3. Tree plantation-

Date: 30th April 2021

Venue: I.Y.College,Campus

Total No. of Cadets: 42 Boys & 45 Girls

The Both NCC cadets conducted Tree Plantation Event at ISMAIL YUSUF COLLEGE, on 30th APRIL.NCC cadets demonstrated leadership skills by taking on various responsibilities, such as identifying suitable locations for tree planting, procuring saplings, arranging necessary equipment and materials, and coordinating with college authorities, volunteers, and external stakeholders.

Outcome-The tree plantation event organized at Ismail Yusuf College aimed to contribute to environmental conservation efforts by planting trees on the college campus. The event sought to raise awareness about the importance of tree planting for mitigating climate change, enhancing biodiversity, and improving the overall quality of the environment.

Impact-

By planting trees on the college campus, the event directly contributed to increasing green cover and enhancing the local ecosystem. Trees play a crucial role in mitigating climate change by sequestering carbon dioxide from the atmosphere, thus helping to reduce greenhouse gas emissions and combatting global warming. Additionally, trees improve air quality by filtering pollutants and releasing oxygen through photosynthesis, thereby creating a healthier environment for students, faculty, and staff.

Sensitization-

By sensitizing students to the tree plantation event at Ismail Yusuf College and its broader implications, educators can empower them to become environmental stewards and catalysts for sustainable development in their local and global communities.
