28th February 2023. Dr. Amit Saraf, Dr. Archana Rangari, Shri. Nitin Shelake, Shri.

Shubham Tanpathak and Ms. Pratima Pandey played an active role in organising the event. The festival received tremendous response from the students who displayed various food delicacies made from the common millets. 38 students participated in the event which was judged by Dr. Aarti Nagarsekar and Shri. Tripathi.

Department of Chemistry in Academic year 2022-23

Department of Chemistry in academic year 2022-23 arranged workshops and hands-on training of various instruments of the central instrument laboratory. Many M.Sc. students and staff of the college get benefited of these workshops.

On 13th April 2023 we arranged workshop on Raman Spectrometry. In which Engineer from the Fischer Scientific Mr. Sachin Joshi gave the demonstration of Raman Spectrometer. He explains the careful handling of Raman Spectrometer. Various parts of the Raman Spectrometer. Working and Principle of the Raman Spectrometer. He also shows the analysis of some standard sample and how to compare the spectra with the library. Then our M.Sc. students took the Hands-on training of the instruments under his guidance. In the arranged workshops M.Sc. Chemistry students, staff of

the department also the Ph.D. students of the Physics department actively participated.

On 28th February 2023 Department of Chemistry in collaboration with all science department of the college celebrated National Science Day. In that programmes M.Sc. Chemistry students participated in funny reactions. Total six group participated in the funny reactions (1) Unburnable notes, (2) Fire on water, (3) Elephant toothpaste, (4) Manganese Epoxide as a explosive, (5) Fireworks Colored flame from methyl borate, (6) Yellow dye of KI and $PbNO_3$. In that Elephant toothpaste won first prize and Unburnable notes won second prize. In this programmes students also explain the science behind this reactions.

DEPARTMENTAL REPORT - CHEMISTRY

On 17th December 2022 Department of Chemistry arranged Parents-Teachers Meeting of T.Y.B.Sc students. As these students are facing offline university examinations after the CORONA lockdown. Faculty of the chemistry department, discuss the problems of students in the teaching and learning and how to cope up with these problems that students are facing.

Parents-Teacher Meeting

On 20th March 2023 Department of Chemistry arranged hands-on training on pH metry, Conductometer and Potentiometry. In which Expert Mr. Arif from thermo scientific gave the demonstration of pH meter, Conductometer and Potentiometer. He explains the careful handling of electrode, standardization of instruments etc. In this training T.Y.B.Sc. Chemistry and M.Sc. students participated and benefited.

On 10th November 2022 Department of Chemistry arranged Workshop on Thermogravimetry, Differential Thermal Analysis. In which Expert from Lab India Dr. Pravin Tirmalli explain various parts of the TGDTA,

Working and Principle of the TGDTA. He also shows the analysis of some standard sample. Then our M.Sc. Chemistry students and staff took the Hand's On training of the instruments.

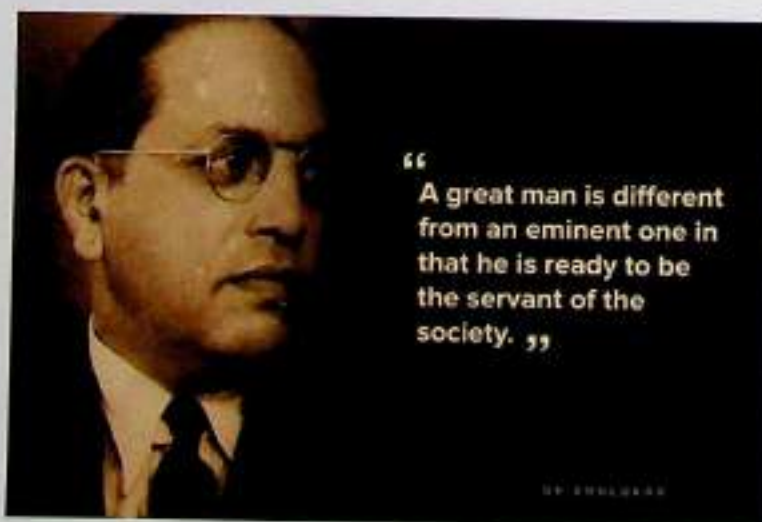

DEPARTMENTAL REPORT - CHEMISTRY

On 21st October 2022 Department of Chemistry arranged Workshop on Differential Scanning Calorimeter (DSC). In which Expert from Regaku Mr. Vivek Vijay Uplekar explain various parts of the DSC Working and Principle of the TGDTA, Careful handling of software. He also shows the analysis of some standard sample. Then M.Sc. Chemistry and Zoology students and staff of chemistry department took the Hands-on training of the instruments.

National Mathematics Day

The Indian government declared 22 December to be National Mathematics Day. It was introduced by Prime Minister Dr. Manmohan Singh on 26 December 2011 at Madras University, to mark the 125th birth anniversary of the Indian mathematician Srinivasa Ramanujan (22 December 1887-26 April 1920). On this occasion Prime minister Manmohan Singh also announced that 2012 would be celebrated as the National Mathematics Year. The 2012 Indian stamp featured Srinivasa Ramanujan

The occasion on National Mathematics Day Department of Mathematics organized Lecture on Contribution of Srinivasa Ramanujan in mathematical analysis and number theory.

Celebrated Pi (rr) Day

March 14 (3/14 in the form of month/day) is celebrated as (Pi Day) as 3, 1, 4 are the first three important digits of the mathematical constant π . Physicist Larry Shaw first organized π day in 1988 at the San Francisco Exploratorium. He is also known as "The Prince of π ". In 2009, US representatives to the United Nations demanded that March 14 be celebrated as a π day. Prior to that, the day was celebrated on the 22nd of July. The second approximate value of π is 22/7.

The occasion of Pi Day on March 14, Department of Mathematics had organized 'Pi Day Awareness Quiz' about 320 students are participated in this quiz and about 85 students got e-certificate.

DEPARTMENTAL REPORT - PHYSICS

Departmental Activity- Physics

The Department of Physics well organized workshop was conducted for teaching staff and M.Sc. Students on "Raman Spectroscopic characterization". Raman spectroscopic

characterizations was explained by Shri Karthik from Incarp to the staff and MSc physics student's on Mobile Van came to our college campus in August 2022.

Department of Physics Participated in Har Ghar Tiranga Rally

Department of Physics Attended one Day work shop conducted by IAPT Indian Association of Physics Teachers at Vaze college, Mulund, Mumbai

Workshop on FTIR (Fourier Transform Infrared Spectroscopy)

The Department of Physics well organized workshop was conducted for teaching staff and M.Sc. Students on "FTIR". All physics M.Sc. students, teaching and non-teaching staff of the Physics Department were a present for this workshop programme which held on 12th December 2022 in the M.Sc Research Laboratory. The workshop started with an introductory speech of Dr. Ravindra Kalesh (HOD, Physics Department) where he acquainted the students with the aim of the workshop that how the FTIR can be useful as a characterization technique in the research field. The program was then followed by felicitation of chief guest speaker Shri Rohit Parab

(Engineer, Bruker). The Speaker explained the technique used to obtain an infrared spectrum of absorption or emission of a solid, liquid, or gas. An FTIR spectrometer simultaneously collects high-resolution spectral data over a wide spectral range. This confers a significant advantage over a dispersive spectrometer, which measures intensity over a narrow range of wavelengths at a time. This workshop as a whole has given the mind of students a curiosity to think over and give a scientific approach toward the research and how the FTIR can be useful as a characterization technique. The students were very much excited to join the research after their completion of M.Sc Degree.

DEPARTMENTAL REPORT - PHYSICS

Working Project Presentation During Science Day (28th Feb 2023)

The Department of Physics also organized working project and Poster presentation for F.Y.B.Sc., S.Y.B.Sc., T.Y.B.Sc. & M.Sc. physics Students during the Science Day. The students have taken part in the project and poster presentation and the projects were

judged by our college professors Dr. Amit Saraf, Dr. Aarti Nagarsekar, Dr. Ravindra Kalesh and all the judges appreciated the student's participation as well as presentation and were happy to see the projects done by students.

Departmental Achievements

- Dr. Ravindra R Kalesh (HOD, Physics Department) have successfully completed STP post promotional training programme for Class-I officers of Higher & Technical education Department from 10/04/2023 to 21/04/2023 at Yashada, Pune.
- Dr. Ravindra R Kalesh (HOD, Physics Department) as Research Guide got two of his Ph.D. students received the topic approval for the Ph.D. degree in the subject of Physics of the Mumbai University.

Report of the department of statistics ac.yr.2022-23

As with any arena of human activity affected by the Corona pandemic, the field of academics also underwent its fair share of drastic changes that were set to alter its face irrevocably for times to come. The concept of online teaching and learning which was totally new to both teachers and students was adopted on a large scale and for the most part of two full academic sessions from 2020-21 and 2021-22, that remained the only interface between the teacher and student. Hence, it was with a huge sigh of relief that the academic year 2022-23 saw the total resumption of the 'offline' or classroom mode of teaching which majority of students and teachers were glad to welcome once again after this unexpected hiatus of two years. The department of Statistics also resumed its lectures and practicals in the month of June 2022 itself and was also proactive as far as co-curricular and extra-curricular activities were concerned.

On 22nd September 2022, the department organized a One Day Workshop titled 'Efficient Use of technology in Present Day Careers' which had sessions on Use of Excel, creating Google forms, arranging online meetings etc. to create awareness among students and keep them abreast about the recent trends in current career options. This workshop was conducted by the faculty of the department and was very well received by the students.

With a similar objective in mind, the department organized a One Day Educational tour to the P.G. Dept. of Statistics, Sardar Patel University, Anand, Gujarat on 21st January 2023. This University is one of the foremost universities in India as far as Statistics is concerned, having introduced innovative courses in various applied branches of Statistics and also in other aspects of the teaching learning process. Our students got good exposure to these wonderful practices adopted effectively by the University and the teachers too expressed an eager desire to bring home some of the

remarkable measures introduced by the University.

Another event worth mentioning was the National Science Day celebration by the department on 28th February 2023. The department organized a Poster Presentation competition wherein students prepared posters on varied topics of Statistics and made presentations on the same. A notable alumnus of the department, Mr. Chandan Upadhyay who is a successful entrepreneur was invited to judge the competition. He also interacted with the students and shared with them valuable knowledge and his expertise on how to successfully negotiate the field of entrepreneurship among other things. Prizes were also awarded to the best poster presentations. It turned out to be an educational as well as enjoyable event for the students.

