Department of Physics

Notice

We are pleased to inform you that the Department of Physics is organizing an industrial visit to Jalaram Polymer Pvt. Ltd, Silvasa, Vapi. The visit is scheduled for 7th and 8th February 2020 and aims to provide you with practical insights into the manufacturing processes and operations of the industry. The industrial visit is an integral part of your curriculum, designed to enhance your understanding of theoretical concepts with real-world applications. It will also provide you with an opportunity to interact with industry professionals and gain firsthand knowledge of their operations. Attendance is mandatory for all students.

Department of Physics organized Industrial Visit to the Jalaram Polymer Privet Limited, Vapi on 07th -08th February 2020

Introduction: On 7th February , a group of 22 students from Deaprtment of Physics, Ismail Yusuf College, Jogeshwari East had the opportunity to visit Jalaram Mixer Grinder Company, a prominent manufacturer in the kitchen appliances industry. Situated in Vapi, Jalaram Mixer Grinder Company specializes in designing and manufacturing a diverse range of mixer grinders and related kitchen appliances.

Purpose of the Visit: The primary objective of the visit was to gain insights into the manufacturing processes involved in the production of mixer grinders, understand the technological advancements in kitchen appliance manufacturing, and observe the operational aspects of a leading company in this sector.

Activities and Observations:

1. **Welcome and Company Overview:** We were warmly welcomed by Mr Ashok Jain, the plant manager, who provided an overview of Jalaram Mixer Grinder Company's history, mission, and market presence. This introduction set the context for our visit and highlighted the company's commitment to quality and innovation in kitchen appliances.
2. **Factory Tour:** The highlight of the visit was a comprehensive tour of the manufacturing facility. During the tour, we observed the following key processes:
 - o **Assembly Line Operations:** We witnessed the assembly of mixer grinders, motor windings starting from component preparation to final product assembly. This included the use of automated machinery and manual labor in various stages of production.
 - o **Quality Control Measures:** We learned about the rigorous quality control measures implemented throughout the manufacturing process to ensure the durability, safety, and performance of each mixer grinder.
 - o **Testing Procedures:** We were shown the testing procedures conducted on finished

Notice

Industrial visit to keshav srushti

Ismail Yusuf College of Arts, Science and Commerce is going to organise an industrial visit to Keshav Srushti Mira Bhayandar on 4th February, 2020. Students are hereby strictly instructed to report in the morning at sharp 7:00 a.m. at the college main gate.

Students have to meet their bus incharge teachers at the main gate at 7:00 a.m. tomorrow.

Important instructions:

- 1) Students are hereby strictly instructed to report in the morning at sharp 7.00am at the college main gate.
- 2) ID Card is Mandatory to all students.
- 3) Students reporting late will be responsible for missing the Visit.
- 4) All the students are instructed to wear formal clothes.
- 5) Carry your own water bottle.
- 6) Undertaking forms have to be submitted compulsory.

Report on Industrial Visit.

Introduction:

On the 4th of February 2019-20, a group comprising 385 students and 14 faculty members embarked on an educational journey to KESHAV SRUSHTI Environment Education Centre located in Bhayander, Mumbai. The primary objective of the visit was to enhance our understanding of environmental conservation and sustainable living practices.

Description of KESHAV SRUSHTI:

KESHAV SRUSHTI is a renowned environment education center that offers a unique blend of education, awareness, and action towards environmental conservation. Spread over acres of land, the center is adorned with lush greenery, diverse flora, and fauna, providing an ideal setting for immersive learning experiences. It offers various programs, workshops, and activities aimed at promoting environmental stewardship among individuals of all ages.

Activities and Learning Experiences:

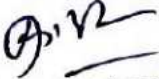

Guided Nature Walks: The visit commenced with guided nature walks led by knowledgeable instructors. Participants had the opportunity to observe and learn about various plant species, indigenous trees, and their ecological significance. This experience fostered a deeper appreciation for nature's beauty and complexity.

Interactive Workshops: Engaging workshops were conducted on topics such as waste management, renewable energy, and biodiversity conservation. Through interactive sessions, students gained insights into practical solutions for addressing environmental challenges and learned about their roles as responsible global citizens.

Hands-on Demonstrations: The center provided hands-on demonstrations of sustainable practices such as composting, rainwater harvesting, and organic farming techniques. Students actively participated in these activities, acquiring valuable skills that can be applied in their daily lives to minimize environmental impact.

Educational Exhibits: Informative exhibits showcased innovative technologies and initiatives aimed at promoting environmental sustainability. From eco-friendly building materials to alternative energy sources, these exhibits inspired students to explore innovative solutions to environmental issues.

Government of Maharashtra's
Ismail Yusuf College of
Arts, Science & Commerce.
Jogeshwari (East), Mumbai - 400 060.

Outcome and Reflections:

The visit to KESHAV SRUSHTI Environment Education Centre proved to be an enriching and transformative experience for both students and faculty members. It deepened our understanding of environmental issues and instilled a sense of responsibility towards protecting our planet. By witnessing real-world applications of sustainable practices, participants were inspired to adopt eco-friendly behaviors and become advocates for environmental conservation in their communities.

Conclusion:

The visit to KESHAV SRUSHTI Environment Education Centre served as a catalyst for fostering environmental awareness and promoting sustainable living practices among students and faculty members. It underscored the importance of experiential learning in shaping environmentally conscious individuals who are committed to preserving the planet for future generations. Through continued education and collective action, we can strive towards a more sustainable and harmonious relationship with the environment.

Government of Maharashtra
Ismail Yusuf College of Arts, Science and Commerce
Jogeshwari (East), Mumbai 400 060

On February 4, 2020, the BMS and BAF departments organized an insightful industrial visit to Keshav Srushti for 385 students from the BAF, and BMS programs. Keshav Srushti, known for its commitment to environmental sustainability, provided an excellent platform for students to explore real-world applications related to their studies.

During the visit, the students actively participated in a plastic collection drive, which highlighted the pressing issue of plastic waste and the importance of effective waste management. The drive aimed to educate students on the environmental impact of plastic pollution and encouraged them to adopt eco-friendly practices in their daily lives.

In addition to learning about industry operations, students gained practical experience in environmental conservation, enhancing their understanding of both industrial processes and sustainability efforts. The event not only bridged the gap between theoretical knowledge and practical application but also fostered a sense of responsibility towards environmental stewardship.

Overall, the visit to Keshav Srushti was a valuable educational experience, aligning with the departments' goals of providing students with comprehensive, hands-on learning opportunities while promoting environmental awareness and sustainable practices.

3) Department of History & Centre for Extra Mural Studies University of Mumbai
Jointly organised one day workshop on *Heritage Tourism* followed by *Heritage Walk* to
Jogeshwari Caves. **Date: 16-01-2020**

Heritage Walk to Jogeshwari Caves.

Notice: Visit to IIT Bombay Philosophy Department

We are pleased to announce an upcoming visit to the Philosophy Department at IIT Bombay. This visit aims to provide insights into the department's academic programs, research initiatives, and facilities.

Date: [6/12/2019]

Time: [10.00 Am to 5.00 pm]

Venue: Philosophy Department, IIT Bombay

Agenda:

- Introduction to the Philosophy Department faculty and staff
- Overview of ongoing research projects
- Discussion on academic programs and courses offered
- Q&A session with department representatives

All interested students and faculty members are encouraged to join this informative session. Please confirm your participation by [mention how they should confirm - e.g., email, sign-up sheet, etc.].

For further details, kindly contact at [9975084995].

We look forward to your active participation in this visit.

Sincerely,

Dr. Gandhi Dehury
