Greeting!

We, Piramal Foundation for Education Leadership (PFEL) are a social change organization working in the field of education. Our program started in 2008 with the focus to transform the quality of education in public schools by providing leadership training to school Head Masters.

Every year "PFEL conducts child assessment to know the baseline (BL) of schools for planning interventions throughout the year & end of the year we also conduct End-line (EL) to measure the impact. Since it is a large scale assessment process for which we need human resource. Hence, we are inviting volunteers to help us in conducting this large scale assessment.

PFEL is looking for 150 volunteers to execute child assessment in 100 Government schools of Municipal Corporation of Greater Mumbai (MCGM). The process tentatively starts from the date of 15<sup>th</sup> February to 10<sup>th</sup> March 2019.

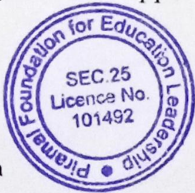

Volunteering for this large scale assessment project opens a great opportunity to interact with Government stakeholders in schools. It helps them to understand the public education system and how large-scale assessment helps to improve quality of education. Volunteers will also be able to develop basic communication, observation and monitoring skills.

Value additions for Volunteers

1. One day free workshop on Education followed by the training on conducting large scale assessment.
  2. Certificate of participation.
  3. Stipend of Rs.250 per day along with internal travel allowances (Bus, Train (Second class) & Sharing Auto), except day of workshop & training (Tickets are mandatory wherever applicable). This will be directly credited to their Bank Account.
  4. The Engagement of volunteer will be on an average 6 to 8 hours per day.