Intermittently, to relieve the stress of studies from the mind of students, the department also conducted fun events for the students wherein students participated in games such as Chess, Ludo, Carom etc.

In all of these events, the teaching faculty of Statistics department put in their best efforts and deserves full credit for making them immensely successful.

On the research front, on 10th and 11th January 2023, Science departments of our College organized a Two Day International conference titled 'Recent Innovations in Science and Technology' (RIST-2023) in which Statistics department was very proactively involved and all the faculty members presented papers on current and emerging trends in the field of Statistics. These were some of the noteworthy mentions of the academic calendar of the Department of Statistics for the academic year 2022-23.

Departmental Activity- Zoology

With the beginning of the Academic Year 2022-2023 the students and staff participated in various activities enthusiastically. For the newly enrolled FYBSc students the College Campus visit was organized by the department. The students learnt about the rich diverse fauna found in the green campus of the Ismail Yusuf College, like various species of spiders, butterflies, moths, beetles and other insects along with different colourful birds. Nonetheless, all during the year at times one can even come across monkeys and snakes. The beauty of the College Campus lies in the natural environment which provides an immense source for students to study the natural habitat of many animals and plants. The students get an opportunity to study a variety of invertebrates and vertebrates in natural habitat making the studies of species taxonomy and behaviour much easier. A variety of birds are observed in the campus and they are studied as part of department Ornithology club activity. Another important activity of the Zoology department is conservation of nature and care of animals. Often students attend to rescue calls and first aids to injured animals both inside and from nearby areas of Jogeshwari.

Field visits, study tours and training

Field visit to Karnala Bird Sanctuary was conducted for FYBSc and SYBSc students on 17th February, 2023 in which nearly 80 students were accompanied by 4 teaching and 2 non-teaching staff. The students saw different colourful birds, enjoyed their chirps, surprisingly they saw many notorious monkeys near the food joint inside the sanctuary. In the latter part of the day students were enthralled by the Snake show conducted by eminent naturalist Shri Raju Mumbaikar who also spoke on the myths and beliefs about snakes.

TYBSc students visited Mahim Nature

Park, Veermata Jijabai Bhosale Udhyan Zoo and Versova Fish Landing Centre

Field visit to Tungreshwar Forest was conducted for M.Sc students. They could study the rich diverse flora and fauna of the forest especially many species of spiders. They also visited the nearby college Jogeshwari Caves for Fossil study.

Both TYBSc and M.Sc students visited the Hinduja Research Centre. The clinical and diagnostic centre with advanced instrumentation helped them to understand the medical diagnostic tools for treating various medical conditions and diseases. Another separate session was conducted by the Centre for Paramedical Courses available for which the student could opt after completion of graduation.

Hands on Training was given to TYBSc and M.Sc students on Instruments such as CHNS Analyzer, UV Spectrophotometer, Atomic Absorption Spectrophotometer and Total Carbon Analyzer. The department helps all science student project work by analysing the samples when needed. Besides the department has started to provide the instrumentation facility to students of other Colleges and Institutes and looks forward to becoming a full fledged facilitator to academician and industry research.

Student placements sessions -Green Careers conducted by Garware Institute, University of Mumbai

All throughout the year the students actively participated in various competitions of National Science Day, Meatless Day, Palm Festival, Environment Day and Sports Day. Besides this the students participated in No to Plastic Awareness Drive, Cleanliness Drive, Amrit Mahotsav celebrations and Science International Conference E-RIST 2023.

The Zoology Department organized Guest Lectures as part of Zoological Colloquium activity for the academic year 2022-2023. Prof. Vinayak Dalvie delivered lecture on New ideas for Startups. The students were given an insight into many areas which are often overlooked but could prove to be an excellent idea for entrepreneurship. Mr. Stalin, naturalist spoke on Mangroves and their importance. Mr. Parkhe baffled the students with lecture on Astronomy

The academic year 2022-2023 was very important to the Zoology department because in August 2022, the Zoology Department got the sanction for two new courses, M.Sc. (20 seats) and PhD degree. Hence, Post-Graduate and Doctoral courses namely, M.Sc Zoology-Animal Physiology and PhD Zoology were introduced for the first time in the history of the Department. The Principal Dr. Swati Wavhal, Prof. Bhavita Chavan Head, Department of Zoology faculty Dr. Ulka Aade, Dr. Ninad Marathe, Vardha K. Anjali G, all students and non-teaching staff were very happy. In September, 2022, 16

students enrolled for M.Sc. and 2 students admitted for PhD degree.

Report of The E-conference "Recent Innovations in Science and Technology"

THE Science faculty of the Govt. Of Maharashtra Ismail Yusuf College of Arts, Science and Commerce, Jogeshwari (East), Mumbai organized a Two Day e-conference titled "Recent Innovations in Science and Technology (e-RIST-2023)" on 10th and 11th January 2023. The conference was an effort to explore new specialized and interdisciplinary avenues of scientific inquiry, technological innovations, techniques and amazing discoveries in Science by providing a platform for effective dissemination of knowledge, sharing of ideas, fruitful discussions and deliberations for the benefit of academicians, research scholars and industry.

The planning of the conference began well in advance around the month of July 2022 and a comprehensive and carefully designed brochure was in place to be circulated at least two months before the stipulated time so as to achieve as wide a circulation as possible among the academic fraternity and the allied fields. Smooth conduction of the e-conference was ensured by the paid subscription of Webinar and ZOOM one pro version. The registration form was provided with the link to join the Telegram group created for the conference. The entire event was live streamed on YouTube channel. The response was good and the registrations which were kept free as an incentive and a goodwill gesture were to the tune of 609 in number. The call for oral and poster presentations was also well received by a huge cross section of participants that included researchers, industry experts, teaching faculty of various colleges and students as well. The total numbers of abstracts received were 101.

The speakers invited for the various sessions of 45 minutes each were highly distinguished experts from varied fields such as (i) Dr. Dharmesh Raykundaliya from Dept. of Statistics, Sardar Patel University, Anand, Gujarat, (ii) Dr. Paul Iacomi, Senior Product Scientist, Surface measurement systems, UK, (iii) Dr. Naval Singh, Research associate, University of Manchester, UK, (iv) Dr.

Eike Reich, Chief Scientific Officer, CAMAG, Basel, Switzerland, (v) Dr. Roberto Marcos Perchin, KPM Analytics, Italy (vi) Prof. Selby Jose, Head Dept. of Mathematics, HBSU, Mumbai, (vii) Dr. Anukul T. Shenoy, Instructor of Medicine, Pulmonary Centre, University School of Medicine, Boston, (viii) Dr. Hanumant K. Kadam, Retd. Assistant General Manager, RCF Ltd. Navi Mumbai, (ix) Dr. Dr. John Welsh, Xylem, USA.

The e-conference was inaugurated at the hands of the Principal of the College, Dr. Swati Wavhal by invoking the blessings of Goddess Saraswati and by lighting the traditional lamp. The Principal welcomed all and delivered the inaugural address which provided an insight and the need for organizing such conferences in view of the emerging trends and innovations in the field of Science and how the college has been at the forefront of such efforts in recent times.

The Chief Guest for the inaugural ceremony was Dr. (Mrs.) Sangeeta V. Ghumatkar, I/C Director, Directorate of Forensic Science Laboratory, Mumbai, an eminent personality in the field of Forensic Sciences. Her address was inspiring for a lot of young students and researchers to pursue careers and undertake research projects in the promising field of Forensic Science.

The Keynote address was delivered by Dr. Arvind Madhavrao Deshmukh, President of the Microbiologists Society of India. In his address, Dr. Deshmukh touched upon multiple avenues of inquiry in the field of Biotechnology and how the many wonderful innovations in this field are having profound impact on the ever evolving global scene. His address was interesting as well as informative and set the right tone for fruitful discussion at the Conference.

All the sessions of the invited speakers were highly informative, interesting and covered varied

aspects related to instrumentation, techniques, applications and statistical analysis pertaining to all sciences. The lectures were immensely well received by the participants. All the participants benefited and the Q & A sessions were equally interesting wherein some doubts were answered by the Guest Speakers.

The Oral and poster presentations were conducted in the third session of the first day 10th January 2023 of the conference. It included 67 presentations and the day ended with great enthusiasm and competitive spirit shown by the presenters about their research paper.

The valedictory function of the conference was presided by Shri. Surender Singh Raghav Director, FSSAI, Navi Mumbai who congratulated the Principal and the organising team for the success of the conference.

Due to the constant encouragement and guidance by the Principal and Convener, Dr. Swati Wavhal, along with the Co Convener, Dr. Bhavita Chavan, the Organizing, Editorial and Technical Committee members, the e-conference "Recent Innovations in Science and Technology" (e-RIST-2023) was a grand success. ■

Library report 2022-23

Library Collection: Library acquired 1301 books of Rs 269670 in this year. Also it subscribed to 55 periodicals and total 9 newspapers in Marathi, Hindi, Urdu and English. It also completed physical stock verification of books in the library and prepared its first report. Library is a growing organism so weeding out of old curriculum books to give space to new books is also a very important procedure for a library. Our library prepared first list of 1230 old text books to be written off in this direction. A three members committee was formed by the respected Principal Madam consisting of Dr. Shahina Khan (Associate Professor and Head, Dept. of Arabic), Prof. Hemraj Bari (Associate Professor, Dept. of Commerce) and Dr. Aarati Nagarsekar (Associate Professor, Dept. of Chemistry) and this committee recommended the withdrawal of these books on the guidelines of the Maharashtra State Government Resolution of Finance department dated 17th April 2015. Now 164 books are written off with the approval from the respected Principal and Joint Director, Mumbai in their finance powers and rest of the books are in the final process of approval from the respected Director, Higher education and Secretary, Higher Education.

Library activities:

1. Reading Inspiration Day 17th October 2022 was celebrated in the auditorium and book club was established with the encouragement and permission of the respected Principal Madam.

Some of the interesting and inspirational articles and news from library's newspaper and Magazine collection were identified by the Librarian Smt. Swati Phadke and contractual staff Ms. Mubina Ansari and were provided to the participating students for presentations.

