To,  
The Principal,  
Ismail Yusuf College.

Greeting!

We are happy that we got great help from you by providing volunteers for our child assessment programme in BMC schools last time. For those who participated, we were able to give them certificate as well as daily Rs.250. We are looking for volunteers this time as well for the child assessment programme 2019-20. We, Piramal Foundation for Education Leadership (PFEL) are a social change organization working in the field of education. Our program started in 2008 with the focus to transform the quality of education in public schools by providing leadership training to school Principals.

To understand the impact of the intervention of the programme, PFEL conducts child assessment to set the base line (BL) for planning interventions in the schools. We also conduct Endline test (EL) at the end of the year to measure impact. To ensure the quality of the test, we conduct the same with the help of volunteers PFEL is looking for 150 volunteers to execute the assessment in 100 Government schools of Mumbai Municipal Corporation. The process tentatively starts from the date of 23<sup>rd</sup> August and ends on 31<sup>st</sup> August.

Volunteering for this large scale assessment project opens a great opportunity to work with Government stakeholders in education and our Gandhi Fellows. It helps them to understand the public education system and how large-scale assessment helps to improve quality of education. Volunteers will also develop basic communication and management skills.

Value additions for Volunteers.

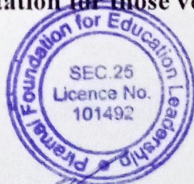

1. One day free workshop on Education followed the by the orientation session.
2. Certificate of participation.
3. Stipend of Rs.250 / day along with internal travel allowance (Bus, Train (Second class) & Sharing Auto), except workshop day. (Tickets are mandatory wherever applicable). This will be directly credited to their Bank Account.

The Engagement of volunteer will be average 6 to 8 hours per day.

Contact Person for Coordination Shabeer MK – (Sr.Program Leader Mumbai) (9633075686)

**For the above purpose, we also kindly request you to help us by arranging some space in your college to give short orientation for those volunteers interested.**
