REPORT OF THE STUDENTS AND STAFF GRIEVANCE REDRESSAL COMMITTEE 2022-23

For the Academic Year 2022-23, the Students and Staff Grievance Redressal Committee constituted of the following members:

Principal : Dr.(Smt.) Swati Wahwal
Chairperson : Smt. Darakshan S.A. Shaikh
Members : Smt. Pratiksha Phadnis
Smt. Preeti Gaoture
Shri Yashwant Patil
Smt. Sayali Khanvilkar

- 1) A complaint was filed and forwarded through the Principal to the Grievance Committee on 10/03/2023 by Ms. Hajra Hublikar, Lecturer on Clock Hour Basis, against her Head of Department for favouritism in matters of the department and for mental harassment. The committee immediately convened and decided to call on both parties for a hearing on 15/03/2023. After hearing both sides of the matter and deliberating over all aspects of the case, the committee members unanimously decided that there was not enough substance in the allegations and accordingly on 05/04/2023, the Confidential Committee Report was submitted to the Principal's office.
- 2) A complaint was filed and was forwarded through the Principal to the Committee on 12/02/2023 by Ajitkumar Manda Chauhan, student of Third Year B.Sc. (Physics) batch of 2019-20 for not being allowed to appear in his Second Year Mathematics Paper II Semester IV examination. The student complained that his T.Y.B.Sc. Result in which he had passed, was being withheld by the University as the above mentioned paper had not been cleared by him. The Examination Committee of the College had not given him clearance to appear for the examination of the said paper due to a technical issue.
The Grievance committee convened a meeting and investigated the matter by calling for his all result documents and also enquiring

with the Head of the Mathematics department as to why he could not appear for the said paper.

Upon detailed enquiry, the committee decided that the said technical issue was not applicable in this matter and recommended that the student should be allowed to appear for the above mentioned paper. Accordingly, on 22/02/2023, a report mentioning all relevant findings was submitted to the Principal's office.

- 3) In a matter of breach of discipline, misconduct and damage to government property by some students on the college campus towards the end of academic Year 2021-22, which was handled by both the Discipline Committee and the Grievance Committee of the college, the Grievance Committee recommended the barring of the said students, Shaikh Salim Sameer and Tanushka A. Singh for the next academic year 2022-23. Accordingly a letter to this effect was sent to the Admission Committee through the Principal on 15/07/2022.