Mr Vighnesh Shah gave vote of thanks. He thanked the respected Principal Madam for her encouragement and permission to conduct this program and also library committee and everyone who participated and helped in the success of the program.

2. Book Club Activity: Library Readers Book club first meeting was held on 31st January 2023. Book clubs promote a love of literature in a positive, nurturing environment. The purpose of any club is to bring a community together to learn about and discuss something that matters to them, and a book club is no different. Our Program invited a small group of student which had participated on Reading Inspiration Day on 17th Oct 2023 who were also interested to participate in the book club and also included on the entry.

On 31st Jan 2023 the first meeting of the book club was held in the Library's main reading room between 10.30 AM to 11:10 AM. Total 7 students participated in it.

Prof. Meghana Bakrania (Dept. Of Commerce) gave introductory speech at the book club session with her inspiring words. Librarian Smt. Swati Phadke briefed students on book club's objectives and announced list of participating students. Ms. Hadiya spoke about the book "It starts with us" by Colleen Hoover on the the heart touching story of love, abuse and healing. Mr. Ankit Kumar spoke on "The Power of the subconscious mind" said our mind is divided into 2 part conscious and subconscious minds and which is helpful to target small goals then go for the big one. Ms. Tahura Shaikh talked about the "story of prophet" on Musa and the firoun. Mr. Shaikh Shaheed reviewed the Book "Three Days of Happiness" Novel by Sagaru Miaki. Mr. Aman Vishwakarma beautifully presented book with title

"Limitless" and explained that it is all about how you optimize your brain, develop mindsets, hardworking and gratitude for your personal growth. Mr. Anas Shaikh presented the book "Selling to win" by Richard Denny. He elaborated that everyone sells but not everyone sells well whether you are an employee, business man, teacher or anyone, something you will need to sell is skills, ideas or your services. So know your products and sell them to the right marketing partner to become the star.

Library users sitting in the reading hall also took interest in the program and 3 of them later joined the WhatsApp group created for the Book Club activity.

CULTURAL COMMITTEE REPORT

Cultural Committee Report 2022-2023

After the two years of the pandemic, in this academic year 2022-2023, the Cultural Committee organised the Annual Cultural Festival "PALMS FESTIVAL" offline, and students of Ismail Yusuf College participated in several intercollegiate competitions and festivals and gave pride to the college by winning prizes. The amazing performance of our students made this year a goal accomplished for the Cultural Committee.

The first offline event of the academic year 2022-2023 was a seminar on the topic "Personality Development and Menstrual Hygiene" for all the female

students, organised by the Cultural Committee along with Millionminds on September 12, 2022. The speaker was Miss Karishma Yadav. She covered topics such as how to prepare for an interview during the monthly cycle, building confidence, etc. It was an excellent interactive session with the students during the seminar, where they shared their experiences and views. 120 female students from junior as well as senior college participated in this seminar. Feedback was taken, and Whisper gift hampers were distributed after the seminar. The opening speech was delivered by Dr. Archana Rangari, madam, and a vote of thanks was given by Miss Vedanka Shinde, SYBA.

CULTURAL COMMITTEE REPORT

Meetings with CL's , ACL's & Volunteers- Cultural Committee member teachers conducted meetings with CL and ACL and gave valuable tips to students, such as how to be a good CL or ACL, how to represent the college, how to dress, and how to communicate confidently.

Because of such guidance, Adbal Kareena SYBA, Yash Sawant FYBMS, and Arman Shah SYBA got the Best CL award at UBUNTU, organised by Patkar Varde College on December 16 and 17, 2022.

Participation in Different Intercollegiate Competition

Students did a lot of hard work and practiced for participating in different intercollegiate events. A college stage was available for the students to do

practice for singing, dance, and fashion show. Thanks to Principal Madam for her permission and support. Cultural Committee member teachers encourage and guide the student participants for intercollegiate events.

WOMEN DEVELOPMENT CELL REPORT

The women Development Cell of our college conducts various workshops, competitions and organizes lectures of eminent personalities for creating awareness regarding issues related to women, both for boys as well as girl students throughout the years. The following events were conducted by the WDC in this academic year.

Workshop on Gender Equality Women's Development Cell

A Report

A workshop on 'Gender Equality' was organized by the Women's Development Cell of the College on October 11, 2022 between 11.30 am to 01.00 pm, at the Badminton Hall of the Sports Complex.

The workshop was conducted by Sneha, a social organization working on issues such as gender equality, gender differences, patriarchal system, mental health, etc.

The speakers were Ms. Ujwala and Ms. Darshana, who explained the topic very well through several interactive exercises, day-to-day examples, videos, etc.

About 100 students from the Senior and Junior College, as also a few teachers attended the workshop, which received rave reviews.

Pratiksha Phadnis, Chairperson of the Women's Development Cell, compered the program, and Archana Rangari, member, Women's Development Cell, proposed a vote of thanks.

Human Impact on Environment

The environment, the intricate life support system for all living beings on our planet, is a complex blend of natural and human-made elements. It encompasses the air we breathe, the water we drink, the land we inhabit, and the diverse organisms that share this beautiful planet with us. However, the fate of our environment lies heavily in the hands of humanity, as we hold immense power to shape and impact its well-being.

It is undeniable that humans wield a significant influence over the environment. As the most intellectually advanced species, we have the ability to create and destroy, to protect and neglect. Our actions, both positive and negative, reverberate through the intricate web of interactions within the environment. While we depend on the environment for our survival, we must also acknowledge that we are responsible for its welfare. Our choices and behaviours determine the cleanliness and safety of our surroundings. Unfortunately, human activities have often veered towards detrimental practices that have led to environmental degradation. Industrialization, urbanization, deforestation, pollution, and the emission of greenhouse gases are among the human-made factors that have contributed to the deterioration of our environment. These actions have triggered a host of issues, including air and water pollution, habitat destruction, climate change, and the alarming loss of biodiversity. The consequences of these environmental

challenges extend beyond the natural world, impacting human health and well-being in profound ways.

However, amidst these challenges lies an opportunity for change and a chance to restore the delicate balance between human progress and environmental preservation. As the custodians of the planet, we possess the knowledge and capability to protect and nurture our environment for the benefit of current and future generations. Sustainable practices, conservation efforts, and responsible resource management are ways to mitigating the damage we have inflicted upon the environment. Individuals, communities, governments, and organizations all have a critical role to play in promoting environmental stewardship. Embracing eco-friendly lifestyles, advocating for renewable energy sources, reducing waste and pollution, conserving resources, and actively supporting conservation initiatives are pathways towards a brighter future. By making these choices, we can collectively ensure a cleaner, safer, and more sustainable environment, fostering the well-being of all living organisms. The task of safeguarding our environment demands a collective effort. We must embrace the responsibility that comes with our intellectual prowess and strive to become champions of change. Let us recognize that the power to shape the destiny of our environment rests in our hands, and let us make choices today that will create a thriving and harmonious coexistence between humanity and nature.

Embracing Resilience: Celebrating Achievements and Embracing New Beginnings

Amidst the ebb and flow of life's unpredictable tides, you have emerged triumphant, and it's time to revel in your accomplishments. Whether your victories were monumental or modest, they deserve recognition. Take a moment to bask in the glory of your hard work and acknowledge the significance of your very existence.

This past year has been a journey filled with winding paths, unexpected detours, and unforeseen challenges. Yet, here you stand, having weathered the storms that sought to test your resolve. Your resilience shines brightly as a beacon of inspiration. Pause and reflect on the uncertainties you conquered, the self-doubt you silenced, the fears you faced head-on, and the insecurities you overcame. Each step forward, no matter how small, has propelled you toward this remarkable moment.

With a heart brimming with gratitude, turn the page on the chapter that has come to a close. Embrace the blank canvas before you, eager to bear witness to your next masterpiece. Summon the courage to release anything that shackles your spirit, allowing the gentle embrace of healing and tranquility to guide your steps. You have a story to tell—a narrative of resilience, growth, and triumph against all odds.

As you embark on this new chapter, let it serve as a

catalyst for self-renewal and transformation. Envision yourself blossoming into a better version of who you were yesterday—radiating happiness, vitality, and inner peace. Cultivate a spirit of gratitude that celebrates every experience, a heart brimming with compassion, love, and generosity, and an unwavering commitment to forgiveness—for yourself and others.

No matter how far you have come or how swiftly you have progressed, remember that your mere presence in this moment is a testament to your strength and resilience. Know that someone, somewhere, rejoices in your every achievement. Your patience and bravery have not gone unnoticed; they have left an indelible mark on the tapestry of your journey.

As you step into the boundless possibilities that lie ahead, harness the power within you to overcome any obstacles that cross your path. Embrace the uncertainty, for it is within those uncharted territories that the most profound growth occurs.

Celebrate your achievements, honor the present moment, and set forth with unwavering determination. The world eagerly awaits the unwritten chapters of your extraordinary story. Your worth knows no bounds, and your potential is limitless.

Save Water, Save Earth!

Water is indeed a precious and vital resource for all living things on Earth. It sustains life and is essential for various activities, such as drinking, cleaning, agriculture, and industrial processes. However, water pollution and the increasing demand for water pose significant challenges to its availability and quality. To address these issues and contribute to saving water and protecting the Earth, here are some actions we can take:

- 1) **Conserve water at home:** Be mindful of your water usage by fixing leaks, taking shorter showers, turning off faucets when not in use, and using efficient appliances and fixtures.
- 2) **Practice responsible irrigation:** Opt for water-efficient irrigation systems, like drip irrigation, and water your plants during cooler parts of the day to minimize evaporation.
- 3) **Reduce, reuse, recycle:** Minimize your consumption of single-use plastics and recycle whenever possible. Properly dispose of chemicals and other hazardous substances to prevent them from contaminating water sources.
- 4) **Support eco-friendly products and practices:** Choose environmentally friendly cleaning products and encourage businesses and industries to adopt sustainable water management practices.
- 5) **Educate others:** Raise awareness about the importance of water conservation and pollution prevention. Share tips and information through social media, community events, or educational initiatives.
- 6) **Get involved in local initiatives:** Join or support organizations working towards protecting water sources, cleaning water bodies, and advocating for sustainable water management policies.
- 7) **Preserve natural habitats:** Protecting forests, wetlands, and other ecosystems helps maintain water quality, regulates water flow, and supports biodiversity.

