TREE PLANTATION-

Date: 30th July, 2020

Venue: I.Y. College, Campus

Total No. of Cadets: 45 Boys & 47 Girls

The NCC cadets conducted Tree Plantation Event at ISMAIL YUSUF COLLEGE.NCC cadets would have the opportunity to develop and demonstrate these qualities as they take on roles such as event planning, logistics coordination, and team management.

Outcome-The event would provide valuable educational opportunities for NCC cadets and college students to learn about the importance of trees, environmental conservation principles, and sustainable land management practices. It could also serve as a platform for interdisciplinary learning and research on topics related to ecology and environmental science.

Impact-Planting trees helps to increase green cover, improve air quality, and mitigate the effects of climate change by sequestering carbon dioxide. Trees also provide habitats for wildlife, enhance biodiversity, and contribute to ecosystem stability.

Sensitization-Sensitizing students to a tree plantation event conducted at Ismail Yusuf College, involves highlighting the importance of tree planting, the significance of the event, and its broader implications for the environment and society