Remember, every small action counts when it comes to water conservation. By changing our habits and promoting sustainable practices, we can contribute to saving water and safeguarding the Earth for future generations.

Code of conduct in Islam

Islam is much more than a religion. For the hundreds of millions of Muslims worldwide, it is also a complete way of life. In addition to spiritual and moral guidance, the pages of the Quran, Islam's holiest text, contain direction for virtually all facets of life. For example, Muslims follow Quranic teachings on social life, child-rearing, marriage, friendship and work. Together these teachings are a clearly defined code of conduct to which all Muslims must adhere to truly belong to the ummah (community).

1. Forgiving Spirit

The Quran and Hadith (recorded sayings of the Prophet Muhammad) both heavily emphasize the importance of being forgiven and being willing to forgive others. In Surat 24:22, the Quran says, "Pardon [people] and overlook [their faults]. Don't you love that Allah should forgive you?" Forgiveness, according to the Quran, should take such a central role in everyday life that an individual not only readily forgives others for any offense, but is so focused on the good in others that they do not even notice the offense. If the offense is intentional and cannot be ignored, forgiveness is still required in addition to repaying the offense with kindness and good deeds.

2. Respect for Family

Family is a very fundamental element of Muslim society. The Quran particularly emphasizes respect for one's parents, especially mothers; in fact, the Prophet said that paradise is at the feet of mothers. Respect for the family is also very important. Muslim children have a right to be raised in a loving, nurturing environment, and the Quran says, "Allah commands you to ... give to the relatives." When parents become ill or elderly, nursing homes are

never an option; Muslims consider it a very great privilege to care for them. Becoming impatient or annoyed with elderly parents is regarded as despicable. Instead, the Quran says one should pray, "My Lord, have mercy on them as they brought me up when I was little."

3. Piety

Muslims are expected to place Islam at the center of their lives and Allah at the front of their minds. This is fulfilled primarily through adherence to the five pillars of Islam, which include a proclamation of faith (shahadah), daily prayer (salat), fasting (sawm), charity (zakat) and a pilgrimage to Mecca (hajj). In addition to these basic duties, Muslims should also display piety in everyday life by giving freely to help the needy, being kind and generous with one's spouse and even treating animals gently. It is also important to read the Quran daily and memorize as much as possible.

4. Responsibility

Muslims are responsible for their own actions, for the spiritual health and well-being of their community and for teaching non-Muslims about Islam. Islam heavily stresses free will: on the day of judgement, when each Muslim meets Allah, he or she alone is held responsible for adhering to Islam's teachings. Within the community, Muslims are responsible for preserving the social order by marrying a suitable mate, raising good Muslim children, participating in communal prayers and working together for the greater good. Outside the ummah, Muslims are responsible for sharing their faith in a non-aggressive way. The Quran encourages Muslims, "O you who believe, be upright for Allah, bearers of witness with justice."

The Role of Youth in Islam

Despite the inexperience of youth, it is a time in a Muslim's life when his faith is likely to be tested repeatedly by temptations "of the flesh." It is the duty of young Muslims to overcome these temptations and preserve their Deen (Islamic way of life), share Islam with others and observe the teachings of the holy texts of Islam, such as the Quran and the Hadith. Beyond fulfilling these basic responsibilities, however, young Muslims are expected above all to play an important role in the advancement of Islam.

1. Establish Good Habits

Within the Muslim community, it is believed that youth is the most important period of life. This is the time in which opinions, habits and beliefs are formed, and it is important for the time to be spent in personal development. For example, Muslim youth should develop the habit of praying five times per day, as he or she will do in adulthood; of avoiding the temptations of time alone with the opposite sex and of seeking guidance from older, wiser Muslims. In this way, the Muslim youth will begin adulthood as a spiritually strong individual able to serve as a role model for other young people.

2. Glorify Allah

Ideally, the Muslim youth should do all things with the aim of glorifying, or serving, Allah. Even casually spending time with friends offers the opportunity to share Islam. Young Muslims should also refrain from backbiting, slander, jealousy and envy and focus instead on gaining Islamic knowledge and practicing the Islamic values of forgiveness and forbearance.

Even if a Muslim youth has limited understanding of the Quran's complexities, he should endeavor in all situations to behave in a way that would please Allah. In fact, when a Muslim spends his youth in worship and study of Islam, Allah views it as a form of gratefulness for life.

3. Form Healthy Friendships

Friendships formed in youth often form the basis of an adult Muslim's social life. The Prophet Muhammad is quoted as saying, "A person follows the Deen of his close friend; therefore let each of you look carefully at whom he chooses for friends." Young Muslims are encouraged to form friendships with non-Muslims, as it can strengthen their own faith. With fellow Muslims, youth are urged to form a brotherhood of shared faith to be nurtured at all times, not just in crisis. They should be faithful, kind, generous and loving friends.

4. Seek Knowledge

The Prophet Muhammad referred to the attainment of an education as a duty—not a right or a privilege—for all Muslims. In youth, Muslims have the responsibility to pursue both a religious and a formal education. Muslim youth may learn by attending religious services, but they are also encouraged to seek wisdom from parents and other relatives. The Prophet warned against mistreating or belittling the youth for their lack of wisdom and urged the different generations to come together and learn from one another.

शुभकर्म

वाङ्मयाचे श्रेष्ठत्व

खूप खूप वर्षांपूर्वी एक विद्वान गुरू आणि त्याचा शिष्य तीर्थाटन करत भारतभ्रमण करत होते. आपल्या उदरनिर्वाहपूरता ते पैसा मिळवत. जगाचा प्रत्यक्ष अनुभव मिळाल्याने त्या शिष्याला व्यवहार ज्ञान मिळत होते.

एके दिवशी त्या गुरूने त्या शिष्याला जवळ बोलावले. त्याला गुरूने दोन रुपये दिले व तो त्या शिष्याला म्हणाला, "माधवदास, हे घे दोन रुपये. यातील एक रुपयाची भाकर आण व दुसऱ्या रुपयातून एक ग्रंथ खरेदी कर." हे ऐकून त्या शिष्याला आश्चर्य वाटले. त्याने आपल्या गुरूजींना विचारले, "गुरूजी, क्षुधाशांतीसाठी भाकर आणायला पैसे दिले ते ठीक. पण ग्रंथ कशाला आणायचा." यावर तो विद्वान उत्तरला, "बाळा, ही भाकर तुला जगवेल. पण तो ग्रंथ तुला जगायचे का? ते शिकवेल." शिष्य म्हणाला, "आचार्य, मी समजलो नाही." तो विद्वान म्हणाला, "बाळा, अन्न-वस्त्र-निवारा या माणसाच्या मूलभूत गरजा आहेत. इतर प्राणिमात्रसुद्धा यासाठीच जगत असतात. मग माणूस आणि इतर प्राणी यांमध्ये फरक तो काय?" शिष्य म्हणाला, "आचार्य, तुम्ही सांगता ते सत्यकथन आहे," यावर विद्वान म्हणाला, "बाळा, आहे एक फरक आहे. माणूस बोलू शकतो. त्याने भाषा निर्माण केली. त्यासाठी लिपीचीही निर्मिती केली. संस्कृती निर्माण केली. यातूनच तो इतर सजीवांपेक्षा वेगळा ठरतो. मानवाने निर्माण केलेले धर्म, त्यांचे तत्त्वज्ञान यांचा खरा उद्देश जगात शांती निर्माण करणे हा होय, परंतु आपण माणसे संघर्षासाठीच धर्माचा वापर करतो. धर्माला कर्मकांडात बांधून ठेवतो. इतर धर्मांना कमी लेखू लागतो. अशावेळी सत्यकथन करणारे ग्रंथ आपल्याला खरे मार्गदर्शन करू शकतात. आदर्श साहित्याच समाजाला योग्य दिग्दर्शन करत असते. समाजाला आणि व्यक्तीला सारासार विचार करण्याची क्षमता ग्रंथद्वारेच प्राप्त होऊ शकते. त्यामुळे वाङ्मय हे श्रेष्ठ असते."

या उत्तराने शिष्यासामोर जीवनाचा एक नवीनच पैलू उलगडत होता. शिष्याला आपल्या आचार्यांभोवती एक प्रकाशाची आभा पसरत असल्याचा साक्षात्कार होत होता. एक चिदानंद प्राप्त झाल्याचा भाव त्याच्या चर्येवर दिसत होता.

टिह्नीच्या माध्यमातून होणारी हिंसा

आजच्या बदलत्या युगात जग इतके पुढे सरसावले आहे की, व्यक्ती घरबसल्या हवे ते आणि झटपट मिळवू शकत आहे. हे सर्व इंटरनेटच्या माध्यमामुळे शक्य झाले. इंटरनेट सुविधेसह एक स्मार्टफोन हवा असा प्रत्येकाचा आग्रह असतो. काळासोबत चालण्याचे 'स्थितीचिन्ह' म्हणून गणले जाणारे हेच आयुध आता सोशलमिडिया व प्रसारमाध्यमाच्या हिंसाचाराला खतपाणी घालण्याचे काम करताना दिसते.

देशात सोशलमिडियाचा वाढता नकारात्मक वापर देशासाठी घातक बनू शकतो हे येत्या काही काळात दिसून येईल. दूरदर्शन किंवा सोशलमिडियावर होणारे वादविवाद, टिका-वक्तव्ये या सर्वांमुळे हिंसाचार वाढत जात आहे. एखादी गोष्ट/पोस्ट जर या प्रसारमाध्यमांवर प्रसारित केली तर ती वान्याच्या दुप्पट वेगाने पसरत जाते. जितका या प्रसारमाध्यमांचा सदुपयोग मानवाला होतो तितकाच वाईट परिणामही यातूनच उत्पन्न होतो. आताची काही उदाहरणे पाहता, स्त्रियांवर सोशल मिडियाद्वारे जास्त हिंसात्मक वक्तव्ये करताना काही लोकं दिसण्यात येतात. एखादया व्यक्तीला प्रसिध्द तसेच कुप्रसिध्द करण्याची कुवत या प्रसारमाध्यमांमध्ये जेवढी आहे तितकी कुवत अन्य कुठल्याही गोष्टीत नाही. प्रसारमाध्यमांमध्ये दूरदर्शन म्हणजेच टिह्नी हे माध्यम आजकाल सर्वच घराघरांत स्थान बळकावून बसलेले आढळून येते.

राजकीय नेते, नट, अन्य कलागुण संपन्न व्यक्ती यांच्यामुळे दूरदर्शनचे विश्व टिकून आहे. काही नेते स्वतःला प्रसिध्द करण्याकरीता कोणत्याही थराला जाऊ शकतात. ते इतरांना वाईट बोलून, त्यांच्यावर वाईट टिका करून असत्याचा मार्ग अवलंबताना दिसतात, तर काही व्यक्ती सत्याला धरून त्या वाटेने वाटचाल करताना पहावयास मिळतात.

इतरांवर टिकेचे अस्त्र बरसविल्यामुळे त्यांची बदनामी होऊन आपण किती सभ्य व इतर लोक किती असभ्य हे दाखविण्यात काहींचे जीवन व्यर्थ होते. मुळात समोरच्या व्यक्तीला शाब्दिक इजा पोहचवून त्याचा मानसिक छळ करणे हाच उद्देश उरी बाळगून काही बुध्दीहिन व्यक्ती प्रसारमाध्यमांचा वापर करताना दृष्टीस पडतात. या सर्वांचा फटका मात्र सर्वसामान्य जनतेला भोगावा लागतो. टिह्नीच्या माध्यमातून होणारे वादविवाद अनेकदा शिगेला पोहचून हिंसाचाराचे प्रखर रूप घेवून मानवजीवन होरपळून काढतात. त्याचे चटके मात्र काहीही चूक नसलेल्या जीवांना सोसावे लागतात. जातीभेद, धर्मभेद, कायदे अशा मोठमोठया विषयांचा आधार घेऊन त्यावर लोकांना भडकवून जनजीवन विस्कळीत करण्याचे काम काही

समाजकंटक अगदी न विसरता करतात, त्यातून साध्य असे काहीच होत नाही, उलट याचा दुष्परिणाम मात्र अनेक पिढ्यांना सोसावा लागतो.

प्रत्येकाला त्याचे जीवन त्याच्या पध्दतीने जगण्याचा पुरेपूर हक्क आहे. इतर लोकांच्या बोलण्यामुळे जर एखादी व्यक्ती/समाज यांच्यात फुट पडत असेल तर ते अयोग्य ठरते. ज्याप्रमाणे हाताची पाचही बोटे समान नसतात अगदी त्याचप्रमाणे प्रत्येक व्यक्ती व त्याचे स्वतंत्र विचार हे परिस्थितीनुसार वेगवेगळे असू शकतात. हे प्रत्येकाने मान्य केलेच पाहिजे. विनाकारण लहान-सहान गोष्टींचा बाऊ करून त्यांना हिंसेचे वळण देणे हे किती योग्य ठरते ? अशाच लहान-सहान गोष्टी ताणून धरल्या किंवा त्या उफाळून काढल्या की त्या अतिघातक ठरू शकतात हे कळण्याइतकी मती सर्वांनाच असते. जर आपण थोडेसे बुद्धीचातुर्य दाखवून काही गोष्टींना आळा घातला किंवा त्याकडे दुर्लक्ष केले तर आणि तरच हिंसेला जबर वचक बसविता येणे शक्य आहे. अन्यथा आतापर्यंत जे घडत आले आहे त्याचे परिणाम व पुढे जे काही घडेल त्याचे परिणाम येणाऱ्या काळात आपणा सर्वांना व येत्या पिढीला सोसावे लागणार. काही विषय हे कायद्याने सोडविले तर आणि तरच हिंसा कमी होत जाईल नाहीतर हे हिंसाचाराचे गुढचक्र काही केल्या आपण थांबवू शकणार नाही.

टि.व्ही. वर खूप हिंसा आहे.

टि.व्ही. म्हणजेच टेलिव्हीजन ज्याला मराठी मध्ये 'दूरदर्शन' असे म्हणतात. दूरदर्शन हे माहिती आणि मनोरंजनाचे एक साधन आहे. सध्याच्या युगात आकाशवाणी व दूरदर्शन ही फार मोठी आणि तितकीच संवेदनशील प्रसारमाध्यमे आहेत. दूरदर्शनवरून राजकीय सांस्कृतिक, सामाजिक, शैक्षणिक इत्यादी सर्व पातळ्यांवरच्या माहितीचा प्रसार केला जातो.

सुरुवातीला टि.व्ही. चे स्वरूप हे कृष्णधवल होते. कालांतराने टि.व्ही. च्या आकारात, स्वरूपात बदल होऊन त्याचे स्वरूप हे रंगीत झाले आहे. दूरदर्शन च्या आकारात, स्वरूपात जसा बदल झाला तसाच बदल त्यावर प्रसारित होणाऱ्या कार्यक्रमांमध्ये झालेला दिसून येतो.

दूरदर्शनवर मालिका, चित्रपट, बातम्या वेगवेगळे रिऑलिटी शो इत्यादींचे प्रसारण होत असते. त्यामध्ये साधे, सरळ, सोज्वळ, निरागस असे दृश्य नेहमीच दाखवले जाते असे नाही. तर बऱ्याचदा चित्रपट मालिकांमध्ये हिंसक दृश्ये दाखवली जातात. लोकांचे लक्ष वेधून घेण्यासाठी धाडसी कृत्ये दाखवण्यावर दिग्दर्शक, निर्मात्याचा जास्त भर असतो. त्याचा संवेदनशील मनाच्या लोकांवर विशेषतः लहान मुलांवर वाईट परिणाम होतो, त्यांचे डोळे खराब होऊ शकतात. तसेच, मुले गुन्हेगारी वृत्तीची होऊ शकतात.

टि.व्ही. वर दाखवण्यात येणारे कार्यक्रम इतक्या रंजकपणे दाखवले जातात की ते पाहण्याचा मोह कोणालाच आवरत नाही. हे कार्यक्रम लहान मुलांपासून ते वयोवृद्धांपर्यंत सर्वांना आवडतील, सर्वांची उत्सुकता वाढवतील असे असतात. त्यामुळे पालकच आपल्या मुलांना टि.व्ही. बघण्यापासून अडवू शकत नाही. शिवाय संयुक्त कुटुंबात आई-वडिल दोघेही नोकरी करणारे असले की घरात मुलांवर लक्ष ठेवण्यासाठी कोणीच नसते. घरकाम करणारे नोकर हे आपापल्या कामात व्यस्त असतात, ते मुलांवर लक्ष ठेवत नाही त्यामुळे मुले घरात एकटी पडतात, एकलकोंडी होतात. त्यामुळे मुले आपला कंटाळा घालवण्यासाठी खूप वेळ टि. व्ही. पाहत बसतात. ते काय पाहतात, किती वेळ पाहतात याकडे कोणाचेच लक्ष नसते. म्हणून मुलांना टि.व्ही. पाहण्याची संधीच मिळते.

हिंसक दृश्य, हाणामारी, स्टंटस् पाहून मुले तसं वागण्याचा, करण्याचा प्रयत्न करतात आणि आपला व पालकांचा देखील जीव धोक्यात टाकतात. अशा घटना घडल्याचे समोर आले आहे. यामुळेच मुले पुढे जाऊन हिंसक, गुन्हेगारी प्रवृत्तीची होतात, व्यसनाधीनतेच्या आहारी जातात. त्यांचा कल जास्त दुर्गुणांकडे झुकलेला असतो, त्यामुळे मुले वाईट मार्गाला लागतात, यामुळे त्यांचे आणि त्यांच्या कुटुंबाचे फार मोठे नुकसान होते.

यासाठी पालकांनी मुलांना वेळीच आवरले पाहिजे. त्यांना वाईट मार्गावर जाण्यासाठी रोखले पाहिजे, त्यांच्याबरोबर जास्ती जास्त वेळ पालकांनी घालवला पाहिजे. त्यांना मैदानी खेळ खेळण्यासाठी प्रवृत्त केले पाहिजे, त्यांच्याशी संवाद साधला पाहिजे असे केल्यानेच मुलांचे टि.व्ही. पाहण्याचे प्रमाण कमी होईल आणि त्यावरील हिंसक दृश्ये त्यांच्या नजरेस पडणार नाहीत आणि मुले वाईट मार्गावर लागणार नाही.

टीवी पर बहुत हिंसा है।

हमारे भारत देश में लगभग हर वर्ग के लोग टीवी (TV) देखते हैं। चाहे वे बच्चे हो, स्त्री हो, पुरुष हो या वृद्ध व्यक्ति हो।

इन वर्गों में से तीन वर्ग ऐसे भी हैं जो विशेष रूप से “न्युज चैनल” देखना पसंद करते हैं, इन वर्गों में स्त्री, पुरुष तथा वृद्ध व्यक्ति का समावेश होता है।

भारत में “न्युज” कई चीजों के माध्यम से दिखाया जाता है, जैसे कि समाचार पत्र (News paper) और टीवी (TV) इसके अलावा आज के आधुनिक युग में लोग “मोबाइल फोन” पर भी समाचार देखते हैं।

परंतु इन सभी की तुलना में कभी-कभी टीवी पर अधिक हिंसा देखने को मिलती है, जैसे कि लोग न्युज चैनल इसलिए देखते हैं, ताकी वह जान सके कि उनके आसपास समाज में, राज्य में, देश में और विदेश में क्या-क्या चल रहा है। परंतु कई न्युज चैनल वाले अपनी “टीआरपी (TRP)” बढ़ाने के चक्कर में कई बार कुछ गलत खबर दिखा देते हैं। जिससे समाज के कुछ लोग प्रभावित हो जाते हैं, और ये बात आम जनता सच मान लेती है।

न्युज चैनल, समाचार पत्र के कर्मचारियों यानि कि पत्रकार को समाज का आईना (Mirror) कहा गया है। उनका ये फर्ज बनता है कि अपने चैनल की टीआरपी तथा कुछ पैसे के कारण वह गलत खबर ना दिखाए। उनका ये कर्तव्य होता है, कि किसी भी समाचार को दिखाने से पहले वह सत्य है या नहीं, वह इसका पता अवश्य कर लें, जिससे समाज में शांति बनी रहेगी।

कई बार न्युज चैनलों पर बहस (Debate) के लिए हर पार्टी से उनके प्रवक्ता (Spokesman) आते हैं, और आपस में बहस करते समय कुछ अप-शब्द अथवा अपमान जनक बातें करते हैं, उनसे भी समाज में अस्थिरता पैदा हो जाती है। जिसके कारण लोगों को गलत संदेश जाता है, और वे इसका विरोध भी करते हैं।

कई बार कुछ नेता अपने भाषण में “धर्म की राजनीति” भी करते हैं, जिससे कुछ लोग - प्रभावित होकर उनका समर्थन करते हैं, और कुछ उनका विरोध करते हैं। कई बार तो वह इतना आगे बढ़ जाता है जिसके कारण समाज में तथा देश को दंगे फसाद जैसी समस्याओं का सामना करना पड़ता है, ऐसे में कई लोग सरकारी संपत्ति/देश की संपत्ति को नुकसान पहुँचाने की कोशिश करते हैं, जैसे कि बस, रेलगाड़ी को आग लगा देते हैं तथा

इसमें कई लोगों के निजी वाहन भी इसका शिकार हो जाते हैं, कईयों के दुकान तथा घर को भी जलाने की कोशिश करते हैं।

उन नेताओं को ये समझना चाहिए कि उनके एक भाषण से देश को करोड़ों का नुकसान हो जाता है, और इसमें देश के कई नागरिकों को अपनी जान तक गंवानी पड़ती है।

सीख :- न्युज चैनल पर दिखाए गए खबर में, जो खबर आपको गलत लगे, उसे कभी भी बिना जाचे परखे उसपर विश्वास ना करे।

एक दिलचस्प फिल्म

'फिल्म' शब्द सुनते ही विभिन्न प्रकार के विचार एवं चित्र हमारे दिमाग में उत्पन्न होने लगते हैं। किसी भी फिल्म को बनाने में काफी समय लगता है। फिल्म के मुख्य किरदार का रोल निभाने वाले अभिनेता, अभिनेत्री पूरे जी जान से फिल्म को बेहतर एवं शानदार बनाने में अपना योगदान देते हैं। किसी भी फिल्म को बनाने में बहुत सारे लोगों की जरूरत होती है। डायरेक्टर, प्रोड्यूसर, मेकअप आर्टिस्ट आदि, सभी के संगठन से ही एक फिल्म बन पाती है।

आज के आधुनिक युग में फिल्म को 'हिट' करने के चक्कर में फिल्म के निर्माता तथा प्रोड्यूसर यह भूल जाते हैं कि इसका कितना बुरा प्रभाव फिल्म देखने वालों के जीवन पर पड़ेगा। इस आधुनिक पीढ़ी में फिल्म में देशभक्ति, पारिवारिकता, एकता आदि सब छोड़कर केवल अश्लीलता पर ज्यादा जोर दिया जाता है, मानते हैं कि मनोरंजन आवश्यक है जीवन में, परंतु अश्लीलता का मनोरंजन से कोई संबंध नहीं है। बुरे कामों को इस तरह दिखाया जाता है मानो कोई बहुत महान कार्य कर रहे हों। फिल्म जनता तक अपनी बात पहुंचाने और उन्हें बहुत कुछ नैतिक चीजों के बारे में सिखाने का जरिया है। फिल्म के माध्यम से हम अपनी ही नहीं बल्कि इतिहास के सभी घटनाओं को प्रसारित कर सकते हैं।

पहले के जमाने की फिल्में पारिवारिक और देशभक्ति के आधार पर बनीं होती थी, जिसे परिवार के हर एक सदस्य, बच्चों से बुजुर्ग तक सभी एक साथ देख सकते थे। परंतु आज के युग की फिल्में हम अपने परिवार या माता-पिता के साथ नहीं देख सकते।

एक दिलचस्प फिल्म वह होती है जिसे देखने के बाद देशभक्ति की भावना, परिवार के प्रति प्रेम आदि सब भावनाएँ उत्पन्न हो, जिससे हमें कुछ अच्छा सीखने मिले। आज के आधुनिक युग के युवा - युवती को यह समझना चाहिए कि फिल्म को हम मनोरंजन का ही नहीं बल्कि ज्ञान का भंडार भी बना सकते हैं।

अब की फिल्मों को बनाने का उद्देश्य ही फिल्म को 'सुपरहिट' करने का होता है। इसलिए हमें यह समझना होगा कि फिल्म भी हमारे जीवन में एक महत्वपूर्ण किरदार निभाता है। फिल्म हमारे जीवन का एक छोटा ही सही पर हिरसा तो है। इसलिए हमें अपनी सोच को बदलना होगा और अश्लीलता से परिपूर्ण फिल्मों को नजरअंदाज कर वीरता से परिपूर्ण फिल्मों को देखने में अपने समय का प्रयोग करना चाहिए।

اجھا لگتا ہے؟

جو الفت خاص ہوتی ہے بہت حساس ہوتی ہے
 جو اس سے دور ہوتا ہے بہت مجبور ہوتا ہے
 کبھی بندتا نہیں ہے بھر ہمیشہ رونا روتا ہے
 اسے پانے کی کوشش میں سبھی کچھ کھوتا رہتا ہے
 مگر دیکھو محبت کو نہیں ملتی کہیں پر بھی
 یہ مل جائے اگر تم کو مرا کتنا سلام اس کو
 بتانا کہ کوئی ہے جو اسے پانے کی خواہش میں
 بھٹکتی ہے، تڑپتی ہے سکون لینا گنوا تی ہے
 یہ شاعر کتنے اچھے ہیں محبت کرتے رہتے ہیں
 تمہیں بھی گرے الفت یہ دنیا بھول جاؤ گے
 اڑو گے آسمان میں تم زمیں پر بھر نہ آؤ گے
 قدم چومیں گی خوشیاں بھر خوشی سے جھوم جاؤ گے
 بھرا جو دل مسرت سے سبھی کو پیار بانٹنے گا
 کوئی ہنسنے بھی مارے تو اثر تم کو نہیں ہوگا
 یہ نظرت ساتھ تو دے گی مگر الجھن میں ڈالے گی
 خوشی کو بھول جاؤ گے تڑپتے ہی رہو گے تم
 کہ باسنے کیا ہوا مجھ کو؟ یہی ہر آن بولو گے

تو خود سوچو، ہے کتنا کیا؟

محبت اور نظرت میں

 صبر دعا تو سب ہے
 سب کہتے ہیں سب ہیں
 مگر مائی کیا سب ہیں

والدین

"والدین کی عظمت کو ترازو میں نہ تولو والدین ہر دور
میں انمول ہیں"

دنیا میں والدین سے بڑھ کر کوئی نعمت نہیں۔
والدین تو اللہ تعالیٰ کی عطا کردہ نعمتوں میں سے سب سے
بڑی نعمت ہے۔ جس کا کوئی نعم البدل نہیں۔ دنیا میں
ہر والدین اپنی اولاد کی پرورش کرتے ہیں۔ انہیں علم و
ادب سے آراستہ کرتے ہیں۔ سیدھے راستے پر چلنے کی
تاکید کرتے ہیں تاکہ دنیا میں کوئی خاص مقام حاصل
کر سکیں۔

یہ ماں ہی کی ممتا ہوتی ہے جو اپنی اولاد کو
شفقت سے پالتی ہے۔ ہر قسم کی مصیبتیں اٹھا کر اپنی
اولاد کی پرورش کرتی ہے۔ خود بھوکے پیٹ سو جاتی ہے
مگر اپنی اولاد کو کبھی بھی بھوکے پیٹ نہیں سونے
دیتی۔ باپ بھی ماں کے ساتھ اپنی اولاد کے ہر دکھ درد و
مصیبتوں میں شریک ہوتا ہے اور اس کی پرورش و تربیت
میں برابر کا سہم ہوتا ہے۔ اس طرح والدین اپنی
خواہشات کو ختم کر کے اپنی اولاد کی ہر خواہشات کو
پوری کرنے لگتے ہیں کہ انہیں زندگی کی تمام سہولتیں
فراہم کر سکیں۔ جس کے لیے وہ دن رات محنت
کرتے ہیں۔ ہر والدین اپنی اولاد کے لیے بہتر سے بہترین
کی کوشش کرتے رہتے ہیں۔

والدین کی محبت ان کی اولاد کے لیے خلوص
ہوتا ہے۔ غرض والدین جس محبت سے اپنی اولاد کو پروان
چڑھاتے ہیں کہ انہیں اس بات کا استحقاق دلاتی ہے کہ
ان کی پوری اطاعت خدمت گزاری کی جائے۔ اولاد کو
چاہیے کہ اپنے والدین سے نیک سلوک کریں۔ اگر والدین
ضعیف تک آئیچھے تو اولاد کو خیال رہے انہیں آف تک
نہ کریں اور نہ ہی کبھی بھی جھڑکیں۔

ہزار خواہش

ہزاروں خواہشیں ایسی کہ ہر خواہش پہ دم نکلے
بہت نکلے میرے ارمان پھر بھی کم نکلے

"خواہش" لفظ سننے ہی ہر کسی کو کسی بات یا شے کے
حصوں کی چاہت ہوتی ہے۔ ہر انسان کو اپنی روز مرہ
کی زندگی میں گزر بسر کرنے کے لیے بنیادی ضروریات
کی خواہشات ہوتی ہے۔ اس موضوع کے دو پہلو ہیں،
ایک طرف بعض لوگ سونے کے چھج لیکر پیدا ہوتے
ہیں۔ خدا انہیں ان کی اوقات سے زیادہ نواتنا ہے اور
دوسری طرف غریبوں کے حصوں میں صرف تین چیزیں
آتی ہیں، دعا، انتظار اور صبر۔

آپ نے کبھی سوچا ہے ایسا کیوں ہوتا ہے؟
وہ انسان کیوں اپنی ضروریات پوری نہیں کر سکتا، وہ اپنی
پسند کی چیزیں چاہ کر بھی نہیں لے پاتا، وہ کیوں اپنی
ہر خواہش کو مانتا ہے؟

اکثر دیکھا گیا ہے کہ جو لوگ فٹ پاتھ پر زندگی
بسر کرتے ہیں، ان کی بھی کچھ خواہش ہوتی ہے کہ
ہم بھی اچھے سے رہیں، اچھا کھانے، اچھی زندگی بسر
کریں۔ لیکن ان سب میں معصوم پیدا ہونے والے بچے
کی کیا غلطی - بچارے بچپن سے ہی مظسسی کا سامنا
کرتے ہیں۔ خواہش ہو کہ بھی اپنی خواہش کبھی ظاہر
نہیں کرتے، کیونکہ انہیں معلوم ہوتا ہے کہ ان کی
خواہشات کبھی پوری نہیں ہونے والی ہے اور دل ہی
دل میں اپنی خواہشات کو فنا کر بیٹھتے ہیں۔ بچارے
دھوپ میں صبح و شام جلتے رہتے۔ نہ سر پہ بھت، نہ
ستر چھپانے کے لیے کیزے، نہ سردی میں چادر، ایسا
کیوں؟ کیا کوئی ان پہ دھیان یا توجہ دیتا ہوگا؟

میرے خیال سے بالکل نہیں، کیونکہ ہر کسی
کو اپنی ہی خواہشات کی فکر ہے بھلا ان پہ لوگ کیا
دھیان دیں گے، کہ یہ کیا کھاتے ہیں کہاں رہتے
ہیں، ان کے بھی کچھ اہمان ہوتے ہوں گے، ان سے

کوئی چاکہ کوئی کیوں نہیں پوچھتا؟ آخر یہ بھی تو انسان
ہے، اللہ تعالیٰ کی بنائی ہوئی مخلوق ہے۔ رہی بات رہیں
لوگوں کی، رہیں لوگوں کی خواہشات جیسا کہ ماشاء اللہ ان
کی خواہش تو کبھی ختم ہونے سے رہی۔ انہیں تو ہر چیز
میں نخرے ہوتے ہیں۔ ان کی پیدائش ہی سونے کی
چوچ کے ساتھ ہوتی ہے۔

کہتے ہیں ناکہ جو چیز تمہارے پاس ہوتی ہے
اس کی قدر نہیں کبھی محسوس نہیں ہوتی اور جس چیز
کو حاصل کرنے کے لیے تم دن رات ایک کرتے ہو
اس کی تم بڑی قدر کرتے ہو۔

یا اللہ ایسا کیوں، ہر کسی کو ایک جیسا درجہ
کیوں نہیں، ہم سب تیرے ہی بندے ہیں۔ یہ مظسسی
میں بسر کرتے لوگ اور بعض لوگ مزے کی زندگی بسر
کرتے۔ یا اللہ وہ بغیر بھت میں رہنے والے ان معصوم
بچوں کی کیا غلطی، جو اپنی خواہشات کبھی پوری نہیں
کر سکتے۔ یا اللہ آج میری ہزار خواہش ہے کہ تو ہر کسی
کو یکجہ درجہ عطا فرما (آمین ثم آمین)۔ یا اللہ ہم تیرے ہی
بندے ہیں، تو بڑا عظیم، رحم والا ہے۔ ہم تجھ سے
نہیں مانگے گے تو کس سے مانگے گے ایک تو ہی ہم
سب کا سزا ہے۔

تعلیم کی اہمیت

انسان کی کچھ بنیادی ضرورت ہوتی ہیں۔ مثلاً۔
روٹی، کپڑا اور مکان وغیرہ۔ آج کے اس ترقی یافتہ دور میں
ایک اور ضرورت سے انسان کو آشنا ہونا چاہیے اور وہ
ضرورت تعلیم کی اہمیت ہے۔

جس طرح ہوائی جہاز زمین وغیرہ چلانے کے
لیے باقاعدہ اس کی مشق کرانی جاتی ہے یوں ہی اس
ترقی یافتہ دور میں زندگی گزارنے کے لیے تعلیم کی ضرورت
ہے۔ زمانہ ماضی میں بھی وہی لوگ کامیاب تھے جو تعلیم
سے آراستہ تھے۔ تاریخ کی کتابوں میں مونیچوڈرو ()
مونچوڈرو) اس کی تازہ مثال ہے۔ انہوں نے 2600
سال قبل مسیح 20-19 کے برابر ترقی کی ہوئی تھی۔
ان کا دور ختم ہونے کے بعد شاید ہی کوئی دور ایسا ہو جو
آج کے دور کے مشابہ ہو۔

دور حاضر میں انسانی آبادی تقریباً ساری دنیا میں
پھیلی ہوئی ہے۔ انسانوں نے خود کو مختلف صوبوں و
ملکوں میں تقسیم کر رکھا ہے۔ ہر ملک ترقی کرنا چاہتا ہے
مگر پہل اپنی خواہشات کی کر رہا ہے۔ آج کل جو حکومت
بنتی ہے وہ اختلافات کی بنیاد پر ہی بنتی ہوئی نظر آتی
ہے۔ اپنی مفاد کے لیے انسان انسان کو انسان نہیں

سمجھ رہا ہے۔ اس کی اصل وجہ ہمارے نوجوانوں میں
تعلیم کی کمی کے سوا کچھ بھی نہیں ہے۔ بچوں کے
نوجوانوں کو ملک کا مستقبل کہا جاتا ہے۔ ان کے
اجالاتوال کو دیکھتے ہوئے کہا جاسکتا ہے کہ ملک کس
جانب جا رہا ہے۔ بحر حال کچھ کی راہ پر لے۔

جا رہے ہیں۔ وہ نئی جو انسان کو جانور سے ممتاز
کرتی ہے وہ تفکر ہے۔ تفکر تعلیم کی بنیاد پر ہی پیدا ہو
سکتی ہے۔ اگر تعلیم ہی نہ رہے تو انسان اور جانور میں
فرق کیسا؟ وہ انسان جو فقط خورد و نوش کے لیے زندگی بسر
کرے وہ صرف انسان نا جانور ہو سکتا ہے۔ اس کا شمار
اشرف المخلوقات میں نہیں کیا جاسکتا۔

انسان اور ٹیکنالوجی

جدید ٹیکنالوجی نے جس طرح سے ہمارے لئے
آسانیاں پیدا کی ہے اسی طرح اس کے نقصانات بھی
بڑی تعداد میں دیکھنے کو ملتے ہیں، جہاں ایک چیز کے
فائدے ہوتے ہیں وہیںکے نقصانات بھی ہوتے ہیں۔

ماضی میں جو مشکلات نیکنالوجی نہ ہونے کی وجہ سے
درمیش تھی وہ اب کافی حد تک حل ہو چکی ہے ،

نیکنالوجی نے ہماری بہت سی مشکلات کو
آسانی میں تبدیل کر دیا ہے ، وسائل نقل و حمل ہو یا
مواصلات ، جہاں ہم پہلے دنیا میں ہونے والے واقعات
سے بے خبر رہتے تھے آج نیکنالوجی کی بدولت ہل ہل کی
خبر سے واقف ہوتے ہیں پہلے کوئی ضروری کام کے
لیے دور دراز کے سفر میں کئی کئی دن اور مہینے لگ
جاتے تھے آج نیکنالوجی کی مدد سے اس درکار وقت میں
انسان کے سیکڑوں کام نٹ جاتے ہیں۔

لیکن نیکنالوجی جہاں ہمارے لیے بہت فائدہ
مندجات ہے وہیں اس کے نقصانات بھی خطر
ناک میں اس نے ہمیں بہت ساری مختلف فخر میں مبتلا
کر دیا ہے اس کے لگاتار استعمال نے معاشرے میں
بڑی خرابیاں پیدا کر دی ہیں ، اس کے زیادہ استعمال
سے ہم جسمانی طور پر تو ساج میں ہے لہنوں کے ساتھ
میں لیکن حقیقت یہ ہے کہ اس نے ہمیں ہمارے
لہنوں کے ساتھ ہوتے ہوئے بھی ذہنی طور پر سب سے
جدا کر دیا ہے ، ایسے مسائل جن کے بارے میں پہلے
سوچا بھی نہیں جاسکتا تھا وہ آج ہر دن اخبار کی ہیڈلائن
ہوتے ہیں، بے حیائی اور فحش بالکل نہیں کے برابر

تھی لیکن نیکنالوجی نے اب تو ہمارے ضمیروں کو اتنا
مار دیا ہے اور انسان کو اتنا ذہیت بنا دیا ہے کہ وہ برائی
کو برائی نہیں سمجھتا۔

جوں جوں نیکنالوجی میں ترقی حاصل ہو رہی ہے
انسان اخلاقی گراؤت میں مبتلا ہو رہا ہے اب وہ
اخلاقیات ، محبت ، شفقت ، ادب احترام انسانیت و
شرافت و غیرہ سب بھول کر صرف مشین بن کر رہ گیا
ہے ، وہ بد اخلاق ہو چکا ہے محبت نے نفرت کی شکل
اختیار کر لی ہے ، بڑے پیمانے پر بے ہودہ طرز زندگی اور
تفریح کو فروغ حاصل ہو رہا ہے سب سے بڑھ کر اب
انسانیت خطرے میں ہے۔

اللغة العربية من اللغات العالمية الأكثر انتشاراً في العالم وتعتبر من إحدى اللغات المعتمدة في الأمم المتحدة، كما أنها تشكل اللغة الأولى في مناطق بلاد الشام وشبه

الجزيرة العربية.

هناك العديد من الدول في العالم لكل دولة صفاتها وخصائصها التي تميزها من بينها الهند بلدي هي واحدة من هذه البلدان كانت الهند دولة مشهورة ومعروفة دائماً من بين جميع الصفات هناك ميزة واحدة وهي ان العديد من الاديان تعيش معاً هنا التي تقدم مكانة متميزة في العالم مثل الاديان المختلفة يتم التحدث هنا ايضاً لا يوجد سوى بلد واحد في العالم حيث توجد النصول الثلاثة

وساهم هذا الانتشار الواسع للغة العربية في تصنيفها كواحدة من اللغات التي يسعى العديد من الطلاب الى دراستها خصوصاً غير الناطقين بها، من اجل التعرف على جمالك كلماتها، كما انها من اللغات التي ظلت محافظة على قواعدها اللغوية حتى هذا الوقت، لانها لغة الاسلام والمسلمين والقرآن الكريم كما ان الثقافة العربية غنية جداً بالعديد من المؤلفات سواء الادبية او العلمية وغيرها، والتي كتبت بلغة عربية فصيحة

ويصل العدد الاجمالي لحروف اللغة العربية الى 28 حروفاً. يجب على جميع اهل الاسلام ان يعظموا لغة القرآن بل ينبغي لكل مسلم في الارض ان يحمل في قلبه تعظيم هذه اللغة ومعرفة قدرها وشانها وتمتني بمعرفتها ان يباشر معاني كلمات الله كما تلفظ بها محمد بن عبد الله صلى الله عليه وسلم.

من بين جميع الفضائل هناك عيب واحد هو انه في بعض الاحيان يواجه مشاكل بسبب اختلاف الناس والاديان نظر التزايد عدد السكان فان نقص التعليم بين الناس ونقص فرص العمل وما الى ذلك هي المشاكل كل الرئيسية هنا لهذا السبب بدأ الناس بالذهاب الى بلدان اخرى يعيش جزء كبير من سكان الهند في بلدان اخرى ايضاً الناس هنا مر بطون يا الهند من زاوية ما من العالم من خلال سبل الأثس مثل الأعمال التجارية والمهندس والطبيب في الوقت الحاضر قدمت الهند نفسها امام العالم كمصر متطور وهي تسير باستمراري على نفس المسار نسأل الله تعالى أن يقود بلادنا على طريق التنمية بنفس الطريقة

ہم اردو کیوں سیکھیں؟

سلیقے سے ہواؤں میں جو خوشبو گھول سکتے ہیں
ابھی کچھ لوگ باقی ہیں جو اردو بول سکتے ہیں

وہ کرے بات تو ہر لفظ سے خوشبو آنے
ایسی ہلی وہی بولے جسے اردو آنے

پیارے طلباء۔۔۔

اپنی زبان سے لگاؤ ہونا ایک فطری بات ہے۔
جن قوموں کی زبان نہیں رہتی تو میرے خیال میں وہ
قوم بھی باقی نہیں رہتی۔ بے شک وہ انسان یا ان کی
نئی نسلیں دنیا میں موجود رہتی ہیں لیکن ان کے آہاؤ اجداد
تاریخ کے گمشدہ صفحات میں گم ہو کر رہ جاتے ہیں۔ اپنی
گفتگو کے شروع میں، میں نے جو شعر اردو کے حوالے
سے کہے ہیں۔ پچھلے میں اس اردو زبان کے بارے میں
کچھ اہم معلومات دینا چاہوں گا۔ تو غور سے سنیں۔۔۔

1. دنیا بھر کی دس بڑی زبانوں میں اردو زبان شامل
ہے۔

2. دنیا میں پانچویں نمبر پر سب سے زیادہ بولی جانے والی
زبان اردو ہے۔

3. دنیا کی 5% سے زیادہ آبادی اردو زبان بولتی ہے۔

4. 30 کروڑ سے زیادہ لوگوں کی مادری زبان اردو ہے۔

5. ہندوستان، پاکستان، بنگلہ دیش وغیرہ 25 سے زیادہ
ملکوں میں یا تو اردو سرکاری زبان ہے یا اقلیتی
(minorities) میں شامل ہے۔

کچھ لوگوں کا یہ سوال ہے کہ آج کے زمانے
میں ہم لیٹنگ کیوں سیکھیں؟ یا ہم اگر سکھ بھی نہیں
تو جاب کے لئے یہ زبانیں کہاں کام آتی ہیں؟ پھر چاہے
وہ اردو ہو، عربی ہو یا فارسی ہو؟ میں انھیں صرف اتنا
کہوں گا کہ کوئی بھی زبان یا مضمون آپ کو جاب کی
گیارہویں نہیں دیتا۔ دنیا میں ہر سال کئی لاکھ لوگ
گرجویٹس حاصل کرتے ہیں۔ کیا ہر کسی کو اس کے
اعتبار سے جاب ملتا ہے؟

پھر بھی اگر آپ جاننا چاہتے ہیں تو میں آپ کو
ضرور اردو زبان (عربی، فارسی) کے فائدے بتاؤں
گا۔ سب سے بڑی وجہ تو یہ زبان آپ کو ادب کرنا سیکھاتی
ہے۔ آپ کو اخلاقی طور پر بہتر بناتی ہے۔ یہ زبان کتنی
ہینٹی ہے۔ اس کا پتہ سب چلتا ہے جب لوگ آپ کے
سحر میں گرفتار ہو جاتے ہیں۔ آج انٹرنیٹ نے اردو زبان
کو عالمی زبان بنا دیا ہے۔ انٹرنیٹ پر آپ بیٹھے ہوئے اردو
میں تمام کام آسانی کے ساتھ کر سکتے ہیں۔ دنیا بھر
میں ہزاروں کی تعداد میں اردو زبان میں اخبار اور میگزین

نکلتے ہیں جہاں لاکھوں لوگ صرف اردو زبان کی وجہ سے روزی روٹی حاصل کر رہے ہیں۔ ٹی وی چینل ہو یا نیوز چینل۔ اگر آپ کی اردو اچھی ہے تو آپ آسانی کے ساتھ وہاں کام کر سکتے ہیں۔ اس کے علاوہ اگر آپ کو اردو ٹائپنگ آتی ہے تو گھر بیٹھے آپ اردو ٹائپنگ کے ذریعے کام کر سکتے ہیں۔

ٹرانسلیشن کی فیلڈ میں بھی لاکھوں لوگ جڑے ہوئے ہیں۔ آج کل ہر سامان کو بچھنے کے لئے اردو زبان کی ضرورت ہوتی ہے۔ آج بہت ساری معلومات کو ٹرانسلیشن کر کے اردو میں پیش کیا جا رہا ہے۔ پھر چاہے وہ کتاب ہو کوئی علم ہو ڈراما ہو یا سیریل ہو۔ فلم انڈسٹری کے بارے میں آپ سب جانتے ہیں۔ ڈاٹاگ سے لے کر گاؤں تک سب میں اردو زبان ہی استعمال ہوتی ہے۔ ہائی ووڈ میں لاکھوں افراد اردو زبان کی وجہ سے ہی جڑے ہوئے ہیں۔ اس کے علاوہ کھیل کود، سائنس، تاریخ، ٹورزم، وغیرہ میں بھی اردو کا زیادہ سے زیادہ استعمال ہو رہا ہے۔ ان تمام فیلڈ میں بھی آپ اردو کے ذریعے اپنا مستقبل سنوار سکتے ہیں۔ امریکہ ہو چین ہو یا جاپان ہو۔۔۔ یہ تمام ممالک اس لیے آج ترقی کی راہ پر چل رہے ہیں کیوں کہ ان تمام ملکوں نے کبھی اپنی زبان سے

دوری نہیں ہتی۔ ان تمام ملکوں نے اپنی زبان سے محبت کا اظہار اسے اپنی زندگی میں استعمال کر کے کیا۔ شرط صرف یہی ہے کہ آپ اپنے اندر اعتماد پیدا کریں۔ بحیثیت مسلمان ہمارا ادبی اور دینی و علمی سرمایہ عربی زبان کے بعد اردو میں ہی لکھا ہوا ہے۔ اس لیے ان تمام علم کو بھی آگے اپنی نسلوں تک پہنچانے کے لیے اردو زبان کا سکھنا اور پڑھنا بہت ضروری ہے۔

یہ بات یاد رکھیں کہ کوئل اپنی زبان خود بولتی ہے لہذا وہ آزاد رہتی ہے اور طوطا دوسروں کی زبان بولتا ہے اور ساری عمر بچھرے میں قید رہتا ہے۔ اپنی زبان پر فخر کریں اس سے پہلے کہ آپ دوسروں کے غلام بن جائیں۔

لہذا آپ اردو، عربی اور فارسی مضامین ضرور لیں اور دوسرے طلباء تک بھی یہ جانکاری شیئر کریں۔ اپنی بات میں اس شعر پر ختم کروں گا کہ

اردو ہے جس کا نام ہمیں جانتے ہیں داغ
ہندوستان میں دھوم ہماری زبان کی ہے

زندگی

زندگی کیا ہے ؟ سلسلہ امتحان ،

زندگی کیا ہے ؟ سنی سے سنی تک کا سفر ،

زندگی تری ہر ایک سانس سے سمجھوتہ کرلو
شوق جینے کا ہے مجھے مگر اتنا بھی نہیں

زندگی کیا ہے ؟ اسے آج تک کوئی نہ سمجھ سکا۔ کسی
نے اسے سفر کہا تو کسی نے ایک حسین خواب ! عمر
حال زندگی ان کی طرف سے عطا کردہ ایک انمول نعمت
ہے۔ اس نعمت کی قدر دانی ہی 'زندگی' ہے۔ اپنے لیے تو
سب ہی جیتتے ہیں اس جہاں میں۔ ہے زندگی کا مقصد
اوروں کے کام آنا۔ زندگی کو اس وقت جینا سیکھیں جب
وہ آپ کو ماری ہو۔

زندگی کیا ہے ؟ عناصر میں ظہور تزییب ،
زندگی کیا ہے ؟ زندہ دلی کا نام ہے ،
زندگی کیا ہے ؟ ایک جہد مسلسل ،
زندگی کیا ہے ؟ ایک طویل سفر ،
زندگی کیا ہے ؟ ایک حسین خواب ،

زندگی کیا ہے ؟ ایک اسٹیج ،
زندگی کیا ہے ؟ ایک گریہ عظیم ،
زندگی کیا ہے ؟ فطرت کی بساط ،

زندگی کیا ہے ؟ جاوداں ، ہر دم جواں ،
زندگی کیا ہے ؟ ضمیر کن فکاں ،
زندگی کیا ہے ؟ ایک سب گراں ،
زندگی کیا ہے ؟ ایک عمر بے گراں ،

زندگی کیا ہے ؟ ایک خواب بے دیوانے کا ،
زندگی کیا ہے ؟ ایک معرہ بے گنجے کا نہ سمجھانے کا
زندگی کیا ہے ؟ نام بے مرم کے جے جانے کا ،
زندگی کیا ہے ؟ ایک کرانے کی خوشی ،
زندگی کیا ہے ؟ ایک طوفانِ بلا خیز ،
زندگی کیا ہے ؟ ایک کشمکشِ سخت ،

گل ، عجم کہہ رہا تھا زندگانی کو ، مگر
شمع ہلی ، گریہ غم کے سوا کچھ بھی نہیں

زندگی کے سفر میں حوصلہ سے آگے بڑھنا ، حقیقتوں سے
نظریں چلا کرنا ، چہرے پہ مسکراہٹ سجانے رکھنا ہی
زندگی ہے۔

ہکتے تر بے گردش عجم سے جاہم زندگی
ہے یہی اسے بے خیر راز دوام زندگی
